## General information

Distributors of motor fuel, liquefied petroleum gas fuel permittees, distributors of diesel motor fuel, residual petroleum product businesses, and aviation fuel businesses, must file Form PT-100, *Petroleum Business Tax Return*. Retailers of heating oil only and distributors of kero-jet fuel only that are registered as distributors of motor fuel or as residual petroleum product businesses must also file Form PT-100. Form PT-100 must be filed for each month.

If you do not receive the proper forms covering a tax you owe, call the forms and publications number listed under *Need help?* near the end of these instructions.

Form PT-100 summarizes the amount of the various taxes computed on Forms PT-101 through PT-106, and is used to determine the total amount due, including any appropriate penalty and interest.

**Changes in business information** — Make changes to any incorrect preprinted information shown on the label. In addition, you must report any changes in your business name, ID number, mailing address, business address, telephone number, or owner/officer information on Form DTF-95, *Business Tax Account Update*. To change only your address, you may use Form DTF-96, *Report of Address Change for Business Accounts*. You can obtain these forms by fax, phone, or from our Web site; see *Need help?* below.

**Type of filer** — Check the appropriate box(es) in the left-hand column of lines 1 through 6 on the front of the return to indicate the types of products you are registered to deal in and whether you are an electric utility (electric utilities may file Form PT-105), or a registered retailer of heating oil only.

## Line instructions

**Lines 1 through 6** — Enter any credit amounts in brackets. You must attach the appropriate Forms PT-101 through PT-106 for each box checked.

**Line 8** — Enter the total credit from line 21, Columns A and B, of your prior month's Form PT-100.

**Line 10** — Enter the total requested refund/reimbursements for the month, if any, from Form PT-100-B, *Schedule of Weekly Refund/Reimbursements*. Attach Form PT-100-B to Form PT-100.

**Line 11** — Add the amount on line 10 to the amount on line 9. If the result is an amount greater than zero, enter the balance due. If the result is zero or less than zero (negative amount), enter "0" and show the overpayment on line 17.

**Line 12** — If you are a participant in the Articles 12-A and 13-A PromptTax program, enter the amount you already paid by electronic funds transfer or certified check. Do not include any amount paid as interest or penalty.

**Actual method** — If your payment was based on actual tax due for the period (March 1 through March 22, 2001), check box *A* and enter on line 12 the amount of your actual tax due. Your PromptTax payment must have been equal to at least 90% of the actual tax liability for such period, to avoid interest and penalty.

**Estimated method** — If your payment was based on last year's comparable period (March 2000), check box *E* and enter on line 12 the amount of last year's comparable period tax due. Your PromptTax payment must have been equal to at least 75% of the tax liability (prior to credits) for the comparable month of the preceding year, to avoid interest and penalty.

Report your PromptTax payment for the sales and use tax quarterly on Schedule P (Form ST-810.6) of Form ST-810, *New York State and Local Sales and Use Tax Return Quarterly for Part-Quarterly Filers*. Report your PromptTax payment for the prepaid sales tax on motor fuel and diesel motor fuel monthly on Schedule FT (Form FT-945/1045-A) with Form FT-945/1045, *Report of Sales Tax Prepayment on Motor Fuel/Diesel Motor Fuel*.

**Line 14 — Penalty** — A penalty is imposed at the rate of 10% of the tax due for the first month or part of a month, and 1% of the tax due for each subsequent month or part of a month in which the tax remains unpaid, up to a maximum penalty of 30%.

If a return is not filed within 60 days of the due date, the penalty will be determined as indicated above but will not be less than the lesser of \$100 or 100% of the tax due. In addition, failure to file returns and pay any tax due may result in criminal penalties under Article 37 of the Tax Law.

**Line 15 — Interest** — Interest is computed at the rate set by the Commissioner of Taxation and Finance and is compounded daily. It is computed from the day the tax was due until the day the tax is paid. Interest is a charge for the use of state funds and may not be waived. If you require assistance in the computation of interest, call the tax information number listed under *Need help?* below.

**Line 16** — Attach a check or money order for the total amount due on line 16 payable to the **Commissioner of Taxation and Finance**. Mail to: **NYS Tax Department, PO Box 1833, Albany NY 12201-1833**. If you are using a private delivery service, address your return to: **NYS Tax Department, Misc. Tax Return Processing — #8A, W A Harriman Campus, Albany NY 12227**. For a listing of designated delivery services, see Technical Services Memorandum TSB-M-97(07)M.

**Lines 18 and 19** — If line 17 shows an overpayment, enter on line 18 the amount you want to take as a credit on line 8 of your next month's return. Enter on line 19 the amount that should be refunded to you.

If you are a sales tax exempt organization that has established its status as an exempt organization under section 1116(a) of the Tax Law, and all motor fuel, diesel motor fuel, or residual petroleum product that you import into New York State or that you produce, refine, manufacture, or compound in New York State is consumed exclusively by you, then these gallons are not subject to the petroleum business tax. Check the appropriate box on front and do not include any petroleum business tax (Article 13-A) in the amounts on Forms PT-101 through PT-106.

**Signature** — The return must be signed and dated by the owner (if an individual), a partner (if a partnership), or by the president, treasurer, chief accounting officer, or any other person authorized to act on behalf of the corporation (if a corporation). The fact that an individual's name is signed on the certification will be prima facie evidence that the individual is authorized to sign and certify the report on behalf of the business.

Additionally, if anyone other than an employee, owner, partner, or officer of the business is paid to prepare the return, he or she is required to sign and date the return and provide his or her mailing address.
