From the Commissioner

Starting this year, if you were eligible to claim the federal earned income credit on your federal tax return, you can now claim New York State's new earned income credit. The New York State credit is equal to 7.5% of the federal credit amount. Like the federal credit, New York's earned income credit is targeted to assist lower-income workers, especially those with families. The credit can be used to reduce a household's tax bill, and in some cases, eliminates the tax and provides a refundable payment. These instructions contain all the information you need to claim this credit if you are eligible.

New York State and New York City income tax rates, brackets and standard deduction amounts, meanwhile, are unchanged from last year.

As always, we will be working hard to get your refund to you as quickly as possible. Beginning this 1994 tax year, we will begin paying you interest on your refund if we do not issue it within 45 days of the April 15 due date or the date you actually file your return, whichever is later. In the past, we could issue your refund without paying you interest for up to three months after the due date or the date you filed, whichever was later.

You may notice that some of our forms have a new look for tax year 1994. As part of an innovative approach to returns processing, we have developed

a number of machine-readable tax forms. This will allow us, in a separate scanning operation, to use the latest computer imaging technology in the initial scanning and data entry of income tax returns. It will also mean more efficient handling of your return. You can help by making your entries carefully, as explained in these instructions, and by filing an original return, not a photocopy.

By way of reminder, you can prevent delays in processing your return and any tax refund that you may be entitled to by reviewing the checklist on page 12. This will help you avoid the kinds of errors that make it necessary for us to send back or adjust your return.

Remember, too, that if you need help with your 1994 New York State income tax return, you can call toll free (from New York State only) 1 800 CALL TAX (1 800 225-5829). From areas outside New York, call (518) 438-8581. Trained service representatives are on hand to answer any questions you may have.

IT-200 Highlights for Tax Year 1994

The 1993 New York State and New York City income tax rates and brackets and standard deduction amounts are retained for the 1994 tax year. Your refund must now be issued within 45 days from the due date of your return or the date your return was filed, whichever is later. If the refund is not mailed to you within 45 days, the Department will pay you interest. A New York State earned income credit is now available. See page 14 of these instructions for more information.

Specific changes affecting IT-200 filers for tax year 1994 include the following:

- **Line 2** of Form IT-200 has been changed to include dividend income and interest income.
- **Line 31** has been modified to include the new New York State earned income credit.

A New York State earned income credit is now available for those individuals who claim a federal earned income credit. The

New York earned income credit must be claimed on Form IT-215, *Claim for Earned Income Credit*, and transferred to line 31 of Form IT-200. The New York earned income credit is 7½% (.075) of the amount of the federal earned income credit claimed.

How to avoid mistakes that slow down the processing of your return and refund:

- **Public employee contributions must be entered on line 8.**
If you are a Tier III or Tier IV member of the New York State and Local Retirement Systems (including the New York State Employees' Retirement System and the New York State Policemen's and Firemen's Retirement System), New York State Teachers' Retirement System, or an employee of the State or City University of New York who belongs to the Optional Retirement Program or any tier member of the New York City Employees' Retirement System, the New York City Teachers' Retirement System, the New York City Board of Education Retirement System, the New York City Police Pension Fund or the New York City Fire Department Pension Fund, you must enter the amount of public employee 414(h) retirement contributions you made in 1994 on line 8.

- **New York City IRC 125 flexible benefits program must be entered on line 9.**
IRC Section 125 amounts deducted or deferred from your salary under a flexible benefits program established by the City of New York and certain other New York City public employers must be entered on line 9 of Form IT-200.

- **Be sure to check either the Yes or No box at Item D.**
Item D asks whether or not you can be claimed as a dependent on another taxpayer's federal return. Be sure to check either the Yes or No box, especially if you are single, since the answer determines the amount of standard deduction allowed.

- **Complete the New York Dependent Exemption Worksheet on the back of Form IT-200 and enter the line c number on line 14.**
Some taxpayers make the mistake of entering their federal exemptions on line 14. Federal exemptions may include both personal and dependent exemptions. Only **dependent** exemptions are allowed on your New York State return.

- **Be sure to claim the correct amount for your New York State child and dependent care credit.**

This credit is limited to 20% of your federal child care credit before any limitations. Some taxpayers erroneously claim 20% of their federal child and dependent care **expenses** instead of 20% of their credit (from federal Form 1040A, Schedule 2, Part II, line 10; or, if you filed federal Form 2441, from line 10, before any limitations).

If you are required to complete the worksheet on page 2 of the Form 2441 instructions, you may find that the federal child care credit is reduced on this worksheet. You are actually allowed 20% of the credit before any limitations on your state return.

- **Nonobligated spouses should attach Form IT-280 to their returns.**
If you are a nonobligated spouse who is filing Form IT-280 to disclaim your spouse's debt, use the original Form IT-280. Do not use a photocopy. If you need to order this form, call toll free (from New York State only) 1 800 462-8100. From areas outside New York State, call (518) 438-1073.
- **Check the New York standard deduction table on the back of Form IT-200 and make sure that you have claimed the correct standard deduction for your filing status on line 13.**
- **Use the correct New York tax table.**
Some taxpayers erroneously use the city tax table to determine their state tax, and vice versa.
- **Enter your refund or amount you owe on the correct line of your return.**
Taxpayers sometimes enter the amount they owe on the **refund** line (line 37) instead of on the **amount you owe** line (line 38). If you owe tax, enter this amount on the correct line and pay this amount when you file your return to avoid a bill for the tax owed plus interest and possible penalty.

Americans with Disabilities Act (ADA)

In compliance with the Americans with Disabilities Act, we will ensure that our lobbies, offices, meeting rooms and other facilities are accessible to persons with disabilities. If you have questions about special accommodations for persons with disabilities, please call the information numbers listed under *Need Help?* on page 7.

Your Rights Under the Tax Law

The Taxpayer Bill of Rights requires, in part, that the Tax Department advise you, in writing, of your rights and obligations during an audit, when appealing a Departmental decision and when your appeal rights have been exhausted and you need to understand enforcement capabilities available to the Department to obtain payment. For a complete copy of the information contained in all of these statements, you may request Publication 131, *Your Rights and Obligations Under the Tax Law*, by calling toll free (from New York State only) 1 800 462-8100. From areas outside New York, call (518) 438-1073.

Use your preprinted mailing label

The mailing label on the front of the packet is designed to speed processing and prevent common errors that delay refund checks. However, do not attach the label until you have completed and checked your return. For more information, or if you do not have a label, see Step 5 on page 12 of the instructions.

Do you need a tax packet?

If you use a paid preparer, or if you use computer software to prepare your return, or if for any other reason you do not need a tax packet mailed to you for next year's taxes, please check the box at item E of your Form IT-200. By checking this box, you will help us reduce printing and mailing costs.

When you check the box, we will send you a mailing label that you or whoever prepares your return should use on your 1995 return. Be sure to use your preprinted mailing label; if you do not, it may cause a delay in processing your return and your refund, if you are entitled to one.

Who Must File

New York Residents

You must file a New York State resident return if you meet any of the following conditions:

- You have to file a federal return.
- You did not have to file a federal return but:

your federal filing status would have been:	and you had federal adjusted gross income (plus New York additions)* of more than:
--	---

single, and you can be claimed as a dependent on another taxpayer's federal return **\$2,800**

single, and you cannot be claimed as a dependent on another taxpayer's federal return or married filing joint return or married filing separate return or head of household or qualifying widow(er) **\$4,000**

* (New York additions are explained on page 7 of these instructions; see the federal instructions to find your filing status and figure your federal adjusted gross income.)

- You want to claim a refund of any New York State, city of New York or city of Yonkers income taxes withheld from your pay.
- You want to claim a refund of the New York State earned income credit.
- You are subject to the minimum income tax.
- You are subject to the separate tax on lump-sum distributions.

If you need help, call New York State Taxpayer Assistance toll free at **1 800 CALL TAX (1 800 225-5829)** or see page 7 of these instructions.

Residents of New York City and Yonkers

If you were a New York City or Yonkers resident for the tax year and you have to file a New York State return, report your New York City income tax or your Yonkers resident income tax surcharge on your state return.

Nonresidents of New York City and Yonkers

If you were not a New York City or Yonkers resident for 1994 but you earned wages or self-employment income in either of these cities and you have to file a New York State income tax return, you must also file Form NYC-203, *City of New York Nonresident*

Earnings Tax Return, or Form Y-203, *City of Yonkers Nonresident Earnings Tax Return*. If you are married, you cannot file jointly on Form NYC-203 or Form Y-203. If you each have taxable earnings, you must each file a separate Form NYC-203 and/or Form Y-203. Forms NYC-203 and Y-203 are due at the same time as your state return and must be attached to it. For more information, see the instructions for these forms.

Homeowners and Renters

If you are a New York State resident and if your household gross income was \$18,000 or less, you may be entitled to a state tax credit for part of the real property taxes or rent you paid during the year. Qualified persons 65 or older can claim a credit of up to \$375. For qualified persons under 65, the maximum credit is \$75. To claim the credit, complete Form IT-214, *Claim for Real Property Tax Credit for Homeowners and Renters*, and attach it to your return.

If you do not have to file an income tax return, you may still claim the credit by filing only Form IT-214.

For more information, see *Instructions for Form IT-214* on page 17 and Publication 22, *General Information on New York State's Real Property Tax Credit for Homeowners and Renters*.

Residents of New York State Claiming the Earned Income Credit

If you are a New York State resident and claimed a federal earned income credit, you may be entitled to a state earned income credit. To claim the credit, complete Form IT-215, *Claim for Earned Income Credit*, and attach it to your return.

For more information, see *Earned Income Credit* on page 14.

Deceased Taxpayers

If a taxpayer died before filing a return for 1994, the taxpayer's spouse or personal representative may have to file and sign a return for that taxpayer. A personal representative can be an executor, administrator or anyone who is in charge of the deceased taxpayer's property. If a taxpayer did not have to file a federal return but had New York State tax withheld, a New York return must be filed to get a refund. If a joint federal income tax return was filed for the deceased taxpayer and the surviving spouse, a joint New York State return can be filed on Form IT-200 or Form IT-201, depending on which federal form was filed. The filing due date is the same as if the taxpayer had lived. The person who files the return for the deceased should write the taxpayer's first name and date of death in the area indicated at the top of the return.

