New York State income tax forms and instructions redesigned

For 2005, we developed a new short return, Form IT-150, to allow taxpayers who file federal Form 1040A or Form 1040EZ (and certain taxpayers who file Form 1040) to file a simple two-page New York State return. Taxpayers using Form IT-150 can take advantage of the most commonly used credits, while avoiding the complexities of the long Form IT-201. Last year's Forms IT-100 and IT-200 have been discontinued.
We have also replaced the old two-page Form IT-201 with a new four-page version. This reduces crowding and reduces the need to attach separate schedules by providing space for additional items such as itemized deductions.

The income tax forms mailing packet, new Form IT-RP-1 (that replaces Forms IT-200-P and IT-201-P), includes both new Form IT-150 and revised

Form IT-201, plus instructions and other commonly filed forms.

The packet also includes new Forms IT-2 and IT-1099-R which have been developed to speed the processing of returns and refunds. If you received any federal W-2 statements, you must complete new Form IT-2 and attach it to your return. And if you received any federal 1099-R statements that had NYS, NYC, or Yonkers tax withheld, you must complete new Form IT-1099-R and attach it to your return. For details, see Form IT-150, page 28, or Form IT-201, page 105.
Finally, we redesigned our instructions. New Form IT-150/201-I replaces Forms IT-200-I and IT-201-I. We broke down the process of completing your return into logical steps. New navigational icons, as shown below, will point you toward tax-saving and time-saving information.

## How do I fill in the forms?

Please follow these guidelines.
Use black ink only (no red or other color ink or pencils) to print or type all entries.
Do not write in dollar signs, commas, or decimal points when making entries.
You can round money entries to the nearest dollar (fifty cents or more is rounded up). If you do round numbers, you must be consistent and round all numbers.
If you make an entry on a line, always fill in the cents area. If rounding or using a whole dollar amount, enter 00 in the cents boxes. Do not make any entry in areas that do not apply to you unless these instructions
specifically direct you to do so; treat blank lines as zeros.
Mark an $\boldsymbol{X}$ to fill in boxes as appropriate. Do not use a check mark. Keep your Xs and numerals inside the boxes.
Example: If your total amount of Wages, salaries, tips, etc. for line 1 is $\$ 37,114.48$, your money field entry on line 1 should look like this:

$$
\begin{array}{|c|c|c|c|c|c|c|c|}
\hline \text { 1. } \perp & L & 3 & 7,1 & 1 & 4 \\
\hline
\end{array}
$$

If you are rounding all money items on your return to the nearest dollar, it should look like this:

$$
\left.\ldots \begin{array}{|l|l|l|l|l|l|}
\hline 1 . & L & & 3 & 7,1 & 1
\end{array}\right] .0 \mid 0
$$

## How do I use the new instructions?

To help you decide whether you have to file a New York State return, and which of the two New York resident returns you should file, use the flow chart on page 5. Taxpayers who previously filed Form IT-201 may now be eligible to file Form IT-150.

Once you know which form to file, review the new at-a-glance illustration for that form (on page 10 or page 74) that shows the form broken down into completion steps. Use the color-coded tabs to help you find specific instructions for any portion of the return.

Keep an eye out for the following new icons or symbols. They will alert you to important new information, to areas where particular caution should be used, and to filing shortcuts.

Time-saving tip

Finally, please use the checklist on page 34 or page 115 to avoid mistakes that might slow the processing of your return, and delay any refund you may be entitled to.

## What's new for 2005?

## - New contribution line for the World Trade Center Memorial Foundation Fund

There is a new entry on line 36 g of Form IT-150 and line 60 g of Form IT-201 where you can contribute to the World Trade Center Memorial Foundation Fund (WTC Memorial Fund). Your contributions to this fund will be used exclusively to help fund the construction, installation, and operation of the World Trade Center Memorial and Museum.

## - Some tax rates reduced

Certain rates within the New York State and New York City tax rate schedules have been reduced. See pages 54 and 64

In addition, effective January 1, 2006, the New York State and New York City income tax surcharges applicable to higher income taxpayers expire. Be sure to check your 2006 withholding to ensure the correct amount of tax is withheld from your paycheck. See Form IT-2104, Employee's Withholding Allowance Certificate.

- Yonkers income tax surcharge and nonresidents earnings tax increased
The Yonkers resident income tax surcharge has been increased to a rate of $10 \%$ of the net state tax, and the Yonkers nonresident earnings tax has been increased to a rate of $0.5 \%$.
- New Forms IT-2 and IT-1099-R now required

Starting this year, there are two new forms that you must use to report information from any federal Form(s) W-2 and certain Form(s) 1099-R that you receive. Instead of attaching those federal forms to your New York return, you must now copy the required information from them onto new Form IT-2, Summary of Federal Form W-2 Statements, and new Form IT-1099-R, Summary of Federal Form 1099-R Statements. See page 8

- Six-month extension now available

Form IT-370, Application for Automatic Six-Month Extension of Time to File for Individuals, now automatically extends the due date of your return for six months instead of four. See the back cover.

## - New Form IT-112-C for Canadian taxes

For tax years beginning on or after January 1, 2005, you must claim the resident credit (and addback) for taxes paid to a Canadian province on new Form IT-112-C, New York State Resident Credit for Taxes Paid to a Province of Canada. Previously this credit (and addback) was claimed on Form IT-112-R. For additional information, see the instructions for Form IT-112-C. (Form IT-112-R is still in use for resident credit related to taxes paid to other states.)

## - New credit for nursing home assessments

For tax years 2005 and after, a new credit is allowed for the New York State assessment imposed on a residential health facility that is paid directly by an individual. For additional information, see Form IT-258, Claim for Nursing Home Assessment Credit, and its instructions.

## - Investment credit expanded

An investment credit is now available for property that is principally used as a qualified film production facility. For additional information, see Form IT-212, Investment Credit, and its instructions.

## - New QETC credit

For tax years beginning on or after January 1, 2005, this new credit is allowed for an eligible taxpayer that is a qualified emerging technology company (QETC). For additional information, see Form DTF-619, Claim for QETC Facilities, Operations, and Training Credit, and its instructions.

## - QEZE and EZ credits revised

Numerous changes have been made to the QEZE and EZ credits. For additional information, see TSB-M-05(5)I, Summary of Certain Personal Income Tax Legislative Changes Enacted in 2005, and the applicable credit claim forms.

## - Brownfield credits now available

For tax years beginning on or after April 1, 2005, a taxpayer participating in the Brownfield Cleanup Program may be eligible for any one of three new credits relating to the cleanup and redevelopment of brownfield sites. For additional information, see the instructions for new Forms IT-611, Claim for Brownfield Redevelopment Tax Credit, IT-612, Claim for Remediated Brownfield Credit for Real Property Taxes; and IT-613, Claim for Environmental Remediation Insurance Credit.
Also, in determining New York adjusted gross income, there is a new addition you must make to federal adjusted gross income for premiums paid for environmental remediation insurance where the credit is claimed and the premiums are deducted in calculating your federal taxable income. See New York addition A-22 on page 85 .

## - Alternative fuels credit expired

The alternative fuels credit expired for property placed in service after December 31, 2004.

- Fuel cell electric generating equipment credit expanded
Beginning on or after July 1, 2005, individuals, partners in a partnership, shareholders of $S$ corporations, and beneficiaries of estates and trusts may claim the fuel cell electric generating equipment credit. The credit applies to qualified fuel cell electric generating equipment expenditures made on or after July 1 , 2005. Previously, only individuals could claim a credit for fuel cell electric generating equipment installed at their principal residence. For additional information, see Form IT-259, Claim for Fuel Cell Electric Generating Equipment Credit, and its instructions.
- Special additional mortgage recording tax credit For tax years beginning on and after January 1, 2004, a credit is allowed equal to the amount of the special additional mortgage recording tax paid by a taxpayer for mortgages recorded on or after January 1, 2004, on real property located in New York State. For additional information, see Form IT-256, Claim for Special Additional Mortgage Recording Tax Credit, and its instructions.

## - New York State offsets

Your overpayment may be reduced by amounts of outstanding tax debts owed to other states. See Collection of debts from your refund on pages 29 and 106.

## - New reporting requirements for tax shelters

There are new reporting requirements with respect to the disclosure of information relating to transactions that present the potential for tax avoidance (tax shelters). These new reporting requirements are similar to the tax shelter disclosure requirements for federal income tax purposes. Separate reporting requirements are imposed on those who utilize tax shelters and those who promote the use of tax shelters. For additional information, see TSB-M-05(2)C,(4)I, TSB-M-05(2.1)C,(4.1)I, and Publication 671.

## - Tax return preparers may have to e-file

Beginning January 1, 2006, many tax return preparers must e-file their clients' tax returns. The e-file requirement applies to individual personal income tax returns. If you use a paid preparer and do not wish to have your return e-filed, complete new Form IT-800, Opt-Out Record for Tax Practitioners, and give it to your preparer. This allows the preparer to file your return on paper. For additional information, see the Practitioner Page on our Web site at www.nystax.gov.

## New for 2006

## - Solar energy system equipment credit

Beginning in 2006, a credit will be allowed, subject to certain limits, for expenditures incurred in 2006 and after for solar energy system equipment that utilizes solar radiation to provide heating, cooling, hot water, or electricity for use in an individual's principal residence.

## New York State full-year residents: Who must file/which form to file?

## How to use this chart

Each box in the chart below contains a question that can be answered Yes or No.

Start in the upper-left corner and answer the question in that box. Then follow the arrow that matches your answer
to the next box. Answer each question that the arrows lead you to, until you reach a box that either tells you to file a New York return (on Form IT-150 or on Form IT-201), or tells you that you do not have to file a New York return.

## Additional notes to all filers:

Do you have to attach other forms? If you need to pay other taxes, see Other forms you may have to file on page 8.

To claim tax credits, see the credit charts on pages 6 and 7.
Does your child have investment income over \$1,600? It would be to your advantage to file a New York return for your child to report your child's investment income, since there will be no New York tax on the first \$3,000 of that income. When you file your federal return, report your child's investment income on federal Form 8615 (instead of federal Form 8814). If you file Form 8814, the amount of your child's investment income over \$1,600 that was included in your federal gross income will be reported on your New York return and taxed at your rate.

## New York nonresidents and part-year residents:

If you were a nonresident or a part-year resident of New York State and you received income from New York sources in 2005, you must file Form IT-203, Nonresident and Part-Year Resident Income Tax Return.

Separate returns are required for some married taxpayers who file a joint federal return. If one of you was a New York State resident and the other was a nonresident or part-year resident, you must each file a separate New York return.
The resident must use Form IT-150 or Form IT-201. The nonresident or part-year resident, if required to file a New York State return, must use Form IT-203. However, if you both choose to file a joint New York State return, use Form IT-150 or IT-201.

However, if you file an amended federal return, you must also file an amended New York State return within 90 days from the date you amend your federal return.
You must also file an amended return to correct any error on your original state return and to report changes made on your federal return by the IRS. You must report such changes to the New York State Tax Department within 90 days from the date the IRS makes its final determination. For more information, see the instructions for Form IT-201-X.

## New Form IT-150

## After you have completed your federal tax return ...

# Step 1 - Completing the taxpayer information section 

Part A Name and address - If you received a tax packet by mail, your peel-off name-and-address label is under the flap on the inside front cover. After you complete your return, place the label in the box at the top of your return.
Check the label for accuracy. If the label is correct, go to Part B.
If any information is wrong, cross it out and make the corrections directly on the label. Space is limited so if your name contains more than 36 characters, and it is correct except for missing final characters, do not make a correction.
If you do not have a label, write the following in the spaces provided:

- Name: First name, middle initial, and last name for you, and, if you are filing a joint return, your spouse.
- Mailing address: PO box or street address, city, state, and ZIP code where you wish to receive your mail (refund and correspondence).
Foreign addresses - Enter the information in the following order: city, province or state, and then country. Follow the country's practice for entering the postal code. Do not abbreviate the country name.

## Part B Permanent home address -

If your mailing address is different from your permanent home address (for instance, you use a PO box), enter your permanent home address. Your permanent home address is the address of the dwelling place in New York State where you actually live, whether you or your spouse own or rent it.

- If you use a paid preparer and you use the preparer's address as your mailing address, enter the address of your permanent home in the space provided.
- If you are a permanent resident of a nursing home, enter the nursing home address.
- If you are in the armed forces and your permanent home was in New York State when you entered the military, enter your New York permanent home address regardless of where you are stationed.
- If you are married and maintain separate New York State residences and are filing separate New York State returns, enter as your permanent home address the address of your own residence.
- If you moved after December 31, 2005, enter your permanent home address as of December 31, 2005, not your current home address. Enter your new home
address in the mailing address area if you want your refund and other correspondence sent there.
Part C Social security numbers - You must enter your social security number(s) whether or not you are using the peel-off label. Be sure your social security numbers are in the same order as your names.

## Part D New York State county of residence -

If this information appears correctly on your label, go to Part E.
If you do not have a label, or the information is incorrect, enter the county in New York State where you lived on December 31, 2005. If you live in New York City, use one of the following county names:

| If you live in | use county |
| :---: | :---: |
| Bronx | Bronx |
| Brooklyn | Kings |
| Manhantan | New York |
| Queens | Queens |
| Staten Island | Richmond |

## Part E School district name and code -

If you do not have a label or your school district code number is missing or incorrect:

- Enter the correct code number and the name of your school district. This is the district where you were a resident on December 31, 2005. School districts and code numbers are on pages 40 through 43 . If you do not know the name of your school district, contact your nearest public school.
- You must enter your school district name and code number even if you were absent from the school district temporarily, if the school your children attended was not in your school district, or if you had no children attending school. Incorrect district names and code numbers may affect school aid.

## Part F Decedent information

If the taxpayer whose name is listed first on the return died after December 31, 2004, enter the date of death in the boxes labeled Taxpayer's date of death, in month, day, and last two digits of year order. If the taxpayer whose name is listed second died after December 31, 2004, enter the date of death in the boxes labeled Spouse's date of death. See Deceased taxpayers on page 37.

## Step 2 - Filing status and items B through E

(A) Filing status mark an $X$ in one box:

```
Staple check
Staple check
```

or
 income tax forms packet
(B) If you do not need a NYS income tax forms packet $\mathbf{X}$ in the box (see page 14).... mailed to you next year, mark an $X$ in the box (see page 14). mailed to you next year, mark an $X$ in

## Item (A)

In nearly all cases you must use the same filing status that you used on your federal return. If you did not have to file a federal return, use the filing status you would have used if you had filed.
The only exceptions to this rule apply to married individuals who file a joint federal return and:
(1) one spouse is a New York State resident and the other is a nonresident or part-year resident. In this case, you must either: (a) file separate New York returns using filing status (3); or (b) file jointly, as if you both were New York State residents, using filing status (2).
(2) you are unable to file a joint New York return because the address or whereabouts of your spouse is unknown, you can demonstrate that reasonable efforts have been made to locate your spouse, and good cause exists for the failure to file a joint New York return. In this case, you may file a separate New York return using filing status (3).
(3) your spouse refuses to sign a joint New York return, reasonable efforts have been made to have your spouse sign a joint return, there exists objective evidence of alienation from your spouse such as judicial order of protection, legal separation under a decree of divorce or separate maintenance, or living apart for the twelve months immediately preceding application to file a separate return or commencement of an action for divorce or commencement of certain family court proceedings, and good cause exists for the failure to file a joint New York return. In this case, you may file a separate New York return using filing status (3).

## Item (B)

Please help us reduce waste and taxpayer-financed paper, printing, and mailing costs. Mark an $\boldsymbol{X}$ in the box if you do not need a New York State income tax packet next year.
Most taxpayers do not need a full tax packet with forms and instructions because they can download them from our Web site at www.nystax.gov, use our fax-on-demand system, or get them at some post offices, libraries, or community centers (see Need help? on the back cover). Other taxpayers e-file, use tax preparation software, or go to an accountant or tax preparer to have their returns completed. Please note that if you e-file, use software, or use a preparer, we will not send you a tax packet next year.
If we sent you a tax packet this year and you are using an original paper return (Form IT-150 or IT-201) from your
(C) Were you a New York City resident for all of 2005? (Part-year residents
(D) Can you be claimed as a dependent

packet, we will automatically send you a tax packet next year unless you mark an $\boldsymbol{X}$ in the box (next year's forms will be available in January 2007). Consider your situation for next year and whether you will actually need these paper tax forms again. If not, mark an $\boldsymbol{X}$ in the box.

## Item (C)

If you were a resident of New York City for only part of 2005, stop; you must use Form IT-201 instead of Form IT-150.
Note: You may be considered a New York City resident if you spend 184 days or more (a part of a day is a day for this purpose) in New York City. See the definition of Resident, nonresident and part-year resident on page 36. If you meet the definition, complete the New York City resident taxes and credits lines ( 30 through 32, and 42 and 43) on Form IT-150. See Step 6.

## Item (D)

If you can be claimed as a dependent on another taxpayer's federal return, you must mark an $\boldsymbol{X}$ in the Yes box. You must mark the Yes box even if the other taxpayer did not claim you as a dependent. For example, if another taxpayer was entitled to claim you as a dependent on his or her federal return, but chose not to so that you can claim the federal education credit, you must mark the Yes box.

## Item (E)

If you qualify for one or more of the three special conditions below, enter the specified 2-digit code(s).

## Code 01 Combat zone

Enter this code if you qualify for an extension of time to file and pay your tax due under the combat zone or contingency operation relief provisions. See Publication 361, New York State Income Tax Information for Military Personnel and Veterans.

## Code 02 Combat zone, killed in action (KIA)

Enter this code if you are filing a return on behalf of a member of the armed forces who died while serving in a combat zone. See Publication 361 for information on filing a claim for tax forgiveness.

## Code 03 Out of the country

Enter this code if you qualify for an automatic two-month extension of time to file your federal return because you are out of the country. For additional information, see When to file/lmportant dates on the back cover.

## Step 3 - Federal income and adjustments

## Lines 1 through 11 Federal income tax return information

The computation of your New York State (and New York City and Yonkers) income tax is based on information you reported on your federal income tax return, including your income and federal adjustments to income. If you did not file a federal return, you must report the same income and adjustments that you would have reported for federal income tax purposes if you had filed a federal return.

Use the chart below to complete lines 1 through 11.
Be sure to enter your total federal adjustments to income on line 10. Write each adjustment and its amount in the shaded Identify area of line 10 as shown in the example above. If you need more room, attach a list showing each adjustment and its amount.

| if you filed Form 1040EZ, <br> transfer the amount <br> from line: | or if you filed Form 1040A, <br> transfer the amount <br> from line: | or if you filed Form 1040, <br> transfer the amount <br> from line: |

|  | 15 | 22 |
| 4 | 20 | 36 |
|  | 22 | 38 |

## Step 4 - New York additions and subtractions

## New York additions

New York State taxes certain items of income not taxed by the federal government. You must add these New York additions, lines 12, 13, and 14, to your federal AGI.

## Line 12 Interest income on state and local bonds and obligations

Do you have interest income from state and local bonds and obligations from states other than New York State or its local governments? If No, go to line 13.
If Yes, enter any such interest income that you received or that was credited to you during 2005 that was not included in your federal AGI. This includes interest income on state and local bonds, interest and dividend income from tax-exempt bond mutual funds, and tax-exempt money market funds that invest in obligations of states other than New York.
If you purchased a bond between interest dates, include the amount of interest you received during the year, less the seller's accrued interest (the amount accrued from the interest date preceding your purchase to the date you purchased the bond). If you sold a bond between interest dates, include the amount of interest you received during the year plus the accrued interest amount (the amount accrued from the interest date preceding the date you sold the bond to the date you sold the bond). You should have received this information when you purchased the bond.

