General instructions

Vendors located in New York State who are registered to collect New Jersey sales tax under the New Jersey/New York Reciprocal Tax Agreement must file Form ST-810.4, Quarterly Schedule NJ for Part-Quarterly Filers, in addition to any other applicable New York State schedules.

Complete Form ST-810.4, Quarterly Schedule NJ for Part-Quarterly Filers, and attach it to Form ST-810, New York State and Local Sales and Use Tax Return Quarterly for Part-Quarterly Filers. Send one check or money order payable to New York State Sales Tax for the total amount due for both New Jersey (line 13 of this schedule) and New York State (Form ST-810, line 5). You must file the return, all attached schedules, and payment of the taxes due by the due date shown on Form ST-810 for the reporting period.

You may obtain additional instructions for the collection of New Jersey sales tax from the New York State Department of Taxation and Finance (see the appropriate address and telephone numbers at the end of these instructions).

Specific instructions

Change of business information — If there have been any changes in your business name, identification number, mailing address or business address, telephone number, or owner/officer/responsible person information, you must complete Form DTF-95, Change of Business Information. To request Form DTF-95, call the Business Tax Information Center; see Need help? on page 3. As a multistate filer you should place an M next to the form number on Form DTF-95 to indicate your multistate filing status.

Gross sales and services — Enter the amount of gross sales and services as reported on Form ST-810, Part I, box A (see instructions for Form ST-810, box A).

No New Jersey sales — If you had no deliveries of goods or services into New Jersey and made no purchases subject to use tax in New Jersey, check the appropriate box. Sign and date the schedule and attach it to your Form ST-810.

Line instructions

Line 1 — New Jersey gross sales — Enter total receipts from all deliveries of goods and services to New Jersey that occurred during the reporting period covered by the schedule. You must report gross sales on the accrual basis and not as collections are made. Include receipts from all sales, rentals, and the use of tangible personal property; all sales of services; and all sales of prepared foods. You must also include exempt transactions.

Instructions

Line 2 — New Jersey deductions — Enter the total deductions (exempt transactions) from New Jersey gross sales. These deductions include:

- Exempt sales of tangible personal property — Total sales of tangible personal property that are specifically exempt from New Jersey sales tax (for example, sales of grocery foods and clothing).
- Exempt sales of services — Total charges for services that are not subject to the sales tax (for example, professional services, personal services, etc.). Do not include services performed outside New Jersey.
- Sales covered by certificates — Receipts from sales of property or services, other than sales of property or services covered above, upon which no tax was collected because the purchaser presented a properly completed exemption certificate. See the instructions on the certificate about its proper use.
- Returned goods — Total sales price of merchandise returned by customers on which New Jersey sales tax was collected. Include only the amounts refunded or credited to the customer. Do not include the sales tax collected on this returned merchandise, amounts for returned merchandise that was not subject to sales tax, or amounts that have not been included in reported New Jersey gross sales on any return or Quarterly Schedule NJ.

- Capital improvements — Total sales of services by contractors that result in capital improvements to real property. Do not enter sales of any other services to real or tangible personal property.

Line 3 — New Jersey taxable sales — Subtract line 2 from line 1. This is the amount of sales subject to New Jersey sales tax.

Line 4 — New Jersey sales tax rate — Use the tax rate of 6% to compute the New Jersey sales tax due.

Line 5 — New Jersey sales tax computed — Multiply the amount on line 3 by 6%. Enter the result on line 5.

Line 6 — New Jersey sales tax collected — Enter the amount of New Jersey sales tax that you collected during the reporting period.

Line 7 — New Jersey sales tax due — Enter the amount from line 5 or line 6, whichever is larger.

Line 8 — New Jersey use tax — Use line 8 to report use tax on the market value of any tangible personal property or service used in New Jersey during the quarter that is not specifically exempted from the New Jersey sales tax, but upon which you have paid no New Jersey sales tax. Also report lessor’s use tax on line 8.

Complete the worksheet below before making any entries on line 8. See the instructions on the next page.
