

# Instructions for Form IT-360.1

## Change of City Resident Status

City of New York • City of Yonkers

**These instructions apply to the 1995 tax year only. Do not use for other tax years.**

### General Information

Whenever you have a New York City or Yonkers change of resident status, you must complete Form IT-360.1. If you changed your New York City or Yonkers residence, but not your New York State residence, attach Form IT-360.1 to Form IT-201, *Resident Income Tax Return*. If you changed both your New York State residence and New York City or Yonkers residence during the same tax year, you must complete both Form IT-203, *Nonresident and Part-Year Resident Income Tax Return*, and Form IT-360.1. If you changed your city resident status, you cannot use Fast Form IT-100 or Form IT-200, *Resident Income Tax Return*.

Your move into or out of New York City or Yonkers will be recognized as a change of resident status if:

- at the time of your move, you definitely intended to permanently leave your home and residence; and
- you definitely intended to establish a permanent home (domicile) someplace else.

The New York State Tax Department will consider your actions as well as your statements in deciding if you have met both conditions for a change of resident status.

For definitions of *domicile*, *permanent place of abode*, *resident*, *nonresident* and *part-year resident*, and for information on who must file returns, see the instructions for Form IT-201 or Form IT-203.

### Which Forms to File

#### City of New York or City of Yonkers Change of Resident Status

If you were a New York State resident the entire year but you changed your New York City or Yonkers resident status by moving into or out of one of these cities, you must file the following forms with the Tax Department:

- **Form IT-201**, *Resident Income Tax Return*, to report your part-year New York City resident tax or Yonkers resident income tax surcharge for your city resident period.
- **Form IT-201-ATT**, *Itemized Deduction and Other Credits and Taxes*, to report your part-year New York City resident tax.
- **Form IT-360.1**, *Change of City Resident Status*. If you had a change of resident status for New York City or for Yonkers, complete Form IT-360.1 following the specific instructions that begin on page 2 of these instructions.

You may also have to file the following forms:

- **Form NYC-203**, *City of New York Nonresident Earnings Tax Return*, or **Form Y-203**, *City of Yonkers Nonresident Earnings Tax Return*, to report any wages or net earnings from self-employment that you received from New York City or Yonkers sources during your city nonresident period. (However, if you did not receive any such wages from an employer or earnings from self-employment during your nonresident period, you do not have to file Form NYC-203 or Form Y-203. Simply attach to your Form IT-201 a statement saying that you received no wages or earnings from self-employment from New York City or Yonkers sources during that period.)

#### New York State and City of New York or New York State and City of Yonkers Change of Resident Status

If you changed both your New York State resident status and New York City resident status or your New York State and Yonkers resident status during the same tax year, you must file the following:

- **Form IT-203**, *Nonresident and Part-Year Resident Income Tax Return*, to report your part-year New York City resident tax or Yonkers resident income tax surcharge for your city resident period.
- **Form IT-203-ATT**, *Itemized Deduction and Other Credits and Taxes*, to report your part-year New York City Resident tax.
- **Form IT-360.1**, *Change of City Resident Status*. If you had a change of resident status for New York City or for Yonkers, complete Form IT-360.1 following the specific instructions that begin on page 2 of these instructions.

You may also have to file the following forms:

- **Form NYC-203**, *City of New York Nonresident Earnings Tax Return*, or **Form Y-203**, *City of Yonkers Nonresident Earnings Tax Return*, to report any wages or net earnings from self-employment that you received from New York City or Yonkers sources during your city nonresident period. (However, if you did not receive any such wages from an employer or earnings from self-employment during your nonresident period, you do not have to file Form NYC-203 or Form Y-203. Simply attach to your Form IT-203 a statement saying that you received no wages or earnings from self-employment from New York City or Yonkers sources during that period.)

#### City of New York and City of Yonkers Change of Resident Status

If you moved from New York City to Yonkers, or from Yonkers to New York City, you must file the following forms:

- **Form IT-201**, *Resident Income Tax Return*, to report your part-year New York City resident tax and your Yonkers resident income tax surcharge for each city resident period.