## Line 13 Public employee 414(h) retirement contribution

Are you a public employee of New York State or its local governments? If No, go to line 14.
If Yes, enter the amount of 414(h) retirement contributions, if any, shown on your wage and tax statement(s), federal Form $W$-2, if you are:

- a Tier 3 or Tier 4 member of the New York State and Local Retirement Systems, which include the NYS
Employees' Retirement System and the NYS Police and Fire Retirement System; or
- a Tier 3 or Tier 4 member of the NYS Teachers' Retirement System; or
- an employee of the State or City University of New York who belongs to the Optional Retirement Program; or
- a member of any tier of the NYC Employees' Retirement System, the NYC Teachers' Retirement System, the NYC Board of Education Retirement System, the NYC Police Pension Fund or the NYC Fire Department Pension Fund; or
- a member of the Manhattan and Bronx Surface Transit Operating Authority (MABSTOA) Pension Plan.
Do not enter contributions to a section 401(k) deferred arrangement, section 403(b) annuity or section 457 deferred compensation plan.

## Line 14 Other additions

Use this line to report the following additions that are not specifically listed on Form IT-150.
Write in the applicable item number(s) (A-1 through A-5) and the amount of each addition in the white Identify area. Enter the total amount of these other additions in the money column. If you have an addition that is not identified, you must use Form IT-201.

## A-1 New York's 529 college savings program transfers

If you transferred funds from New York's 529 college savings program to another state's program (whether for the same beneficiary or for the benefit of another family member), then include the amount from line 7 of the worksheet on page 17.
Include the applicable amounts from all existing accounts you own on lines 1 through 7 of the worksheet on page 17. Do not include amounts applicable to accounts that were closed in a prior tax year. If you are filing a joint return, include the applicable amounts from all existing accounts owned by you and your spouse.
Please note: Before completing the worksheet on page 17, you must first compute your Form IT-150, line 19, subtraction for New York's 529 college savings program (S-2) for 2005. See page 19.

| . Total current and prior years' nonqualified withdrawals (see pg. 82) from your account(s) . 1 |  |
| :---: | :---: |

|  | If line 7 is $\mathbf{0}$ (zero) or less, there is no addback. |
|  | These amounts are included in line 28 of your 1998, 1999, and 2000 Form IT-201 (S-26 subtraction modification), and from Form IT-201-I, line 29 worksheet, line 1, for tax years 2001 through 2004. |
|  | These amounts are included in line 21 of your 1998, 1999 (A-23 addition modification), and 2000 (A-22 addition modification) Form IT-201, and on line 21 of your 2001 through 2004 Form IT-201. |

Keep this worksheet with your copy of your tax return.

## A-2 Income from certain obligations of U.S. government agencies or instrumentalities

If, during 2005, you received or were credited with any interest or dividend income from any U.S. government authority, commission, or instrumentality that federal laws exempt from federal income tax but do not exempt from state income tax, then include that income. If you are uncertain whether a particular federal bond or obligation is subject to state income tax, contact the Tax Department (see Need help? on the back cover).

## A-3 New York City flexible benefits program (IRC 125)

If your wage and tax statement(s), federal Form W-2, show(s) that an amount was deducted or deferred from your salary under a flexible benefits program established by New York City or certain other New York City public employers on your behalf, then include this amount.

Certain other New York City public employers include:

- City University of New York;
- NYC Health and Hospitals Corporation;
- NYC Transit Authority;
- NYC Housing Authority;
- NYC Off-Track Betting Corporation;
- NYC Board of Education;
- NYC School Construction Authority;
- NYC Rehabilitation Mortgage Insurance Corporation;
- Manhattan and Bronx Surface Transit Operating Authority; and
- Staten Island Rapid Transit Authority

## Health insurance and the welfare benefit fund surcharge

If you were a career pension plan member of the NYC Employees' Retirement System or the NYC Board of Education Retirement System, and if your wage and tax statement(s), federal Form W-2, show an amount that was deducted from your salary for health insurance and the welfare benefit fund surcharge, then include this amount.

## Sales or dispositions of assets acquired from decedents

Note: This addition is not required for property acquired from decedents who died on or after February 1, 2000.

Assets of decedents can sometimes have different bases for state and federal tax purposes. This requires adjustments in the gain or loss on the sale or disposition of those assets.

If, during the tax year, there was a sale or other disposition of any assets that had been inherited or sold or disposed of directly by the estate of a decedent, and if the estate of the decedent was not large enough to require a federal estate tax return, and if the executor or administrator of that estate had valued those assets for New York State income tax purposes at less than their value for federal income tax purposes, then include the difference between (a) the gain or loss on that sale or disposition that you figured into your federal AGI for the tax year and (b) the gain or loss that would have resulted if the assets had been valued the same for New York State income tax purposes as for federal income tax purposes.

## New York subtractions

New York State does not tax certain items of income that are taxed by the federal government. You must deduct these New York subtractions (lines 16 through 19) from your federal AGI.

## Line 16 Pensions of New York State and local governments and the federal government

Did you receive a pension or other distribution from a NYS or local government pension plan or federal government pension plan?
If $N o$, go to line 17.
If Yes, and the pension or distribution amount was included in your federal AGI, enter any pension you received, or distributions made to you, from a pension plan which represents a return of contributions in a year prior to retirement, as an officer, employee, or beneficiary of an officer or employee of:

- NYS, including State and City University of New York and NYS Education Department employees who belong to the Optional Retirement Program.
Optional Retirement Program members may only subtract that portion attributable to employment with the State or City University of New York or the NYS Education Department.
- Certain public authorities, including:

Metropolitan Transit Authority (MTA) Police 20-Year Retirement Program;
Manhattan and Bronx Surface Transit Operating Authority (MABSTOA); and
Long Island Railroad Company.

- Local governments within the state, including:

NYS Teachers' Retirement System;
NYC Teachers' Retirement System; NYC Teachers' Retirement IRC 403(b) plan; and NYC variable supplemental funds (VSF), including:

Transit Police Officers' VSF
Transit Police Superior Officers' VSF
Housing Police Officers' VSF
Housing Police Superior Officers' VSF
Police Officers' VSF
Police Superior Officers' VSF
Firefighters' VSF
Fire Officers' VSF
Corrections Officers' VSF
Corrections Captain and Above VSF.

- The United States, its territories, possessions (or political subdivisions thereof), or any agency or instrumentality of the United States (including the military), or the District of Columbia.
You may not subtract pension payments or return of contributions that were attributable to your employment by an employer other than a New York public employer, such as a private university, and any portion attributable to contributions you made to a supplemental annuity plan which was funded through a salary reduction program. However, these payments may qualify for the pension and annuity income exclusion described in the instructions for line 18 below.

## Line 18 Pension and annuity income exclusion

Did you enter an amount on line 5 or 6 that was not from a NYS or local government pension plan or federal government pension plan?
If No, go to line 19.
If Yes, and you were 59½ before January 1, 2005, enter the qualifying pension and annuity income included in your 2005 federal AGI, but not more than $\mathbf{\$ 2 0 , 0 0 0}$. If you became $591 / 2$ during 2005, enter only the amount received after you became $591 / 2$, but not more than $\mathbf{\$ 2 0 , 0 0 0}$. If you received pension and annuity income and are married, or received pension and annuity income as a beneficiary, see below.
$\mathbf{\$ 2 0 , 0 0 0}$ limit - You may not take a pension and annuity income exclusion that exceeds $\$ 20,000$, regardless of the source(s) of the income.

## Qualifying pension and annuity income includes:

- periodic payments for services you performed as an employee before you retired;
- periodic and lump-sum payments from an IRA, but not payments derived from contributions made after you retired;
- periodic distributions from government (IRC section 457) deferred compensation plans;
- periodic distributions from an annuity contract (IRC section 403(b)) purchased by an employer for an employee and the employer is a corporation, community chest, fund, foundation, or public school;
- periodic payments from an HR-10 (Keogh) plan, but not payments derived from contributions made after you retired;
- lump-sum payments from an HR-10 (Keogh) plan, but only if federal Form 4972 is not used. Do not include that part of your payment that was derived from contributions made after you retired;
- periodic distributions of benefits from a cafeteria plan (IRC section 125) or a qualified cash or deferred profit-sharing or stock bonus plan (IRC section 401(k)), but not distributions derived from contributions made after you retired.

Married taxpayers - If you both qualify, you and your spouse can each subtract up to $\$ 20,000$ of your own pension and annuity income. However, you cannot claim any unused part of your spouse's exclusion.
Example: A husband and wife, both age 62, included total pension and annuity income of $\$ 45,000$ in their federal AGI on their 2005 joint federal tax return. The husband received qualifying pension and annuity payments totaling \$30,000 and the wife received qualifying payments totaling \$15,000. They are filing a joint 2005 New York State resident personal income tax return. The husband may claim the maximum pension and annuity income exclusion of \$20,000, and the wife may claim an exclusion of $\$ 15,000$, for a total pension and annuity income exclusion of \$35,000.

Beneficiaries - If you received a decedent's pension and annuity income, you may make this subtraction if the decedent would have been entitled to it, had the decedent continued to live, regardless of your age. If the decedent would have become $591 / 2$ during 2005, enter only the amount received after the decedent would have become 591⁄2, but not more than $\$ 20,000$.

If the decedent has more than one beneficiary, the decedent's $\$ 20,000$ pension and annuity income exclusion must be allocated among the beneficiaries in the same ratio as the distribution, so that the total exclusion attributable to the decedent does not exceed \$20,000.

Example: A taxpayer received pension and annuity income totaling \$6,000 as a beneficiary of a decedent who was 59112 before January 1, 2005. The decedent's total pension and annuity income was $\$ 24,000$, shared equally among four beneficiaries. Each beneficiary is entitled to one-quarter of the decedent's pension exclusion, or $\$ 5,000(\$ 20,000$ divided by 4). The taxpayer also received a qualifying pension and annuity payment of $\$ 14,000$ in 2005. The taxpayer is entitled to claim a pension and annuity income exclusion of \$19,000 (\$14,000 attributable to the taxpayer's own pension and annuity payment, plus $\$ 5,000$ received as a beneficiary*).

* The total amount of the taxpayer's pension and annuity income exclusion that can be applied against the taxpayer's pension and annuity income received as a beneficiary is limited to the taxpayer's share of the decedent's pension and annuity income exclusion.
Disability exclusion - If you are also claiming the disability income exclusion, the total of your pension and annuity income exclusion and disability income exclusion cannot exceed \$20,000.

## Line 19 Other subtractions

Use this line to report the following subtractions that are not specifically listed on Form IT-150. Write in the applicable item number(s) (S-1 through S-15) and the amount of each subtraction in the white area. Enter the total amount of these other subtractions in the money column. If you have a subtraction that is not identified below, you should use Form IT-201.

## S-1 Interest income on U.S. government bonds

Include the amount of interest income from U.S. government bonds or other U.S. government obligations that you reported on line 2. (This may be all or part of the line 2 amount, or it may be zero.)
Dividends you received from a regulated investment company (mutual fund) that invests in obligations of the U.S. government and meet the $50 \%$ asset requirement each quarter qualify for this subtraction. The portion of such dividends that may be subtracted is based upon the portion of taxable income received by the mutual fund that is derived from federal obligations.
Contact the mutual fund for further information on meeting the 50\% asset requirement and figuring your allowable subtraction (if any).

## S-2 New York's 529 college savings program

If during 2005 you made contributions to one or more tuition savings accounts established under New York's 529 college savings program, then include the amount of your contributions, up to \$5,000 (\$10,000 for married taxpayers filing a joint return).

## S-3 Certain investment income from U.S. government agencies

Include any interest or dividend income on bonds or securities of any United States authority, commission or instrumentality that is exempt from state income taxes under federal laws (but that you included in your federal AGI).

## S-4 Certain railroad retirement income and railroad unemployment insurance benefits

 Include supplemental annuity or Tier 2 benefits received under the Railroad Retirement Act of 1974, or benefits received under the Railroad Unemployment Insurance Act that are exempt from state income taxes under federal law (but that you included in your federal AGI).
## S-5 Certain investment income exempted by other New York State laws

Include any interest or dividend income from any obligations or securities authorized to be issued, and exempt from state taxation, under the laws of New York State. (For example, income received from bonds, mortgages, and income debenture certificates of limited dividend housing corporations organized under the Private Housing Finance Law.)

## S-6 Disability income exclusion

Complete Form IT-221, Disability Income Exclusion, to figure your disability income exclusion if you were not yet 65 when your tax year ended and you retired on disability and were permanently and totally disabled when you retired.

## S-7 Long-term residential care deduction

If you were a resident in a continuing-care retirement community that was issued a certificate of authority by the NYS Department of Health, then include the portion of the fees you paid during the year that were attributable to the cost of providing long-term care benefits to you under a continuing care contract. However, do not enter more than the premium limitation shown for your age in the Limitation table below. If you and your spouse both qualify, you may each take the subtraction. However, you cannot claim any unused part of your spouse's subtraction.

## S-8 New York organized militia income

Include income that you received as a member of the New York organized militia for performing active service within NYS due to emergency state active duty orders issued pursuant to section six of the Military Law that was included in your federal AGI. Do not include any income you receive for regular duties in the organized militia (for example, pay received for the annual two-week training program) or any income received because you were called to active duty in the United States armed forces. Members of the NYS organized militia include the New York Army National Guard, the New York Air National Guard, the New York Naval Militia, and the New York Guard.

## S-9 Professional service corporation shareholders

If, in a taxable year ending after 1969 and beginning before 1988, you included in your federal AGI deductions made by a plan acquired through membership in a professional service corporation (PSC), then include the portion of those deductions that can be allocated to pension, annuity, or other income you received from the plan, and were included in your 2005 federal AGI.

S-10 Loss from the sale or disposition of property that would have been realized if a federal estate tax return had been required
Note: this subtraction cannot be made for property acquired from decedents who died on or after February 1, 2000.
If you acquired a decedent's property and, as valued by the executor, the estate was insufficient to require a federal estate tax return, and if a loss on the sale would have been realized if a federal estate tax return had been required, then include the amount of the loss.

## S-11 Accelerated death benefits received that were includable in federal adjusted gross income

Include any amount you included in your federal AGI that was received by any person as (a) an accelerated payment or payments of part or all of the death benefit or special surrender value under a life insurance policy, or (b) a viatical settlement, as a result of a terminal illness (life expectancy of 12 months or less), or of a medical condition requiring extraordinary medical treatment, regardless of life expectancy.

## S-12 Contributions for Executive Mansion, natural and historical resources, not deducted elsewhere

Include contributions you made, not deducted elsewhere, (a) to preserve, improve, and promote the Executive Mansion as a NYS historical resource, or (b) to the Natural Heritage Trust to preserve and improve the natural and historical resources of NYS. Do not include amounts you deducted in determining federal AGI.

## S-13 Distributions made to a victim of Nazi persecution

Include amounts you included in your federal AGI from an eligible settlement fund or grantor trust as defined by section 13 of the Tax Law (because you were persecuted or targeted for persecution by the Nazi regime), or distributions received because of your status as a victim of Nazi persecution, or as a spouse or heir of the victim (successors or assignees, if payment is from an eligible settlement fund or grantor trust).

However, do not include income attributable to assets acquired with assets as described above or with the proceeds from the sale of any asset described above. ## Line 50 Your refund

Collection of debts from your refund - We will keep all or part of your overpayment (refund) if you owe a New York State tax liability or a New York City or Yonkers personal income tax liability, if you owe past-due support or a past-due legally enforceable debt to the IRS, to a New York State agency, or to another state, if you defaulted on a guaranteed student, state university, or city university loan, or if you owe a New York City tax warrant judgment debt. We will refund any amount that exceeds your debt.

A New York State agency includes any state department, board, bureau, division, commission, committee, public authority, public benefit corporation, council, office, or other entity performing a governmental or proprietary function for the state or a social services district.

If you have questions about whether you owe a past-due legally enforceable debt to the IRS or to a state agency, contact the IRS or the state agency.

For New York State tax liabilities or New York City or Yonkers personal income tax liabilities, call 1800 835-3554 (from areas outside the U.S. and outside Canada, call (518) 485-6800) or write to: NYS Tax Department, Tax Compliance Division, W A Harriman Campus, Albany NY 12227.
For information relating to a New York City tax warrant judgment debt, call (212) 232-3550.

If you marked filing status (2) and you do not want to apply your part of the overpayment to your spouse's non-IRS debt because you are not liable for it, complete Form IT-280, Nonobligated Spouse Allocation, and attach it to your original return. We need the information on Form IT-280 to process your refund as quickly as possible. You cannot file an amended return to disclaim your spouse's non-IRS debt after you have filed your original return.
We will notify you if we keep your overpayment because of a past-due legally enforceable debt to the IRS. If your spouse owes the debt and you do not want your part of the overpayment to be used to pay the debt, you cannot use Form IT-280 to disclaim your spouse's debt. Instead, you will need to file federal Form 8379, Injured Spouse Claim and Allocation, with the IRS.

## Line 51 Estimated tax

Enter the amount of overpayment from line 49 that you want applied to your New York State, New York City, and Yonkers estimated income tax for 2006. The total of line 50 and 51 should equal the amount on line 49.
If you choose to apply all or part of your overpayment to your 2006 estimated income tax, you generally cannot change that decision after April 17, 2006 (April 18, 2006, if you file your federal return at the IRS Service Center in Andover, MA).

## Line 52 Amount you owe

Enter on line 52 the amount of tax you owe plus any estimated income tax penalty you owe (see line 53 instructions). Do not include any other penalties or interest (from the Other penalties and interest listing on page 30 ) in the total on line 52 . If you include any of
these penalties and interest with your payment, identify and enter only those amounts in the white area (not in the boxes) to the left of the Owe box at line 52.

Other penalties and interest: To avoid other penalties and interest, pay any tax you owe by April 17, 2006 (April 18, 2006, if you file your federal return at the IRS Service Center in Andover, MA).

- A late payment penalty will be charged if you do not pay your income tax when due. The penalty is $1 / 2$ of $1 \%$ of the unpaid amount for each month or part of a month it is not paid, up to a maximum of $25 \%$. This penalty is in addition to the interest charged on late payments.
- A late filing penalty may be charged if you file your return late (taking into account any extension of time to file). The penalty is $5 \%$ of the income tax due for each month or part of a month the return is late, up to a maximum of $25 \%$.
- Interest is due on any income tax or sales or use tax that is not paid on or before the due date of your return, even if you received an extension of time to file your return.
For additional information on penalties and interest, see Publication 80, General Income Tax Information for New York State Residents.
Computing interest and penalties: You may compute the interest and penalty by visiting www.nystax.gov and clicking on Electronic Services, or call 1800 225-5829 and we will compute the interest and penalty for you.

