Instructions

Blanket certificate or single-purchase certificate

If you file a blanket certificate with the seller, it will cover your first purchase and any additional purchases of the same general type of property or service. Each sales slip or purchase invoice based on a blanket certificate must show your name and address and identification number as listed on the front of this certificate.

A single-purchase certificate is good only for the purchase being made at the time the certificate is presented.

Identification numbers

Omnibus owners — Enter your NYS DOT case number as shown on your certificate or permit issued by the New York State Department of Transportation.

To the purchaser

If you are a registered sales tax vendor you may use this certificate to purchase property tax exempt even if, at the time of purchase, you do not know whether the property will be used on a qualifying vehicle. However, tax must be paid on any property purchased exempt which is then used in a taxable manner.

If you are not a registered sales tax vendor, you may purchase property tax exempt only when you know at the time of purchase that the property is going to be used on a qualifying vehicle.

To the seller

Only qualifying vehicles, property, and services described on the front of this certificate may be sold exempt from sales tax by use of this certificate.

You must get a properly completed exemption certificate from the purchaser no later than 90 days after delivery of the property or service, or the sale will be deemed a taxable sale.

When a certificate is received after the 90 days, both the seller and purchaser are subject to the burden of proving that the sale was exempt. In that instance, additional substantiation may be required.

Definitions

Qualifying tractor, trailer, or semitrailer is a vehicle being used in combination where the gross vehicle weight of the combination exceeds 26,000 pounds.

Tractor is a motor vehicle designed and used as the power unit in combination with a semitrailer or trailer, or two trailers in tandem. Any such motor vehicle shall not carry cargo, but a tractor and semitrailer engaged in the transportation of automobiles may transport motor vehicles on part of the power unit.

Trailer is any vehicle not propelled by its own power, drawn on the public highways by a motor vehicle (as defined in Section 125 of the Vehicle and Traffic Law), excluding motorcycle side cars, vehicles being towed by a nonrigid support, and vehicles designed and primarily used for other purposes that are occasionally drawn by such a motor vehicle.

Semitrailer is any trailer designed so that, when operated, the forward end of its body or chassis rests upon the body or chassis of the towing vehicle.

Gross Vehicle Weight is the unloaded weight of the vehicle plus the unloaded weight of the heaviest motor vehicle, trailer, semitrailer, dolly, or other device to be used in combination with the vehicle, plus the weight of the maximum load that may be carried or drawn by the vehicle, excluding the weight of any driver or helper.

Unloaded weight is the actual weight of the vehicle, including all equipment necessary for the vehicle to function as a vehicle, necessary for the safety of the vehicle, permanently attached to the vehicle, used exclusively for protecting the load carried by the vehicle, or used exclusively for loading or unloading of the vehicle.

Qualifying omnibus is a motor vehicle weighing at least 26,000 pounds and measuring at least 40 feet in length, used to transport persons for hire by an omnibus carrier operating with a certificate or permit issued by the New York State Department of Transportation, or by an appropriate agency of the United States.

Note: An omnibus used by an omnibus carrier engaged in local transit service that does not meet the definition of a qualifying omnibus above is not eligible for this exemption. The carrier may not use Form ST-121.1 to make exempt purchases relating to the non-qualifying vehicle. However, the Tax Law does provide for a refund or credit of taxes paid for certain vehicles, property, services, and fuel used by buses providing local transit service. To apply for this refund or credit, use Form AU-11, *Application for Credit or Refund of State and Local Sales or Use Tax*. Qualifying omnibus carriers may file Form FT-500, *Application for Refund of Sales Tax Paid on Petroleum Products*, to obtain a refund of tax paid on fuels used while engaged in local transit service.
