

QUARTERLY SCHEDULE U (PAGE 2 SUPPLEMENT)**THIS FORM IS TO BE USED TO REPORT SALES AND USE TAX ON
THE FOLLOWING TRANSACTIONS ONLY:**

Machinery parts, tools and supplies used or consumed in production are subject to the local sales and use tax within the City of New York. These items are exempt from local sales and use taxes outside the City of New York. These items are also exempt from the statewide sales and use taxes.

Report on the New York City line of this form the sale of qualifying parts, tools and supplies or the purchases of these items which are subject to use tax.

The services of installing, repairing, maintaining or servicing production machinery, equipment, apparatus, parts, tools and supplies are subject to all local sales and use taxes. These services are exempt from the statewide sales and use taxes.

Report on the appropriate line of this form the sales of these services or purchases of these services which are subject to use tax.

Schedule U (Page 2 Supplement) should be used to report the following sales or purchases subject to use tax:

- (a) Machinery parts with a useful life of one year or less, tools and supplies used directly and predominantly in production within New York City only. (For machinery parts with a useful life of more than one year, see ST-851.1, Instructions, Page 2, Column (c).)
- (b) Parts with a useful life of one year or less, tools and supplies used in or on telephone central office equipment or station apparatus or comparable telegraph equipment used directly and predominantly in receiving at destination or initiating and switching telephone or telegraph communication within New York City only. (For parts with a useful life or more than one year, see ST-851.1, Instructions, Page 2, Column (c).)
- (c) The services of installing, repairing, maintaining or servicing:
 - I. Machinery and equipment used directly and predominantly in production.
 - II. Telephone and telegraph central office equipment and station apparatus used directly and predominantly in receiving at destination or initiating and switching telephone or telegraph communication.
 - III. Parts, tools and supplies used in connection with this machinery, equipment and apparatus.

INSTRUCTIONS
