General Information

This form must be used by insurance corporations organized or domiciled in New York State to claim a refund for retaliatory taxes paid to other states as a result of the imposition of the Metropolitan Transportation Business (MTB) tax surcharge. The surcharge credit available for a given year may not exceed the tax surcharge payable for that year as computed pursuant to Section 1505-a of the Tax Law. The credit is claimed in the year paid but is attributed to the year in which the retaliatory taxes were imposed or assessed.

Attach a separate sheet to the refund claim, identifying the recipients of the tax and the amount(s) paid to

each recipient, broken down to reflect the year to which the taxes are attributable.

A credit cannot be claimed for taxes paid to other states on or after the "limitation date" for each surcharge taxable year. The term "limitation date" means the first day of the sixth calendar year beginning after the close of the calendar year in which an insurer's surcharge taxable year begins. For example, for a surcharge taxable year ending December 31, 1984, the limitation date for filing a claim for refund would be January 1, 1990. For a 12-month fiscal surcharge year ending November 30, 1985, the limitation date for filing a claim for refund would be January 1, 1990. For additional information see TSB-M-85(4)C.
