Changes for 2006

General information

Tax rates — For the tax year January 1, 2006, through December 31, 2006, the tax rate is 2% (.02) on noncommodity gas and electric service (receipts from transportation, transmission, or distribution of gas or electricity).

Metropolitan transportation business tax (MTA surcharge) — For a utility supervised by the Department of Public Service (where the utility is not a provider of telecommunication services) the MTA surcharge on Form CT-186-P/M, *Utility Services MTA Surcharge Return*, for the tax year January 1, 2006, through December 31, 2006, is computed using the 2% tax rate on gross income.

Who must file Form CT-186-P — Every utility doing business in New York State that is subject to the supervision of the New York State Department of Public Service that sells or furnishes gas, electricity, steam, water, or refrigeration service by means of mains, pipes, or wires for ultimate consumption or use by the purchaser in this state must file this form. *Utilities* include persons, corporations, companies, associations, joint stock associations, partnerships, estates, assignees of rents, persons acting in a fiduciary capacity, and persons, their assignees, lessees, trustees, or receivers, appointed by any court, that are subject to the supervision of the New York State Department of Public Service. *Utilities* include, but are not limited to, street surface, rapid transit, subway, and elevated railroads; gas, electric, steam, water, bridge, express, transfer, and freight terminal companies; and nonoperating railroads that lease their property to others. **Motor carriers or brokers are not required to file this return.**

The following taxpayers are required to file Form CT-186-P if they sell gas or electricity, or gas or electric service:

- A. All municipalities, political and civil subdivisions, and public districts that transport, transmit, or distribute gas or electricity must file. Do not include as taxpayers those described below under *Exemption from tax*, item 2.
- B. All municipalities engaged in the transportation, transmission, or distribution of electricity must file. Do not include as taxpayers those described below under *Exemption from tax*, item 3.

A utility subject to section 186-a that has gross income of less than \$500 for the tax year ending December 31 is exempt from the payment of the tax under this section, but must still file a return. For additional information, see the instructions for lines 21 and 22.

Other forms you may have to file

Reporting requirements for tax shelters — The Tax Law requires taxpayers to report information about transactions that present the potential for tax avoidance (tax shelters). There are separate reporting requirements for those who use tax shelters and for those who promote the use of tax shelters. These reporting requirements are similar to the tax shelter disclosure requirements for federal income tax purposes. For more information, see TSB-M-05(2)C (for business taxes) or TSB-M-05(4)I (for personal income tax), *Disclosure of Certain Transactions and Related Information Regarding Tax Shelters*; TSB-M-05(2.1)C (for business taxes) or TSB-M-05(4.1)I (for personal income tax), *Supplement to the Disclosure of Certain Transactions and Related Information Regarding Tax Shelters*; and TSB-M-05(2.2)C (for business taxes) or TSB-M-05(4.2)I (for personal income tax), *Additional Supplement to the Disclosure of Certain Transactions and Related Information Regarding Tax Shelters*.

Excise tax on telecommunication services — If you are a telephone or telegraph company or other provider of telecommunication services, even if those services are not your primary business, **do not** file this form. File Form CT-186-E, *Telecommunications Tax Return and Utility Services Tax Return*, instead to report the tax imposed by sections 186-a and 186-e.

Exemption from tax — The following are exempt from taxation under section 186-a and **do not** have to file Form CT-186-P:

1. New York State, municipalities, political and civil subdivisions of New York State, or municipal and public districts, when selling or furnishing steam, water, or refrigeration service.
2. Municipalities, political and civil subdivisions, and public districts that sell or furnish gas, electricity, and gas or electric service, including the sale of the transportation, transmission, or distribution of gas or electricity, if they own and operate facilities used to generate electricity or distribute electricity or gas, and then sell or distribute such electricity or gas solely at retail within their jurisdiction.
3. Municipalities engaged in the retail sale of electricity or the transportation, transmission, or distribution of electricity, when all such electricity has been generated solely by and purchased solely from New York State or a public authority of New York State (for example, New York State Power Authority).
4. Not-for-profit corporations and associations described in Tax Law section 1116(a)(4), organized and operated exclusively for religious, charitable, or educational purposes, when the organization resells gas or electricity, or gas or electric service, as landlord to its tenants in buildings owned by the organization.
5. A corporation leasing from a city in New York State a water works system to supply water at cost to relieve water pollution in a river within that city.
6. Limited dividend housing corporations organized under the Private Housing Finance Law.

When and where to file — You must report gross income on a calendar-year basis to New York State, even if you maintain your records and report to the Internal Revenue Service (IRS) using a fiscal accounting period.

This return is due on March 15, following the close of each calendar year. If March 15 falls on a Saturday, Sunday, or legal holiday, the return is due on the next business day.

Mail your return to: **NYS CORPORATION TAX
PROCESSING UNIT
PO BOX 22038
ALBANY NY 12201-2038**

Private delivery services — If you choose, you may use a private delivery service, instead of the U.S. Postal Service, to mail in your return and tax payment. However, if, at a later date, you need to establish the date you filed your return or paid your tax, you cannot use the date recorded by a private delivery service **unless** you used a delivery service that has been designated by the U.S. Secretary of the Treasury or the Commissioner of Taxation and Finance. (Currently designated delivery services are listed in Publication 55, *Designated Private Delivery Services*. See *Need help?* on page 4 of these instructions for information on obtaining forms and publications.) If you have used a designated private delivery service and need to establish the date you filed your return, contact that private delivery service for instructions on how to obtain written proof of the date your return was given to the delivery service for delivery. If you use **any** private delivery service, whether it is a designated service or not, send the forms covered by these instructions to: State Processing Center, 431C Broadway, Albany NY 12204-4836.