## Line 53 Estimated tax penalty

Begin with these steps to determine if you may owe an estimated income tax penalty.
(1) Locate the amount of your 2004 New York AGI as shown on your 2004 return;
(2) Locate the amount of your 2004 New York income tax; then
(3) Calculate the amount of your 2005 prepayments (the amount of withholding and estimated tax payments you have already made for 2005).
In general, you are not subject to a penalty if your 2005 prepayments equal at least $100 \%$ of your 2004 income tax.
However:

- If your 2004 New York AGI was more than \$150,000 (or \$75,000 if you are married filing separately) and you are not a farmer or a fisherman, your prepayments must equal at least 110\% of your 2004 income tax based on a 12 month return;
- You may owe a penalty if line 52 is $\$ 300$ or more and represents more than $10 \%$ of the income tax shown on your 2005 return; and
- You may owe a penalty if you underpaid your estimated income tax liability for any payment period.
For more information, see Form IT-2105.9, Underpayment of Estimated Tax by Individuals and Fiduciaries.
If you owe an estimated income tax penalty, enter the penalty amount on line 53. Also add the same amount to any tax due and enter the total on line 52. It is possible for you to owe an estimated income tax penalty and also be due a refund. In that case, subtract the estimated income tax penalty amount from the overpayment and enter the net result on line 49. Do not include any other penalty or interest amounts on line 49. Be sure to attach Form IT-2105.9 to your return.

## Installment payments

If you cannot pay the full amount you owe with your return, you can ask to make monthly installment payments.
However, because you will have to pay interest and will be subject to a late payment penalty on any tax not paid by April 17, 2006 (April 18, 2006, if you file your return at the IRS Service Center in Andover, MA), you should consider alternatives such as a commercial or private loan before requesting an installment agreement.
To limit interest and penalty charges, file your return on time and pay as much of the tax as possible with your return.
To request an income tax installment payment agreement:

- Complete New York State Form DTF-383, Income Tax Installment Payment Agreement Request. To get Form DTF-383, visit our Web site at www.nystax.gov, see Need help? on the back cover, or use the forms order blank, Forms and Publications Ordering Information (Form IT-86), that came with your income tax packet.
- Attach your completed Form DTF-383 to the front of your 2005 income tax return. The Tax Department will notify you of its decision with respect to your request.

## Line 54 Account information

Are you requesting direct deposit of your refund to, or automatic withdrawal of your taxes from, your bank account? If No, go to Step 10.
If Yes, you must mark the appropriate box at line 54 and supply the information requested for lines 54a, b, and c.

## The following requirements apply to both direct deposit and electronic funds withdrawal:

Enter your bank's 9 -digit routing number on line 54a. If the first two digits are not 01 through 12, or 21 through 32, the transaction will be rejected. On the sample check below, the routing number is 090090099.
If your check states that it is payable through a bank different from the one where you have your checking account, do not use the routing number on that check. Instead, contact your bank for the correct routing number to enter on line 54a.
Enter your account number on line 54b. The number can be up to 17 characters (both numbers and letters). Include hyphens (-) but omit spaces and special symbols. Enter the number from left to right and leave any unused boxes blank.
On line 54c, mark an $\boldsymbol{X}$ in the box for the type of account, checking or savings.

- If you mark Checking, enter the account number shown on your checks. (On the sample check below, the account number is 1357902468. Do not include the check number.)
- If you mark Savings, you can get your savings account number from a preprinted savings account deposit slip, your passbook or other bank records, or from your bank.

If you encounter any problem with direct deposit to, or electronic withdrawal from, your account, call toll free 1800 225-5829. Please allow six to eight weeks for processing your return.

Note: The routing and account numbers may appear in different places on your check.

## Refund - Direct deposit

Mark an $\boldsymbol{X}$ in the box for Refund on line 54.
The Tax Department will not notify you that your refund has been deposited. However, if the amount we deposit is different from the amount of refund you claimed, we will send you a written explanation of the adjustment within two weeks from the date your refund is deposited.
We will make every effort to comply with your request for direct deposit. However, we cannot be responsible when a bank refuses a direct deposit. Some banks, for example, do not allow a joint refund to be deposited into an individual account. You can contact your bank to confirm routing and account numbers and to make sure that it will accept your deposit. If we cannot make the direct deposit for any reason, we will send a check to the mailing address on your return.

## Owe - Electronic funds withdrawal

Mark an $\boldsymbol{X}$ in the box for Owe on line 54 and enter the date you want the Tax Department to make an electronic funds withdrawal from your bank account.
The Tax Department will only use electronic funds withdrawal for the one tax payment you have authorized. Your confirmation will be your bank statement that includes a NYS Tax Payment line item. If we determine that the amount you owe is different from the amount claimed on your return, we will only withdraw less than or equal to the amount you have claimed. We will send you a bill for any additional amount owed, which may include penalty and interest.

If your bank returns your electronic funds withdrawal (due to insufficient funds, incorrect bank account information, closed accounts, etc.), the Tax Department will send a notification letter to the mailing address on your return. You will need to submit a check or money order to the address on the notification, or you may elect to pay by credit card (see page 30).

We will make every effort to comply with your request for electronic funds withdrawal. However, we cannot be responsible when a bank refuses an electronic funds withdrawal. You can contact your bank to confirm routing and account numbers and to make sure that it will accept the withdrawal.

If for any reason we cannot comply with your request for electronic funds withdrawal, we will send a notice to the mailing address on your return.

## Step 10 - Sign and date your return

## Part A Third-party designee

Do you want to authorize a friend, family member, or any other person (third-party designee) to discuss your 2005 tax return with the New York State Tax Department?

If No, mark an $\boldsymbol{X}$ in the No box and go to Part B.
If Yes, mark an $\boldsymbol{X}$ in the Yes box. Enter the designee's name, phone number, and any five numbers the designee chooses as his or her personal identification number (PIN). If you want to authorize the paid preparer who signed your return to discuss it with the Tax Department, just enter Preparer in the space for the designee's name. You do not have to provide the other information requested.
If you mark the Yes box, you (and your spouse, if filing a joint return) are authorizing the Tax Department to discuss with your designee any questions that arise during the processing of your return. You are also authorizing the designee to:

- give the Tax Department any information that is missing from your return;
- call the Tax Department for information about the processing of your return or the status of your refund or payment(s); and
- respond to certain Tax Department notices that you share with the designee about math errors, offsets, and return preparation. We will not send notices to the designee.
You are not authorizing the designee to receive any refund check, bind you to anything (including any additional tax liability), or otherwise represent you before the Tax Department. If you want the designee to perform those services for you, you must file Form POA-1, Power of Attorney. Copies of statutory tax notices or documents (such as a Notice of Deficiency) will only be sent to your designee if you file Form POA-1.
A third-party designee authorization cannot be revoked. However, the authorization will end automatically on the due date (without regard to extensions) for filing your 2006 tax return. For most taxpayers, the due date will be April 16, 2007.

## Part B Paid preparer's signature

Did you pay someone to prepare your return?

## If No, go to Part C.

If Yes, the paid preparer must also sign it and fill in the other blanks in the paid preparer's area of your return. A person who prepares your return and does not charge you should not fill in the paid preparer's area.
Note to paid preparers - When signing a taxpayer's New York State income tax return, you must enter the same identification number that you used on the taxpayer's federal income tax return. If you did not prepare a federal income tax return for the taxpayer, you must use your PTIN if you have one; otherwise, use your social security number. For additional information, see Publication 58, Information for Income Tax Return Preparers.

## Part C Your signature(s)

In the spaces provided at the bottom of the back page, sign and date your original return and enter your occupation. If you are married and filing a joint return, also enter your spouse's occupation. Both spouses must sign a joint return; we cannot process unsigned returns.
If the return is for someone who died and there is no surviving spouse to sign it, print or type the name and address of the person signing it below the signature. For additional information about deceased taxpayers, see page 37.

## Daytime phone number

This voluntary entry will enable the Tax Department to correct minor errors or omissions by calling you rather than writing or sending back your return. You are not required to give your telephone number.

## Step 11 - Finish your return

Take a moment to go over the checklist on page 34 to avoid common errors that may delay your refund. Then finish your return as shown below in Parts 1 through 7.

Part 1 Once you have completed and reviewed the return, attach your peel-off name and address label, if you have one, making any necessary corrections to the information. See Step 1 if you have a question.

Part 2 Staple payments, if any, to the front of your Form IT-150 where indicated.

Part 3 Staple new Form(s) IT-2 (and IT-1099-R if applicable) to the back of your Form IT-150.

Part 4 Staple any other forms and any correspondence and computation sheets of paper behind your Form(s) IT-2 or IT-1099-R, face up.

Part 5 Two-dimensional (2D) barcode cover sheet.
If your software package or preparer prints a 2D barcode cover sheet as page one of your Form IT-150, place the cover sheet face up, on the top of the front page of Form IT-150, and staple the entire return at the top of the cover sheet. Staple payments, if any, to the front of the 2D barcode cover sheet where indicated. If you need to change and reprint your return, also be sure to reprint the 2D barcode cover sheet.
Please note: Do not write, print, or photocopy anything on the back of the 2D barcode cover sheet.

Part 6 Make a copy of your return and any other attached forms or papers for your records. You may be asked by the Tax Department to provide copies of these records after you have filed your income tax return.

Part 7 Use the envelope provided or address an envelope to send your original return to the following address:

## STATE PROCESSING CENTER PO BOX 61000 ALBANY NY 12261-0001

Mail your return by April 17, 2006 (April 18, 2006, if you file your federal return at the IRS Service Center in Andover, MA).

If you choose, you may use a private delivery service, instead of the U.S. Postal Service, to file your return (see page 39).

## Important reminder to file a complete return

You must complete all required schedules and forms that make up your return, and include all pages of those forms and schedules when you file. Attach only those forms and schedules that apply to your return, and be sure that you have made all required entries. Returns that are missing required pages or that have pages with missing entries are considered incomplete and cannot be processed, and may subject taxpayers to penalty and interest.

## Additional information

## The information on pages 36 through 73 is for use in completing either Form IT-150 or Form IT-201.

## Definitions used to determine resident, nonresident, or part-year resident

You may have to pay income tax as a New York State resident even if you are not considered a resident for other purposes. For income tax purposes, your resident status depends on where you were domiciled and where you maintained a permanent place of abode during the taxable year.

## Domicile

In general, your domicile is the place you intend to have as your permanent home. Your domicile is, in effect, where your permanent home is located. It is the place you intend to return to after being away (as on vacation abroad, business assignment, educational leave, or military assignment).
You can have only one domicile. Your New York domicile does not change until you can demonstrate that you have abandoned your New York domicile and established a new permanent domicile outside New York State.

A change of domicile must be clear and convincing. Easily controlled factors such as where you vote, where your driver's license and registration are issued, or where your will is located are not primary factors in establishing domicile. To determine whether you have, in fact, changed your domicile, you should compare (1) the size, value, and nature of use of your first residence to the size, value, and nature of use of your newly acquired residence; (2) your employment and/or business connections in both locations; (3) the amount of time spent in both locations; (4) the physical location of items that have significant sentimental value to you in both locations; and (5) your close family ties in both locations. A change of domicile is clear and convincing only when your primary ties are clearly greater in the new location. When weighing your primary ties, keep in mind that some may weigh more heavily than others, depending upon your overall lifestyle. If required by the Tax Department, it is the taxpayer's responsibility to produce documentation showing the necessary intention to effect a change of domicile.

If you move to a new location but intend to stay there only for a limited amount of time (no matter how long), your domicile does not change. For example, Mr. Green of ABC Electronics in Newburgh, New York, was temporarily assigned to the Atlanta, Georgia branch office for two years. After his stay in Atlanta, he returned to his job in New York. His domicile did not change during his stay in Georgia; it remained New York State.
If your domicile is in New York State and you go to a foreign country because of a business assignment by your employer, or for study, research or any other purpose, your domicile does not change unless you show that you definitely do not intend to return to New York.

## Permanent place of abode

A permanent place of abode is a residence (a building or structure where a person can live) that you permanently maintain, whether you own it or not, and usually includes a residence your husband or wife owns or leases. A place of abode is not permanent if you maintain it only during a temporary or limited period of time for a particular purpose.

## Resident

You are a New York State resident for income tax purposes if:
a) Your domicile is not New York State but you maintain a permanent place of abode in New York State and spend 184 days or more (a part of a day is a day for this purpose) in New York State during the taxable year.
However, if you are a member of the armed forces, and your domicile is not New York State, you are not a resident under this definition; or
b) Your domicile is New York State. However, even if your domicile is New York, you are not a resident if you meet all three of the conditions in either Group A or Group B as follows:

## Group A

1) You did not maintain any permanent place of abode in New York State during the taxable year; and
2) You maintained a permanent place of abode outside New York State during the entire taxable year; and
3) You spent $\mathbf{3 0}$ days or less in New York State during the taxable year.

## Group B

1) You were in a foreign country for at least 450 days during any period of 548 consecutive days; and
2) You spent $\mathbf{9 0}$ days or less in New York State during this 548-day period, and your spouse (unless legally separated) or minor children spent 90 days or less in New York during this 548-day period in a permanent place of abode maintained by you; and
3) During the nonresident portion of the taxable year in which the 548-day period begins, and during the nonresident portion of the taxable year in which the 548-day period ends, you were present in New York State for no more than the number of days which bears the same ratio to 90 as the number of days in such portion of the taxable year bears to 548. The following formula illustrates this condition:

## Number of days in the $\frac{\text { nonresident portion }}{548} \times 90=\begin{aligned} & \text { Maximum number of days } \\ & \text { allowed in New York State }\end{aligned}$

## Nonresident

You are a New York State nonresident if you were not a resident of New York State for any part of the year.

## Part-year resident

You are a New York State part-year resident if you meet the definition of resident or nonresident for only part of the year.

## New York City and Yonkers

For the definition of a New York City or Yonkers resident, nonresident, and part-year resident, see the definitions of a New York State resident, nonresident, and part-year resident above, and substitute New York City or Yonkers in place of New York State.
For more information on nonresidents and part-year residents, see the instructions for Form IT-203.

## Special accruals

As a full-year New York State resident for 2005, or if you are a full-year New York City resident or New York City part-year resident for 2005, you may have to use special accrual rules (see below) to compute your New York State and New York City personal income tax for 2005.
If you are subject to the special accrual rules, you must file Form IT-201. You cannot file Form IT-150. In addition, you will need to obtain Publication 210, Change of Resident Status Special Accruals (For tax year 2005), to assist you in computing your 2005 tax (see Need help? on the back cover).

## Full-year New York State residents -

You are subject to the special accrual rules only if you have accrued income for 2005 (see below), and

- you were a nonresident of New York State on December 31, 2004; or
- you will be a New York State nonresident on January 1, 2006.
You have accrued income for 2005 if:
- you have an item of non-New York source income* that was fixed and determinable in a tax year prior to 2005, but you are reporting that income for federal income tax purposes in tax year 2005; or
- you have an item of income that was fixed and determinable in tax year 2005, but you will be reporting that income for federal income tax purposes in a tax year after 2005.
Full-year and part-year New York City residents -
You are subject to the special accrual rules only if you have accrued income for 2005 (see below), and
- you were a nonresident of New York City on December 31, 2004, but you were a full-year New York City resident for tax year 2005; or
- you were a full-year New York City resident for 2005 but you will be a New York City nonresident on January 1, 2006; or
- you were a New York City part-year resident for tax year 2005.

You have accrued income for 2005 if:

- you have an item of non-New York source income* that was fixed and determinable in a tax year prior to 2005, but you are reporting that income for federal income tax purposes in tax year 2005; or
- you have an item of income that was fixed and determinable in tax year 2005, but you will be reporting that income for federal income tax purposes in a tax year after 2005; or
- you have an item of income that was fixed and determinable in your 2005 New York City resident period, but that income is not reportable for federal income tax purposes in your 2005 New York City resident period; or
- you have an item of non-New York source income* that was fixed and determinable in your 2005 New York City nonresident period, but that income is not reportable for federal income tax purposes in your 2005 New York City nonresident period.

## Special instructions for Form IT-150, line 30

 Line 30 New York City resident taxIf one spouse was a resident of New York City for all of 2005 and the other a nonresident for all of 2005, compute on a separate sheet of paper the NYC resident tax on the New York State taxable income of the city resident as if you had filed separate federal returns reduced by the NYC household credit (if applicable). Transfer the amount from your separate sheet to line 30 . Be sure to write the name and social security number of the city resident and Taxable income of New York City resident on that paper and attach it to your return.

## Special instructions for Form IT-150, line 33

Line 33 Yonkers resident income tax surcharge
If one spouse was a resident of Yonkers for all of 2005 and the other a nonresident for all of 2005, compute on a separate sheet of paper the Yonkers resident income tax surcharge on the New York State tax of the Yonkers resident as if you had filed separate federal returns. Transfer the amount from your separate sheet to line 33 . Be sure to write the name and social security number of the Yonkers resident and Yonkers resident income tax surcharge on that paper and attach it to your return.

## Estates and trusts

Estates and trusts are subject to the New York State personal income tax. The fiduciary for an estate or trust must file Form IT-205, Fiduciary Income Tax Return. Each beneficiary of an estate or trust must include his or her share of the estate or trust income on Form IT-201. For more information on responsibilities of beneficiaries, see Beneficiaries (estates and trusts) on page 81.

## Deceased taxpayers

If a taxpayer died after 2004 and before filing a return for 2005, the taxpayer's spouse or personal representative may have to file and sign a return for that taxpayer. A personal representative can be an executor, administrator or anyone who is in charge of the deceased taxpayer's property. If a taxpayer did not have to file a federal return but had New York State tax withheld, a New York return must be filed to get a refund. If a joint federal income tax return was filed for the deceased taxpayer and the surviving spouse, a joint New York State return can be filed on Form IT-150 or Form IT-201, depending on which federal form was filed. Write Filing as surviving spouse in the area where you sign the return. If someone else is the personal representative for the deceased spouse, he or she must also sign the return. The filing due date is the same as if the deceased taxpayer had lived. The person who files the return for the deceased taxpayer should write the deceased taxpayer's date of death in the area indicated near the top of the return.

## Additional information (continued)

## Partnerships/limited liability partnerships or companies

Partnerships, limited liability partnerships (LLPs) and limited liability companies (LLCs), limited liability investment companies (LLICs) and limited liability trust companies (LLTCs) that are treated as partnerships for federal purposes are not subject to the New York State personal income tax, but individual members of the partnerships are.
If your partnership has a partner who is a New York State resident, or if the partnership has any income from New York State sources, it must file Form IT-204, Partnership Return. If your partnership carried on a business in New York City, it may also have to file Form NYC-204, City of New York Unincorporated Business Tax Partnership Return. Since New York State does not administer the New York City unincorporated business tax, do not file your NYC-204 with your state return.

## Innocent spouse relief

There are three forms of innocent spouse relief: innocent spouse, separation of liability, and equitable relief. You may qualify for relief from full or partial tax liability on a joint return as an innocent spouse if: (1) there is an understatement of tax on a joint return because of an omission or error involving income, deduction, credit, or basis; (2) you can show that when you signed the return you did not know and had no reason to know of the understatement; and (3) taking into account all the facts and circumstances, it would be unfair to hold you liable for the understated tax. You may also request a separation of liability for any understated tax on a joint return if you and your spouse or former spouse are no longer married, or are legally separated, or have lived apart at all times during the 12-month period prior to the date of filing for relief. If you do not qualify as an innocent spouse or for separation of liability, you may qualify for equitable relief if you can show that, taking into account all the facts and circumstances, you should not be held liable for any understatement or underpayment of tax. For more information, see Form IT-285, Request for Innocent Spouse Relief (and Separation of Liability and Equitable Relief). You may use Form IT-285 only for innocent spouse relief under the three circumstances stated above. Do not file Form IT-285 with your return.

