50 Amount of line 49 that you want refunded to you (for Direct deposit, complete line 54)………………Refund 50………………

51 Estimated tax only — Amount of line 49 that you want applied to your 2006 estimated tax. (Do not include any amount that you claimed as a refund on line 50.)………………Refund 51………………

53 Estimated tax penalty — Include this amount in line 52 or reduce the payment on line 49. See page 30.)………………Refund 53………………

54 Account information (see page 31) Mark one: Refund – Direct deposit  Electronic funds withdrawal effective date

Line 49 Amount overpaid

If you have to pay an estimated income tax penalty (see line 53 instructions on page 30), subtract the penalty from the overpayment and enter the net overpayment on line 49.

Your net overpayment can be:
1 refunded to you (enter amount on line 50);  
2 deposited directly into your bank account (enter amount on line 50 and see the instructions for line 54 on page 31);  
3 applied to your 2006 estimated income tax (enter on line 51); or  
4 divided between options 1 and 3, or 2 and 3.

If your estimated income tax penalty on line 53 is greater than your overpayment on line 49, enter the difference on line 52.

Line 50 Your refund

Enter the amount of overpayment that you want refunded to you. If you want a fast direct deposit, you must supply the information requested on line 54.

You must file a return to get a refund. The Tax Department will not refund an amount of one dollar or less unless you attach a signed request to your return.

Collection of debts from your refund — We will keep all or part of your overpayment (refund) if you owe a New York State tax liability or a New York City or Yonkers personal income tax liability, if you owe past-due support or a past-due legally enforceable debt to the IRS, to a New York State agency, or to another state, if you defaulted on a guaranteed student, state university, or city university loan, or if you owe a New York City tax warrant judgment debt. We will refund any amount that exceeds your debt.

A New York State agency includes any state department, board, bureau, division, commission, committee, public authority, public benefit corporation, council, office, or other entity performing a governmental or proprietary function for the state or a social services district.

If you have questions about whether you owe a past-due legally enforceable debt to the IRS or to a state agency, contact the IRS or the state agency.

For New York State tax liabilities or New York City or Yonkers personal income tax liabilities, call 1 800 835-3554 (from areas outside the U.S. and outside Canada, call (518) 485-6800) or write to: NYS Tax Department, Tax Compliance Division, W A Harriman Campus, Albany NY 12227.

For information relating to a New York City tax warrant judgment debt, call (212) 232-3550.

Disclaiming of spouse’s debt

If you marked filing status 2 and you do not want to apply your part of the overpayment to your spouse’s non-IRS debt because you are not liable for it, complete Form IT-280, Nonobligated Spouse Allocation, and attach it to your original return. We need the information on Form IT-280 to process your refund as quickly as possible. You cannot file an amended return to disclaim your spouse’s non-IRS debt after you have filed your original return.

We will notify you if we keep your overpayment because of a past-due legally enforceable debt to the IRS. If your spouse owes the debt and you do not want your part of the overpayment to be used to pay the debt, you cannot use Form IT-280 to disclaim your spouse’s debt. Instead, you will need to file federal Form 8379, Injured Spouse Claim and Allocation, with the IRS.

Line 51 Estimated tax

Enter the amount of overpayment from line 49 that you want applied to your New York State, New York City, and Yonkers estimated income tax for 2006. The total of line 50 and 51 should equal the amount on line 49.

If you choose to apply all or part of your overpayment to your 2006 estimated income tax, you generally cannot change that decision after April 17, 2006 (April 18, 2006, if you file your federal return at the IRS Service Center in Andover, MA).

Line 52 Amount you owe

Enter on line 52 the amount of tax you owe plus any estimated income tax penalty you owe (see line 53 instructions). Do not include any other penalties or interest (from the Other penalties and interest listing on page 30) in the total on line 52. If you include any of

(continued)
these penalties and interest with your payment, identify and enter only those amounts in the white area (not in the boxes) to the left of the Owe box at line 52.