- **Form IT-201-ATT**, *Itemized Deduction and Other Credits and Taxes*, to report your part-year New York City Resident tax.
- **Form IT-360.1**, *Change of City Resident Status*. Complete Form IT-360.1 following the specific instructions that begin on page 2 of these instructions to compute your part-year New York City resident tax and to compute your part-year Yonkers resident income tax surcharge.

You may also have to file the following forms:

- **Form NYC-203**, *City of New York Nonresident Earnings Tax Return*, to report any wages from an employer or net earnings from self-employment that you received from New York City sources during the period that you lived in Yonkers.
- **Form Y-203**, *City of Yonkers Nonresident Earnings Tax Return*, to report any wages from an employer or net earnings from self-employment that you received from Yonkers sources during the period that you lived in New York City.

### Filling in Your Tax Return

You may notice that Form IT-360.1 is designed to let us use the latest scanning and image-processing equipment.

Boxes have been printed on several lines of the form to guide you in making your handwritten entries. This will enable our scanning equipment to more accurately read your return and let us process it more efficiently. Please spend a moment reviewing the method below for making your entries:

- Please print (using a blue or black ballpoint pen; no pencils, please) or type all numerals and money amounts in the boxes and spaces provided.
- Write your numbers like this:

9 8 7 6 5 4 3 2 1 0

- Do not use dollar signs (\$), commas(,), decimal points (.), or any other punctuation marks or symbols. We have already printed the appropriate commas and the decimal points to assist you.
- Carefully enter your money amounts so that the whole **dollar amount** ends in the box immediately to the **left** of the decimal point and the **cents amount** starts in the box immediately to the **right** of the decimal point.

**Example:** If your total resident tax for line 50 of Form IT-360.1 is \$4,321.12, your money field entry on line 50 should look like this:

50 4 3 2 1 . 1 2

- Allow one numeral for each box.
- Leave **blank** any spaces and boxes that do not apply to you.

### Returns for Married Taxpayers

If you are married, filing a joint New York State return, either on Form IT-201 or Form IT-203, and you each changed your **New York City** resident status at the same time, you must file a joint Form IT-360.1.

If you are married, filing separate New York State returns, or if you changed your New York City resident status at different times, you each must file separate Forms IT-360.1.

If you are married filing a joint New York State return and only one spouse had a New York City change of resident status, you must compute your New York City taxes separately. The spouse who changes city residence must complete Form IT-360.1 and Form NYC-203, if applicable, and attach them to Form IT-201 or Form IT-203. The other spouse, if a resident, must compute a separate city of New York resident tax for the entire taxable year on New York State Form IT-201 or, if a nonresident who is subject to the nonresident earnings tax, file Form NYC-203.

If you are married, filing a joint New York State return either on Form IT-201 or Form IT-203 and you each changed your **Yonkers** resident status, you must file a joint Form IT-360.1. If you are filing separate New York State returns, you each must file separate Forms IT-360.1.

If you are married filing a joint New York State return and one of you was a resident of Yonkers and the other was a part-year resident of Yonkers, you must each figure your Yonkers resident income tax surcharge separately. The part-year resident must complete Form IT-360.1 and Form Y-203, if applicable, and attach them to Form IT-201.

Attach Forms IT-360.1, NYC-203 and/or Y-203 to either your resident return, Form IT-201, or your nonresident and part-year resident return, Form IT-203, and mail them in the same envelope.

### Income and Deductions - Special Accruals

Your accrued income as an individual moving out of New York City is income you earned in your New York City resident period but received after you became a nonresident of New York City. Your accrued income as an individual moving into New

York City is non-New York State source income you earned in your nonresident period but received after you became a New York City resident. Income accrues to you as a taxpayer when the amount becomes fixed and determinable and you have an unrestricted right to receive it. An accrued expense is a cost that has been incurred but not yet paid.

If you moved out of New York City, you must include on Form IT-360.1 any item of income, gain, loss or deduction which, under an accrual method of accounting, would be reportable at the time you changed your residence. This includes income or gain you elected to report on the installment basis. You also have to accrue to New York City items of tax preference subject to the minimum income tax (Form IT-220) and the total taxable amount of lump-sum distributions subject to the separate tax on lump-sum distributions (Form IT-230).