If a refund over \$10,000 is requested and (1) the return is not signed by the fiduciary or

(2) you are a court-appointed representative and are claiming a refund for a deceased taxpayer, file the return and attach a copy of the certificate that shows your appointment. All other filers requesting the deceased taxpayer's refund must file the return and may have to attach Form AU-281.17, *Survivor's Affidavit*. Call or write us for this form. See *How to Get Forms* on page 5 of these instructions.

Members of the Armed Forces

If you are a member of the military and a New York State resident, the amount of your military pay that is subject to federal income tax is also subject to New York income tax. If your permanent home (domicile) was in New York State when you entered the military but you were assigned to duty outside the state, you are still a New York State resident and must file a resident return even if you are presently serving outside New York State. If your permanent home (domicile) was in New York State when you entered the military but you meet the conditions for nonresident status, your military pay is not subject to New York State income tax. If you are stationed in a foreign country when your return is due and you qualify for an automatic two-month extension of time to file your federal return, you are automatically granted a two-month extension of time to file your New York return.

City taxes — If you were a New York City or Yonkers resident when you entered the military and if your military pay is subject to New York State income tax, it is also subject to New York City or Yonkers taxes. However, if you meet the conditions for nonresident status, your military pay is not subject to the New York City or Yonkers nonresident earnings tax.

For more information, see Publication 361, *New York State Income Tax Information for Military Personnel and Veterans*.

Nonresidents and Part-Year Residents

If you were not a New York State resident for 1994 or if your New York State resident status changed, and you had New York State source income, you may have to file Form IT-203, *Nonresident and Part-Year Resident Income Tax Return*. For more information, see the instructions for Form IT-203.

If you were a New York State resident for all of 1994, but a New York City or Yonkers resident for only part of the year, you cannot use Form IT-200. Instead, you must complete Form IT-201 and Form IT-360.1, *Change of City Resident Status*. For more information on change of city resident status, see IT-360.1-1, *Instructions for Form IT-360.1, Change of City Resident Status*.

Which Form to File

If you filed federal Form:

1040EZ File your New York income tax return on:
Form IT-100 if you want us to figure your tax,
 or
Form IT-200 if you want to figure your tax yourself or claim the real property tax credit (see *Homeowners and Renters* on page 3) or you want to disclaim a spouse's debt (see *Collection of debts from your refund and Disclaiming of spouse's debt*, page 11) or you want to claim the earned income credit (see page 14).

1040A **Form IT-100** if you want us to figure your tax and you did not have individual retirement arrangement (IRA) distributions, pension or annuity income or social security benefits included in your federal adjusted gross income. (You must use **Form IT-200** if you are married and filing a separate federal return and you did not have individual retirement arrangement (IRA) distributions, pension or annuity income or social security benefits included in your federal adjusted gross income.)

or
Form IT-200 if you want to figure your tax yourself and you did not have individual retirement arrangement (IRA) distributions, pension or annuity income or social security benefits included in your federal adjusted gross income, or you want to claim the real property tax credit (see *Homeowners and Renters* on page 3) or you want to disclaim a spouse's debt (see *Collection of debts from your refund and Disclaiming of spouse's debt*, page 11) or you want to claim the earned income credit (see page 14).

1040 **Form IT-201** (but see *Can you file Form IT-200 instead of Form IT-201?* below).

Can you file Form IT-200 instead of Form IT-201?

Even though you filed federal Form 1040, you should file New York's shorter return, Form IT-200, instead of Form IT-201 if:

- you itemized your deductions on federal Form 1040, but your New York standard deduction is larger than your New York itemized deduction (use worksheet in the next column); and
- your income was only from wages, interest, dividends, taxable refunds, credits

or offsets of state and local income taxes or unemployment compensation; and

- your adjustments to income are only for IRA deductions, public employee 414(h) retirement contributions, IRC 125 amounts deducted or deferred from your salary under a flexible benefits program established by the city of New York or certain other New York City public employers, interest income on US government bonds or taxable refunds, credits or offsets of state and local income taxes; and
- your taxable income is less than \$65,000; and
- your only New York tax credits are the child and dependent care, household, earned income or real property tax credits; and
- your only other income taxes are full-year New York City or Yonkers income taxes; and
- you didn't make estimated tax payments, you don't need to extend the time to file your return and you're a calendar-year filer.

Worksheet for Figuring Which Deduction is Larger

a. Total itemized deductions from federal Schedule A, line 29..... a. _____

b. State, local and foreign income taxes from federal Schedule A, lines 5 and 8... b. _____

c. Subtract line b from line a... c. _____

d. Enter the standard deduction that applies to your filing status:

Single and can be claimed as a dependent..... \$2,800

Single and cannot be claimed as a dependent..... 6,000

Married filing joint return..... 9,500

Married filing separate return..... 4,750

Head of household... 7,000

Qualifying widow(er)... 9,500 d. _____

If line d is larger than line c, you meet the first requirement in *Can you file Form IT-200 instead of Form IT-201?*, and you should file Form IT-200 if you meet the other requirements. If line c is larger than line d, your tax will be less if you file Form IT-201 and take the itemized deduction. If other adjustments to federal itemized deductions apply to you (for example, interest expense on money borrowed to purchase or carry bonds or securities whose interest is exempt from New York State income tax), adjust line c appropriately.

No matter which federal form you filed, you must use New York Form IT-201 if:

- You have individual retirement arrangement (IRA) distributions, pension or annuity income or social security benefits included in your federal adjusted gross income.
- You have any of the following New York adjustments to income: **subtractions** for taxable social security benefits and the pension and annuity income exclusion (the subtraction for interest income on US government bonds can be made on all New York returns); **additions** to income for interest income from state and local bonds (but not those of New York State and the local governments within the state) and the accelerated cost recovery system (ACRS) deduction. For information on all New York adjustments to income, see Publication 382, *How to Figure Your New York State Additions and Subtractions*.
- You can claim any of these New York tax credits:
 - resident credit
 - accumulation distribution credit
 - investment credit
 - special additional mortgage recording tax credit (shareholder of electing New York S corporation only)
 - special additional mortgage recording tax credit carryover
 - solar and wind energy credit carryover
 - economic development zone credits.

The household credit, child and dependent care credit and earned income credit can be claimed on all New York returns. The real property tax credit can be claimed only on Forms IT-200 and IT-201.

- You are subject to any of these taxes:
 - minimum income tax
 - separate tax on lump-sum distributions
 - add-back of investment credit on early dispositions
 - part-year city of New York resident tax
 - part-year city of Yonkers resident income tax surcharge
 - add-back of EDZ investment tax credit
 - add-back of resident credit for taxes paid to a province of Canada.
- You are claiming a 1994 estimated tax payment or an overpayment credit from your 1993 return.
- You want to apply any part of your 1994 overpayment to your estimated tax for 1995.
- You were a New York State resident for all of 1994, but a New York City or Yonkers resident for only part of the year. For more information on change of city resident status, see IT-360.1-1, *Instructions for Form IT-360.1*.
- You are filing for a taxable period other than the calendar year January 1 through December 31, 1994.
- You need an extension of time to file your return.

If you did not have to file a federal return but you must file a New York return, use your federal instructions to choose the federal form

Which Form to File (continued)

you would have filed if one had been required. Then use these instructions to choose your New York form. You will also need your federal instructions to determine your filing status, your income, adjustments to income, and the number of exemptions you may claim. If you need help, see page 7 of these instructions.

Separate returns are required for some married taxpayers who file a joint federal return. If one of you was a New York State resident and the other was a nonresident or part-year resident, you must each file a separate New York return. The New York State resident must use Form IT-200 or Form IT-201. The nonresident or part-year resident, if required to file a New York return, must use Form IT-203. However, if both of you choose to file as New York residents, you may file a joint New York State return; use Form IT-200 or Form IT-201. Some Form IT-201 filers can use Form IT-200. See *Can you file Form IT-200 instead of Form IT-201?* on page 4. For the definition of resident, nonresident and part-year resident, see the instructions for Form IT-201.

Also, if you filed a joint federal return but are unable to file a joint New York return because the address or whereabouts of your spouse is unknown, you may be able to file a separate return. See **Line Instructions, Item B** on page 8.

Electronic Filing

Taxpayers eligible to file an IT-200 may file an IT-201 return electronically instead. Electronic filing offers the advantages of computer filing accuracy and rapid processing.

To file your return electronically:

- You must be requesting a refund.
- You must file your federal return electronically.
- You must use a New York State accepted preparer for electronic filing.
- You must ensure that a signed IT-201-E, *Declaration for Electronic Filing of Resident Income Tax Return*, and any required attachments are filed on your behalf. The Tax Department will not process an electronically filed return or pay any refund due until the IT-201-E is received.

How to Get Forms

You can get forms and publications at many banks and public libraries, or by using the *Forms Order Blank* in the tax packet mailed to you. You can also get forms by calling toll free (from New York State only) 1 800 462-8100. From areas outside New York State, call (518) 438-1073. If you want to write instead of calling, address your letter to **NYS Tax Department, Taxpayer Assistance Bureau, W A Harriman Campus, Albany NY 12227.**

Federal/State Tax Agreement

Under authority of federal and New York State laws, the New York State Department of Taxation and Finance and the Internal

Revenue Service have entered into a federal/state agreement for the mutual exchange of tax information.

Other Forms You May Have to File

Form IT-201-X, Amended Resident Income Tax Return

Generally, an amended return claiming credit for, or a refund of, an overpayment must be filed within three years of the date that the original return was filed, or within two years of the date the tax was paid, whichever is later. However, if you file an amended federal return showing a change in your taxable income, tax preference items, total taxable amount or capital gain or ordinary income portion of a lump-sum distribution, earned income credit or credit for child and dependent care expenses, you must also file an amended New York State return within 90 days of the date you amend your federal return.

You must also file an amended return to correct any error on your original state return, and to report changes made by the Internal Revenue Service.