If you want to disclaim your spouse's defaulted guaranteed student, state university, or city university loan or past-due support or past-due legally enforceable debt owed to a New York State agency because you do not want to apply your part of a joint refund or refundable credit to a debt owed solely by your spouse, use Form IT-280, Nonobligated Spouse Allocation. You must complete Form IT-280 and attach it to the back of your original return when filed. (Also see Disclaiming of spouse's debt on page 29 (Form IT-150) or page 106 (Form IT-201)).

## Members of the armed forces

If you are a member of the military and a New York State resident, the amount of your military pay that is subject to federal income tax is also subject to New York income tax.
For more information, see Publication 361, New York State Income Tax Information for Military Personnel and Veterans.

## Keep a copy of your tax records

Please remember to keep a copy of your completed income tax return. Also keep copies of any books, records, schedules, statements, or other related documents.

The Tax Department may ask you to provide copies of these records after you have filed your income tax returns.

You should retain copies of your return for at least seven years after you file your return.

## Amending your return

File Form IT-201-X to amend a previously filed New York State income tax return. See Other forms you may have to file on page 9.

## Paid preparer information

For information relating to the signing of returns by a paid preparer (anyone you pay to prepare your return), e-file mandate for paid preparers, and other requirements relating to paid preparers, see Publication 58, Information for Income Tax Return Preparers.

## Private delivery services

If you choose, you may use a private delivery service, instead of the U.S. Postal Service, to file your return and pay tax. However, if, at a later date, you need to establish the date you filed your return or paid your tax, you cannot use the date recorded by a private delivery service unless you used a delivery service that has been designated by the U.S. Secretary of the Treasury or the Commissioner of Taxation and Finance. (Currently designated delivery services are listed in Publication 55, Designated Private Delivery Services. See Need help? on the back cover of these instructions for information on ordering forms and publications.) If you have used a designated private delivery service and need to establish the date you filed your return, contact that private delivery service for instructions on how to obtain written proof of the date your return was given to the delivery service for delivery. If you use any private delivery service, whether it is a designated service or not, address your return to: State Processing Center, 101 Enterprise Drive, Kingston NY 12401.

Based on Taxable Income - For purposes of this tax table, the taxable income column below is the amount on either line 26 of Form IT-150 or line 38 of Form IT-201.

Example: Mr. and Mrs. Jones are filing a joint return on Form IT-150.
Their taxable income on line 26 is $\$ 38,275$. First, they find the $38,250-38,300$
income line. Next, they find the column for Married filing jointly and read down the column. The amount shown where the income line and filing status
column meet is $\$ 1,844$. This is the tax amount they must write on line 27 of
Form IT-150.

Important: If your New York adjusted gross income (line 21 of Form IT-150 or line 33 of Form IT-201) is more than \$100,000, you cannot use these tables. See Tax Computation - New York AGI of more than \$100,000 on page 52 to compute your tax. Failure to follow these instructions may result in your having to pay interest and penalty if the income tax you report on your return is less than the correct amount.

## Information on paying sales and use taxes on your income tax return

## Line 35 of Form IT-150, or line 59 of Form IT-201

Note: Use these instructions on pages 65 through 71 only to complete either line 35 of the new Form IT-150, or line 59 of the four-page Form IT-201.
When do you owe New York State and local sales or use tax?

When you make a purchase of taxable property or services from a seller (vendor) located in New York State and take delivery in New York State, the vendor should collect state and local sales or use tax due and forward it to the Tax Department. However, you are responsible for paying the tax directly to the Tax Department under the following three circumstances:

Deliveries into New York State - You owe state and local sales or use tax if you:

- purchase property or a service that is delivered to you in New York State without payment of New York State and local tax to the seller, such as through the Internet, by catalog, from television shopping channels, or on an Indian reservation.

Purchases outside New York State with subsequent use in New York State - You may also owe state and local sales or use tax if you are a resident of New York State at the time you purchase any of the following outside New York State:

- property you bring into New York State for use in New York State;
- a service performed on property outside New York State, and you bring that property into New York State for use here; or
- a service (such as an information service) you bring into New York State for use here.
(You may be eligible for a credit for sales or use tax paid to another state. See Instructions for Worksheets 1, 2, and 3, Column D, on page 69.)
However, you are not required to pay state or local sales or use tax on any property or service that you bring into New York State which you purchased outside of the state before you became a resident of New York State.

Additional local tax - You may owe an additional local tax if you are a resident of a locality (county or city) at the time of purchase and you:

- bring property into that locality which you purchased in another locality in New York State that has a lower tax rate;
- bring property into that locality on which you had a taxable service performed in another locality in New York State that has a lower tax rate; or
- bring a service (such as an information service) into that locality which you purchased in another locality in New York State that has a lower tax rate.

However, you are not required to pay any additional local tax on any property or service that you bring into a locality in New York State that you purchased outside that locality before you became a resident of that locality.

Note: For purposes of these sales and use tax instructions, the word tax will be used to refer to either the sales tax or the use tax, or both.

## Who is a New York State resident for sales and use tax purposes?

For sales and use tax purposes, the definition of resident includes persons who may not be considered residents for personal income tax purposes. For example, persons maintaining a permanent place of abode in New York who do not spend more than 183 days a year in the state, college students, and military personnel may all be residents for sales and use tax purposes even if they are not residents for income tax purposes. For sales and use tax purposes, an individual is a resident of the state and of any locality in which he or she maintains a permanent place of abode. A permanent place of abode is a dwelling place maintained by a person, or by another for that person to use, whether or not owned by such person, on other than a temporary or transient basis. The dwelling may be a home, apartment or flat; a room including a room at a hotel, motel, boarding house, or club; a room at a residence hall operated by an educational, charitable, or other institution; housing provided by the armed forces of the United States, whether the housing is located on or off a military base or reservation; or a trailer, mobile home, houseboat, or any other premises. This includes second homes. Therefore, you can be a resident of more than one locality and state for sales and use tax purposes.

An individual doing business in New York State is a resident for sales and use tax purposes of the state and of any county or city in which the individual is doing business, with respect to purchases of taxable property or services used in the business. Therefore, if an individual is engaged in business in New York State but has no permanent place of abode in New York State, the individual will owe use tax only on taxable purchases made with respect to the business operated in New York.

## What tangible personal property and services are subject to sales and use taxes?

Most tangible personal property is subject to tax. Some examples are: cigarettes and other tobacco products; alcohol; candy; clothing; books; electronic equipment; furniture; collectibles (stamps, coins, etc., bought for collections); works of art; off-the-shelf computer software; and, generally, a garage sale item costing more than \$600.

Some examples of tax exempt items are: prescription and nonprescription drugs and medicines used for humans; certain medical equipment; newspapers; periodicals; most food items; U.S. and New York State flags; Indian arts and crafts when purchased on an Indian reservation; used mobile homes; and college textbooks.
Only certain services are subject to tax. Taxable services include maintaining, servicing, and repairing tangible personal property and real property (land and buildings). Some examples are auto repair, appliance service, house repairs, lawn maintenance, and information services. Some examples
of exempt services are dry cleaning, veterinary (except for grooming and boarding), legal, accounting, and medical services.

## Reporting and paying sales and use taxes

You must report any unpaid sales or use tax owed for 2005 on your 2005 personal income tax return.
Note: Do not use Form IT-150 or Form IT-201 to report and pay sales and use taxes with respect to a business if you or the business is registered, or are required to be registered, for sales tax purposes. Report and pay sales and use taxes with respect to business purchases on the applicable sales and use tax return.

If you are requesting an extension of time to file your personal income tax return and you owe sales or use tax, you must pay any sales or use tax you owe at the time you request the extension. See Form IT-370 for more information.
If you receive an automatic extension of time to pay your New York State personal income tax (for example, you are in a foreign country), your sales or use tax is due when your New York State personal income tax return is due.

You may report and pay your sales or use tax liability on your personal income tax return for:

- your personal purchases;
- purchases related to your royalty activities or rental real estate activities reported in Part I of federal Schedule E; and
- purchases related to your Schedule C, C-EZ, or F business (not otherwise eligible for exemption) unless the business is, or is required to be, registered for sales tax purposes.
If you are married and file a joint return, you may include your spouse's sales or use tax liability for:
- your spouse's purchases;
- purchases related to your spouse's royalty activities or rental real estate activities reported in Part I of federal Schedule E; and
- purchases related to your spouse's Schedule C, C-EZ, or $F$ business (not otherwise eligible for exemption) unless the business is, or is required to be, registered for sales tax purposes.
If you are not filing an income tax return but owe sales or use tax for 2005, you must pay any unpaid sales or use tax by filing Form ST-140, Individual Purchaser's Annual Report of Sales and Use Tax, by April 17, 2006. However, if you or the business is registered or required to be registered for sales tax purposes, all sales and use taxes owed with respect to business purchases must be reported and paid with the periodic sales and use tax return.
At the time of registration, the New York State Department of Motor Vehicles (DMV) collects any unpaid sales or use tax on a motor vehicle, trailer, all-terrain vehicle, vessel, or snowmobile that must be registered or titled by DMV. Therefore, do not report or pay the sales or use tax on these items on your personal income tax return.

## What happens if I don't pay the sales or use tax due?

Failure to pay sales or use tax may result in the imposition of penalty and interest. The Tax Department conducts both routine and special audits to promote compliance. In addition, the U.S. Customs Service provides the department with information from customs declarations filed by New York State residents returning from overseas travel. The department also obtains information on sales to New York State residents under information exchange agreements with other states.

## Computing sales or use tax

To compute the amount of tax you owe, see How to calculate and report your sales and use tax liability, beginning on page 67.
If you do not owe any sales or use tax, you must enter $\boldsymbol{0}$ on the sales or use tax line of your personal income tax return.
For more information, see Publication 774, Purchaser's Obligations to Pay Sales and Use Taxes Directly to the Tax Department, Questions and Answers.
For more information on taxable and exempt goods and services, see Publication 750, A Guide to Sales Tax in New York State.

## How to calculate and report your sales and use tax liability

For general information on paying sales and use taxes, see Information on paying sales and use taxes on your income tax return on pages 65 and 66. To determine if you owe sales or use tax, continue with these instructions.

Complete the Computation of total sales or use tax due section below, using the Sales and use tax chart and any of Worksheets 1,2 , and 3 , beginning on page 68 that apply.

Purchases for less than \$1,000 each - You may elect to use one of two methods to compute your sales and use taxes for nonbusiness-related purchases of individual items or services costing less than $\$ 1,000$ each (excluding shipping and handling):

- the Exact calculation method on Worksheet 1 on page 68; or
- the Sales and use tax chart below.

The Sales and use tax chart is a simple, time-saving method to use to compute your sales or use tax on individual items or services costing less than \$1,000. However, you may not use it for business-related purchases or for royalty activity or rental real estate activity-related purchases, regardless of the amount. You must use the Exact Calculation Method on Worksheet 3 on page 69 to calculate your tax on these purchases.

## If you do not owe sales or use tax, you must enter 0 on the Sales or use tax line on your return.

> The following rule is for a full-year New York State income tax resident who did not maintain a permanent place of abode for sales tax purposes during the entire tax year.  If you maintained a permanent place of abode in New York State for sales and use tax purposes for only part of the year, multiply the tax amount from the chart (determined based on your total federal adjusted gross income for 2005) by the number of months you maintained the permanent place of abode in New York State and divide the result by 12 . Enter that amount on line 1. ## Sales or use tax (continued)

## Worksheet 1 - Exact calculation of tax due for nonbusiness-related purchases during 2005 costing less than $\$ 1,000$ each

Use this worksheet for nonbusiness-related purchases where the item or service cost less than $\$ 1,000$ each, excluding shipping and handling. However, the shipping and handling charges must be included in column A of Part I and Part II when computing your tax due. Therefore, the total purchase price may exceed $\$ 110$ in column A of Part I and $\$ 1,000$ in column A of Part II when the shipping and handling charges are included.

## Part I - Purchases of clothing and footwear costing less than $\$ 110$, excluding shipping and handling, made on or after January 31, 2005, and before February 7, 2005, or on or after August 30, 2005, and before September 6, 2005.

Purchases of clothing and footwear and items used to make or repair exempt clothing, costing less than $\$ 110$ per item or pair (excluding shipping and handling), made on or after January 31, 2005, and before February 7, 2005, or on or after August 30, 2005, and before September 6, 2005, were exempt from the state portion of the tax and also from some local taxes. However, if the locality where you reside chose not to provide the clothing and footwear exemption, the local portion of the tax still applied. Chart II on page 71 of these instructions lists the appropriate rate of local tax for you to enter for your locality in column B below. If your locality provided the clothing and footwear exemption, its rate will be listed as $\mathbf{0}$. In this case, do not complete Part I.
List all clothing and footwear purchases under $\$ 110$ per item, excluding shipping and handling, made during the above periods if your locality imposed tax during one or both of these periods. (See Chart II on page 71.)
For fully taxable clothing and footwear purchases and for purchases of all other taxable items and services costing less than $\$ 1,000$ per item or service, excluding shipping and handling, you must also complete Part II below.
$\left.\begin{array}{|l|c|c|c|c|}\hline \begin{array}{c}\text { A } \\ \text { Purchase price } \\ \text { (see instructions on page 69) }\end{array} & \begin{array}{c}\text { B } \\ \text { Your local } \\ \text { rate } \\ \text { (from Chart II, page 71; } \\ \text { see instructions on page 69) }\end{array} & \begin{array}{c}\text { C } \\ \text { Tax } \\ \text { (multiply column A } \\ \text { by column B) }\end{array} & \begin{array}{c}\text { Tax paid to another } \\ \text { taxing jurisdiction, if any } \\ \text { (see instructions on page 69) }\end{array} & \begin{array}{c}\text { E }\end{array} \\ \hline & & & & \\ \hline & & & \\ \text { (subtract column D from column C; } \\ \text { do not enter less than zero) }\end{array}\right\}$

Part II - All other taxable items and services - List all other taxable items and services and taxable clothing and footwear not included in Part I on which no New York State or local tax was collected from you at the time of purchase or on which you owe additional local tax (see Information on paying sales and use taxes on your income tax return on page 65).
Note: Any unpaid sales or use tax on a motor vehicle, trailer, all-terrain vehicle, vessel, or snowmobile that must be registered or titled by the New York State Department of Motor Vehicles is collected at the time of registration. Therefore, do not report or pay the sales or use tax on these items on your personal income tax return.

## Worksheet 2 - Nonbusiness-related purchases during 2005 costing \$1,000 or more each

Use this worksheet for nonbusiness-related purchases where the item or service cost \$1,000 or more each, excluding shipping and handling. If any item or service cost $\$ 25,000$ or more each, excluding shipping and handling, you must also complete Form IT-135, Sales and Use Tax Report for Purchases of Items and Services Costing \$25,000 or More, and attach it to your return.
Note: Any unpaid sales or use tax on a motor vehicle, trailer, all-terrain vehicle, vessel, or snowmobile that must be registered or titled by the New York State Department of Motor Vehicles is collected at the time of registration. Therefore, do not report or pay the sales or use tax on these items on your personal income tax return.

Purchases of clothing and footwear and items used to make or repair exempt clothing, costing less than $\$ 110$ per item or pair (excluding shipping and handling), made on or after January 31, 2005, and before February 7, 2005, or on or after August 30, 2005, and before September 6, 2005, were exempt from the state portion of the tax and also from some local taxes. However, if the locality where you reside chose not to provide the clothing and footwear exemption, the local portion of the tax still applied. Chart II on page 71 of these instructions lists the appropriate rate of local tax for you to enter for your locality in column B below. If your locality provided the clothing and footwear exemption, its rate will be listed as $\mathbf{0}$. In this case, do not complete Part I.
List all clothing and footwear purchases under $\$ 110$ per item, excluding shipping and handling, made during the above periods if your locality imposed tax during one or both of these periods. (See Chart II on page 71.) However, the shipping and handling charges must be included in column A when computing your tax due.

## Instructions for Worksheets 1, 2, and 3

## Column A - Purchase price

The tax is generally computed on the price you paid for an item or service, including any shipping or handling charges made by the seller. However, if you were a resident of New York State at the time of purchase and you purchased property outside New York State which you used outside the state for more than six months before you brought it into the state, compute the tax on the lower of the cost or fair market value of the property at the time you brought it into New York State. This may result in a lower amount of tax. The same six month rule applies for purposes of computing local tax.

## Column B - Rate

The tax rate to use is determined as follows:

- If the property or service is delivered to you in New York State, the tax is computed at the combined state and local rate in effect in the locality where the delivery occurs regardless of
where you reside. The rate that applies is the rate in effect at the time of delivery.
- If you are a New York State resident and you purchase property or services outside New York State which you bring into New York State to your jurisdiction of residence, tax is computed at the combined state and local rate in effect where you reside. The rate that applies is the rate in effect at the time you brought the property or service into that jurisdiction.
In addition, if you use the property or service in another locality in New York State, you owe tax to the second locality if you were a resident of that locality at the time of the purchase, and its rate is higher than the rate in effect where the property was originally delivered to you in New York State or brought by you into New York State.
See Chart I or Chart II on pages 70 and 71 for a listing of rates through November 30, 2005. For rate changes effective December 1, 2005, visit
our Web site or call the Tax Department. See Need help? on the back cover.

## Column D - Tax paid to another taxing jurisdiction, if any

To determine whether the tax you paid to another state or local jurisdiction in another state qualifies for credit against New York State and local tax, see Publication 39, A Guide to New York State Reciprocal Credits for Sales Taxes Paid to Other States. If you bought the item or service in a locality in New York State other than where you reside, the tax you paid at the time of purchase may be claimed as a credit against the tax due in the locality where you reside. Federal excise taxes and customs duties, and taxes and fees you paid in foreign countries are not allowed as a credit against any New York State or local sales or use tax that you owe.

## Chart I

## New York State Sales and Use Tax Rates by Jurisdiction

This chart and the notes below show the combined state and local tax rates for the period January 1, 2005, through and including November 30, 2005. Use these rates for your entries in the worksheets on pages 68 and 69. New York State's additional $1 / 4 \%$ sales and use tax rate expired effective June 1, 2005. As a result, on June 1, 2005, the state sales and use tax rate was reduced to $4 \%$. Therefore, for purchases made before June 1, 2005, the rates listed below must be increased by $1 / 4 \%$. Changes to county and city rates that occurred during the period are noted in the footnotes below.

New York City comprises five counties. These counties are also boroughs whose names are more widely known. The counties, with borough names shown in parentheses, are Bronx (Bronx), Kings (Brooklyn), New York (Manhattan), Queens (Queens), and Richmond (Staten Island).
Note that tax rates may change over the course of the year. The tax rates included with these instructions were effective through November 30, 2005. For information on whether the rates changed after November 30, 2005, visit our Web site at www.nystax.gov or call the Tax Department at 1800 225-5829.

## Form IT-201 (long form)

After you have completed your federal tax return ...

## Step 1 - Completing the taxpayer information section

Part A Name and address - If you received a tax packet by mail, your peel-off name-and-address label is under the flap on the inside front cover. After you complete your return, place the label in the box at the top of your return.
Check the label for accuracy. If the label is correct, go to Part B. If any information is wrong, cross it out and make the corrections directly on the label. Space is limited so if your name contains more than 36 characters, and it is correct except for missing final characters, do not make a correction.
If you do not have a label, write the following in the spaces provided:

- Name: First name, middle initial, and last name for you, and, if you are filing a joint return, your spouse.
- Mailing address: PO box or street address, city, state, and ZIP code where you wish to receive your mail (refund and correspondence).
Foreign addresses - Enter the information in the following order: city, province or state, and then country. Follow the country's practice for entering the postal code. Do not abbreviate the country name.

