**Computation of combined adjusted minimum tax and combined minimum tax credit**

Use lines 196 through 221 to compute:

- combined minimum tax credit generated this year
- combined minimum tax credit used this year
- combined minimum tax credit carryover to future years

If your tax due this year is based on the combined minimum taxable income base, complete lines 196 through 213 to compute the minimum tax credit generated this year.

If your tax in a prior year was based on the minimum taxable income base, and your tax due this year is based on the entire net income base, complete lines 214 through 221 to compute the minimum tax credit used this year and carried forward to future years.