If the Internal Revenue Service changes the taxable income, tax preference items, total taxable amount or capital gain or ordinary income portion of a lump-sum distribution, or disallows your refund claim, earned income credit or credit for child and dependent care expenses that you reported on your federal return, you must report these changes to the New York State Tax Department within 90 days from the date the Internal Revenue Service makes its final determination.

To amend your 1994 return, you must use 1994 Form IT-201-X. Since we cannot process your amended return until we have completed the processing of all original returns, there may be some delay in processing your amended return. If you need forms, see *How to Get Forms* on this page.

For more information, see Publication 380, *How to Amend Your New York State Income Tax Return*.

Form CT-33-D, Tax on Premiums Paid or Payable to an Unauthorized Insurer on Risks Located Within New York State

Complete this form if you have purchased or renewed a taxable insurance contract from an insurer not authorized to transact business in New York State under a Certificate of Authority from the Superintendent of Insurance. You will be liable for a tax of 36% of the premium. The return must be filed within 60 days following the end of the calendar quarter in which the contract was purchased or renewed. For more information, see Form CT-33-D and TSB-M-90(9)C.

When to File

File your return as soon as you can after January 1, 1995, but not later than the filing deadline, **April 17, 1995.** If you are required to file your 1994 federal return at the IRS Service Center in Andover, Massachusetts, the filing deadline for your 1994 New York return is

April 18, 1995. If you file late, you may have to pay penalties and interest. See *Penalties and Interest* on pages 6 and 7.

Extension of time to file — If you know that you cannot meet the filing deadline, ask for an extension of time by filing New York State Form IT-370, *Application for Automatic Extension of Time to File for Individuals*. The time to file will be automatically extended for four months if you file Form IT-370 on time and pay any tax you owe with it. If you expect to either receive a refund or have no amount of New York State, New York City or Yonkers income tax remaining unpaid as of the due date of your return, and you are filing federal Form 4868 to extend the time to file your federal return, you can also use a copy of federal Form 4868 to extend the time to file your New York return instead of filing Form IT-370. Write **New York State Copy** at the top of the form.

If you are required to pay any tax when you request your extension, mail Form IT-370 with your payment to Extension Request, P O Box 15106, Albany NY 12212-5106.

If you are not required to pay any tax when you request your extension, mail Form IT-370 (or the copy of your federal Form 4868) to Extension Request - NR, P O Box 15105, Albany NY 12212-5105.

When you file, you must use Form IT-201; you cannot file Forms IT-100 or IT-200.

If, after asking for an extension of time to file using **paper** Form IT-370 or federal Form 4868, you choose to file your federal return electronically, you may still file your New York State resident income tax return electronically through August 15, 1995. Electronic returns may not be filed after this date.

If you are a US citizen or a US resident living and working abroad and you qualify for an automatic two-month extension of time to file your federal return, you are automatically granted a two-month extension of time to file your New York return. For more information, see Publication 88, *General Tax Information for New York State Nonresidents and Part-Year Residents*.

Wage and Tax Statements

Your employer must give you a wage and tax statement — either federal Form W-2 or New York State Form IT-2102. This statement shows your total earnings and the amount of New York State, New York City and Yonkers taxes withheld from your pay during the year.

You must staple your wage and tax statement(s), New York State Form IT-2102 (Copy 1) or federal Form W-2 (Copy 2), to your return as shown in Step 7, *Return Assembly*, on page 12 of these instructions. If you have not received your wage and tax statement by February 15, 1995, or if the statement you received is incorrect, contact your employer.

Paid Preparers Must Sign Your Return

Anyone you pay to prepare your return must sign it and fill in the other blanks in the paid preparer's area on the back of your return. The preparer required to sign your return must sign it by hand; signature stamps or

labels are not acceptable. If someone prepares your return and does not charge you, that person should not sign it.

Paid preparers may be subject to a penalty for failure to comply with certain requirements. For more information, see *Penalties and Interest* below.

Paid preparers should get Publication 50, *Information for Paid Preparers of New York Income Tax Returns*, for more details.

Computer Filled-In Returns

If you use a computer to fill in your return, be sure you meet these requirements:

- If you do not use the official income tax forms that we provide, any computer-generated form you use must comply with the guidelines in Publication 75, *Specifications for Reproduction of 1994 New York State Income Tax Forms*.
- Your software must conform to current federal and state income tax laws.

Check Your Withholding for 1995

If, after completing your 1994 tax return, you want to change the amount of tax withheld from your paycheck, complete Form IT-2104, *Employee's Withholding Allowance Certificate*, and give it to your employer.

Keep Copies of Your Tax Records

Please remember to keep a copy of your completed income tax return. Also keep copies of any books, records, schedules, statements or other related documents.

You may be asked by the Tax Department to provide copies of these records after you have filed your income tax return.

Penalties and Interest

Interest — Interest will be charged on income tax that is not paid on or before the due date of your return, even if you received an extension of time to file your return. Interest is a charge for the use of money and in most cases may not be waived. Interest is compounded daily and the rate is adjusted quarterly.

If you are due a refund, you may also be entitled to receive interest on your overpayment. Interest is compounded daily and the rate is adjusted quarterly. If the refund is made within 45 days after the due date of your return, no interest will be paid. If you file your return after the due date (including extensions), no interest will be paid if the refund is made within 45 days after the date you filed. If the refund is not made within this 45-day period, interest will be paid from the due date of the return or from the date you filed, whichever is later. However, interest will not be paid to you:

- on the portion of your refund that is attributable to the real property tax credit or earned income credit; or
- if your return cannot be processed.

To be processed, your return must show your name, address, social security number, signature and the information needed to mathematically verify your tax liability.

Late filing penalty — If you file late, you will be charged a penalty of 5% of the tax due for each month, or part of a month, the return

is late, up to a maximum of 25%, unless you extend the time to file or attach to your return an explanation showing reasonable cause for the delay. If your return is more than 60 days late, this penalty will not be less than the lesser of \$100 or 100% of the amount required to be shown as tax due on the return reduced by any tax paid and by any credit that may be claimed. For information on filing an extension of time to file your return, see *When to File* on page 5 of these instructions.

Late payment penalty — If you do not pay your tax when due, you will be charged a penalty of 1/2 of 1% of the unpaid amount for each month or part of a month it is not paid, up to a maximum of 25%. This penalty is in addition to the interest charged for late payments.

This penalty may not be charged if you attach to your return an explanation showing reasonable cause for paying late.

If you figure your tax incorrectly — You may have to pay a penalty if the tax you report on your return is less than your correct tax. If you are off by more than 10% or \$2,000, whichever is more, you may have to pay this penalty. The penalty is 10% of the difference between the tax you reported and the tax you actually owe.

Negligence penalty — If your return does not show all of the tax imposed under the Tax Law, its rules or regulations, due to negligence or intentional disregard but not with intent to

defraud, you will be charged a penalty of 5% of any deficient amount. In general, a deficiency is the difference between the correct tax and the tax shown on your return. In addition, 50% of the interest due on any underpayment resulting from negligence will be added to your tax.

Fraudulent returns — If any part of a deficiency is due to fraud, you will be charged a penalty of 50% of the deficiency. In general, a deficiency is the difference between the correct tax and the tax shown on your return. In addition, 50% of the interest due on any deficiency resulting from a fraudulent act will be added to your tax.

Frivolous returns — A penalty of up to \$500 will be imposed on any person who files a frivolous tax return. A return is considered frivolous when it does not contain information needed to judge the correctness of the tax return, or reports information that is obviously and substantially incorrect, and intended to delay or impede the administration of Article 22 of the Tax Law or the processing of the return. This includes altering or striking out the preprinted language above the space provided for your signature. This penalty is added to any other penalty provided by law.

Failure of paid preparers to conform to certain requirements — A penalty of \$50 per return or claim for refund will be assessed a paid preparer for failure to comply with any of the following requirements:

Penalties and Interest (continued)

- failure to sign the tax return or claim for refund;
 - failure to include the identifying number of the paid preparer (If an individual paid preparer is an employee of an employer or a partner in a partnership that is a paid preparer, the return or claim for refund must also include the identifying number of the employer or partnership);
 - failure to furnish a completed copy of the tax return or claim for refund to the taxpayer not later than the time the return is presented for the taxpayer's signature;
 - failure to keep a completed copy of the return or claim for refund prepared for each taxpayer or to keep the name and identification number of each taxpayer for whom a return was prepared on a list and to make the copy or list available for inspection upon request.
- The period for keeping a completed copy of the return or information on the list is three years after the due date of the return (without regard to extensions) or three years after the date the return was presented to the taxpayer for signature, whichever is later.
- For each of the requirements listed above, a paid preparer may be subject to a maximum penalty of \$25,000.

New York Additions

New York additions are items you must add to the adjusted gross income from your federal return, and help determine whether or not you have to file a New York income tax return. Brief descriptions of the more common additions follow:

1. Interest income on state and local bonds (but not those of New York State and local governments within the state).
2. Interest or dividend income on US bonds or securities exempted from federal income tax but not from state income tax.
3. The amount of public employee 414(h) retirement contributions paid by Tier III or Tier IV members of the New York State and Local Retirement Systems, which includes the New York State Employees' Retirement System and the New York State Policemen's and Firemen's Retirement System; or Tier III or Tier IV members of the New York State Teachers' Retirement System; or employees of the State or City University of New York who belong to the Optional Retirement Program; or any tier member of the New York City Employees' Retirement System, the New York City Teachers' Retirement System, the New York City Board of Education Retirement System, the New York City Police Pension Fund or the New York City Fire Department Pension Fund.
4. Income taxes deducted in figuring federal adjusted gross income (i.e., deducted as a business expense on your federal return).
5. Interest expense on loans used to buy bonds and securities whose interest is exempt from New York State tax if you deducted that interest expense in figuring your federal adjusted gross income.
6. Amortization of bond premiums whose interest income is exempt from New York State tax and expenses relating to income exempt from New York State tax if you deducted the amortization or expenses in figuring your federal adjusted gross income.
7. The amount of New York State solar and wind energy credit you claimed for residential property later sold or disposed of at a gain if the basis of the property included the cost of your energy system.
8. The IRC 125 amounts deducted or deferred from your salary under a flexible benefits program established by the city of New York or certain other New York City public employers.