Other penalties and interest: To avoid other penalties and interest, pay any tax you owe by April 17, 2006 (April 18, 2006, if you file your federal return at the IRS Service Center in Andover, MA).

- A late payment penalty will be charged if you do not pay your income tax when due. The penalty is ½ of 1% of the unpaid amount for each month or part of a month it is not paid, up to a maximum of 25%. This penalty is in addition to the interest charged on late payments.
- A late filing penalty may be charged if you file your return late (taking into account any extension of time to file). The penalty is 5% of the income tax due for each month or part of a month the return is late, up to a maximum of 25%.
- Interest is due on any income tax or sales or use tax that is not paid on or before the due date of your return, even if you received an extension of time to file your return.

For additional information on penalties and interest, see Publication 80, General Income Tax Information for New York State Residents.

Computing interest and penalties: You may compute the interest and penalty by visiting www.nystax.gov and clicking on Electronic Services, or call 1 800 225-5829 and we will compute the interest and penalty for you.

Begin with these steps to determine if you may owe an estimated income tax penalty.

1. Locate the amount of your 2004 New York AGI as shown on your 2004 return;
2. Locate the amount of your 2004 New York income tax; then
3. Calculate the amount of your 2005 prepayments (the amount of withholding and estimated tax payments you have already made for 2005).

In general, you are not subject to a penalty if your 2005 prepayments equal at least 100% of your 2004 income tax. However:

- If your 2004 New York AGI was more than $150,000 (or $75,000 if you are married filing separately) and you are not a farmer or a fisherman, your prepayments must equal at least 110% of your 2004 income tax based on a 12 month return;
- You may owe a penalty if line 52 is $300 or more and represents more than 10% of the income tax shown on your 2005 return; and
- You may owe a penalty if you underpaid your estimated income tax liability for any payment period.

For more information, see Form IT-2105.9, Underpayment of Estimated Tax by Individuals and Fiduciaries.

If you owe an estimated income tax penalty, enter the penalty amount on line 53. Also add the same amount to any tax due and enter the total on line 52. It is possible for you to owe an estimated income tax penalty and also be due a refund. In that case, subtract the estimated income tax penalty amount from the overpayment and enter the net result on line 49. Do not include any other penalty or interest amounts on line 49. Be sure to attach Form IT-2105.9 to your return.

Payment options

By check or money order —
If you owe more than one dollar, include full payment with your return. Make check or money order payable to New York State Income Tax and write your social security number and 2005 Income Tax on it. Do not send cash.

By credit card —
You can use your American Express Cards®, Discover®, Novus®, MasterCard®, or Visa® to pay the amount you owe on your 2005 New York State income tax return. You can pay your income taxes due with your return by credit card using a touch-tone phone or through the Internet. The credit card service provider will charge you a convenience fee to cover the cost of this service, and you will be told the amount before you confirm the credit card payment. Please note that the convenience fee, terms, and conditions may vary between the credit card service providers. These are the same credit card service providers that have agreements with the IRS to process income tax payments.

You can make your payment by credit card regardless of how you file your income tax return. For returns filed before the due date, you can make credit card payments any time up to the due date. For returns filed on or after the due date, you should make your credit card payment at the same time you file your return. Credit cards cannot be used to pay any tax due on an amended return.

You can pay your income taxes due with your return using either of the two credit card service providers listed below.

You can also connect to either of these Web sites by going to the Tax Department’s Web site at www.nystax.gov and clicking on Electronic Services.

Whether paying by telephone or through the Internet, follow the simple instructions to enter personal identifying information, the credit card number and expiration date, and the amount of the payment (line 52 of Form IT-150). Have a copy of your completed New York State income tax return available. You will be told the amount of the convenience fee that the credit card service provider will charge you to cover the cost of this service. At this point you may elect to accept or cancel the credit card transaction.

If you accept the credit card transaction you will be given a confirmation number. Please keep this confirmation number as proof of payment.

