Annual Schedule N Instructions

Taxes on Selected Sales and Services in New York City Only

Report transactions for the period March 1, 1999 through February 29, 2000.

Who Must File

Complete Annual Schedule N if you provide any of the following services in New York City:

- parking, garaging or storing of motor vehicles (also file Annual Schedule N-ATT);
- occupancy of hotels/motels and similar establishments;
- miscellaneous services - see Part 3 for more detailed information on these services.

If you must file Annual Schedule N, you must also complete Form ST-101, *New York State and Local Annual Sales and Use Tax Return*. Report in Step 3 of Form ST-101 any taxable sales and purchases not reported on this or any other schedule.

Specific Instructions

For your convenience, we have printed two copies of this schedule together. Separate these copies and complete and file either of them.

Identification Number and Name - Attach one of the preprinted Schedule labels (provided with your Form ST-101) in the space indicated. If you do not have a label, print the sales tax identification number and legal name as shown on your business' *Certificate of Authority* for sales and use tax.

Credits - Reduce the amount of taxable sales and services to be entered on a jurisdiction line by the amount of any credits related to that jurisdiction. If the result is a negative number, enter it in parentheses.

Compute Tax - After entering your taxable receipts (sales and services) in Column C as instructed below, multiply Column C by the tax rate in Column E and enter the resulting tax in Column F.

PART 1 Parking

If you provide parking, garaging or storing of motor vehicles in New York City at facilities other than garages that are part of premises occupied solely as private one- or two-family dwellings, you must complete both Part 1 of Schedule N and Form ST-101.5-ATT, *Annual Schedule N-ATT*. If you provide parking services but did not receive Schedule N-ATT, call 1 800 462-8100 to request this form.

New York City - outside Manhattan: report receipts (in Box 1) from parking services provided in Bronx, Brooklyn (Kings County), Queens and Staten Island (Richmond County).

New York City - in Manhattan: report receipts (in Box 2) from parking services provided in Manhattan (New York County) other than those reported in Boxes 3 and 4.

New York City - in Manhattan - certified exempt residents: report receipts (in Box 3) from parking services provided to Manhattan residents who furnished you with validated certificates of exemption issued by the New York City Department of Finance, taxable at the 10¼% combined rate.

New York City - in Manhattan - municipal facilities: report receipts (in Box 4) from parking services provided by municipal facilities, taxable at the 8% rate.

PART 2 Hotel Room Occupancy

If you operate a hotel, motel or similar establishment(s) in New York City, report rents from room occupancy as follows:

- Report rents (in Box 5) from the first 90 days of room occupancy (subject to a combined state and local sales tax rate of 8¼%).
- Report rents (in Box 6) for the 91st through 180th days of room occupancy (subject to the 4% local tax only).

After 180 consecutive days of occupancy, the room occupant is not required to pay either state or local sales tax on the charge for room occupancy.

All other sales by hotels, motels, and similar establishments (for example, restaurant sales or gift shop sales) subject to state and local sales tax should be reported on Form ST-101, Step 3 or on other appropriate schedules.

PART 3 Miscellaneous Services

If you provide any of the following types of services in New York City, you must complete Part 3 of Schedule N as follows:

- Report receipts (in Box 7) from interior cleaning and maintenance services contracts for a period of less than 30 days (or for occasional cleaning contracts or maintenance).
- Report receipts (in Box 8) from interior cleaning and maintenance services contracts for a period of 30 days or more.
- Report receipts (in Box 9) from credit rating and credit reporting services.
- Report receipts (in Box 10) from miscellaneous personal services, including beauty, barbering, hair restoring, manicuring, pedicuring, electrolysis, massage services and similar services; and charges from sales of services or for the use of weight control salons, health salons, gymnasiums, turkish baths, sauna baths and similar establishments.

For the next two services add the amount in Column C to the amount in Column D (if any), multiply the result by the tax rate in Column E and enter the result in Column F.

- For protective and detective services, report receipts from sales in Box 11 and purchases subject to tax for which tax has not been paid in Box 12.
- For interior decorating and design services taxable at the 4¼% rate, report receipts from sales in Box 13 and purchases subject to tax for which tax has not been paid in Box 14. These services are not subject to the 4% tax imposed on selected services in New York City, but are subject to the 4% tax imposed by New York State and the ¼% tax imposed in the Metropolitan Commuter Transportation District (MCTD).

Column Totals

Enter in the shaded boxes the totals (Parts 1, 2, and 3 combined) of Columns C, D, and F; include these column totals on Form ST-101, Page 2, Columns C, D, and F, in Boxes 3, 4, and 5.

PART 4 Vendor Collection Credit Adjustment