The amount that was deducted from your salary for health insurance and the welfare benefit fund surcharge if you were a career pension plan member of:

- the New York City employees' retirement system, or
- the New York City Board of Education retirement system.

For a complete description of the above additions and also of less common ones such as safe harbor leases and special additional mortgage recording tax credit, see Publication 382, *How to Figure Your New York State Additions and Subtractions*.

Steps for Preparing Your Return

Prepare your federal return first; much of the information on your New York State return will be the same. In many cases when New York State and federal tax laws are similar, the New York instructions do not repeat all the requirements, but instead, explain the differences.

Step 1

Get all forms and publications you need.

If you need any forms or publications, see *How to Get Forms* on page 5.

Step 2

Get your tax records together.

If you received a salary or wages, get all your 1994 wage and tax statements together. These can be either New York Form IT-2102 or federal Form W-2. Only your employer can issue or correct these forms. If you have not received your wage and tax statements by February 15, or if the form you received is incorrect, contact your employer.

If you plan to take the real property tax credit, get all the supporting information and records you will need.

Step 3

Fill in your return.

Fill in your return using the line instructions for Form IT-200 that begin on this page or the instructions for Fast Form IT-100 that begin on page 15. Then continue with Step 4 on page 12.

Line Instructions for Form IT-200

All information on your return, except for your present address, must be for the calendar year January 1 through December 31, 1994.

Make your entries in the white areas of Form IT-200.

Name and Address Box

Do not write in this box or attach your mailing label until you have completed and checked your return. Step 5 on page 12 of these instructions will tell you how to complete this section of your return.

After you have completed and checked your return be sure to use your preprinted mailing label; if you do not, it may cause a delay in processing your return and your refund, if you are entitled to one.

Item B

Filing status

Show your filing status by checking only one box. In nearly all cases, you must use the same filing status on your state return that you used on your federal return. If you did not have to file a federal return, use the same filing status that you would have used for federal income tax purposes.

The only exceptions to this rule apply to married individuals who file a joint federal return and:

- (1) one spouse is a New York State resident and the other is a nonresident or part-year resident. In this case you must either:
 - (a) file separate New York returns using filing status ③; or
 - (b) file jointly, as if you both were New York State residents, using filing status ②.
- (2) you are unable to file a joint New York return because the address or whereabouts of your spouse is unknown or your spouse refuses to sign a joint New York return. In this case, you may file a separate New York return using filing status ③.

Caution - A separate return may be filed using exception (2) above **only** if you meet at least one of the following conditions:

- you can demonstrate that the address or whereabouts of your spouse is unknown, reasonable efforts have been made to locate your spouse and good cause exists for the failure to file a joint New York return; or

- reasonable efforts have been made to have your spouse sign a joint return, there exists objective evidence of alienation from your spouse such as judicial order of protection, legal separation under a decree of divorce or separate maintenance, or living apart at all times during the preceding year, and good cause exists for the failure to file a joint return.

Item C

Did you itemize your deductions on your 1994 federal return?

If you itemized your deductions on your 1994 federal income tax return check the *Yes* box. If you claimed the standard deduction on your federal return, check the *No* box.

Item E

Do you need a tax packet (IT-200-P) sent to you next year?

If you use a paid preparer, or if you use computer software to prepare your return, or if for any other reason you do not need a tax packet mailed to you for next year's taxes, please check the box at item E of your Form IT-200. By checking this box, you will help us reduce printing and mailing costs.

When you check the box, we will send you a mailing label that you or whoever prepares your return should use on your 1995 return.

Subtract line 6 from line 5 and enter the result on line 7. This should be the same as the adjusted gross income on your federal Form 1040A, 1040 or 1040EZ.

Certain items of income not taxed by the federal government are taxed by New York State

These *New York additions* must be added to federal adjusted gross income. The only New York additions reported on Form IT-200 are

public employee contributions (line 8) and IRC 125 amounts from the New York City flexible benefits program (line 9).

Line 8

Public employee contributions

Identify any of the following that apply to you by writing the item number and the amount of each in the white area on line 8. Enter the total amount on line 8 in the money column.

- The amount of 414(h) retirement contributions shown on your wage and tax statement(s), New York State Form IT-2102 (Copy 1), or federal Form W-2 (Copy 2), if you were:
 - a Tier III or Tier IV member of the New York State and Local Retirement Systems, which include the New York State Employees' Retirement System and the New York State Policemen's and Firemen's Retirement System, or

- The amount shown on your wage and tax statement(s), New York State Form IT-2102 (Copy 1) or federal Form W-2 (Copy 2) that was deducted from your salary for health insurance and the welfare benefit fund surcharge if you were a career pension plan member of:
 - the New York City employees' retirement system, or
 - the New York City Board of Education retirement system.

Do not enter on line 8 contributions to a section 401(k) deferred arrangement, section 403(b) annuity or section 457 deferred compensation plan.

Line 9

Flexible benefits program (IRC 125)

If you were employed by only one of the following agencies, enter your IRC 125 amount in the money column.

If you were employed by more than one of the following agencies, write the name of each agency and the IRC 125 amount in the white area on line 9. Enter the total amount on line 9 in the money column.

The IRC 125 amount(s) shown on your wage and tax statement(s), New York State Form IT-2102 (Copy 1) or federal Form W-2 (Copy 2) that was deducted or deferred from your salary (section 612 (b)(31) of the tax law) under a flexible benefits program established on your behalf by the city of New York and certain other New York City public employers (City University of New York, New York City Health and Hospitals Corporation, New York City Transit Authority, New York City Housing Authority, New York City Off-Track Betting Corporation, New York City Rehabilitation

Mortgage Insurance Corporation, New York City Board of Education, New York City School Construction Authority, Manhattan and Bronx Surface Transit Operating Authority or the Staten Island Rapid Transit Authority).

Certain items of income taxed by the federal government are not taxed by New York State

These *New York subtractions* must be subtracted from your federal adjusted gross income. The only New York subtractions reported on Form IT-200 are taxable refunds, credits or offsets of state and local income taxes (line 11) and interest income on US government bonds (line 12).

Line 12

Interest income on US government bonds

Enter on line 12 the amount of interest income from US government bonds or other US government obligations that is included in your federal adjusted gross income. (This may be all or part of the line 2 taxable interest income amount, or it may be zero. Check your interest income records to determine the correct amount to enter on line 12.) Interest income on bonds or other obligations of the US government is **not** taxed by New York State. Include on line 12 dividends you received from a regulated investment company (mutual fund) that invests in obligations of the US government and meets the 50% asset requirement each quarter. Once this requirement is met, the portion of the dividends you received that may be included on line 12 is based upon the portion of taxable income received by the mutual fund that is derived from federal obligations (section 612(c)(1) of the Tax Law). Information regarding the 50% asset requirement and figuring your allowable subtraction (if any) should be obtained from the mutual fund.

Line 14

City of Yonkers nonresident earnings tax

Complete line 27 only if you are subject to the city of Yonkers nonresident earnings tax.

If you were not a Yonkers resident but earned wages or conducted a trade or business there (either as an individual or a member of a partnership), you are subject to the Yonkers nonresident earnings tax. Fill in Form Y-203, *City of Yonkers Nonresident Earnings Tax Return*, and attach it to your return. Transfer the amount on Form Y-203, line 6 to Form IT-200, line 27. For more information, see the instructions for Form Y-203.

Line 29

Return a Gift to Wildlife

If you want to Return a Gift to Wildlife, enter the amount on line 29. The amount you give must be in whole dollars: \$5, \$10, \$20 or any other dollar amount. Your gift will reduce your refund or increase your tax payment. Also, you cannot change the amount you give after you file your return. For more information about a gift to wildlife, see page 14 of these instructions.

Line 31

New York State Earned Income Credit

If you qualify, enter your earned income credit. To claim this credit, fill in Form IT-215 and transfer the amount to Form IT-200, line 31.

Complete lines 32-35, but do not enter any amounts on lines 36, 37, or 38. We will figure your earned income credit for you. If you are due a refund, we will send you the refund along with a statement that shows how the refund was computed. If you owe tax, you will receive a bill that must be paid within 10 days, or by April 15, 1995, whichever is later.

Line 32**Real property tax credit**

If you qualify, enter your real property tax credit. To claim this credit, fill in Form IT-214 and transfer the amount on Form IT-214, line 17 to Form IT-200, line 32. Attach Form IT-214 to your return. For more information, see the *Instructions for Form IT-214* on page 17.

Line 33**Total New York State tax withheld**

Enter your total **New York State** tax withheld as shown on your wage and tax statement(s), New York State Form IT-2102 (Copy 1) or federal Form W-2 (Copy 2). If you are married and filing a joint return, enter your combined New York State tax withheld.

Remember to attach your wage and tax statement(s), New York State Form IT-2102 (Copy 1) or federal Form W-2 (Copy 2), to your return as shown in Step 7, *Return Assembly* on page 12 of these instructions. The amount on line 33 should be the same as the total **New York State** tax withheld on your statement(s).

Line 34**Total city of New York tax withheld**

Enter your total **New York City** tax withheld as shown on your wage and tax statement(s). If you are married and filing a joint return, enter your combined New York City tax withheld.

Remember to attach your wage and tax statement(s), New York State Form IT-2102 (Copy 1) or federal Form W-2 (Copy 2), to your return as shown in Step 7, *Return Assembly* on page 12 of these instructions. The amount on line 34 should be the same as the total **City of New York** tax withheld on your statement(s).

Line 35**Total city of Yonkers tax withheld**

Enter your total **Yonkers** tax withheld as shown on your wage and tax statement(s). If you are married and filing a joint return, enter your combined Yonkers tax withheld.

Remember to attach your wage and tax statement(s), New York State Form IT-2102 (Copy 1) or federal Form W-2 (Copy 2), to your return as shown in Step 7, *Return Assembly* on page 12 of these instructions. The amount on line 35 should be the same as the total **City of Yonkers** tax withheld on your statement(s).