## Part B Permanent home address -

If your mailing address is different from your permanent home address (for instance, you use a PO box), enter your permanent home address. Your permanent home address is the address of the dwelling place in New York State where you actually live, whether you or your spouse own or rent it.

- If you use a paid preparer and you use the preparer's address as your mailing address, enter the address of your permanent home in the space provided.
- If you are a permanent resident of a nursing home, enter the nursing home address.
- If you are in the armed forces and your permanent home was in New York State when you entered the military, enter your New York permanent home address regardless of where you are stationed.
- If you are married and maintain separate New York State residences and are filing separate New York State returns, enter as your permanent home address the address of your own residence.
- If you moved after December 31, 2005, enter your permanent home address as of December 31, 2005, not your current home address. Enter your new home address in the mailing address area if you want your refund and other correspondence sent there.

Part C Social security numbers - You must enter your social security number(s) whether or not you are using the peel-off label. Be sure your social security numbers are in the same order as your names.

## Part D New York State county of residence -

 If this information appears correctly on your label, go to Part E.If you do not have a label, or the information is incorrect, enter the county in New York State where you lived on December 31, 2005. If you live in New York City, use one of the following county names:

If you live in Bronx Brooklyn
Manhattan Queens Staten Island
use county
Bronx
Kings
New York
Queens
Richmond

## Part E School district name and code -

If you do not have a label or your school district code number is missing or incorrect:

- Enter the correct code number and the name of your school district. This is the district where you were a resident on December 31, 2005. School districts and code numbers are on pages 40 through 43 . If you do not know the name of your school district, contact your nearest public school.
- You must enter your school district name and code number even if you were absent from the school district temporarily, if the school your children attended was not in your school district, or if you had no children attending school. Incorrect district names and code numbers may affect school aid.

## Part F Decedent information -

If the taxpayer whose name is listed first on the return died after December 31, 2004, enter the date of death in the boxes labeled Taxpayer's date of death, in month, day, and last two digits of year order. If the taxpayer whose name is listed second died after December 31, 2004, enter the date of death in the boxes labeled Spouse's date of death. See Deceased taxpayers on page 37.

## Step 2 Filing status and items B through G

## Item (A)

In nearly all cases you must use the same filing status that you used on your federal return. If you did not have to file a federal return, use the filing status you would have used if you had filed.
The only exceptions to this rule apply to married individuals who file a joint federal return and:
(1) one spouse is a New York State resident and the other is a nonresident or part-year resident. In this case, you must either: (a) file separate New York returns using filing status (3); or (b) file jointly, as if you both were New York State residents, using filing status (2).
(2) you are unable to file a joint New York return because the address or whereabouts of your spouse is unknown, you can demonstrate that reasonable efforts have been made to locate your spouse, and good cause exists for the failure to file a joint New York return. In this case, you may file a separate New York return using filing status (3).
(3) your spouse refuses to sign a joint New York return, reasonable efforts have been made to have your spouse sign a joint return, there exists objective evidence of alienation from your spouse such as judicial order of protection, legal separation under a decree of divorce or separate maintenance, or living apart for the twelve months immediately preceding application to file a separate return or commencement of an action for divorce or commencement of certain family court proceedings, and good cause exists for the failure to file a joint New York return. In this case, you may file a separate New York return using filing status (3).

## Item (B)

If you itemized your deductions on your 2005 federal income tax return, mark an $\boldsymbol{X}$ in the Yes box. If you claimed the standard deduction on your federal return, mark an $\boldsymbol{X}$ in the No box.

## Item (C)

If you can be claimed as a dependent on another taxpayer's federal return, you must mark an $\boldsymbol{X}$ in the Yes box. You must mark the Yes box even if the other taxpayer did not claim you as a dependent. For example, if another taxpayer was entitled to claim you as a dependent on his or her federal return, but chose not to so that you can claim the federal education credit, you must mark the Yes box.

## Item (D)

Please help us reduce waste and taxpayer-financed paper, printing, and mailing costs. Mark an $\boldsymbol{X}$ in the box if you do not need a New York State income tax packet next year.
Most taxpayers do not need a full tax packet with forms and instructions because they can download them from our Web site at www.nystax.gov, use our fax-on-demand system, or get them at some post offices, libraries, or community centers (see Need help? on the back cover). Other taxpayers e-file, use tax preparation software, or go to an accountant or tax preparer to have their returns completed. Please note that if you e-file, use software, or use a preparer, we will not send you a tax packet next year.
If we sent you a tax packet this year and you are using an original paper return (Form IT-150 or IT-201) from your packet, we will automatically send you a tax packet next year unless you mark an $X$ in the box (next year's forms will be available in January 2007). Consider your situation for next year and whether you will actually need these paper tax forms again. If not, mark an $\boldsymbol{X}$ in the box.

## Item (E)

If you, or your spouse if married filing jointly, maintained or had use of an apartment or living quarters in New York City during any part of 2005, mark an $\boldsymbol{X}$ in the box for Item E.

Living quarters include a house, apartment, co-op, or any other dwelling that you or your spouse maintain or pay for, or that is maintained for your primary use by another person, family member, or employer. For example, if a company leases an apartment for the principal, but not exclusive, use of the company's president or chief executive officer, that individual would be considered as maintaining living quarters in New York City even though others might use the apartment occasionally.
Note: You may be considered a New York City resident if you spend 184 days or more (a part of a day is a day for this purpose) in New York City. See the definition of Resident, nonresident and part-year resident on page 36. If you meet the definition, complete the New York City resident taxes and credits lines (47 through 53, and 67 and 68) on Form IT-201. See the instructions on pages 98 through 100, and 103 and 104.

## Item (F)

New York City residents and part-year residents only:
Enter in the applicable box the number of months you and your spouse (if filing a joint return) lived in New York City during 2005.
We need this information to verify your New York City school tax credit.

All other taxpayers should leave the boxes at Item (F) blank.

## Item (G)

If you qualify for one or more of the four special conditions below, enter the specified 2 -digit code(s).

## Code 01 Combat zone

Enter this code if you qualify for an extension of time to file and pay your tax due under the combat zone or contingency operation relief provisions. See Publication 361, New York State Income Tax Information for Military Personnel and Veterans.

## Code 02 Combat zone, killed in action (KIA)

Enter this code if you are filing a return on behalf of a member of the armed forces who died while serving in a combat zone. See Publication 361 for information on filing a claim for tax forgiveness.

## Code 03 Out of the country

## Code 04 Nonresident aliens

Enter this code if you are a U.S. nonresident alien for federal income tax purposes and you qualify to file your federal income tax return on or before June 15, 2006. The filing deadline for your New York return is similarly extended until June 15, 2006.

## Step 3 - Federal income and adjustments

## Lines 1 through 18 Federal income tax return information

The computation of your New York State (and New York City and Yonkers) income tax is based on information you reported on your federal income tax return, including your income and federal adjustments to income. If you did not file a federal return, you must report the same income and adjustments that you would have reported for federal income tax purposes if you had filed a federal return.

Use the chart below to complete lines 1 through 18.
Be sure to enter your total other income on line 15 and your total federal adjustments to income on line 17. Write each type of income and each adjustment and its amount in the shaded Identify areas as shown above in the examples on lines 15 and 17. If you need more room, attach a list showing each type of income and each adjustment and its amount.

## Step 4 - New York Adjustments/New York adjusted gross income

Overview - The computation of your New York State income tax is based on your New York adjusted gross income (New York AGI), which is your federal adjusted gross income (federal AGI) modified by certain New York adjustments (New York additions and New York subtractions).
New York State taxes certain items of income not taxed by the federal government. You must add these New York additions to your federal AGI. Enter any of the listed additions on lines 20 through 23.
Similarly, New York State does not tax certain items of income taxed by the federal government. You must subtract these New York subtractions from federal AGI on lines 25 through 31.

Partners - If you have income from a partnership, include any New York adjustments that apply to that income. Obtain your share of partnership additions and subtractions from your partnership.
Beneficiaries (estates and trusts) - If you have income from an estate or trust, any New York adjustments that apply to that income, as well as any additions to or subtractions from federal itemized deductions, will be shown in your share of a single fiduciary adjustment. If the adjustment is a net addition, enter this amount on line 23; if the adjustment is a net subtraction, enter this amount on line 31. Identify this item as FA.

If you filed federal Form 4970, Tax on Accumulation Distribution of Trusts, the income you reported on line 1 of Form 4970 is not included on line 11 of Form IT-201 because the IRC considers the distribution part of federal gross income. You must therefore include on line 23 the
amount of income you reported on Form 4970, line 1, less any interest income on state and local bonds and obligations of New York State and its local governments (that was included on Form 4970, line 5). Be sure to identify the source of this income as Form 4970 income.

S Corporation shareholders - If you are a shareholder of a federal S corporation for which the election to be a New York S corporation was in effect for the taxable year, include any of the following additions and subtractions that apply to your pro rata share of $S$ corporation items of income, gain, loss, or deduction. Additions A-24, A-25, and A-26, and subtraction S-32 do not apply to you since they apply only to nonelecting S corporations. If the election to treat the corporation as a New York S corporation terminated during the taxable year, you must make the additions and subtractions only to the extent they are attributable to the period for which the election to be a New York S corporation was in effect. Obtain your share of S corporation items of income, gain, loss, and deduction from the S corporation.
If you are a shareholder of an S corporation that was eligible to make the election to be a New York S corporation for the taxable year but did not make the election, include additions A-24, A-25, A-26, and subtraction S-32.
If you were not eligible to make the election to treat your corporation as a New York S corporation because the corporation was not subject to Article 9-A, general business corporation franchise tax, or Article 32, banking corporation franchise tax, include any of the following additions and subtractions that apply to your pro rata share of $S$ corporation items of income, gain, loss, or deduction. Additions A-23, A-24, A-25, and A-26, and subtractions S-31 and S-32 do not apply to you since they apply only to electing and nonelecting New York S corporations.
(continued)

If a gain or loss is recognized on your federal income tax return due to the disposition of stock or indebtedness of an S corporation that did not elect to be a New York S corporation for any taxable year after December 31, 1980, make addition A-26 or subtraction S-31, whichever applies to you.
You must make the adjustments for the tax year of the $S$ corporation that ends in your tax year.

## New York additions

## Line 20 Interest income on state and local bonds and obligations

Do you have interest income from state and local bonds and obligations from states other than New York State or its local governments? If No, go to line 21.
If Yes, enter any such interest income that you received or that was credited to you during 2005 that was not included in your federal AGI. This includes interest income on state and local bonds, interest and dividend income from tax-exempt bond mutual funds, and tax-exempt money market funds that invest in obligations of states other than New York.
If you purchased a bond between interest dates, include the amount of interest you received during the year, less the seller's accrued interest (the amount accrued from the interest date preceding your purchase to the date you purchased the bond). If you sold a bond between interest dates, include the amount of interest you received during the year plus the accrued interest amount (the amount accrued from the interest date preceding the date you sold the bond to the date you sold the bond). You should have received this information when you purchased the bond.

## Line 21 Public employee 414(h) retirement contribution

Are you a public employee of NYS or its local governments? If $\mathbf{N o}$, go to line 22.

If Yes, enter the amount of 414(h) retirement contributions, if any, shown on your wage and tax statement(s), federal Form W-2, if you are:

- a Tier 3 or Tier 4 member of the NYS and Local Retirement Systems, which include the NYS Employees' Retirement System and the NYS Police and Fire Retirement System; or
- a Tier 3 or Tier 4 member of the NYS Teachers' Retirement System; or
- an employee of the State or City University of New York who belongs to the Optional Retirement Program; or
- a member of any tier of the NYC Employees' Retirement System, the NYC Teachers' Retirement System, the NYC Board of Education Retirement System, the NYC Police Pension Fund or the NYC Fire Department Pension Fund; or
- a member of the Manhattan and Bronx Surface Transit Operating Authority (MABSTOA) Pension Plan.

Do not enter contributions to a section 401(k) deferred arrangement, section 403(b) annuity or section 457 deferred compensation plan.

## Line 22 New York's 529 college savings program distributions

Did you make a withdrawal during 2005 from an account established under New York's 529 college savings program? If No, go to line 23.

If Yes, and the withdrawal was a nonqualified withdrawal, you must complete the worksheet below.
A withdrawal is nonqualified if: 1 ) the funds are used for purposes other than the higher education of the designated beneficiary; 2) the withdrawal is actually disbursed in cash or in-kind from the college savings program, even if the amount withdrawn is reinvested in New York's 529 college savings program within the Internal Revenue Code 60-day rollover period; or 3) on or after January 1, 2003, the funds are transferred from New York's 529 college savings program to another state's program (whether for the same beneficiary or for the benefit of another family member). However, nonqualified withdrawals do not include any withdrawals made in tax year 2005 as a result of the death or disability of the designated beneficiary, regardless of how the funds are used.

Note: Transfers between accounts of family members not disbursed in cash or in-kind within New York's program are not considered distributions and are therefore not required to be added back as nonqualified withdrawals.
Include the applicable amounts from all existing accounts you own on lines 1 through 7 of the worksheet below. Do not include amounts applicable to accounts that were closed in a prior tax year. If you are filing a joint return, include the applicable amounts from all existing accounts owned by you and your spouse.

Also include on lines 1 and 2 your share of any amounts withdrawn or contributed by a partnership of which you are a partner. The partnership should provide this information to you. A partnership includes a limited liability company (LLC) that has elected to be treated as a partnership for federal income tax purposes.

Please note: Before completing the worksheet below, you must first compute your Form IT-201, line 30, subtraction for New York's 529 college savings program for 2005. See page 87.

## Line 23 Other additions

Use this line to report the following additions that are not specifically listed on Form IT-201.
Write in the applicable item number(s) (A-1 through A-26) and the amount of each addition in the white Identify area. Enter the total amount of these other additions in the money column.

## A-1 Income from certain obligations of U.S. government agencies or instrumentalities

If, during 2005, you received or were credited with any interest or dividend income from any U.S. government authority, commission, or instrumentality that federal laws exempt from federal income tax but do not exempt from state income tax, then include that income. If you are uncertain whether a particular federal bond or obligation is subject to state income tax, contact the Tax Department (see Need help? on the back cover).

## A-2 Interest expense on loans used to buy obligations exempt from NYS tax, amortized bond premium on bonds that are exempt from NYS tax and other expenses relating to the production of income exempt from NYS tax

(a) If your federal AGI includes a deduction for interest expense used to buy bonds, obligations, or securities whose interest income is taxable for federal purposes but exempt from New York State tax, then include that interest expense.
(b) If your federal AGI includes a deduction for the amortization of bond premiums on bonds whose interest income is taxable for federal purposes but exempt from NYS tax, then include that amortized premium.
(c) If your federal AGl includes a deduction for expenses relating to the production of income which is taxable for federal purposes but exempt from New York State tax, then include that interest expense.

## A-3 New York City flexible benefits program (IRC 125)

If your wage and tax statement(s), federal Form W-2, show(s) that an amount was deducted or deferred from your salary under a flexible benefits program established by New York City or certain other New York City public employers on your behalf, then include this amount. Certain other New York City public employers include:

- City University of New York;
- NYC Health and Hospitals Corporation;
- NYC Transit Authority;
- NYC Housing Authority;
- NYC Off-Track Betting Corporation;
- NYC Board of Education;
- NYC School Construction Authority;
- NYC Rehabilitation Mortgage Insurance Corporation;
- Manhattan and Bronx Surface Transit Operating Authority; and
- Staten Island Rapid Transit Authority

## A-4 Health insurance and the welfare benefit fund surcharge

If you were a career pension plan member of the NYC Employees' Retirement System or the NYC Board of Education Retirement System, and if your wage and tax statement(s), federal Form W-2, show an amount that was deducted from your salary for health insurance and the welfare benefit fund surcharge, then include this amount.

## A-5 Special additional mortgage recording tax deduction

If you deducted special additional mortgage recording tax in figuring your federal AGI and in a prior year you were allowed a New York State personal income tax credit for that tax, then include the amount.

## A-6 Special additional mortgage recording tax basis adjustment

If property on which you paid a special additional mortgage recording tax was sold or disposed of, and a special additional tax was paid on or before January 1, 1988, and in a prior year you claimed a New York State personal income tax credit for that tax, then include the amount, if any, of the federal basis of the property that was not adjusted to reflect the amount of the credit allowed. Do not make the addition for the tax paid to record a mortgage on or after January 1, 2004, even if you claimed a credit for that tax.

## A-7 Sales or dispositions of assets acquired from decedents

Note: This adjustment is not required for property acquired from decedents who died on or after February 1, 2000.
Assets of decedents can sometimes have different bases for state and federal tax purposes. This requires adjustments in the gain or loss on the sale or disposition of those assets.
If, during the tax year, there was a sale or other disposition of any assets that had been inherited or sold or disposed of directly by the estate of a decedent, and if the estate of the decedent was not large enough to require a federal estate tax return, and if the executor or administrator of that estate had valued those assets for New York State income tax purposes at less than their value for federal income tax purposes, then include the difference between (a) the gain or loss on that sale or disposition that you figured into your federal AGI for the tax year and (b) the gain or loss that would have resulted if the assets had been valued the same for New York State income tax purposes as for federal income tax purposes.

## A-8 Disposition of solar and wind energy systems

If in any tax year beginning on or after January 1, 1981, and ending before December 31, 1986, you took a New York State solar and wind energy credit on property, and if that property was sold or otherwise disposed of in 2005, and if a reportable gain resulted for federal income tax purposes from that sale or disposition, and if you had included the cost of the energy system in the federal basis of the property but did not reduce the federal basis by the state credit, then include the amount of the credit you had previously claimed.
(continued)

## A-9 New business investment; deferral recognition

If, in any tax year beginning on or after January 1, 1982, and before 1988, you chose to subtract all or a portion of a long term capital gain from your federal AGI because you reinvested that amount in a new New York business, and you sold that reinvestment in 2005, then include the amount that you previously subtracted.

## A-10 Qualified emerging technology investments (QETI)

If you elected to defer the gain from the sale of QETI because you reinvested in a New York qualified emerging technology company, and if you sold that reinvestment in 2005, then you must include the amount previously deferred. See subtraction S-14 on page 89.

You may not deduct personal income taxes or unincorporated business taxes in computing your New York State adjusted gross income.
If you included a deduction for state, local, or foreign income taxes, including unincorporated business taxes, when figuring your federal AGI, then you must include the amount of that deduction. For example, if you operated a business and deducted New York City unincorporated business tax on your federal Form 1040, Schedule C, as an expense of doing business, include this tax amount.
Partners - Include your distributive share of state, local, or foreign income taxes, including unincorporated business taxes, deducted in figuring net income.
S corporation shareholders - If you are a shareholder of a federal S corporation for which a New York S election was in effect, and if that corporation deducted taxes imposed by Article 9-A (general business corporation franchise tax), or Article 32 (banking corporation franchise tax), of the New York State Tax Law, then include your pro rata share of those taxes. (However, you do not need to include state or local taxes of another state, political subdivision of another state, or the District of Columbia.)

## A-12 Percentage depletion

If you claimed a deduction on your federal return for percentage depletion, then include the amount deducted in figuring your federal AGI. Also see subtraction S-21 on page 90.

