Utility Services Tax Return - Gross Operating Income

Tax Law — Article 9, Section 186-a

CT-186-A-I

Attention: If you are a telephone or telegraph company or other provider of telecommunication services, even if it is not your primary business, do not file this form; file Form CT-186-E.

General Information

You must report gross operating income on a calendar year basis even if you maintain your records and report to the IRS using a fiscal accounting period.

Tax Rate

Effective for periods beginning on or after January 1, 1991, the tax rate is 3.5%.

Article 9, section 189, imposes a tax upon gas importers who import, or cause to be imported, gas services into New York State for their own use. For additional information see TSB-M-91(5)C.

Who Must File Form CT-186-A

A utility, person, corporation, company, association, or joint-stock association **not** subject to the supervision of the New York State Department of Public Service that engages in the sale or furnishing of gas, electricity, steam, water, or refrigeration service through the use of mains, pipes, or wires for ultimate consumption or use by the purchaser in New York State, must file this return whether or not a tax is due.

Examples of taxpayers required to file Form CT-186-A include:

- Owners of apartment buildings, office buildings, hotels, etc. within New York State who purchase gas, electricity, steam, water or refrigeration and resell or furnish any part or all of the commodity to a guest or tenant at identifiable, flat or metered rates must complete Schedule A.
- All persons including cogeneration facilities or manufacturing plants which sell gas, electricity, steam, water or refrigeration to a purchaser through the use of mains, pipes or wires must complete Schedule A.

If gross operating income does not exceed \$500 for the year, you are exempt from the payment of tax. However, you must still file this annual return.

When and Where to File

The annual return is due on March 15, following the close of each calendar year. If March 15 falls on a Saturday, Sunday or legal holiday, the return is due on the next business day. Mail your return to: **NYS Corporation Tax, Processing Unit, PO Box 1909, Albany NY 12201-1909.**

Extension of Time for Filing Tax Return

A request for an extension of time to file a tax return must be filed on Form CT-5.9 on or before March 15. An extension of time granted by the IRS to file a federal tax return does not extend the due date for filing Form CT-186-A.

Metropolitan Transportation Business Tax (MTA Surcharge)

All corporations that file Form CT-186-A must answer the question above line A. Any business taxable under Article 9, section 186-a of the Tax Law that does business in the Metropolitan Commuter Transportation District (MCTD) must file Form CT-186-A/M and pay a metropolitan transportation business tax surcharge on business done in the Metropolitan Transportation Authority region (MTA surcharge). The MCTD includes the counties of New York, Bronx, Kings, Queens, Richmond, Dutchess, Nassau, Orange, Putnam, Rockland, Suffolk and Westchester. If you are not doing business in the MCTD, you must disclaim liability for the MTA surcharge by answering **No** and are not required to file Form CT-186-A/M.

Exemption from Tax

The following are exempt from taxation under section 186-a:

The state of New York, including its political and civil subdivisions; municipalities of the state of New York; public districts,

not-for-profit corporations and associations organized and operated exclusively for religious, charitable or educational purposes; a corporation leasing from a city in New York State a water works system to supply water at cost to relieve water pollution in a river within that city; and limited dividend housing corporations organized under the Private Housing Finance Law.

Maintenance Fee – Foreign Corporations

A corporation organized outside of New York State (a foreign corporation) that is authorized to do business in New York State must pay an annual maintenance fee of \$300. Failure to pay the annual maintenance fee or its equivalent in New York State taxes (including MTA surcharges) under Article 9 (or Article 9-A or 32) will result in annulment of the authorization to do business in New York State. Payment of such taxes (but not a license fee reported on Form CT-240) are counted as payments toward the \$300 annual maintenance fee. If the total of such taxes paid for the tax year is more than \$300, the corporation has satisfied the requirement to pay the \$300 annual maintenance fee. If the total of such taxes paid for the tax year is less than \$300 and you are filing Form CT-183, enter \$300 on line 6 of Form CT-183 and make a payment with that form; if you are filing Form CT-186, enter \$300 on line 7 of Form CT-186 and make a payment with that form. In addition, on any other Article 9 returns that you are required to file, indicate that a total tax and maintenance fee of \$300 was paid with Form CT-183 or CT-186, and make no remittance of tax with the other returns. Article 9 returns include: CT-183, CT-183-M, CT-184, CT-184-M, CT-184-R, CT-186, CT-186-M, CT-186-A, CT-186-A/M, CT-186-E, CT-186-P, CT-186-P/M and CT-189.

Foreign Corporations - License Fee

Foreign corporations must also file Form CT-240, *Foreign Corporation License Fee Return*, whether or not they are authorized to do business in New York State. Form CT-240 is required to be filed with the corporation's first franchise tax return, or if the capital stock employed in New York State has increased since the last license fee return was filed.

- D. The total of the additional charges in items A and C may not exceed 5% for any one month, except as provided for in item B above (section 1085(a)).

If you think you are not liable for these additional charges, attach a statement to your return explaining the delay in filing and/or payment (section 1085).

Note: You may have the interest (line 7) and/or penalty (line 8) computed for you by calling the Business Tax Information Center at the number listed under *Need Help?* of these instructions.

Line 14 Collection of debts from your refund — We will keep all or part of your refund if you owe a past-due legally enforceable debt to the Internal Revenue Service or a New York State agency. Schedule A — Computation of Gross Operating Income (other than telephone and telegraph)

A taxpayer required to complete Schedule A must report all purchases of gas, electricity, steam, water or refrigeration which form the basis for the tax. The taxpayer must show the quantity sold, receipts from the sale of the commodity and the quantity of the commodity consumed by the taxpayer that was not sold. In determining gross operating income, receipts include cash, credits and property of any kind or nature without any deductions for the cost of property sold, the cost of materials used, labor, services or other costs, interest or discount paid, or any other expense, except as stated in the instructions for line 18.

Line 15 — Enter the total receipts from the sale or furnishing of each commodity made for ultimate consumption or use within New York State.

Line 16 — Enter all receipts from services rendered for ultimate use within New York State that are directly connected with the sale or furnishing of each commodity.

Receipts include installation charges, service charges (other than installation) that are connected with the sale or furnishing of the commodity, and rentals within the state that in fact constitute service charges.

Line 18 — Deductions allowed from gross operating income are uncollectible accounts and taxes imposed by New York State, its municipalities or the federal government, for which the taxpayer is merely a collecting agency for the taxing authority. In addition, if your utility has passed on its section 186-a tax when originally purchased, you may deduct the cost of such services when you resell them.

Article 2-I of the general city law provides for certain rebates of charges for energy in revitalization areas of New York City. However, nothing contained in Article 2-I shall be construed as reducing the amount of the gross receipts subject to tax pursuant to section 186-a of the Tax Law.

Enter all deductions listed above that are included as receipts on lines 15 and 16.