Line 37**Refund**

If line 36 is more than line 30, subtract line 30 from line 36 and enter your refund on line 37.

You must file a return to get a refund. The Tax Department will not refund an amount of one dollar or less unless you attach to your return a signed statement asking for it.

Collection of debts from your refund — We will keep all or part of your refund if (1) you owe a federal, New York State, New York City or Yonkers tax liability; or (2) we have been notified by the New York State Department of Social Services that you owe past-due

support; or (3) you owe a past-due debt because you have defaulted on (or a judgment was filed against you because you have not repaid) a student loan guaranteed by the New York State Higher Education Services Corporation or a Federal Perkins/National Defense/National Direct, health professions or nursing student loan provided to students at state-operated units of the State University of New York or the City University of New York.

We will also keep all or part of your refund if you owe a past-due legally enforceable debt to a New York State agency. A state agency includes any state department, board, bureau, division, commission, committee, public authority, public benefit corporation, council, office, or other governmental entity performing a governmental or proprietary function for the state.

Any amount over your debt will be refunded.

Disclaiming of spouse's debt — If you checked filing status ② and you do not want to apply your part of the refund to your spouse's debt because you are not liable for it, complete Form IT-280, *Nonobligated Spouse Allocation* and attach it (not a photocopy) to your original return. We need the information on it to process your refund as quickly as possible. Once you have filed your return, you cannot file an amended return to disclaim your spouse's defaulted student loan or past-due support liability or past-due legally enforceable debt owed to a state agency. (However, you will be notified if your refund is applied against your spouse's defaulted student loan or past-due support or past-due legally enforceable debt owed to a state agency and you did not attach Form IT-280 to your return. You will then have ten days from the date of notification to file Form IT-280. However, this will result in a delay in your refund and extra work for you.) For more information, see Form IT-280.

If you have any questions about whether you owe a past-due legally enforceable debt to a state agency, contact that particular state agency.

If you have any questions about whether you owe a federal, New York State, New York City or Yonkers tax liability, past-due support, whether you paid your HESC guaranteed or state or city university student loan or about the amount owed, call or write to the agency shown below:

Line 38**Amount you owe**

If line 36 is less than line 30, subtract line 36 from line 30 and enter the amount you owe on line 38.

If you owe more than one dollar, attach your payment to the area indicated on the front of your return. Make your check or money order payable to **New York State Income Tax** and write your social security number and **1994 Income Tax** on it. Do not send cash. You do not have to pay one dollar or less.

Penalty for not paying enough tax during the year (Estimated Tax Penalty)

If line 38 is at least \$100 and, in addition, represents more than 10% of the tax shown on your return, you may owe a penalty. Generally, you are not subject to a penalty if your 1994 prepayments equal at least 100% of your 1993 tax (110% of that amount if you are not a farmer or fisherman and the adjusted gross income shown on that return is more than \$150,000 or, if married filing separately, more than \$75,000) based upon a return covering 12 months.

If you owe a penalty you cannot file Form IT-200. You must file Form IT-201 and Form IT-2105.9.

Now continue with Step 4 on page 12.

Step 4

Check the figures on your return and any attachments.

Step 5

Complete the top of your return.

Mailing Label — Remove the peel-off label from the cover of your packet and place it in the name and address box at the top of your return. Check the label to make sure the information on it is complete and correct. The mailing label has been redesigned to include 2 bar codes which represent the numeric information on the label. This new label has been designed to allow us to take advantage of the latest technology available to process your return.

Carrier Route Designation		Sequence No.
School District Code	County	
Social Security Number (s)		
Name		
Number and Street		
City	State	ZIP code

On the label is a series of numbers which shows your social security information, a single letter that indicates the form you filed last year, and the carrier route (CR) designation for the post office. The number sign (#) that appears on some labels at the right of the school district code is for mail-sorting purposes only.

- If your name (or spouse's name) or address is wrong, cross it out and make the corrections directly on the label. Space for names on the label is limited to 36 characters. Do not correct the label if it is correct except for some missing final characters.
- If any other information is incorrect or missing — or if you do not have a mailing label — enter the correct information in the white spaces. If you file a joint return and you and your spouse have different last names, separate the names with the word *and* (e.g., Brown, Mary L. and Smith, John C.). Be sure your social security numbers are in the same order as your names. (Your social security number(s) is printed directly above your name(s); your county of residence is in the middle.) If this information is not on your label, enter it in the white spaces at the top of the form.

School district name and code number — If your public school district code number is missing or incorrect, enter the name and code number of your public school district. This is the district where you were a resident on December 31, 1994. School districts and code numbers are on pages 21 through 24 of these instructions. If you do not know the name of your school district in which you lived on December 31, 1994, contact your nearest public school.

You must enter your school district name and code number even if you were absent from the school district temporarily, if the school your children attended was not in your school district, or if you had no children attending school. **School aid may be affected if the school district or code number is not correct.**

Permanent home address

Enter your permanent home address within New York State on December 31, 1994, if it is not the same as the address on your mailing label.

We ask for your permanent home address to verify your school district name and code number, which are used in figuring state aid to local school districts.

Your permanent home address is the address of the dwelling place in New York State where you actually live, whether you or your spouse own or rent it. A summer or vacation home is not your permanent home.

Your permanent home address is not always the same as the mailing address that is entered on your income tax return. For example, you may use a post office box number for your mailing address; this is not your permanent home address.

- If you use a paid preparer and you use the preparer's address as your mailing address, enter the address of your permanent home in the space provided.
- If you are a permanent resident of a nursing home, enter the nursing home address as your permanent home address.
- If you are in the armed forces and your permanent home was in New York State when you entered the military, enter your New York permanent home address regardless of where you are stationed.
- If you moved after December 31, 1994, enter your permanent home address as of December 31, 1994, **not** your current home address.

If you do not have a mailing label, enter all of the following information in the white spaces at the top of your return:

- name and address** (both names if filing a joint return);
- permanent home address** (if different from mailing address);
- social security number(s)**;
- New York State county of residence** on December 31, 1994;
- school district name and code.**

Step 6

Sign and date your return at the bottom.

You must sign and date your return. If you are married and filing a joint return, you both must sign it. **Your return cannot be processed if you do not sign it.**

Keep a copy of your return and any attachments for future reference. If someone prepares your return for you, be sure to get a copy for your records.

If the return is for someone who died and there is no surviving spouse to sign it, the name and address of the person signing it must be printed or typed below the signature.

A paid preparer must also sign your return.

If you pay someone to prepare your return, the paid preparer must also sign it and fill in the other blanks in the paid preparer's area on the back of your return. A person who prepares your return and does not charge you should not fill in the paid preparer's area.

Step 7

Return Assembly

Illustrated below is the correct way to assemble your return and the various attachments for the most efficient handling. You can help ensure that your return (and

your refund, if you are entitled to one) is processed as quickly as possible by taking a few moments to assemble your forms as shown.

- If you are filing Form IT-280, *Nonobligated Spouse Allocation*, please clip it, along with any correspondence and payments, to the front of your return, with the payments on top.
- Clip payments, if any, to the front of your return.
- Form IT-200, face up.
- Attach any other forms (IT-214 and IT-215 filers see below) you may have had to fill out, face up, behind your return.
- If you are filing Form IT-214, *Claim for Real Property Tax Credit for Homeowners and Renters*, attach that form behind the others, face down.
- If you are filing Form IT-215, *Claim for Earned Income Credit*, attach that form behind the others, face down.
- Attach your wage and tax statements last, face down, upside-down.
- Please attach photocopied forms back to back.

Step 8

Checklist

Before you mail your return, a quick check will help you avoid common errors that may delay your refund. **Did you:**

- attach your peel-off label?** If you do not have a label, did you enter your name, address, social security number(s), county of residence, school district name and school district code number at the top of your return?
- enter your permanent home address** (if different from your mailing address)?
- check the box for item (E) on the front of Form IT-200 if you do not need a tax packet mailed to you for next year?**
- check appropriate boxes for items (B), (C) and (D), and at item (F), enter the number of exemptions from your federal Form 1040A or 1040, or enter "0" if you filed federal Form 1040EZ?**
- enter the amount of your New York dependent exemptions?**
- claim any adjustments or credits that you may qualify for?**
- use the correct tax table(s)?**

Step 8 (continued)

- figure your New York State child and dependent care credit by entering the number of qualifying persons cared for in 1994 and the amount of federal credit for child and dependent care in the boxes on line 18 of Form IT-200?
- sign your return (both husband and wife must sign a joint return)?
- attach your wage and tax statement(s), New York State Form IT-2102 (Copy 1) or federal Form W-2 (Copy 2)?
- make your check or money order payable to New York State Income Tax for the full amount you owe?
- write your social security number and 1994 Income Tax on your check or money order?

Step 9

Use the preaddressed mailing envelope.

To avoid delaying your refund, use the preaddressed envelope that came with your tax packet. If you are claiming a refund, mark an "X" in the box on the front of the envelope. If you do not have a preaddressed envelope, address your envelope —

For refund returns:

STATE PROCESSING CENTER — REFUND '94

For all other returns:

Resolving Tax Problems

The best ways to avoid tax problems are to keep accurate tax records and to stay on top of current tax requirements. These instructions contain information that can help you do both; the instructions list free publications you can order and give toll-free numbers you can call for answers to your specific questions.

Most tax problems can be resolved informally. If your refund is late, call our toll-free refund information number; if you receive a tax deficiency notice that you think is in error, promptly call the number listed on the notice. These instructions also list a toll-free number for ordering any forms you might need.

If you have a problem with the Tax Department which you have not been able to resolve through normal channels, or if for any reason you have a complaint about the Tax Department, call toll free (from New York State only) 1 800 CALL TAX (1 800 225-5829). From areas outside New York State, call (518) 438-8581.

Our representatives will, depending upon the nature of your complaint, either give you the address and phone number of the Problem Resolution Officer in your area, or refer your complaint for further investigation and analysis.

Our Problem Resolution Officers are available to assist you when you have repeatedly attempted to clear up a difficulty and you have been unable to do so.