## A-13 Safe harbor leases (see IRC section 168(f)(8))

If, in figuring your federal AGI, you took deductions attributable to a safe harbor lease (except for mass transit vehicles) made under an election provided for by IRC section 168(f)(8) as it was in effect for agreements entered
into prior to January 1, 1984, then include those deductions. Also see A-14, S-23, and S-24.

## A-14 Safe harbor leases

If your financial matters in 2005 involved a safe harbor lease (except for mass transit vehicles) made under an election provided for by section 168(f)(8) of the IRC as it was in effect for agreements entered into prior to January 1, 1984, then you must include the income that you would have included in your federal AGI if such an election had not been made. Also see A-13, S-23, and S-24.

## A-15 Accelerated cost recovery system (ACRS) deduction

If you claimed ACRS depreciation on your federal return for:

- property placed in service during tax years 1981 through 1984 (other than 280F property); or
- property placed in service outside New York State for 1985 through 1993 (other than 280F property) and you elect to continue using IRC 167 depreciation (see TSB-M-99(1)I);
then include the amount that was deducted in figuring your federal AGI. You must attach Form IT-399, New York State Depreciation Schedule.

## A-16 ACRS property; year of disposition adjustment

If you disposed of property which was depreciated for federal purposes using ACRS, and if ACRS depreciation was not allowed for state purposes (see A-15), then you must complete Part 2 of Form IT-399, New York State Depreciation Schedule, to figure the amount to include. Also see S-26 on page 90.

## A-17 Farmers' school tax credit

If you claimed the farmers' school tax credit on your 2004 New York State tax return, and if you deducted your school taxes in figuring your federal AGI on your 2004 federal return, then you must include the amount of the credit claimed for 2004 on this year's return. However, do not make this modification if you were required to report the amount of the credit as income on your 2005 federal return.

## A-18 Sport utility vehicle expense deduction

If you claimed an IRC section 179 deduction on your federal return with respect to a sport utility vehicle that weighs more than 6,000 pounds, and you are not an eligible farmer as defined for purposes of the farmers' school tax credit (see Form IT-217-I, Instructions for Form IT-217, Claim for Farmers' School Tax Credit), then include the amount of that deduction.

A sport utility vehicle is any four-wheeled passenger vehicle manufactured primarily for use on public streets, roads, and highways. However, sport utility vehicle does not include (1) any ambulance, hearse, or combination ambulance-hearse used directly in a trade or business; (2) any vehicle used directly in the trade or business of transporting persons or property for compensation or hire; or (3) any truck, van, or motor home. A truck is any vehicle that has a primary load-carrying device or container attached, or is equipped with an open cargo area or covered box not readily accessible from the passenger compartment.

## A-19 IRC section 168(k) property depreciation

With the exception of resurgence zone property and New York liberty zone property described in IRC section 1400L(b)(2), New York State does not follow the federal depreciation rules for IRC section 168(k) property placed in service inside or outside New York State on or after June 1, 2003. If you claimed a depreciation deduction for such property, and if no exception for resurgence zone or New York liberty zone property applies, then complete Part 1 of Form IT-398, New York State Depreciation Schedule for IRC Section 168(k) Property, to determine the amount to include. Attach Form IT-398 to your return.

## A-20 Special depreciation

If you made an election for tax years beginning before 1987 for:

- special depreciation,
- research and development expenditures,
- waste treatment facility expenditures,
- air pollution control equipment expenditures, or
- acid deposition control equipment,
then include the amount of depreciation or expenditures relating to these items that was deducted in determining your federal AGI. Also see subtraction S-22 on page 90.

## A-21 Royalty and interest payments made to a related member or members

For tax years beginning on or after January 1, 2003, New York requires certain taxpayers to add back deductions they took on their federal return for certain royalty payments for the use of intangible property, such as trademarks or patents, and interest payments they made to a related member or members. Include the amount for any such payments you deducted on your federal return. See Tax Law section 612 (r).

## A-22 Environmental remediation insurance premiums

If you paid premiums on or after April 1, 2005, for environmental remediation insurance and you claimed a deduction for such premiums and you also claimed the environmental remediations insurance credit, then include the amount of the environmental remediations insurance credit allowed.

Additions A-23, A-24, A-25, A-26 apply to $S$ corporation shareholders only. For additional information, see New York State Publication 35, New York Tax Treatment for S Corporations and Their Shareholders.

## A-23 S corporation shareholders; reduction for taxes

If you are a shareholder of an S corporation for which a New York S corporation election was in effect for the taxable year, then include your pro rata share of the S corporation's reductions for taxes imposed on built-in gains and reductions for taxes imposed on excess net passive income as described in IRC sections 1366(f)(2) and (3).

## A-24 <br> S corporation shareholders; pass-through loss or deduction items

If you are a shareholder of an $S$ corporation which is a New York C corporation, then include any S corporation pass-through items of loss or deduction you took into account in figuring your federal AGI, pursuant to IRC section 1366.

## A-25 S corporation shareholders

If you did not include $S$ corporation distributions in your federal AGI due to the application of IRC sections 1368, 1371(e), or 1379(c), and if these distributions were not previously subject to New York personal income tax because the corporation was a New York C corporation, then include these distributions.

## A-26 S corporation shareholders; disposition of stock or indebtedness with increased basis

Federal law requires holders of stock or indebtedness in a federal S corporation to include undistributed taxable income in their federal AGI and take a corresponding increase in basis. New York law requires a similar increase in basis on disposition of the stock or indebtedness where the federal S corporation is or was a New York C corporation.
If you reported a federal gain or loss because of the disposition of stock or indebtedness of an S corporation, and if that $S$ corporation was a New York C corporation for any taxable year beginning after December 31, 1980 (in the case of a corporation taxable under Article 9-A, general business corporation tax), or December 31, 1996 (in the case of a corporation taxable under Article 32, banking corporation franchise tax), then include the increase in the basis of the stock or indebtedness that is due to the application of IRC sections 1376(a) (as in effect for taxable years beginning before January 1, 1983) and 1367(a)(1)(A) and (B) for each taxable year that a New York S election was not in effect.

## New York subtractions

## Line 26 Pensions of New York State and local governments and the federal government

Did you receive a pension or other distribution from a NYS or local government pension plan or federal government pension plan? If $\mathbf{N o}$, go to line 27 .
If Yes, and the pension or distribution amount was included in your federal AGI, enter any pension you received, or distributions made to you from a pension plan which represents a return of contributions in a year prior to retirement, as an officer, employee, or beneficiary of an officer or employee of:

- NYS, including State and City University of New York and NYS Education Department employees who belong to the Optional Retirement Program.
Optional Retirement Program members may only subtract that portion attributable to employment with the State or City University of New York or the NYS Education Department.
- Certain public authorities, including:

Metropolitan Transit Authority (MTA) Police 20-Year Retirement Program;
Manhattan and Bronx Surface Transit Operating Authority (MABSTOA); and
Long Island Railroad Company.

- Local governments within the state, including:

NYS Teachers' Retirement System;
NYC Teachers' Retirement System; NYC Teachers' Retirement IRC 403(b) plan; and NYC variable supplemental funds (VSF), including:

Transit Police Officers' VSF
Transit Police Superior Officers' VSF
Housing Police Officers' VSF
Housing Police Superior Officers' VSF
Police Officers' VSF
Police Superior Officers' VSF
Firefighters' VSF
Fire Officers' VSF
Corrections Officers' VSF
Corrections Captain and Above VSF.

- The United States, its territories, possessions (or political subdivisions thereof), or any agency or instrumentality of the United States (including the military), or the District of Columbia.

You may not subtract pension payments or return of contributions that were attributable to your employment by an employer other than a New York public employer, such as a private university, and any portion attributable to contributions you made to a supplemental annuity plan which was funded through a salary reduction program. However, these payments may qualify for the pension and annuity income exclusion described in the instructions for line 29 below.

## Line 28 Interest income on U.S. government bonds

Did you include interest income from U.S. government bonds or other U.S. government obligations on lines 2,6 , or 11 ? If No, go to line 29 .
If Yes, enter the amount of interest income earned from bonds or other obligations of the U.S. government.
Dividends you received from a regulated investment company (mutual fund) that invests in obligations of the U.S. government and meet the $50 \%$ asset requirement each quarter qualify for this subtraction. The portion of such dividends that may be subtracted is based upon the portion of taxable income received by the mutual fund that is derived from federal obligations.

Contact the mutual fund for further information on meeting the $50 \%$ asset requirement and figuring your allowable subtraction (if any).

If you include an amount on line 28 from more than one line on Form IT-201, attach a schedule showing the breakdown from each line.

Do not list the same interest more than once on lines 28 and 31 ; see the instructions for line 31 , subtractions S-1 and S-3 on page 87.

## Line 29 Pension and annuity income exclusion

Did you enter an amount on line 9 or 10 that was not from a NYS or local government pension plan or federal government pension plan? If No, go to line 30.

If Yes, and you were $591 / 2$ before January 1, 2005, enter the qualifying pension and annuity income included in your 2005 federal AGI, but not more than $\mathbf{\$ 2 0 , 0 0 0}$. If you became $591 / 2$ during 2005, enter only the amount received after you became $591 / 2$, but not more than $\mathbf{\$ 2 0 , 0 0 0}$. If you received pension and annuity income and are married, or received pension and annuity income as a beneficiary, see below.
$\mathbf{\$ 2 0 , 0 0 0}$ limit - You may not take a pension and annuity income exclusion that exceeds $\$ 20,000$, regardless of the source(s) of the income.

## Qualifying pension and annuity income includes:

- periodic payments for services you performed as an employee before you retired;
- periodic and lump-sum payments from an IRA, but not payments derived from contributions made after you retired;
- periodic distributions from government (IRC section 457) deferred compensation plans;
- periodic distributions from an annuity contract (IRC section 403(b)) purchased by an employer for an employee and the employer is a corporation, community chest, fund, foundation, or public school;
- periodic payments from an HR-10 (Keogh) plan, but not payments derived from contributions made after you retired;
- lump-sum payments from an HR-10 (Keogh) plan, but only if federal Form 4972 is not used. Do not include that
part of your payment that was derived from contributions made after you retired;
- periodic distributions of benefits from a cafeteria plan (IRC section 125) or a qualified cash or deferred profit-sharing or stock bonus plan (IRC section 401(k)), but not distributions derived from contributions made after you retired.

Married taxpayers - If you both qualify, you and your spouse can each subtract up to $\$ 20,000$ of your own pension and annuity income. However, you cannot claim any unused part of your spouse's exclusion.
Example: A husband and wife, both age 62, included total pension and annuity income of \$45,000 in their federal AGI on their 2005 joint federal tax return. The husband received qualifying pension and annuity payments totaling \$30,000 and the wife received qualifying payments totaling \$15,000. They are filing a joint 2005 New York State resident personal income tax return. The husband may claim the maximum pension and annuity income exclusion of \$20,000, and the wife may claim an exclusion of $\$ 15,000$, for a total pension and annuity income exclusion of \$35,000.
Beneficiaries - If you received a decedent's pension and annuity income, you may make this subtraction if the decedent would have been entitled to it, had the decedent continued to live, regardless of your age. If the decedent would have become $591 / 2$ during 2005, enter only the amount received after the decedent would have become $591 / 2$, but not more than $\$ 20,000$.

If the decedent has more than one beneficiary, the decedent's $\$ 20,000$ pension and annuity income exclusion must be allocated among the beneficiaries in the same ratio as the distribution, so that the total exclusion attributable to the decedent does not exceed \$20,000.

Example: A taxpayer received pension and annuity income totaling \$6,000 as a beneficiary of a decedent who was 59½ before January 1, 2005. The decedent's total pension and annuity income was $\$ 24,000$, shared equally among four beneficiaries. Each beneficiary is entitled to one-quarter of the decedent's pension exclusion, or $\$ 5,000(\$ 20,000$ divided by 4). The taxpayer also received a qualifying pension and annuity payment of $\$ 14,000$ in 2005. The taxpayer is entitled to claim a pension and annuity income exclusion of \$19,000 (\$14,000 attributable to the taxpayer's own pension and annuity payment, plus \$5,000 received as a beneficiary*).

* The total amount of the taxpayer's pension and annuity income exclusion that can be applied against the taxpayer's pension and annuity income received as a beneficiary is limited to the taxpayer's share of the decedent's pension and annuity income exclusion.
Disability exclusion - If you are also claiming the disability income exclusion, the total of your pension and annuity income exclusion and disability income exclusion cannot exceed \$20,000.

## S-3 Certain investment income exempted by other New York State laws

Include any interest or dividend income from any obligations or securities authorized to be issued and exempt from state taxation under the laws of New York State. (For example, income received from bonds, mortgages, and income debenture certificates of limited dividend housing corporations organized under the Private Housing Finance Law.)

## S-4 Disability income exclusion

## S-5 Long-term residential care deduction

If you were a resident in a continuing-care retirement community that was issued a certificate of authority by the NYS Department of Health, then include the portion of the fees you paid during the year that were attributable to the cost of providing long-term care benefits to you under a continuing care contract. However, do not enter more than the premium limitation shown for your age in the Limitation table below. If you and your spouse both qualify, you may each take the subtraction. However, you cannot claim any unused part of your spouse's subtraction.
$\left.\begin{array}{|lc|}\hline \begin{array}{c}\text { If your age at the } \\ \text { end of } 2005 \text { was: }\end{array} & \text { Limitation } \\ 40 \text { or younger......................................... } \$ 270 \\ \text { mou than: }\end{array}\right\}$

## S-6 New York organized militia income

Include income that you received as a member of the New York organized militia for performing active service within NYS due to emergency state active duty orders issued pursuant to section six of the Military Law that was included in your federal AGI. Do not include any income you receive for regular duties in the organized militia (for example, pay received for the annual two-week training program) or any income received because you were called to active duty in the United States armed forces. Members of the NYS organized militia include the New York Army National Guard, the New York Air National Guard, the New York Naval Militia, and the New York Guard.

## S-7 Loss from the sale or disposition of property that would have been realized if a federal estate tax return had been required

Note: This subtraction cannot be made for property acquired from decedents who died on or after February 1, 2000.
If you acquired a decedent's property and, as valued by the executor, the estate was insufficient to require a federal estate tax return, and if a loss on the sale would have been realized if a federal estate tax return had been required, then include the amount of the loss.

## S-8 Accelerated death benefits received that were includable in federal adjusted gross income

Include any amount you included in your federal AGI that was received by any person as (a) an accelerated payment or payments of part or all of the death benefit or special surrender value under a life insurance policy, or (b) a viatical settlement, as a result of a terminal illness (life expectancy of 12 months or less), or of a medical condition requiring extraordinary medical treatment, regardless of life expectancy.

## S-9 Contributions for Executive Mansion, natural and historical resources, not deducted elsewhere

Include contributions you made, not deducted elsewhere, (a) to preserve, improve, and promote the Executive Mansion as a New York State historical resource, or (b) to the Natural Heritage Trust to preserve and improve the natural and historical resources of NYS. Do not include amounts you deducted in determining federal AGI or New York itemized deductions.

## S-10 <br> Distributions made to a victim of Nazi persecution

Include amounts you included in your federal AGI from an eligible settlement fund or grantor trust as defined by section 13 of the Tax Law (because you were persecuted or targeted for persecution by the Nazi regime), or distributions received because of your status as a victim of Nazi persecution, or as a spouse or heir of the victim (successors or assignees, if payment is from an eligible settlement fund or grantor trust).

## S-11 Items of income related to assets stolen from, hidden from, or otherwise lost to a victim of Nazi persecution

Include items of income you included in your federal AGI attributable to, derived from, or in any way related to assets stolen from, hidden from, or otherwise lost to a victim of Nazi persecution immediately prior to, during, and immediately after World War II, including but not limited to interest on the proceeds receivable as insurance under policies issued to a victim of Nazi persecution by European insurance companies immediately prior to and during World War II, or as a spouse or heir of such victim.
However, do not include income attributable to assets acquired with assets as described above or with the proceeds from the sale of any asset described above. Also, do not include any income if you were not the first recipient of the asset, or if you are not a victim of Nazi persecution, or a spouse or descendent of a victim.

## S-12 Professional service corporation shareholders

If in a taxable year ending after 1969 and beginning before 1988, you included in your federal AGI deductions made by a plan acquired through membership in a professional service corporation (PSC), then include the portion of those deduction that can be allocated to pension, annuity, or other income you received from the plan, and were included in your 2005 federal AGI.

## S-13 <br> Gain to be subtracted from the sale of a new business investment reported on your federal income tax return

If you reported a capital gain on your federal income tax return from the sale of a new business investment, as defined in NYS Tax Law section 612(o), that was issued before 1988 and was held at least six years, then include one-hundred percent (100\%) of that federal gain.

## S-14 Qualified emerging technology investments (QETI)

In general, you may defer the gain on the sale of QETI that are 1) held for more than 36 months, and 2) rolled over into the purchase of replacement QETI within 365 days from, and including, the date of sale. However:

- You must recognize any gain to the extent that the amount realized on the sale of the original QETI exceeds the cost of replacement QETI;
- You must add back any deferred gain in the year you sell the replacement QETI; and
- The gain deferral applies only to QETI sold on or after March 12, 1998, that was held for more than 36 months.

If you elect to defer the gain from the sale of QETI, then include the amount of the deferred gain. This amount may not exceed the amount of the gain included in your federal AGI.

- If the purchase of replacement QETI within the 365-day period occurred in the same taxable year as the sale of the original QETI, or in the following taxable year and before the date you filed your personal income tax return, then, take the deduction on that return.
- If the purchase of replacement QETI within the 365-day period occurred in the following taxable year and on or after the date you filed your personal income tax return, then you must file an amended return to claim the deduction (see Form IT-201-X, Amended Resident Income Tax Return, on page 9).
- If the deferred gain must be included in a subsequent year's tax return because the replacement QETI has been sold, then include that amount as an addition to federal AGI (see A-10 on page 84).

A QETI is an investment in the stock of a corporation, or an ownership interest in a partnership or limited liability company (LLC) that is a qualified emerging technology company, or an investment in a partnership or an LLC to the extent that such partnership or LLC invests in such companies. The taxpayer must acquire the investment as provided in IRC section 1202(C)(1)(B), or from a person who acquired it pursuant to that section. IRC section 1202(c)(1)(B) requires the acquisition to be original issue from the company, either directly or through an underwriter, and in exchange for cash, services, or property (but not in stock).

A qualified emerging technology company (QETC) is a company that is located in New York State, has total annual product sales of 10 million dollars or less, and meets either of the following criteria:

- its primary products or services are classified as emerging technologies; or
- it has research and development activities in New York State and its ratio of research and development funds to net sales equals or exceeds the average ratio for all surveyed companies classified (as determined by the National Science Foundation in its most recent Survey of Industry Research and Development, or any comparable successor survey, as determined by the Tax Department).

## S-15 Sales or dispositions of assets acquired before 1960 with greater state than federal bases

New York State income tax laws prior to 1960 and current laws regarding depletion can result in a difference in the state and federal adjusted bases of certain assets. If you
realize a federally taxable gain from the sale of an asset that had a higher adjusted basis for state tax purposes, you may make an adjustment to reduce your gain for state tax purposes.
If your federal AGI included gain that was from either:

- property that had a higher adjusted basis for NYS income tax purposes than for federal tax purposes on December 31, 1959 (or on the last day of a fiscal year ending during 1960); or
- property that was held in connection with mines, oil or gas wells, and other natural deposits and that had a higher adjusted basis for NYS income tax purposes than for federal tax purposes when sold;
then include the lesser of the gain itself or the difference in the adjusted bases.
Note: If you divide gain with respect to jointly owned property between you and your spouse, then you must also divide any subtraction for different adjusted bases between you and your spouse.

