Instructions

Who must file

Note: If you are a telephone or telegraph company or other provider of telecommunication services, even if those services are not your primary business, do not file this form. Instead, file Form CT-186-E, *Telecommunications Tax Return and Utility Services Tax Return*.

A taxpayer filing Form CT-186-P who does business in the Metropolitan Commuter Transportation District (MCTD) must also file Form CT-186-P/M, and pay a metropolitan transportation business tax surcharge on business done in the Metropolitan Transportation Authority region (MTA surcharge). The MCTD includes the counties of New York, Bronx, Queens, Kings, Richmond, Dutchess, Nassau, Orange, Putnam, Rockland, Suffolk, and Westchester.

When and where to file

This return is due on March 15, following the close of the calendar year. If March 15 falls on a Saturday, Sunday, or legal holiday, the return is due on the next business day.

Mail your return to: **NYS Corporation Tax, Processing Unit, PO Box 22038, Albany NY 12201-2038.**

If you are using a private delivery service, address your return to: State Processing Center, 431C Broadway, Albany NY 12204-4836.

Extension of time for filing MTA surcharge return

If you cannot meet the filing deadline, you may request an extension of time by filing Form CT-5.9, *Request for Three-Month Extension to File*, on or before the due date of the return, and pay the MTA surcharge you estimate to be due. An extension of time granted by the IRS to file a federal tax return does not extend the due date for filing Form CT-186-P/M.

Amended return

If you are filing an amended return, please write **Amended return** across the top of the front page.

Employer identification number, file number, and other identifying information

For us to process your corporation tax forms, it is important that we have the necessary identifying information. You will find your employer identification number and file number just above your printed corporation name and address. Keep a record of that information and include it on each corporation tax form mailed.

If you use a paid preparer or accounting firm, make sure they use your complete and accurate identifying information when completing all forms.

Specific instructions

See Form CT-186-P-I for instructions on reporting change of business information, using whole dollar amounts, converting decimals into percentages, and showing negative amounts.

Line A — Make your payment in United States funds. We will accept a foreign check or foreign money order only if payable through a United States bank or if marked **Payable in U.S. funds**.

Computation of MTA surcharge

MTA surcharge — For a utility supervised by the Department of Public Service (when the utility is not a provider of telecommunication services) the MTA surcharge on Form CT-186-P/M for the tax year January 1, 2001, through December 31, 2001, is computed using the 2.45% and 2.0% tax rates on gross income. The MTA surcharge is no longer computed as if the tax rate on gross income was 3.5%

Line 1 — Enter the amount of receipts shown on Form CT-186-P, line 23, that are derived from sources within the MCTD. Use the same method of accounting to compute MCTD gross income (that is, the **accounting** rule allocation method or the **formula** rule allocation method) as was used to compute New York State gross income. Make no deduction for the Power for Jobs tax credit.

Line 2 — The MTA surcharge rate of .4165% (.004165) is obtained by multiplying the tax rate of 2.45% by the MTA surcharge rate of 17%.

Line 4 — Enter the total amount of receipts shown on Form CT-186-P, lines 20, 30, 33, and 40, that are derived from sources within the MCTD. Use the same method of accounting to compute MCTD gross income (that is, the **accounting** rule allocation method or the **formula** rule allocation method) as was used to compute New York State gross income. Make no deduction for the Power for Jobs tax credit.

Line 5 — The MTA surcharge rate of .34% (.0034) is obtained by multiplying the tax rate of 2.0% by the MTA surcharge rate of 17%.

First installment of estimated MTA surcharge for next period

If on Form CT-186-P you are required to make a first installment of estimated tax for the next period, you must also make a first installment of the MTA surcharge for the next period.

Line 8b — Enter 25% of the amount on line 7 if you did not file Form CT-5.9, and the tax on Form CT-186-P, line 3, is more than \$1,000.

Enter "0" if you did not file Form CT-5.9 and the tax on Form CT-186-P, line 3, is \$1,000 or less.

Line 12 — If you underpaid your estimated MTA surcharge, use Form CT-222, *Underpayment of Estimated Tax by a Corporation*, to compute the penalty. Attach Form CT-222, check the box, and enter the penalty on line 12. If no penalty is due, enter "0" on line 12.

Line 13 — If you do not pay the MTA surcharge on or before the original due date (**without** regard to any extension of time for filing), you must pay interest on the amount of the underpayment from the original due date to the date paid. Exclude from the interest computation any amount shown on line 8a or 8b, first installment of estimated MTA surcharge for the next period.

Line 14 — Compute late filing and late payment penalties on the amount of MTA surcharge minus any payment made on or before the due date (**with** regard to any extension of time for filing). Exclude from the penalty computation any amount shown on line 8a or 8b, first installment of estimated MTA surcharge for the next period.

See Form CT-186-P-I for instructions on computing late filing and late payment penalties.

Line 16 — If line 9 is less than line 10, subtract line 9 from line 10. This is the amount of overpayment. You may divide it on lines 17, 18, and 19 in any way you choose.

Line 19 — Collection of debts from your refund

See Form CT-186-P-I for instructions on collection of debts from your refund.