Problem Resolution Officers help remedy specific taxpayer circumstances that have not been resolved through routine departmental procedures.

Only a relative handful of tax problems fail to be resolved by these informal means. However, if you are issued a *Notice of Deficiency* or a refund denial and you feel that the Tax Department has made a mistake, you still have a number of options available to you:

— You can request a **conciliation conference** through the Bureau of Conciliation and Mediation Services. The conference is conducted informally by a conferee who issues an order that is binding on the Tax Department, but not on you (you can appeal by filing a petition for a formal hearing, as explained below). To set up a conference, get a *Request for Conciliation Conference* by calling toll free 1 800 462-8100 (from areas outside New York State, call (518) 438-1073) or by writing to the Bureau of Conciliation and Mediation Services, NYS Tax Department, W A Harriman Campus, Albany NY 12227.

— You can request a **small claims hearing** before an impartial presiding officer if the disputed amount is within certain dollar limitations set by the *Rules of Practice and Procedure*. The presiding officer's decision is final, but at any time before the end of the small claims hearing, you can request a transfer to a formal hearing before an administrative law judge. A copy of the *Rules of Practice and Procedure* will be sent to you when you request a petition form as explained in the following paragraphs.

— You can file a petition for a **Tax Appeals hearing**. The hearing is held before an administrative law judge, and both you and the Tax Department may appeal the judge's decision to the Tax Appeals Tribunal. The Tax Department cannot seek a review of the Tribunal's decision, but you can by instituting an Article 78 proceeding in the Appellate Division of the State Supreme Court. You can get the petition forms by writing to the Division of Tax Appeals, Riverfront Professional Tower, 500 Federal Street, 4th Floor, Troy NY 12180-2894.

Regardless of which appeal option you exercise, you may appear on your own behalf or you may have an authorized representative present your case for review. An authorized representative must have Power of Attorney from you in order to appear on your behalf. Further, your representative must be in compliance with the Ethics in Government Act which restricts appearances by former Tax Department employees. A summary of these restrictions is included on the back of Form DTF-14, *Power of Attorney (Individual)*.

Privacy Notification

Our authority to require personal information, including social security numbers, is found in sections 651, 652, 658, 697, 1306, 1312, 1332 and 1342 of the Tax Law, Article 2-E of the General City Law, and related parts of our personal income tax regulations.

We will use this information primarily to process your tax return and collect your personal income tax for the state or city of New York, the income tax surcharge on residents for the city of Yonkers or the earnings tax on nonresidents for the city of New York or Yonkers, whichever may apply to you. We may also use it to help enforce other taxes under the Tax Law, for tax refund offset programs and exchange of tax information programs authorized by sections 171-a, 171-b, 171-c, 171-d, 171-e, 171-f, 171-g and 697 of the Tax Law, and for any other purposes authorized by law.

Your failure to provide the required information may subject you to civil or criminal penalties, or both, under the Tax Law or the Penal Law.

Our authority to maintain this information is found in section 697(e) of the Tax Law and a related section of our personal income tax regulations. This information will be maintained by the Director Data Management Services Bureau, NYS Tax Department, Building 8 Room 905, W A Harriman Campus, Albany NY 12227; telephone (from New York State only) 1 800 CALL TAX (1 800 225-5829); from outside New York State, call (518) 438-8581.

Don't Delay Your Refund

We want to send your refund to you as soon as possible. You can help us by filing an error-free return. Be sure that you have checked your correct filing status, and that you have signed your return and attached your wage and tax statements so that we do not have to send your return back to you. Please check the figures on your return and carefully follow Steps 5, 6, 7, 8 and 9 on pages 12 and 13 of these instructions.

Instructions for Preparing Fast Form IT-100

Step 1

Get your tax records together.

If you received a salary or wages, get all your 1994 wage and tax statement(s) together. These will be either New York State Form IT-2102 or federal Form W-2. Only your employer can issue or correct these forms. If you have not received your wage and tax statement(s) by February 15, or if the form you received is incorrect, contact your employer.

Much of the information you need for Fast Form IT-100 comes from your federal return. Where possible, we have provided the specific line numbers on the federal form from which you can copy this information.

If you did not have to file a federal return but you must file a New York return, use the federal instructions to determine your filing status, the number of federal exemptions you may claim, your income and adjustments to income and any federal credit for child and dependent care.

If you need help, call toll free (from New York State only) 1 800 CALL TAX (1 800 225-5829). From areas outside New York State, call (518) 438-8581.

Step 2

Fill in your return.

Fill in Fast Form IT-100 using the line instructions that begin below. Print your numbers inside the boxes. Do not use dollar signs. Leave blank any line that does not apply to you. Please write like this:

1	2	3	4	5	6	7	8	9	0	X
---	---	---	---	---	---	---	---	---	---	---

After completing all items that apply to you, continue with Step 3 on this page.

IT-100 Line Instructions

All information on your return, except for your present address, must be for the calendar year January 1 through December 31, 1994.

We will figure your tax and send you a refund or a bill for any additional tax you owe. We will also send a statement showing how we figured your tax. If you do owe additional tax, you must pay it by April 15, 1995, or within ten days of the date of your bill, whichever is later.

Name and address box

Do not write in this box or attach your mailing label until you have completed and checked your return. Step 4 on the next page will tell you how to complete this section.

Item (A)

Filing status

Show your filing status by putting an X in one box. If you filed a federal return, your filing status is the same. If you did not have to file a federal return, use the same filing status that you would have used for federal income tax purposes.

Item (B)

Can you be claimed as a dependent?

If you can be claimed as a dependent on another taxpayer's federal return, put an X in the Yes box. If not, put an X in the No box.

Item (C)

Were you a resident of the city of New York for all of 1994?

If you were a city of New York resident for all of 1994, put an X in the Yes box. If not, put an X in the No box. If you were a resident for part of the year, you must use Form IT-201.

If you were a city of Yonkers resident for all of 1994, put an X in the Yes box. If not, put an X in the No box. If you were a resident for part of the year, you must use Form IT-201.

If you were not a resident of Yonkers for any part of the year but earned wages there, you must use Form IT-200.

Line 4

Line 9

Return a Gift to Wildlife

If you want to Return a Gift to Wildlife, enter the amount. It must be in whole dollars: \$5, \$10, \$20 or any other dollar amount. Your gift will reduce your refund or increase your tax payment. You cannot change the amount you give after you file your return.

Line 10

Amount of federal earned income credit

You must have claimed the federal earned income credit in order to claim the New York State earned income credit. Enter the amount of federal earned income credit from federal Form 1040EZ, line 7; Form 1040A, line 28c; Form 1040, line 56 and complete lines 1, 2 and 3 on the back of Form IT-100.

If you are claiming the federal earned income credit and you are having the IRS compute the credit for you, do not enter an amount on line 10. Complete lines 1 through 4 on the back of Form IT-100.

Lines 11, 12 and 13

The information for lines 11, 12 and 13 is from your wage and tax statement(s), New York State Form IT-2102 (Copy 1) or federal Form W-2 (Copy 2). The amounts you enter on these lines should be the same as the total New York State, city of New York and city of Yonkers tax withheld shown on your wage and tax statements. Be sure to attach these statements to your return as explained in Step 6, Attachments, on the next page.

Line 11

Enter the total city of Yonkers tax withheld as shown on your New York State Form IT-2102 (Copy 1) or federal Form W-2 (Copy 2). Married couples must enter their combined city of Yonkers tax withheld.

(Now continue with Step 3 below.)

Step 3

Check the figures on your return.

Step 4

Complete the top of your return.

Place the mailing label from your income tax packet, if you received one, in the name and address box at the top of your return. If the information on your mailing label is wrong, cross it out and make the corrections directly on the label.

If you do not have a mailing label, enter the following in the spaces at the top of your return:

- **your social security number** (and your spouse's social security number if you are married);
- **your name and address** (and your spouse's name if you are married). If you and your spouse have different last names, separate the names with the word *and* (e.g., Brown, Mary L. and Smith, John C.).
- **your New York State county of residence** (on December 31, 1994);
- **your school district name and code number** — Enter the name and code number of your public school district. This is the district where you were a resident on December 31, 1994. School districts and code numbers are listed, by county, in the instructions for Forms IT-200 and IT-201. If you do not know the **name** of your school district, contact your nearest public school. If you do not know the **code number** of your public school district, call the Taxpayer Assistance Bureau at 1 800 CALL TAX (1 800 225-5829).

You must enter the name of your school district and code number even if you were absent from your school district temporarily, if your children did not attend the school in your school district, or if you had no children attending school. **School aid may be affected if the school district code number is not correct.**

- **permanent home address** — Enter your permanent home address within New York State on December 31, 1994, if it is not the same as your mailing address.

We ask for your permanent home address to verify your school district name and code number, which are used in figuring state aid to local school districts.

Your permanent home address is the address of the dwelling place in New York State where you actually live, whether you or your spouse own or rent it. A summer or vacation home is not your permanent home.

Your permanent home address is not always the same as the mailing address on your income tax return. For example, you may use a post office box number for your mailing address; this is not your permanent home address.

If you are a permanent resident of a nursing home, enter the nursing home address as your permanent home address.

If you are in the armed forces and your permanent home was in New York State when you entered the

military, enter your New York permanent home address regardless of where you are stationed.

If you moved after December 31, 1994, enter your permanent home address as of December 31, 1994, **not** your current home address.

Step 5

Sign and date your return at the bottom. Your return cannot be processed if you do not sign it. If you are married, you both must sign it.

Step 6

Attachments

You can help us process your return faster (and your refund, if you're entitled to one) by stapling your wage and tax statement(s), New York State Form IT-2102 (Copy 1) or federal Form W-2 (Copy 2), upside-down and face down, to the back of your Form IT-100. Please staple it twice, through the front, along the top edge of the form. If you are enclosing any correspondence with your return, please clip it to the front of Form IT-100.

