General Information

The tax under Article 33-A is imposed on any individual, partnership, corporation, society, association, joint-stock company, estate, receiver, trustee, assignee, referee and any other person acting in a fiduciary capacity, who purchases or renews a taxable insurance contract from an insurer not authorized to transact business in New York State under a certificate of authority from the Superintendent of Insurance. The tax rate is 3.6% of premiums paid or payable, less returns thereon, on taxable insurance contracts when the risk is located or resident in New York State, and applies to all contracts purchased or renewed.

A taxable insurance contract includes contracts described in section 1113(a), paragraphs (4) through (14), (16), (17), (19), (20) and (22) of the New York State Insurance Law. This includes the following types of insurance: fire, miscellaneous property, water damage, burglary and theft, glass, boiler and machinery, elevator, animal, collision, personal injury liability, property damage liability, fidelity and surety, motor vehicle and aircraft physical damage, marine and inland marine, credit and residual value insurance. Premiums subject to tax include both (1) 100% of premiums paid or payable to unauthorized insurers when the risk is totally located or resident within New York State and (2) an allocated portion of premiums, paid or payable to unauthorized insurers, when the risk is located or resident both within and outside New York State.

Exemptions

The tax imposed by this article does not apply to:

- any taxable insurance contract procured through a New York licensed excess line broker
- premiums received as consideration for reinsurance contracts
- the government of the United States or any instrumentality thereof
- New York State and its political subdivisions
- the United Nations and any other international organizations of which the United States is a member
- any foreign government
- any taxable insurance contract of the type described under the Insurance Law in section 2117(b), (c) and (d).

D The total of the additional charges in items A and C above may not exceed 5% for any one month except as provided for in item B above (section 1085(a)).
