Line instructions

Line 2 – Enter the amount of the estate's or trust's previous income tax overpayment that was credited to its current estimated tax account, as finally determined. If there was an adjustment to the estate's or trust's previous tax return, the amount requested may differ from the amount actually credited. The estate or trust should have received a notice of adjusted credit to advise you of the proper amount.

Lines 3 through 7 – Enter the date, document locator number or confirmation number, and amount of each payment the estate or trust made. The *document locator number* is a 12-character entry beginning with *PT*, and it appears on the back of the estate's or trust's canceled check or money order. If the estate or trust paid by money order, contact the issuing agent for this information.

The *confirmation number* is a seven-digit or 12-character number, and it was provided at the time the estate or trust either made the credit card payment or direct debit (on our website). If the estate or trust does not have the credit card confirmation number, contact the credit card service provider for this information.

Note: Line 7 is the amount of estimated tax paid with Form IT-2663, *Nonresident Real Property Estimated Income Tax Payment Form*, and/or Form IT-2664, *Nonresident Cooperative Unit Estimated Income Tax Payment Form*.

Line 8 – If line 8 is the **same** as line 1, the estate's or trust's records agree with ours; claim the line 1 amount as estimated tax paid on its fiduciary income tax return, Form IT-205. If line 8 is different from line 1, fax or mail this completed form **immediately** as instructed above. We will review our records and reply to the estate or trust in time for the estate or trust to file its return, provided we receive the estate's or trust's Form IT-2106.1 by April 1.