Step 7

Checklist

Before you mail your return, a quick check will help you avoid common errors that may delay your refund. **Did you:**

- apply the mailing label from your income tax packet or, if you did not receive one, enter your social security number(s), name, address, county of residence and school district name and code number at the top of your return?
- enter your permanent home address (if different from your mailing address)?
- check appropriate boxes for items (A) through (D)?
- enter the number of your federal exemptions?
- claim the IRA deduction, child care credit or earned income credit (if you qualify)?
- sign your return?
- attach your wage and tax statement(s), New York State Form IT-2102 (Copy 1) or federal Form W-2 (Copy 2)?

Step 8

File your return as soon as you can after January 1, 1995, but not later than April 17, 1995, to avoid penalty and interest. (If you are required to file your 1994 federal return at the IRS Service Center in Andover, Massachusetts, the filing deadline for your 1994 New York return is April 18, 1995.) Mail your return to:

STATE PROCESSING CENTER
ONE WATERVLIET AVE EXT
ALBANY NY 12261-0001

Don't Delay Your Refund

We want to send your refund to you as soon as possible. You can help us by filing an error-free return. Be sure that you have checked your correct filing status and that you have signed your return and attached your wage and tax statements so that we do not have to send your return back to you. Please check the figures on your return and carefully follow steps 4, 5, 6, 7 and 8 above.

New York additions

- interest income on state and local bonds (except those of New York State and its localities); and
- interest or dividend income on US bonds or securities exempted from federal income tax but not from state income tax.

Other, less common additions include items such as the accelerated cost recovery system deduction, safe harbor leases and the special additional mortgage recording tax credit. Instructions for Form IT-214

Real Property Tax Credit

If your household gross income was \$18,000 or less, you may be entitled to a credit on your New York State income tax return for part of the real property taxes or rent you paid during 1994. If you do not have to file a return, you can file for a refund of the credit by using Form IT-214 only.

Who Qualifies

Homeowners — To qualify for the real property tax credit, you have to meet all of these conditions for the taxable year 1994:

- your household gross income was \$18,000 or less;
- you occupied the same New York residence for six months or more;
- you or your spouse paid real property taxes on your residence;
- you were a New York State resident for all of 1994;
- you could not be claimed as a dependent on someone else's federal income tax return;
- your residence was not completely exempted from real property taxes;
- the current market value of all your real property (house, garage, land, etc.) was \$85,000 or less;
- any rent you received for nonresidential use of your residence was 20% or less of the total rent you received.

Renters — To qualify for the real property tax credit, you have to meet all of these conditions for the taxable year 1994:

- your household gross income was \$18,000 or less;
- you occupied the same New York residence for six months or more;
- you or your spouse paid rent for your residence;
- you were a New York State resident for all of 1994;
- you could not be claimed as a dependent on someone else's federal income tax return;
- your residence was not completely exempted from real property taxes;
- the average monthly rent you and other members of your household paid was \$450 or less, not counting charges for heat, gas, electricity, furnishings or board.

If you meet all of these conditions as a homeowner or renter, you are a qualified taxpayer and may be entitled to the real property tax credit.

You cannot file a real property tax credit claim form for a taxpayer who has died.

Definitions

All who share your residence and its furnishings, facilities and accommodations are **members of your household**, whether they are related to you or not.

Household members also include tenants, subtenants, roomers or boarders if they are **related** to you in any of the following ways:

- a son, daughter or a descendent of either;
- a stepson or stepdaughter;
- a brother, sister, stepbrother or stepsister;
- a father, mother or an ancestor of either;
- a stepfather or stepmother;
- a niece or nephew;
- an aunt or uncle;
- a son-in-law, daughter-in-law, father-in-law, mother-in-law, brother-in-law or sister-in-law.

No one can be a member of more than one household at one time.

Household gross income is the total of the following income items that you and all members of your household received:

- Federal adjusted gross income (even if you don't have to file a federal return).
- New York State additions to federal adjusted gross income. For a list of these additions, see Publication 22, *General Information on New York State's Real Property Tax Credit for Homeowners and Renters*, or the instructions for Form IT-201. For Form IT-200 filers, the New York State additions to federal adjusted gross income are shown on Form IT-200, line 8, Public employee 414(h) retirement contributions and line 9, IRC 125 amounts from the New York City flexible benefits program. See instructions for Form IT-200.
- Any part of the following items of income **not** included in either of the above:
 - the gross amount of pensions and annuities, including railroad retirement benefits, all payments received under the federal Social Security Act and veterans' disability pensions;
 - support money including foster care support payments;
 - income earned abroad exempted by section 911 of the Internal Revenue Code;
 - supplemental security income (SSI) payments;
 - nontaxable interest received from New York State, its agencies, instrumentalities, public corporations or political subdivisions;
 - workers' compensation;
 - the gross amount of loss-of-time insurance. (For example, an accident or health insurance policy and disability benefits received under a "no-fault" automobile policy, etc.);
 - cash public assistance and relief, other than medical assistance for the needy. (For example, cash grants to clients, emergency aid to adults, value of food vouchers received by clients, etc.) Do not include amounts received from the Home Energy Assistance Program (HEAP);
 - nontaxable strike benefits.

Household gross income does not include food stamps, medicare, medicaid, scholarships, grants, surplus food or other relief in kind. It also does not include payments made to veterans under the Federal Veterans' Dioxin and Radiation Exposure Compensation Standards Act because of exposure to herbicides containing dioxin (agent orange), or pursuant to certain agent orange product liability litigation.

A **residence** is a dwelling that you own or rent, and up to one acre of land around it. It must be located in New York State. If your residence is on more than one acre of land, only the amount of real property taxes or rent paid that applies to the residence and only one acre around it may be used to figure the credit. (If you do not know how much rent or real property tax you paid for the one acre surrounding your residence, contact your local assessor.) Each residence within a multiple dwelling unit may qualify. A condominium, a cooperative or a rental unit within a single dwelling is also a residence.

A trailer or mobile home that is used only for residential purposes is also a residence.

Real property taxes paid are all current, prior and prepaid real property taxes, special ad valorem levies and assessments levied and paid upon a residence owned or previously owned by a qualified taxpayer (or spouse, if the spouse occupied the residence for at least six months) during the taxable year. You may elect to include real property taxes that are exempted from tax under section 467 (for persons 65 and older) of the Real Property Tax Law (veterans' tax exemption does **not** qualify). If you do not know this amount, contact your local assessor.

Real property taxes paid also include any real estate taxes allowed (or which would be allowable if the taxpayer had filed returns on a cash basis) as a deduction for tenant-stockholders in a cooperative housing corporation under section 216 of the Internal Revenue Code.

If any part of your residence was owned by someone who was not a member of your household, include only the real property taxes paid that apply to the part you and other qualified members of your household own.

If your residence was part of a larger unit, include only the amount of real property taxes paid that can be reasonably applied to your residence.

If you owned and occupied more than one residence during the taxable year, add together the prorated part of real property taxes paid for the period you occupied each residence.

Rent constituting real property taxes paid is 25% of the adjusted rent paid on a New York residence during the taxable year. Adjusted rent is the rent paid after subtracting any charges for heat, gas, electricity, furnishings or board. If these charges are not separately stated, complete

lines 22 through 25 of Form IT-214 to figure 25% of adjusted rent. Do not include any subsidized part of your rental charge in adjusted rent.

If any part of your residence was rented by someone who was not a member of your household, include in line 22 of Form IT-214 only the amount of rent you and members of your household paid.

If you moved from one rented residence to another rented residence during the taxable year, add 25% of adjusted rent paid for each residence.

Which Form to File

To claim the real property tax credit, complete Form IT-214, *Claim for Real Property Tax Credit*, and attach it to Form IT-200 or Form IT-201. (You cannot claim this credit on Fast Form IT-100.) If neither you nor your spouse has to file a New York return but you qualify to claim the credit, just file Form IT-214 to claim your credit payment.

If more than one member of your household qualifies for the credit, each must file a separate Form IT-214. However, if you are married and filing a joint tax return, you must file a joint claim on Form IT-214.

When to File

If you are filing a New York State income tax return, attach Form IT-214 to it. File your New York State income tax return as soon as you can after January 1, 1995, but not later than April 17, 1995. (If you are required to file your 1994 federal return at the IRS Service Center in Andover, Massachusetts, the filing deadline for your 1994 New York return is April 18, 1995.)

If you don't have to file a New York State income tax return, file Form IT-214 as soon as you can after January 1, 1995.

If you have previously filed Form IT-200 or Form IT-201 without claiming the real property tax credit, you may still be able to claim the credit. To claim the credit, file Form IT-214 as soon as you can, but no later than April 15, 1998.

Filing Form IT-214 for Past Years

If you did not file Form IT-214 for previous years, you may still be able to receive a real property tax credit for those years. To see if there is still time for you to file Form IT-214, see the table below:

Year	Last Date to File
1991	April 17, 1995
1992	April 15, 1996
1993	April 15, 1997

Line Instructions — Form IT-214

Print or type the information requested in the name and address box at the top of page 1. Enter your name, address, social security number and county of residence as of December 31, 1994. Married taxpayers enter both social security numbers. On the bottom line of the name and address box, enter the address of the New York residence that qualifies you for this credit if it is different from your mailing address. If not, enter the word *same* on this line.

Filling in your claim form

You may notice that Form IT-214 for 1994 has been redesigned. The design changes on this form will let us use the latest scanning and image-processing equipment. Rectangular boxes and white entry areas with short vertical "hashmarks" have been printed on the form to guide you in making your handwritten entries. This will enable our scanning equipment to more accurately read your return and let us process it more efficiently. Please spend a moment reviewing the method below for making your entries:

- Please print (using a blue or black ballpoint pen; no pencils, please) or type all "X" marks and money amounts in the boxes or spaces provided.
- Do not use dollar signs, commas, decimal points, dashes or any other punctuation marks or symbols. We have

already printed the appropriate commas and the decimal points (with a vertical cents line divider) to assist you.

- Write your numerals like this:

1 2 3 4 5 6 7 8 9 0 X

- Carefully enter your money amounts so that the whole dollar amount starts immediately to the left of the decimal point/vertical cents line and the cents amount starts immediately to the right of the decimal point/vertical cents line.
- Make your money amount entries in the white spaces between the short vertical hashmarks allowing one numeral for each area.