Accruals are not required if you file a bond or other acceptable security in an amount equal to or greater than the amount of additional New York City resident tax that would be due if the accrued items were included on your part-year resident return, and you include the accrued amount on your New York State return for subsequent taxable years as if no change in resident status occurred. If you elect to file a bond or other acceptable security instead of accruing income, you will need Form IT-260, Surety Bond Form, and Form IT-260.1, Change of Resident Status - Special Accruals. See *Need Help?* on page 4 of these instructions for information on how to get these forms.

As a resident, if you received proceeds from lottery winnings (the amount of winnings less the amount of the wager) of more than \$5,000 from a state lottery, the proceeds are subject to New York State, New York City (if applicable) and Yonkers (if applicable) income tax withholding. Form IT-2102-G, Report of Certain Gambling Winnings, will serve as an acceptable security in lieu of making a special accrual of lottery winnings as required by the Tax Law.

If you became a New York City resident during the taxable year, you must accrue any item of income, gain, loss or deduction which, under an accrual method of accounting, would be reportable at the time you changed your residence, except that no accrual is required or allowed for items of income, gain, loss or deduction derived from or connected with New York City sources.

Any item of income, gain, loss or deduction accrued up to the time you changed your residence must be excluded in determining your New York taxable income, minimum taxable income or total taxable amount of lump-sum distributions for the year of change or any subsequent year.

**Standard Deduction**

If you claimed the standard deduction on Form IT-201 or Form IT-203, you must claim the standard deduction on Form IT-360.1.

Filing Status	Standard Deduction
Single and you can be claimed as a dependent on another taxpayer's return	\$2,800
Single and you cannot be claimed as a dependent on another taxpayer's return	6,600
Married filing joint return, or qualifying widow(er) with a dependent child	10,800
Married filing separate return	5,400
Head of household (with qualifying person)	8,150

**How to Prorate Your Standard Deduction and Dependent Exemptions**

When you change your New York City resident status, you have to prorate your standard deduction and your dependent exemptions. To do this, first figure the number of full months you spent as a New York City resident during your 12-month taxable year. Count any period of more than one-half month as a full month; do not count a period of one-half month or less. Then use the Proration Chart below to find the allowable amount of your standard deduction and exemptions.

Proration Chart

Number of Months	Standard Deduction				Head of Household	Dependent Exemption(s)
	Single and Can be Claimed on Another Return	Single and Can Not be Claimed on Another Return	Married filing Joint return and Qualifying Widow(er) with Dependent Child	Married Filing Separate Return		
1	\$ 223.33	\$ 550.00	\$ 900.00	\$ 450.00	\$ 870.17	\$ 80.35
2	466.67	1,100.00	1,800.00	900.00	1,358.33	166.67
3	700.00	1,650.00	2,700.00	1,350.00	2,037.50	250.00
4	933.33	2,200.00	3,600.00	1,800.00	2,716.67	333.33
5	1,166.67	2,750.00	4,500.00	2,250.00	3,395.83	416.67
6	1,400.00	3,300.00	5,400.00	2,700.00	4,075.00	500.00
7	1,633.33	3,850.00	6,300.00	3,150.00	4,754.17	583.33
8	1,866.67	4,400.00	7,200.00	3,600.00	5,433.33	666.67
9	2,100.00	4,950.00	8,100.00	4,050.00	6,112.50	750.00
10	2,333.33	5,500.00	9,000.00	4,500.00	6,791.67	833.33
11	2,566.67	6,050.00	9,900.00	4,950.00	7,470.83	916.67
12	2,800.00	6,600.00	10,800.00	5,400.00	8,150.00	1,000.00

If you are married and filing separate returns and one of you claims the standard deduction, the other must also claim the standard deduction. If you are married and filing a joint New York State return but are separately computing your tax for New York City, use the *Married separate return* column to find your prorated standard deduction.

