The MCTD includes the counties of New York, Bronx, Queens, Kings, Richmond, Dutchess, Nassau, Orange, Putnam, Rockland, Suffolk and Westchester.

Your total MTB tax surcharge payment:

- must equal or exceed 100% of the MTB tax surcharge for the preceding year (if it was for a period of 12 months); or
- equal or exceed 90% of the MTB tax surcharge for this period as finally determined.

Identifying Information

To ensure that your corporation tax forms are processed as quickly and efficiently as possible, it is important that we have the necessary identifying information from your preprinted mailing label. Please include your employer identification number and file number on each form filed. These numbers can be copied directly from the label. Do not use the label on this form.

If you use a paid preparer or accounting firm, make sure they use the label information when completing all forms prepared for you.

Part I — General Transportation Corporations

Corporations operating vessels must use Part II. The same type of information used on Form CT-183 in Schedule A, Part II is required; however, you must use 1990 figures.

Part III — Telephone and Telegraph Companies

A telephone or telegraph corporation must determine the portion of its tax attributable to business activity carried on within the MCTD by multiplying the tax imposed under section 184 of this article by the ratio of its total gross operating revenue from transmission services performed wholly within the MCTD to its total gross operating revenue from transmission services performed within the entire state during the period covered by the return. Attach a statement.