## S-16 Income earned before 1960 and previously reported to New York State

Include any income (including annuity income) or gain you included in your 2005 federal AGI that you (or the decedent or estate or trust from whom you acquired the income or gain) properly reported to NYS prior to 1960 (or during a fiscal year ending in 1960.)

Did you file federal Schedule(s) C, E, or F?
If $N o$, go to the instructions for line 34.
If Yes, see subtraction modifications S-17
through S-32.

## S-17 Trade or business interest expense on loans used to buy federally tax exempt obligations that are taxable to New York State

You may deduct interest expense you incur to buy an obligation that generates investment income that is taxable to a trade or business. If you included, on either line 20 or line 23 , interest income from bonds or other obligations that is federally tax exempt but taxable to NYS, and the expense you incurred in buying the obligation is attributable to a trade or business you carried on, then include that expense.

## S-18 Trade or business expenses (other than interest expense) connected with federally tax-exempt income that is taxable to New York State

You may deduct expenses you incur to acquire or maintain income that is taxable to a trade or business. If you included, on either line 20 or line 23 , income that is federally tax exempt but taxable to NYS, and if the expense you incurred to either produce or collect that income or manage, conserve or protect the assets that produce that income was not deducted for federal purposes, and if those expenses are attributable to a trade or business you carried on, then include that expense.

## S-19 Amortizable bond premiums on bonds that are owned by a trade or business and the interest on which is federally tax-exempt income but taxable to New York State

You may deduct expenses you incur to buy an obligation that generates investment income that is taxable to a trade or business.
If you are including, on either line 20 or line 23, interest income that is federally tax exempt but taxable to New York State, and if those bonds were bought for more than their face value (i.e., at a premium), and if you did not reduce your federal AGI by deducting the amortization of that premium attributable to 2005, and if those bonds were owned by a trade or business carried on by you in 2005 (as opposed to personal investments), then include that amortization.

## S-20 Wage and salary expenses allowed as federal credits but not as federal expenses

If you took a federal Indian employment credit, a work opportunity credit, or an empowerment zone employment credit for wages and salaries paid to one or more people in certain groups, then include the amount of such wages you did not deduct on your federal return.

## S-21 Cost depletion

If you are making addition $\mathrm{A}-12$ for any percentage depletion, then include the cost depletion that IRC section 611 would allow on that property without any reference to either IRC section 613 or 613-a.

## S-22 Special depreciation expenditures

You may carry over excess expenditures you incurred in taxable years beginning before 1987 in connection with depreciable, tangible business property located in New York State to the following taxable year or years, and deduct such expenditures in computing your New York AGI for that year or years, if the expenditures exceed your New York AGI for that year before the allowance of those expenditures. Complete Form IT-211, Special Depreciation Schedule, to compute the amount to include. Attach Form IT-211 to your return.

## S-23 Safe harbor leases

Include any amount you included in federal AGI (except for mass transit vehicles) solely because you made the safe harbor election on your federal return for agreements entered into before January 1, 1984.

## S-24 Safe harbor leases

Include any amount that you could have excluded from federal AGI (except for mass transit vehicles) had you not made the safe harbor election on your federal return for agreements entered into before January 1, 1984.

## S-25 New York depreciation allowed

If you claimed ACRS depreciation on your federal return for:

- property placed in service during tax years 1981 through 1984 (except IRC section 280F property); or
- property placed in service outside New York State for 1985 through 1993 (except IRC section 280F property) and you elect to continue using IRC section 167 depreciation (see TSB-M-99(1)I);
then include the amount of your New York depreciation. Complete and attach Form IT-399, New York State Depreciation Schedule, to your return.

## S-26 ACRS (year of disposition adjustment)

If you disposed of property in 2005 that was depreciated for federal purposes using ACRS, and if your total federal ACRS deduction exceeds your New York depreciation deduction for that property, then complete Part 2 of Form IT-399, New York State Depreciation Schedule, to compute the amount to include. See addition A-16, on page 84. Attach Form IT-399 to your return.

## S-27 <br> Sport utility vehicle expense deduction recapture

If you previously claimed an IRC section 179 deduction with respect to a sport utility vehicle that weights more than 6,000 pounds, and you had to recapture any amount of that deduction in computing your federal AGI for 2005, and if you are not an eligible farmer as defined for the farmers' school tax credit, then include the recapture amount. (See addition A-18 on page 84 for the definition of a sport utility vehicle.)

## S-28 IRC section 168(k) property depreciation

With the exception of resurgence zone property and New York liberty zone property described in IRC section 1400L(b)(2), New York State does not follow the federal depreciation rules for IRC section 168(k) property placed in service inside or outside New York State on or after June 1, 2003. If you claimed a depreciation deduction for such property, and if no exception for resurgence zone or New York liberty zone property applies, then complete Part 1 of Form IT-398, New York State Depreciation Schedule for IRC Section 168(k) Property, to compute the amount of New York depreciation to include. Attach Form IT-398 to your return.

## S-29 <br> IRC section 168(k) property (year of disposition adjustment)

If you dispose of IRC section 168(k) property placed in service inside or outside New York State on or after June 1, 2003 (except for resurgence zone property, and New York liberty zone property described in IRC section $1400 \mathrm{~L}(\mathrm{~b})(2)$ ), and your total federal depreciation deduction is more than your New York depreciation deduction for that property, then complete Part 2 of Form IT-398, New York State Depreciation Schedule for IRC Section 168(k) Property, to compute the amount of the disposition adjustment to include. Attach Form IT-398 to your return.

## S-30 Royalty and interest payments made to a related member or members

For tax years beginning on or after January 1, 2003, New York requires taxpayers to add back deductions they took on their federal return for certain royalty payments for the use of intangible property, such as trademarks or patents, and interest payments they made to a related member or members. See instructions for A-21 on page 85. In such a case, the recipient of the payments must subtract the payments in computing New York AGI. If you received such a related member payment, include the amount you included in your federal taxable income. See section 612(r) of the Tax Law.

Subtractions S-31 and S-32 apply to S corporation shareholders only. For additional information, see New York State Publication 35, New York Treatment of S Corporations and Their Shareholders.

## S-31 S corporation shareholders

If, you reported a federal gain or loss because of the disposition of stock or indebtedness of an S corporation, and if that $S$ corporation was a New York C corporation for any taxable year beginning after December 31, 1980 (in the case of a corporation taxable under Article 9-A, general business corporation tax), or December 31, 1996 (in the case of a corporation taxable under Article 32, banking corporation franchise tax), then include the reduction in basis of the stock or indebtedness that is due to the application of IRC section 1376(b) (as in effect for taxable years beginning before January 1, 1983) and 1367(a)(2)(B) and (C) for each taxable year that the New York election was not in effect.

If, with respect to stock described above, you made any New York additions to federal AGI required under addition A-25 on page 85 , then include the total of those additions. See New York Tax Law section 612(b)(20).

## S-32 S corporation shareholders -pass-through income

If you included in your federal AGI any S corporation pass-through income pursuant to IRC section 1366 and the corporation is a New York C corporation, then include the pass-through income.

## Step 5 - Standard or itemized deduction

## Line 34 Standard or itemized deduction

Follow these steps to determine which deduction to use:

1. If you took the standard deduction on your federal return, or if you did not have to file a federal return, you must take the New York standard deduction. Use the standard deduction table on page 2 of Form IT-201 to find the standard deduction amount for your filing status. Enter the amount on line 34, mark an $\boldsymbol{X}$ in the Standard box, and go to line 35 .
2. If you itemized deductions on your federal return, use the itemized deduction worksheet on page 2 of Form IT-201 and the instructions below to figure your New York itemized deduction. Compare the line $\mathbf{p}$ amount from the worksheet to your New York standard deduction amount from the standard deduction table, also on page 2. For greater tax savings, enter the larger of these amounts on line 34 and mark an $\boldsymbol{X}$ in the appropriate box, Standard or Itemized.

$\triangle$If you are married and filing separate returns (filing status (3), both of you must take the standard deduction unless both of you itemized deductions on your federal returns and both of you elect to itemize deductions on your New York returns.

Note: If you paid qualified college tuition expenses, your New York itemized deduction may be increased to an amount greater than your New York standard deduction as shown in the table on Form IT-201. You should complete the New York State itemized deduction worksheet on Form IT-201 to determine if your allowable New York itemized deduction is greater than your standard deduction.
New York itemized deduction overview - The starting point in computing your New York itemized deduction amount is your federal itemized deductions from federal Schedule A. However, differences between federal and New York State tax laws make it necessary to make certain adjustments to your federal itemized deductions in figuring your New York itemized deduction.
The subtraction adjustments on line i of the NYS itemized deduction worksheet reflect the fact that New York does not allow certain federal itemized deductions such as the federal deduction for state and local income taxes. Because of limits on certain federal deductions, and the overall limit on federal itemized deductions applicable to higher income taxpayers, it may be necessary for you to complete one or more worksheets to determine the amount of the New York subtraction adjustment.

Addition adjustments on line $k$ of the NYS itemized deduction worksheet reflect the fact that New York allows certain deductions that are not allowed for federal purposes such as expenses related to income that is exempt from federal tax but subject to New York tax.
Also, further adjustments may be required if you are subject to the New York itemized adjustment for higher income taxpayers (line $m$ of the NYS itemized deduction worksheet), or if you elect to claim the New York itemized deduction for college tuition expenses (line o of the NYS itemized deduction worksheet).
Before you begin: Locate your federal Schedule A, and, if you were required to complete it, the federal itemized deduction worksheet in the instructions for Form 1040.

## New York State itemized deduction worksheet instructions (page 2, Form IT-201)

## Lines a through h

Enter the amounts from the designated lines of your federal Schedule A (Form 1040).

## Line i

Subtraction adjustments A through F
To compute your New York itemized deduction, you must subtract certain amounts deducted on your federal return that cannot be deducted on your state return. Follow these steps:

1. Add the amounts of the adjustments described in items $A$ through $F$ on page 94 . If this total includes any of the adjustments described in items B through F, list them on a separate piece of paper marked Itemized deduction worksheet-subtraction adjustments. Identify the amount of each adjustment by letter ( $B$ through $F$ ) and attach that paper to your return.
2. If the amount on line 18 of your Form IT-201 is $\mathbf{\$ 1 4 5 , 9 5 0}$ or less ( $\$ 72,975$ if married filing separately), enter the total of your subtraction adjustments on line i. All others must complete Worksheet 2 on page 94 to determine the amount to enter on line i.

A State, local, and foreign income taxes from federal Schedule $A$, lines 5 and 8. (Do not include any general sales taxes that you entered on federal Schedule A, line 5.)
B Ordinary and necessary expenses paid or incurred in connection with income, or property held for the production of income, which is exempt from New York income tax but only to the extent included in total federal itemized deductions.

F Premiums paid for long-term care insurance to the extent deducted in determining federal taxable income (from line 5 of Worksheet 1 below).

Partners - Include on line ithe subtractions described above that apply to your share of partnership deduction items (if not included in your New York subtractions on Form IT-201). Obtain your share of partnership items from the partnership.

S corporation shareholders - If you are a shareholder of a federal S corporation that is a New York S corporation, or if you were not eligible to make the election to treat your corporation as a New York S corporation because the corporation is not subject to Article 9-A, general business corporation franchise tax, or Article 32, banking corporation franchise tax, include on line i subtractions B, C, D, and $F$ described above that apply to your pro rata share of S corporation items of income, loss or deduction. If the election to be a New York S corporation terminated during the tax year, you must allocate those items. Obtain your share of $S$ corporation items from the $S$ corporation.
If you are a shareholder of a federal S corporation that could, but did not, elect to be a New York S corporation, include subtraction E only.

See Step 11 on page 111
for the proper assembly of
your four-page return and all attachments.

## Line 63 New York State child and dependent care credit

Did you qualify to claim the federal child and dependent care credit for 2005 (whether or not you actually claimed it)?
If $N$ o, you do not qualify for this credit. Go to line 64.
If Yes, complete Form IT-216, Claim for Child and Dependent Care Credit, and transfer the amount from Form IT-216 to Form IT-201, line 63. Attach Form IT-216 to your return.
For more information, see the instructions for Form IT-216.

## Line 64 New York State earned income credit

Did you claim the federal earned income credit for 2005 on your federal income tax return?
If $\mathbf{N o}$, you do not qualify for this credit. Go to line 65.
If Yes, complete Form IT-215, Claim for Earned Income Credit, and transfer the amount from Form IT-215 to Form IT-201, line 64. Attach Form IT-215 to your return. For more information, see the instructions for Form IT-215.

If the IRS is computing your federal earned income credit, complete lines 1 through 9 of Form IT-215 and write EIC in the white area (not in the money column) to the left of line 64 of Form IT-201; leave the money column blank. Be sure to fill in the rest of the payment section of your Form IT-201 (lines 65 through 73). Do not complete lines 74 through 78. The Tax Department will compute your New York State earned income credit and the resulting refund or amount due.
If you are due a refund, we will send you the refund along with an explanatory statement. If you owe tax, you will receive a bill that must be paid within 21 days, or by April 17, 2006 (April 18, 2006, if you file your federal return at the IRS Service Center in Andover, MA), whichever is later.

## Line 65 Real property tax credit

Review the instructions for Form IT-214, Claim for Real Property Tax Credit for Homeowners and Renters, to see if you qualify for this credit. If you qualify, complete Form IT-214 and transfer the amount from Form IT-214 to Form IT-201, line 65. Attach Form IT-214 to your return.

## Line 66 College tuition credit

Did you or your spouse or your dependent(s) pay college tuition expenses during 2005?

If No, you do not qualify for this credit. Go to line 67.
If Yes, and you did not claim the college tuition deduction on line o of the itemized deduction worksheet (see page 95), complete Form IT-272, Claim for College Tuition Credit for New York State Residents, and transfer the amount from Form IT-272 to Form IT-201, line 66. Attach Form IT-272 to your return. For more information, see the instructions for Form IT-272.

Example 1: You were a 5-month New York City resident and your spouse was an 8-month New York City resident, and you marked filing status (2), married filing joint return. You are entitled to a credit of $\$ 83.33$ (using the 8-month period from Table 2).

Married taxpayers (filing status (3) - If you are computing your NYC tax separately, you must determine your NYC school tax credit using filing status (2). If one spouse is a city resident and the other is a city nonresident for the entire year, and you are computing your NYC tax as married filing separately, then determine the NYC school tax credit for the city resident spouse using Table 1 and filing status (3). The nonresident spouse is not entitled to a credit.

If one spouse is a resident and the other is a nonresident but you elect to compute your NYC tax as if both were residents for the entire year, determine your credit using Table 1 and filing status (2).

If one spouse is a city resident and the other is a part-year city resident, and you are computing your NYC tax as married filing separately, you must compute your credit separately. Use the New York City school tax credit worksheet below and Table 1, filing status (3), for the resident spouse. Use the worksheet and Table 2, filing status (3), for the part-year resident spouse.

Example 2 - Full-year resident and a part-year resident spouse: You and your spouse are filing a joint New York State income tax return (filing status (2)). You were a resident of New York City for the entire 2005 tax year. Your spouse was a New York City resident for only 3 months during the year.

Add your credit amount from Table 1 below using filing status (3) (\$62.50), and your spouse's credit amount from Table 2 using filing status (3) (\$15.63) for a combined credit of \$78.13.

If one spouse was a New York City part-year resident and the other spouse was a city nonresident for the entire year, determine the part-year resident's credit using Table 2 and filing status (3) and enter the result on line 67. The nonresident spouse may not take a credit.

## Line 68 New York City earned income credit (NYC residents only)

Did you claim the federal earned income credit for 2005 on your federal return?
If No, you do not qualify to claim this credit. Go to line 69.
If Yes, complete Form IT-215, Claim for Earned Income Credit, and transfer the amount from Form IT-215, line 27, to Form IT-201, line 68. Attach Form IT-215 to your return. For more information, see the instructions for Form IT-215.
If the IRS is computing your federal earned income credit, leave line 68 blank and write EIC in the white area (not in the money column) to the left of line 68. Be sure to fill in the rest of the payment section of your Form IT-201 (lines 69 through 73). Do not complete lines 74 through 78. The Tax Department will compute your New York City earned income credit and the resulting refund or amount due.

If you are due a refund, we will send you the refund along with an explanatory statement. If you owe tax, you will receive a bill that must be paid within 21 days, or by April 17, 2006 (April 18, 2006, if you file your federal return at the IRS Service Center in Andover, MA), whichever is later.

## Line 69 Other refundable credits

Enter the total amount of other refundable credits from Form IT-201-ATT, Part I, Section D, line 18. See the credit chart on page 6 for a listing of credits that can be refunded.

## Lines 70, 71, and 72

## Total New York State, New York City, and Yonkers tax withheld

$\sum_{\text {NEW }}^{\text {N }}$If you had New York State, New York City, or Yonkers tax withheld from your wages, you must complete new Form(s) IT-2, Summary of Federal Form W-2 Statements. If you had New York State, New York City, or Yonkers tax withheld from annuities, pensions, retirement pay or IRA payments, you must complete new Form(s) IT-1099-R, Summary of Federal Form 1099-R Statements.
Enter on the appropriate line your total New York State, New York City, and Yonkers tax withheld from:

- Form(s) IT-2;
- Form(s) IT-1099-R; and
- New York State lottery distributions.

Attach Form(s) IT-2 and Form(s) IT-1099-R to page 4 of your Form IT-201. If you had any NYS lottery distributions, attach federal Form W-2G as well. Do not attach federal Form W-2 or Form 1099-R to your return. Keep copies of your Form(s) IT-2, IT-1099-R, and W-2 for your records.

## Check your withholding for 2006

If, after completing your 2005 tax return, you want to change the amount of tax withheld from your paycheck, complete Form IT-2104, Employee's Withholding Allowance Certificate, and give it to your employer.

## Line 73 Total estimated tax payments and amount paid with Form IT-370

Enter the total of:

- Your 2005 estimated income tax payments for New York State, New York City, and Yonkers (include your last installment even if paid in 2006). If you marked filing status (2) but made separate 2005 estimated income tax payments (Form IT-2105), enter your combined total estimated income tax paid;
- Any amount of overpayment from your 2004 return that you applied to your estimated income tax (if this amount was adjusted by the Tax Department, use the adjusted amount); and
- Any amount you paid with Form IT-370, Application for Automatic Six-Month Extension of Time to File for Individuals. If you marked filing status (2) but you and your spouse filed separate Forms IT-370, enter the total amount you and your spouse paid.
Do not include any amounts you paid for the New York City unincorporated business tax. File Form NYC-202, New York City Unincorporated Business Tax Return, directly with the New York City Department of Finance.
You can check your balance and reconcile your estimated income tax account by going to www.nystax.gov and clicking on Electronic Services, or by writing us at:

```
NYS TAX DEPARTMENT
ESTIMATED TAX UNIT
WA HARRIMAN CAMPUS
ALBANY NY 12227
```

If you are a beneficiary of an estate or trust and are claiming your portion of any payment of estimated income taxes allocated to you by the estate or trust, include your amount on line 73 and attach a copy of the notification issued by the estate or trust to the front of your return. This notification must include the name and identifying number of the estate or trust and the amount allocated to you.