For additional information go to www.nystax.gov and click on Electronic Services.
By automatic bank withdrawal —
You may authorize the Tax Department to make an electronic funds withdrawal from your bank account.

File now/Pay later! You must specify a future payment date up to and including April 18, 2006. If you file before April 18, money will not be withdrawn from your account before the date you specify. To avoid interest and penalties, you must authorize a withdrawal on or before the filing deadline. If you designate a weekend or a bank holiday, the payment will be withdrawn the next business day. See line 54 instructions below.

Installment payments
If you cannot pay the full amount you owe with your return, you can ask to make monthly installment payments. However, because you will have to pay interest and will be subject to a late payment penalty on any tax not paid by April 17, 2006 (April 18, 2006, if you file your return at the IRS Service Center in Andover, MA), you should consider alternatives such as a commercial or private loan before requesting an installment agreement.

To limit interest and penalty charges, file your return on time and pay as much of the tax as possible with your return.

To request an income tax installment payment agreement:
• Complete New York State Form DTF-383, Income Tax Installment Payment Agreement Request. To get Form DTF-383, visit our Web site at www.nystax.gov, see Need help? on the back cover, or use the forms order blank, Forms and Publications Ordering Information (Form IT-86), that came with your income tax packet.
• Attach your completed Form DTF-383 to the front of your 2005 income tax return. The Tax Department will notify you of its decision with respect to your request.

Line 54 Account information
Are you requesting direct deposit of your refund to, or automatic withdrawal of your taxes from, your bank account? If No, go to Step 10.

If Yes, you must mark the appropriate box at line 54 and supply the information requested for lines 54a, b, and c.

The following requirements apply to both direct deposit and electronic funds withdrawal:
Enter your bank’s 9-digit routing number on line 54a. If the first two digits are not 01 through 12, or 21 through 32, the transaction will be rejected. On the sample check below, the routing number is 090090009.

If your check states that it is payable through a bank different from the one where you have your checking account, do not use the routing number on that check. Instead, contact your bank for the correct routing number to enter on line 54a.

Enter your account number on line 54b. The number can be up to 17 characters (both numbers and letters). Include hyphens (-) but omit spaces and special symbols. Enter the number from left to right and leave any unused boxes blank.

On line 54c, mark an X in the box for the type of account, checking or savings.

• If you mark Checking, enter the account number shown on your checks. (On the sample check below, the account number is 1357902468. Do not include the check number.)
• If you mark Savings, you can get your savings account number from a preprinted savings account deposit slip, your passbook or other bank records, or from your bank.

If you encounter any problem with direct deposit to, or electronic withdrawal from, your account, call toll free 1 800 225-5829. Please allow six to eight weeks for processing your return.

Refund — Direct deposit
Mark an X in the box for Refund on line 54.

The Tax Department will not notify you that your refund has been deposited. However, if the amount we deposit is different from the amount of refund you claimed, we will send you a written explanation of the adjustment within two weeks from the date your refund is deposited.

We will make every effort to comply with your request for direct deposit. However, we cannot be responsible when a bank refuses a direct deposit. Some banks, for example, do not allow a joint refund to be deposited into an individual account. You can contact your bank to confirm routing and account numbers and to make sure that it will accept your deposit. If we cannot make the direct deposit for any reason, we will send a check to the mailing address on your return.

Owe — Electronic funds withdrawal
Mark an X in the box for Owe on line 54 and enter the date you want the Tax Department to make an electronic funds withdrawal from your bank account.

The Tax Department will only use electronic funds withdrawal for the one tax payment you have authorized. Your confirmation will be your bank statement that includes a NYS Tax Payment line item. If we determine that the amount you owe is different from the amount claimed on your return, we will only withdraw less than or equal to the amount you have claimed. We will send you a bill for any additional amount owed, which may include penalty and interest.