Example: If your entry for line 10 is \$3,525.50, your money field entry should look like this:

10 | | | | | 3 5 2 5 5 0

- Leave blank any spaces and boxes that do not apply to you.

Line 1

If you were a resident of a nursing home or if your residence was completely exempted from property taxes in 1994, check the Yes box. If not, check the No box.

Generally, residents of nursing homes do not qualify for this credit because they share common living facilities (see definition of members of household). This situation usually disqualifies all residents of a nursing home since they are all considered to be members of one household which usually exceeds the household gross income level of \$18,000 and the average monthly rent level of \$450. If you are a resident of a nursing home and you check the Yes box, do not file Form IT-214 unless you attach a statement explaining how your household does not exceed these two limitations.

Some public housing projects are completely exempt from paying real property taxes. Residents of those projects do not qualify for this credit. Find out if your project is completely exempt from paying real property taxes by asking the management of your project. If you live in a public housing project and check the Yes box on line 1, do not file Form IT-214.

Line 2

Enter the number of members of your household, including yourself, who are filing a Form IT-214 for 1994. Count a joint claim filed by husband and wife as one Form IT-214. See the instructions for line 17 if more than one member of your household is filing Form IT-214.

Line 3

If any qualified member of your household was 65 or older on December 31, 1994, check the Yes box. If not, check the No box. Among other conditions (see *Who Qualifies*), a household member 65 or older must have paid real property taxes or rent to qualify for this credit. If you checked the Yes box on 3, indicating that you or a member of your

household was 65 or older on December 31, 1994, enter the social security number of that person in the box *Qualifying social security number*. Enter **same** if it is your social security number.

Line 8

Check the appropriate box. If you owned your residence for part of the year and rented your residence for part of the year, check the *Own* box.

Complete Schedule A or B and Schedule C on the back of Form IT-214 before continuing with line 9.

Schedule A (Homeowners)

Enter on lines 18 and 19 any county, city, town, village or school district taxes and assessments that you and all qualified members of your household paid during 1994 (do not include penalty and interest charges). Persons age 65 or older may enter on line 20 the amount exempted from taxation under section 467 of the Real Property Tax Law (do not include the veterans' tax exemption). However, if you choose to make an entry on line 20, your credit, before limitation, will be only 25% (instead of 50%) of your eligible real property taxes. You may want to figure your credit both ways to see which results in the greater credit. Add lines 18 through 20 and enter the total on line 21. Transfer this amount to line 10 on the front of Form IT-214.

Schedule B (Renters)

Enter on line 22 the total rent you and all members of your household paid during 1994; do not include any subsidized part of your rental charge. Figure the amounts to be entered on lines 23, 24 and 25. Transfer the amount on line 25 to line 10, on the front of Form IT-214.

If the monthly average of your adjusted rent (line 24) was more than \$450, stop; you do not qualify for this credit.

Schedule C (Homeowners and Renters)

List the name, social security number and year of birth of everyone, including yourself, who lived in your household in 1994. If you need more space, list additional names on a separate sheet and attach it to Form IT-214. Enter in the boxes on line 26 the total number of household members.

Figure your household gross income by completing lines 27 through 34.

Enter on line 27 the total federal adjusted gross income of you and all members of your household. If you or any members of your household do not have to file a federal return, include the amount that would be included in federal adjusted gross income if a federal return had been required.

Enter on line 28 the total additions to federal adjusted gross income required by section 612(b) of the Tax Law. For a list of these additions, see Publication 22, *General Information on New York State's Real Property Tax Credit for Homeowners and*

Renters, or the instructions for Form IT-201. For Form IT-200 filers, the New York State additions to federal adjusted gross income are shown on Form IT-200, line 8, Public employee 414(h) retirement contributions and line 9, IRC 125 amounts from the New York City flexible benefits program. See instructions for Form IT-200. Include the total of these additions that apply to you and all members of your household, even if a New York State income tax return is not required.

Enter on lines 29 through 33 the total of each type of income you and all members of your household received during 1994 that was not included on lines 27 and 28.

If someone was a member of your household for only part of the taxable year, include on lines 27 through 33 the income he or she received while a member of your household.

Add lines 27 through 33 and enter the total on line 34. Round this amount to the nearest whole dollar and transfer it to line 11 on the front of Form IT-214. If this amount is more than \$18,000, **stop**; you do not qualify for this credit.

Line 9

If you qualify for an exemption from taxation under section 467 of the Real Property Tax Law and elect to enter this exemption on line 20, check the *Yes* box. If not, check the *No* box.

Line 10

Real Property Taxes Paid or 25% of Adjusted Rent Paid

If you owned your residence for all of 1994, enter your real property taxes paid (from line 21) on line 10.

If you rented your residence for all of 1994, enter 25% of your adjusted rent paid (from line 25) on line 10.

If you owned your residence for part of the taxable year and rented your residence for part of the taxable year, add 25% of your adjusted rent paid (from Schedule B) to the prorated part of any charges you list on Schedule A. Enter the total on line 10.

Line 15

If you entered on line 20 any amount of taxes not paid due to the exemption for persons 65 or older (section 467 of the Real Property Tax Law), figure 25% of line 14 and enter the result on line 15. If you did not make an entry on line 20, figure 50% of line 14 and enter the result on line 15.

Line 16

Credit Limitation

Using the following table, find your credit limitation according to the amount of your household gross income (line 11) and the age of qualified household members (line 3). Be careful to select your limitation from the proper column.

If the amount on line 11 is:	And you checked:

Line 17

Real Property Tax Credit

The real property tax credit for your household is the amount on line 15 or line 16 - whichever is less. Enter the lesser amount on line 17.

If more than one member of your household is filing Form IT-214, divide the line 17 amount equally among all filers. You can divide the line 17 amount any way you want if you each agree to the amount of your share and attach a copy of the agreement to your Form IT-214. Enter only your share of the line 17 amount on your Form IT-214 (and on your return if you have to file one).

If you are married and filing a joint Form IT-214, you do not have to divide the credit. However, if you do not want to apply your share of a credit to a debt owed by your spouse, you must also file Form IT-280, *Nonobligated Spouse Allocation* (see *Collection of debts from your refund* and *Disclaiming of spouse's debt* on the next page).

If you are filing a 1994 New York State income tax return, transfer your line 17 amount to Form IT-200, line 32 or Form IT-201, line 71.

Your credit will be subtracted from the amount of tax you owe. Any amount over the tax you owe will be refunded to you.

Sign Form IT-214 and attach it to the return you are filing.

If you pay someone to prepare Form IT-214, the paid preparer must also sign it and fill in the other blanks in the paid preparer's area. If someone prepares Form IT-214 for you and does not charge you, that person should not sign it.

Failure of paid preparers to conform to certain requirements - A penalty of \$50 per return or claim for refund will be assessed a paid preparer for failure to comply with any of the following requirements:

- failure to sign the tax return or claim for refund;
- failure to include the identifying number of the paid preparer (if an individual paid preparer is an employee of an employer or a partner in a partnership that is a paid preparer, the return or claim for refund must also include the identifying number of the employer or partnership);

20 Instructions for Preparing Form IT-214

- failure to furnish a completed copy of the tax return or claim for a refund to the taxpayer not later than the time the return is presented for the taxpayer's signature;
- failure to keep completed copy of the return or claim for refund prepared for each taxpayer or to keep the name and identification number of each taxpayer for whom a return or claim for refund was prepared on a list and to make the copy or list available for inspection upon request.

The period for keeping a completed copy of the return or information on the list is three years after the due date of the return (without regard to extensions) or three years after the date the return was presented to the taxpayer for signature, whichever is later. The period for keeping a completed copy of a claim for refund is three years from the time the claim for refund was presented to the taxpayer for signature.

For each of the requirements listed above, a paid preparer may be subject to a maximum penalty of \$25,000.

If you are not filing a 1994 New York State income tax return, sign and date Form IT-214 and mail it to:
STATE PROCESSING CENTER
ONE WATERVLIET AVE EXT
ALBANY NY 12261-0001

Your real property tax credit payment will be mailed to you.

Collection of debts from your refund —
We will keep all or part of your refund if (1) you owe a federal, New York State, New York City or Yonkers tax liability; or (2) we have been notified by the New York State Department of Social Services that you owe past-due support; or (3) you owe a past-due debt because you have defaulted on (or a judgment was filed against you because you have not repaid) a student loan guaranteed by the New York State Higher Education Services Corporation or a Federal Perkins/National Defense/National Direct, health professions or nursing student loan provided to students at state-operated units of the State University of New York or the City University of New York.

We will also keep all or part of your refund if you owe a past-due legally enforceable debt to a New York State agency. A state agency includes any state department, board, bureau, division, commission, committee, public authority, public benefit corporation, council, office, or other governmental entity performing a governmental or proprietary function for the state.

Any amount over your debt will be refunded.

Disclaiming of spouse's debt - If you are married and you do not want to apply your

part of the refund to your spouse's debt because you are not liable for it, fill in Form IT-280, *Nonobligated Spouse Allocation*, and attach it to your return. If you do not have to file a return, attach it to Form IT-214. If you are filing Form IT-280 to disclaim your spouse's debt, **attach the completed form to your original return.** We need the information on it to process your refund as quickly as possible. Once you have filed your return, you cannot file an amended return to disclaim your spouse's defaulted student loan or past-due support liability or past-due legally enforceable debt owed to a state agency. (However, you will be notified if your refund is applied against your spouse's defaulted student loan or past-due support or past-due legally enforceable debt owed to a state agency and you did not attach Form IT-280 to your return. You will then have ten days from the date of notification to file Form IT-280. However, this will result in a delay in your refund and extra work for you.) For more information, see Form IT-280.

If you have any questions about whether you owe a past-due legally enforceable debt to a state agency, contact that particular state agency.

If you have any questions about whether you owe a federal, New York State, New York City or Yonkers tax liability, past-due support, whether you have repaid your HESC guaranteed or state or city university student loan, or about the amount owed call or write to the agency shown below:
