**All persons required to collect sales tax, pay compensating use tax, or both:** Montgomery County has enacted legislation to increase its local sales and use tax rate. **As of June 1, 2003, the combined state and local tax rate imposed in Montgomery County is increased to 8%.** This includes the 4% state tax and the 4% Montgomery County local tax. This change will affect your tax collections and payments if you make taxable sales or deliveries to customers, or if you make taxable uses, in Montgomery County.

Therefore, beginning June 1, 2003, **all taxable sales and uses in Montgomery County are subject to tax at the 8% rate**, except as otherwise provided by the special transitional provisions below.

### Special transitional provisions

All sales and uses occurring on or after June 1, 2003, are taxed at the rate of **8%**, except as provided below:

#### (a) Layaway sales

Receipts may be reported at the lower rate of 7% only if the following conditions are met:

- (1) before February 1, 2003, a written agreement was made and the item sold was segregated from other similar property in the possession of the vendor; and
- (2) before June 1, 2003, the purchaser has paid at least 10% of the sales price.

#### (b) Utility bills for nonresidential gas and electricity based on meter readings

If the meter is read on or after June 1, 2003, and the number of days from June 1, 2003, to the date of the meter reading is more than half the total number of days covered by the bill, report sales of these services on Schedule B, Part 3, at the higher rates effective June 1, 2003.

#### (c) Telephone bills

Report charges for services furnished on or after the date of the first bill dated in June 2003, at the higher rates effective June 1, 2003. Report charges for services furnished before the date of the first bill dated in June 2003, at the lower rates, even though the services may be furnished after June 1, 2003.

#### (d) Telephone answering services

Prorate receipts that cover a period beginning before and ending after June 1, 2003. Receipts for the period prior to June 1, 2003, must be reported at the lower rates. Report receipts for the period on and after June 1, 2003, at the higher rates.

#### (e) Social and athletic club dues

Regardless of the date a bill is mailed, report all bills covering any period that begins on or after June 1, 2003, at the higher rate of 8%. Report all bills covering periods that begin before June 1, 2003, at the lower rate of 7%.

#### (f) Admissions

Report taxable admissions to an event occurring on or after June 1, 2003, at the higher rate of 8%, whether or not the admission charge was paid before that date, unless the tickets were sold and delivered before June 1, 2003, to the person attending the event.

**(g) Hotel occupancy**

Report all taxable daily rentals occurring on or after June 1, 2003, at the higher rate of 8%, unless the occupant pays no tax because he or she is a permanent resident (90 days of consecutive occupancy). If the rental is on other than a daily basis, prorate the amount of rent between the number of days taxable at the higher rate and the number of days taxable at the lower rate.

**(h) Pre-existing lump sum or unit price construction contracts**

Contractors purchasing materials in Montgomery County for use in construction contracts pay the rate of 7% on purchases made before June 1, 2003, and 8% on purchases made on or after that date. Contractors who irrevocably entered into a pre-existing lump sum or unit price construction contract before April 22, 2003 (the date on which the local legislation was adopted), may receive a credit or refund of the additional 1% local sales and use tax paid on or after June 1, 2003.