## Step 9 Calculate your refund or the amount you owe.

## Line 75 Amount overpaid

If you have to pay an estimated income tax penalty (see line 79 instructions on page 107), subtract the penalty from the overpayment and enter the net overpayment on line 75.
Your net overpayment can be:
1 refunded to you (enter amount on line 76);
2 deposited directly into your bank account (enter amount on line 76 and see the instructions for line 80 on page 108);
3 applied to your 2006 estimated income tax (enter on line 77); or
4 divided between options 1 and 3 , or 2 and 3 .
If your estimated income tax penalty on line 79 is greater than your overpayment on line 75, enter the difference on line 78.

## Line 76 Your refund

Enter the amount of overpayment that you want refunded to you. If you want a fast direct deposit, you must supply the information requested on line 80.
You must file a return to get a refund. The Tax Department will not refund an amount of one dollar or less unless you attach a signed request to your return.
Collection of debts from your refund - We will keep all or part of your overpayment (refund) if you owe a New York State tax liability or a New York City or Yonkers personal income tax liability, if you owe past-due support or a past-due legally enforceable debt to the IRS, to a New York State agency, or to another state, if you defaulted on a guaranteed student, state university, or city university loan, or if you owe a New York City tax warrant judgment debt. We will refund any amount that exceeds your debt.
A New York State agency includes any state department, board, bureau, division, commission, committee, public authority, public benefit corporation, council, office, or other entity performing a governmental or proprietary function for the state or a social services district.

If you have questions about whether you owe a past-due legally enforceable debt to the IRS or to a state agency, contact the IRS or the state agency.

For New York State tax liabilities or New York City or Yonkers personal income tax liabilities, call 1800 835-3554 (from areas outside the U.S. and outside Canada, call (518) 485-6800) or write to: NYS Tax Department, Tax Compliance Division, W A Harriman Campus, Albany NY 12227.

For information relating to a New York City tax warrant judgment debt, call (212) 232-3550.

## Disclaiming of spouse's debt

If you marked filing status (2) and you do not want to apply your part of the overpayment to your spouse's non-IRS debt because you are not liable for it, complete Form IT-280, Nonobligated Spouse Allocation, and attach it to your original return. We need the information on Form IT-280 to process your refund as quickly as possible. You cannot file an amended return to disclaim your spouse's non-IRS debt after you have filed your original return.
We will notify you if we keep your overpayment because of a past-due legally enforceable debt to the IRS. If your spouse owes the debt and you do not want your part of the overpayment to be used to pay the debt, you cannot use Form IT-280 to disclaim your spouse's debt. Instead, you will need to file federal Form 8379, Injured Spouse Claim and Allocation, with the IRS.

## Line 77 Estimated tax

Enter the amount of overpayment from line 75 that you want applied to your New York State, New York City, and Yonkers estimated income tax for 2006. The total of lines 76 and 77 should equal the amount on line 75.

If you choose to apply all or part of your overpayment to your 2006 estimated income tax, you generally cannot change that decision after April 17, 2006 (April 18, 2006, if you file your federal return at the IRS Service Center in Andover, MA).

## Line 78 Amount you owe

Enter on line 78 the amount of tax you owe plus any estimated income tax penalty you owe (see line 79 instructions). Do not include any other penalties or interest (from the Other penalties and interest listing below) in the total on line 78. If you include any of these penalties and interest with your payment, identify and enter only those amounts in the white area (not in the boxes) to the left of the Owe box at line 78.
Other penalties and interest: To avoid other penalties and interest, pay any tax you owe by April 17, 2006 (April 18, 2006, if you file your federal return at the IRS Service Center in Andover, MA).

- A late payment penalty will be charged if you do not pay your income tax when due. The penalty is $1 / 2$ of $1 \%$ of the unpaid amount for each month or part of a month it is not paid, up to a maximum of $25 \%$. This penalty is in addition to the interest charged on late payments.
- A late filing penalty may be charged if you file your return late (taking into account any extension of time to file). The penalty is $5 \%$ of the income tax due for each month or part of a month the return is late, up to a maximum of $25 \%$.
- Interest is due on any income tax or sales or use tax that is not paid on or before the due date of your return, even if you received an extension of time to file your return.
For additional information on penalties and interest, see Publication 80, General Income Tax Information for New York State Residents.
Computing interest and penalties: You may compute the interest and penalty by visiting www.nystax.gov and clicking on Electronic Services, or call 1800 225-5829 and we will compute the interest and penalty for you.

## Line 79 Estimated tax penalty

Begin with these steps to determine if you may owe an estimated income tax penalty.
(1) Locate the amount of your 2004 New York AGI as shown on your 2004 return;
(2) Locate the amount of your 2004 New York income tax; then
(3) Calculate the amount of your 2005 prepayments (the amount of withholding and estimated tax payments you have already made for 2005).
In general, you are not subject to a penalty if your 2005 prepayments equal at least 100\% of your 2004 income tax. However:

- If your 2004 New York AGI was more than \$150,000 (or \$75,000 if you are married filing separately) and you are not a farmer or a fisherman, your prepayments must equal at least 110\% of your 2004 income tax based on a 12 month return;
- You may owe a penalty if line 78 is $\$ 300$ or more and represents more than $10 \%$ of the income tax shown on your 2005 return; and
- You may owe a penalty if you underpaid your estimated income tax liability for any payment period.
For more information, see Form IT-2105.9, Underpayment of Estimated Tax by Individuals and Fiduciaries.

If you owe an estimated income tax penalty, enter the penalty amount on line 79. Also add the same amount to any tax due and enter the total on line 78. It is possible for you to owe an estimated income tax penalty and also be due a refund. In that case, subtract the estimated income tax penalty amount from the overpayment and enter the net result on line 75. Do not include any other penalty or interest amounts on line 75. Be sure to attach Form IT-2105.9 to your return.

## Payment options

## By check or money order -

If you owe more than one dollar, include full payment with your return. Make check or money order payable to New York State Income Tax and write your social security number and 2005 Income Tax on it. Do not send cash.

## By credit card -

You can use your American Express Cards®, Discover®/ Novus®, MasterCard ${ }^{\circledR}$, or Visa ${ }^{\circledR}$ to pay the amount you owe on your 2005 New York State income tax return. You can pay your income taxes due with your return by credit card using a touch-tone phone or through the Internet. The credit card service provider will charge you a convenience fee to cover the cost of this service, and you will be told the amount before you confirm the credit card payment. Please note that the convenience fee, terms, and conditions may vary between the credit card service providers. These are the same credit card service providers that have agreements with the IRS to process income tax payments.
You can make your payment by credit card regardless of how you file your income tax return. For returns filed before the due date, you can make credit card payments any time up to the due date. For returns filed on or after the due date, you should make your credit card payment at the same time you file your return. Credit cards cannot be used to pay any tax due on an amended return.

You can pay your income taxes due with your return using either of the two credit card service providers listed below.

You can also connect to either of these Web sites by going to the Tax Department's Web site at www.nystax.gov and clicking on Electronic Services.

Whether paying by telephone or through the Internet, follow the simple instructions to enter personal identifying information, the credit card number and expiration date, and the amount of the payment (line 78 of Form IT-201). Have a copy of your completed New York State income tax return
available. You will be told the amount of the convenience fee that the credit card service provider will charge you to cover the cost of this service. At this point you may elect to accept or cancel the credit card transaction.
If you accept the credit card transaction you will be given a confirmation number. Please keep this confirmation number as proof of payment.
For additional information go to www.nystax.gov and click on Electronic Services.

## By automatic bank withdrawal -

You may authorize the Tax Department to make an electronic funds withdrawal from your bank account.
File now/Pay later! You must specify a future payment date up to and including April 18, 2006. If you file before April 18, money will not be withdrawn from your account before the date you specify. To avoid interest and penalties, you must authorize a withdrawal on or before the filing deadline. If you designate a weekend or a bank holiday, the payment will be withdrawn the next business day. See line 80 instructions below.

## Installment payments

If you cannot pay the full amount you owe with your return, you can ask to make monthly installment payments. However, because you will have to pay interest and will be subject to a late payment penalty on any tax not paid by April 17, 2006 (April 18, 2006, if you file your return at the IRS Service Center in Andover, MA), you should consider alternatives such as a commercial or private loan before requesting an installment agreement.
To limit interest and penalty charges, file your return on time and pay as much of the tax as possible with your return.
To request an income tax installment payment agreement:

- Complete New York State Form DTF-383, Income Tax Installment Payment Agreement Request. To get Form DTF-383, visit our Web site at www.nystax.gov, see Need help? on the back cover, or use the forms order blank, Forms and Publications Ordering Information (Form IT-86), that came with your income tax packet.
- Attach your completed Form DTF-383 to the front of your 2005 income tax return. The Tax Department will notify you of its decision with respect to your request.

## Line 80 Account information

Are you requesting direct deposit of your refund to, or automatic withdrawal of your taxes from, your bank account? If $\mathbf{N o}$, go to Step 10.

If Yes, you must mark the appropriate box at line 80 and supply the information requested for lines 80a, b, and c.

## The following requirements apply to both direct deposit and electronic funds withdrawal:

Enter your bank's 9-digit routing number on line 80a. If the first two digits are not 01 through 12, or 21 through 32, the transaction will be rejected. On the sample check below, the routing number is 090090099.

If your check states that it is payable through a bank different from the one where you have your checking account, do not use the routing number on that check. Instead, contact your bank for the correct routing number to enter on line 80a.

Enter your account number on line 80b. The number can be up to 17 characters (both numbers and letters). Include hyphens (-) but omit spaces and special symbols. Enter the number from left to right and leave any unused boxes blank.

On line 80c, mark an $\boldsymbol{X}$ in the box for the type of account, checking or savings.

- If you mark Checking, enter the account number shown on your checks. (On the sample check below, the account number is 1357902468 . Do not include the check number.)
- If you mark Savings, you can get your savings account number from a preprinted savings account deposit slip, your passbook or other bank records, or from your bank.
If you encounter any problem with direct deposit to, or electronic withdrawal from, your account, call toll free 1800 225-5829. Please allow six to eight weeks for processing your return.

Note: The routing and account numbers may appear in different places on your check.

## Refund — Direct deposit

Mark an $\boldsymbol{X}$ in the box for Refund on line 80.
The Tax Department will not notify you that your refund has been deposited. However, if the amount we deposit is different from the amount of refund you claimed, we will send you a written explanation of the adjustment within two weeks from the date your refund is deposited.
We will make every effort to comply with your request for direct deposit. However, we cannot be responsible when a bank refuses a direct deposit. Some banks, for example, do not allow a joint refund to be deposited into an individual account. You can contact your bank to confirm routing and account numbers and to make sure that it will accept your deposit. If we cannot make the direct deposit for any reason, we will send a check to the mailing address on your return.

## Owe - Electronic funds withdrawal <br> 

Mark an $\boldsymbol{X}$ in the box for Owe on line 80 and enter the date you want the Tax Department to make an electronic funds withdrawal from your bank account.
The Tax Department will only use electronic funds withdrawal for the one tax payment you have authorized. Your confirmation will be your bank statement that includes a NYS Tax Payment line item. If we determine that the amount you owe is different from the amount claimed on your return, we will only withdraw less than or equal to the amount you have claimed. We will send you a bill for any additional amount owed, which may include penalty and interest.

If your bank returns your electronic funds withdrawal (due to insufficient funds, incorrect bank account information, closed accounts, etc.), the Tax Department will send a notification letter to the mailing address on your return. You will need to submit a check or money order to the address on the notification, or you may elect to pay by credit card (see page 107).

We will make every effort to comply with your request for electronic funds withdrawal. However, we cannot be responsible when a bank refuses an electronic funds withdrawal. You can contact your bank to confirm routing and account numbers and to make sure that it will accept the withdrawal.

If for any reason we cannot comply with your request for electronic funds withdrawal, we will send a notice to the mailing address on your return.

## Step 10 Sign and date your return

## Part A Third-party designee

Do you want to authorize a friend, family member, or any other person (third-party designee) to discuss your 2005 tax return with the New York State Tax Department?

If $\boldsymbol{N o}$, mark an $\boldsymbol{X}$ in the No box and go to Part B.
If Yes, mark an $\boldsymbol{X}$ in the Yes box. Enter the designee's name, phone number, and any five numbers the designee chooses as his or her personal identification number (PIN). If you want to authorize the paid preparer who signed your return to discuss it with the Tax Department, just enter Preparer in the space for the designee's name. You do not have to provide the other information requested.

If you mark the Yes box, you (and your spouse, if filing a joint return) are authorizing the Tax Department to discuss with the designee any questions that arise during the processing of your return. You are also authorizing the designee to:

- give the Tax Department any information that is missing from your return;
- call the Tax Department for information about the processing of your return or the status of your refund or payment(s); and
- respond to certain Tax Department notices that you share with the designee about math errors, offsets, and return preparation. We will not send notices to the designee.
You are not authorizing the designee to receive your refund check, bind you to anything (including any additional tax liability), or otherwise represent you before the Tax Department. If you want the designee to perform those services for you, you must file Form POA-1, Power of Attorney. Copies of statutory tax notices or documents (such as a Notice of Deficiency) will only be sent to your designee if you file Form POA-1.
A third-party designee authorization cannot be revoked. However, the authorization will end automatically on the due date (without regard to extensions) for filing your 2006 tax return. For most taxpayers, the due date will be April 16, 2007.

## Part B Paid preparer's signature

Did you pay someone to prepare your return? If No, go to Part C.
If Yes, the paid preparer must also sign it and fill in the other blanks in the paid preparer's area of your return. A person who prepares your return and does not charge you should not fill in the paid preparer's area.
Note to paid preparers - When signing a taxpayer's New York State income tax return, you must enter the same identification number that you used on the taxpayer's federal income tax return. If you did not prepare a federal income tax return for the taxpayer, you must use your PTIN if you have one; otherwise, use your social security number. For additional information, see Publication 58, Information for Income Tax Return Preparers.

## Part C Your signature(s)

In the spaces provided at the bottom of page 4, sign and date your original return and enter your occupation. If you are married and filing a joint return, also enter your spouse's occupation. Both spouses must sign a joint return; we cannot process unsigned returns.

If the return is for someone who died and there is no surviving spouse to sign it, print or type the name and address of the person signing it below the signature. For additional information about deceased taxpayers, see page 37.

## Daytime phone number

This voluntary entry will enable the Tax Department to correct minor errors or omissions by calling you rather than writing or sending back your return. You are not required to give your telephone number.

## Step 11 Finish your return

Take a moment to go over the checklist on page 115 to avoid common errors that may delay your refund. Then finish your return as shown below in Parts 1 through 7.

Part 1 Once you have completed and reviewed the return, attach your peel-off name-and-address label, if you have one, making any necessary corrections to the information. See Step 1 if you have a question.

Part 2 Staple payments, if any, to page 1 of your Form IT-201 where indicated.

Part 3 Staple new Form(s) IT-2 (and IT-1099-R and federal W-2G if applicable) to page 4 of your Form IT-201.

Part 4 Staple any other forms, including Form IT-201-ATT, and any correspondence and computation sheets of paper behind your Form(s) IT-2, IT-1099-R, or W-2G face up.

Part 5 Two-dimensional (2D) barcode cover sheet. If your software package or preparer prints a 2D barcode cover sheet as page one of your Form IT-201, place the cover sheet face up, on the top of the front page of Form IT-201, and staple the entire return at the top of the cover sheet. Staple payments, if any, to the front of the 2D barcode cover sheet where indicated. If you need to change and reprint your return, also be sure to reprint the 2D barcode cover sheet.
Please note: Do not write, print, or photocopy anything on the back of the 2D barcode cover sheet.

Part 6 Make a copy of your return and any other attached forms or papers for your records. You may be asked by the Tax Department to provide copies of these records after you have filed your income tax return.

Part 7 Use the envelope provided or address an envelope to send your original return to the following address:

## STATE PROCESSING CENTER PO BOX 61000 <br> ALBANY NY 12261-0001

Mail your return by April 17, 2006 (April 18, 2006, if you file your federal return at the IRS Service Center in Andover, MA).

If you choose, you may use a private delivery service, instead of the U.S. Postal Service, to file your return (see page 39).

## Important reminder to file a complete return

You must complete all required schedules and forms that make up your return, and include all pages of those forms and schedules when you file. Attach only those forms and schedules that apply to your return, and be sure that you have made all required entries. Returns that are missing required pages or that have pages with missing entries are considered incomplete and cannot be processed, and may subject taxpayers to penalty and interest.

## Line instructions for Form IT-201-ATT, Other Tax Credits and Taxes

## Purpose of Form IT-201-ATT

You must complete Form IT-201-ATT and attach it to your Form IT-201 if:

- you are claiming other New York State, New York City, or Yonkers credits below and listed on pages 113 and 114 (credits that are not computed directly on Form IT-201); or
- you are subject to other New York State or New York City taxes.

## Instructions

Enter your name and social security number as it is listed on your Form IT-201. If you are filing a joint return, enter both names and use the social security number of the taxpayer listed first on your Form IT-201.

$\triangle$Where applicable, you must enter a 3-digit code number for each credit claimed and attach the

The Other credits and taxes chart on pages 113 and 114 lists other credits you may claim and other taxes you may have to pay, along with credit code numbers, where applicable, and the line reference for Form IT-201-ATT.

Find the credits and taxes that apply to you. Complete the additional credit forms as indicated. Enter the money amounts on the appropriate lines and the code numbers, where applicable (see example below). You must attach all applicable credit forms and tax computations to Form IT-201.

See specific line instructions for lines 1, 9, and 22, and the special instructions for Section $B$ below and on page 113.

## Line 1

If you receive an accumulation distribution as a beneficiary of a trust, you may be allowed a credit for New York State income taxes paid by the trust. Attach a copy of the computation of your New York State accumulation distribution credit provided to you by the trust and enter the amount of the credit on line 1.

## Section B

This section lists credits that reduce your tax but are not refundable. If the amount of the credit exceeds your tax, you may carry the excess over to a future year (or years). If you are claiming an original credit or a carryover of a credit, be sure to complete the appropriate credit form and attach it to your Form IT-201.
If the amount of the credits reported in Section $\mathbf{B}$ exceeds the sum of the taxes shown on line 39 of Form IT-201 and line 21 of Form IT-201-ATT, reduced by the credits reported on lines 40 and 41 of Form IT-201, and line 2 of Form IT-201-ATT, you may have a credit carryover to 2006. If you have an excess credit and you are claiming more than one credit in Section B, you may apply the credits against the amount determined above in any manner you wish in order to determine the excess. However, it will be to your advantage to apply carryover credits with limited carryover periods first.

If you are claiming more than one nonrefundable carryover credit, you must complete the Application of credit and computation of carryover section on each individual credit form to indicate the amount of each credit you choose to apply to your 2005 tax and the amount of each credit available for carryover to 2005. Failure to complete the Application of credit and computation of carryover section on the credit form(s) may cause a delay in processing your return.

For information on credits and carryovers, see Publication 99, General Information on New York State and New York City Income Tax Credits.

## Line 9

Compute your NYC accumulation distribution credit using the worksheet on page 113. If you received an accumulation distribution as a beneficiary of a trust, you may be allowed a credit for NYC income taxes paid by the trust. Attach a copy of the computation of your NYC accumulation distribution credit provided to you by the trust.