**Example 1** — You and your spouse moved into New York City on April 1; your 3-month city nonresident period is January through March; your 9-month city resident period is April through December. Your standard deduction on your joint New York State return for the entire year is \$10,800. Your standard deduction for the 9 months that you and your spouse were New York City residents, based on the Proration Chart, is \$8,100.

If you have more than one dependent exemption, use the *Proration Chart* and multiply the value of one dependent exemption (the right-hand column) by the number of your dependent exemptions claimed on Form IT-201 or Form IT-203.

**Example 2** — You are married filing a joint return and have two dependent children. On June 10 you moved from New York City to Rochester. You are entitled to two dependent exemptions totaling \$2,000. For New York City purposes, the dependent exemption must be prorated to conform with your 5-month city resident period (January through May). Your prorated dependent exemptions total \$833.34 (2 dependent exemptions x 416.67).

If only one spouse changed New York City resident status during the year, New York City resident taxes must be computed separately. The spouse who was a full-year resident of New York City must compute his full-year city resident tax on Form IT-201. A Form IT-360.1 must be completed for the spouse who changed city resident status to compute a prorated New York City resident tax. Use the standard deduction proration chart for your filing status.

**Example 3** — You are married and filing a joint New York State return. You are a full-year resident of New York City. Your spouse moved into New York City on September 4. You must compute a separate city of New York resident tax for the entire taxable year on your joint New York State Form IT-201, Resident Income Tax Return. Your spouse, who changed city residence status as of September 4, must complete a separate Form IT-360.1 for the 4-month resident period (and a separate Form NYC-203, if applicable, for the 8-month nonresident period). Your standard deduction on your joint return for the entire year is \$10,800. The standard deduction for the 4 months your spouse was a New York City resident, based on the Proration Chart, is \$1,800.

If you are claiming the itemized deduction, enter on line 44 the amount of your itemized deduction from line 36.

**Line 49 — City of New York credits**

Enter on line 49 of the total of any credits below that you are entitled to claim.

**City of New York Household Credit**

You qualify to claim this credit if you checked the *No* box at item C on the front page of your Form IT-201 or Form IT-203 and if you checked:

- filing status ① **only (Single)** and the amount on Form IT-360.1, line 18, Column A is not over \$10,000; or
- filing status ②, ③, ④, or ⑤ and the amount on Form IT-360.1, line 18, Column A is not over \$20,000.

Filing status ① - Use *Household Credit Table I* on page 4 to find the amount of your New York City household credit.

Filing status ②, ④, or ⑤ - Use *Household Credit Table II* on page 4 to find the amount of your New York City household credit.

Filing status ③ - use *Household Credit Table III* on page 4 to find the amount of your New York City household credit.

The household credit is based on federal adjusted gross income and the number of federal exemptions. If you change your New York City resident status during the taxable year, the New York City household credit, figured on federal adjusted gross income for the entire year, has to be prorated based on the number of all months you spent as a resident.

**Example 1** — You are single and moved into New York City on March 29. Your federal adjusted gross income for the entire year is \$9,000. This entitles you to a New York City household credit of \$10 which you must prorate for your resident period. To prorate your credit for your 9-month resident period, multiply \$10 by 9/12 and include the result (\$7.50) on line 49 of Form IT-360.1.

If you are married and filing separate returns, you must first divide the New York City household credit equally between the two of you before you can prorate it.

**Example 2** — You moved out of New York City on May 9, and your spouse moved on August 30. Your combined federal adjusted gross income for the entire year is \$14,500. You and your spouse have 1 dependent child, and therefore claim a total of 3 federal exemptions. You are entitled to a \$150 New York City household credit, but you must divide this \$150 equally on your separate returns (\$75 for you and \$75 for your spouse) and then prorate it as follows:

	You	Your Spouse
New York City household credit (\$150 divided equally) . . . . .	\$75	\$75
Resident period of 4 months (4/12 x \$75) . . . . .	\$25	
Resident period of 8 months (8/12 x \$75) . . . . .		\$50

You and your spouse must each enter your prorated New York City household credit on line 49 of your separate Form IT-360.1.