If your bank returns your electronic funds withdrawal (due to insufficient funds, incorrect bank account information, closed accounts, etc.), the Tax Department will send a notification letter to the mailing address on your return. You will need to submit a check or money order to the address on the notification, or you may elect to pay by credit card (see page 30).

We will make every effort to comply with your request for electronic funds withdrawal. However, we cannot be responsible when a bank refuses an electronic funds withdrawal. You can contact your bank to confirm routing and account numbers and to make sure that it will accept the withdrawal.

If for any reason we cannot comply with your request for electronic funds withdrawal, we will send a notice to the mailing address on your return.
Step 10 — Sign and date your return

Part A Third-party designee
Do you want to allow another person to discuss this return with the Tax Dept? (see page 32)

Yes (complete the following) No

Part B Paid preparer’s signature
Did you pay someone to prepare your return?

If No, go to Part B.

If Yes, the paid preparer must also sign it and fill in the other blanks in the paid preparer’s area of your return. A person who prepares your return and does not charge you should not fill in the paid preparer’s area.

Note to paid preparers — When signing a taxpayer’s New York State income tax return, you must enter the same identification number that you used on the taxpayer’s federal income tax return. If you did not prepare a federal income tax return for the taxpayer, you must use your PTIN if you have one; otherwise, use your social security number. For additional information, see Publication 58, Information for Income Tax Return Preparers.

Part C Your signature(s)
In the spaces provided at the bottom of the back page, sign and date your original return and enter your occupation.

If you are married and filing a joint return, also enter your spouse’s occupation. Both spouses must sign a joint return; we cannot process unsigned returns.

If the return is for someone who died and there is no surviving spouse to sign it, print or type the name and address of the person signing it below the signature. For additional information about deceased taxpayers, see page 37.

Daytime phone number
This voluntary entry will enable the Tax Department to correct minor errors or omissions by calling you rather than writing or sending back your return. You are not required to give your telephone number.
**Step 11 — Finish your return**

Take a moment to go over the checklist on page 34 to avoid common errors that may delay your refund. Then finish your return as shown below in Parts 1 through 7.

**Part 1** Once you have completed and reviewed the return, attach your peel-off name and address label, if you have one, making any necessary corrections to the information. See Step 1 if you have a question.

**Part 2** Staple payments, if any, to the front of your Form IT-150 where indicated.

**Part 3** Staple new Form(s) IT-2 (and IT-1099-R if applicable) to the back of your Form IT-150.

**Part 4** Staple any other forms and any correspondence and computation sheets of paper behind your Form(s) IT-2 or IT-1099-R, face up.

**Part 5** Two-dimensional (2D) barcode cover sheet.

If your software package or preparer prints a 2D barcode cover sheet as page one of your Form IT-150, place the cover sheet face up, on the top of the front page of Form IT-150, and staple the entire return at the top of the cover sheet. Staple payments, if any, to the front of the 2D barcode cover sheet where indicated. If you need to change and reprint your return, also be sure to reprint the 2D barcode cover sheet.

Please note: Do not write, print, or photocopy anything on the back of the 2D barcode cover sheet.

**Part 6** Make a copy of your return and any other attached forms or papers for your records. You may be asked by the Tax Department to provide copies of these records after you have filed your income tax return.

**Part 7** Use the envelope provided or address an envelope to send your original return to the following address:

**STATE PROCESSING CENTER**
**PO BOX 61000**
**ALBANY NY 12261-0001**

Mail your return by April 17, 2006 (April 18, 2006, if you file your federal return at the IRS Service Center in Andover, MA).

If you choose, you may use a private delivery service, instead of the U.S. Postal Service, to file your return (see page 39).

**Important reminder to file a complete return**

You must complete all required schedules and forms that make up your return, and include all pages of those forms and schedules when you file. Attach only those forms and schedules that apply to your return, and be sure that you have made all required entries. Returns that are missing required pages or that have pages with missing entries are considered incomplete and cannot be processed, and may subject taxpayers to penalty and interest.