Extension of time for filing tax return — If you cannot meet the filing deadline, you may request an extension of time by filing Form CT-5.9, *Request for Three-Month Extension to File*, on or before the due date of the return for which you are requesting the extension, and paying any amount you estimate to be due. An extension of time granted by the IRS to file a federal tax return does not extend the due date for filing Form CT-186-P.

Final return — Mark an **X** in this box if this is the last return you intend to file because you have ceased doing business.

Amended return — If you are filing an amended return, please mark an **X** in the *Amended return* box on page 1 of the return.

Employer identification number, file number, and other identifying information — Enter your employer identification number and file number. If you use a paid preparer or accounting firm, make sure they use your complete and accurate identifying information when completing all forms.

Change of address — If your address has changed, please enter your new address in the appropriate area and mark an **X** in the box below the address so that we can update your address for this tax type. Do not mark this box for any change of business information other than for your address.

Changes of business information — You must report any changes in your business name, ID number, mailing address, physical address, telephone number, or owner/officer information on Form DTF-95, *Business Tax Account Update*. If only your address has changed, you may use Form DTF-96, *Report of Address Change for Business Tax Accounts*. You can get these forms from our Web site, by phone, or by fax (see *Need help?* on page 4).

Maintenance fee for foreign corporations — If you are a *foreign corporation* (a corporation organized outside of New York State) authorized to do business in New York State under Business Corporation Law, Article 13 or 15-A, you must pay an annual maintenance fee of \$300. If you do not pay this fee or its equivalent in New York State corporation taxes and MTA surcharges, your authorization to do business in New York State may be annulled. Payments of New York State corporation taxes (including the MTA surcharge) under Articles 9, 9-A, and 32 are counted as payments toward the \$300 annual maintenance fee. However, the license fee reported on Form CT-240, *Foreign Corporation License Fee Return*, is not considered corporation tax and cannot be considered as a payment toward the maintenance fee.

If the total of corporation taxes and MTA surcharges paid on 2006 tax returns is less than \$300, compute the amount necessary to equal the \$300 maintenance fee and add that amount to the tax due on line 5.

Foreign corporations – license fee — Foreign corporations must also file Form CT-240 whether or not they are authorized to do business in New York State. Form CT-240 must be filed with the corporation's first franchise tax return or if the capital stock employed in New York State has increased since the last license fee return was filed.

MTA surcharge — Any corporation taxable under Article 9, section 186-a, that does business in the Metropolitan Commuter Transportation District (MCTD) must file Form CT-186-P/M and pay an MTA surcharge on business done in the Metropolitan Transportation Authority region. The MCTD includes the counties of New York, Bronx, Queens, Kings, Richmond, Dutchess, Nassau, Orange, Putnam, Rockland, Suffolk, and Westchester.

Corporations not doing business in the MCTD must disclaim liability for the MTA surcharge by marking an **X** in the *No* box on page 1 of Form CT-186-P. They are not required to file Form CT-186-P/M.

Whole dollar amounts — You may elect to show amounts in whole dollars rather than in dollars and cents. Round any amount from 50 cents through 99 cents to the next higher dollar. Round any amount less than 50 cents to the next lower dollar.

Negative amounts — Show any negative amounts with a minus (-) sign.

Percentages — When computing allocation percentages, convert decimals into percentages by moving the decimal point two spaces to the right. Round percentages to four decimal places.

Example: $5,000/7,500 = 0.6666666 = 66.6667\%$

Line 11 — If you do not pay the tax on or before the original due date (**without** regard to any extension of time for filing) you must pay interest on the amount of the underpayment from the original due date to the date paid. Exclude from the interest computation any amount shown on line 6a or 6b. You may visit our Web site or call the Tax Department for the current interest rate or to have the interest computed for you. See *Note* below.

Line 12 — Compute additional charges for late filing and late payment on the amount of tax minus any payment made on or before the due date (**with** regard to any extension of time for filing). Exclude from the penalty computation any amount shown on line 6a or 6b.

- B. If you do not file a return within 60 days of the due date, the addition to tax in item A cannot be less than the smaller of \$100 or 100% of the amount required to be shown as tax (section 1085(a)(1)(B)).
- C. If you do not pay the tax shown on a return, add to the tax $\frac{1}{2}\%$ (.005) per month up to 25% (.25) (section 1085(a)(2)).
- D. The total of the additional charges in item A and C may not exceed 5% (.05) for any one month, except as provided for in item B above (section 1085(a)).

If you think you are not liable for these additional charges, attach a statement to your return explaining the delay in filing, payment, or both (section 1085).

Note: You may compute your penalty and interest by accessing our Web site and clicking on *Electronic Services*, or you may call and we will compute the penalty and interest for you (see *Need help?* on page 4).

Line 14 — Collection of debts from your refund or overpayment

We will keep all or part of your refund or overpayment if you owe a past-due, legally enforceable debt to a New York State agency, or if you owe a New York City tax warrant judgment debt. We may also keep all or part of your refund or overpayment if you owe a past-due legally enforceable debt to another state, provided that state has entered into a reciprocal agreement with New York State. If we keep your refund or overpayment, we will notify you.

A New York State agency includes any state department, board, bureau, division, commission, committee, public authority, public benefit corporation, council, office, or other entity performing a governmental or proprietary function for the state or a social services district. We will refund or apply as an overpayment any amount over your debt.

If you have any questions about whether you owe a past-due, legally enforceable debt to a state agency, or to another state, or whether you owe a New York City tax warrant judgment debt, contact the state agency, the other state, or the New York City Department of Finance.

For New York State tax liabilities only, call 1 800 835-3554 (from areas outside the U.S. and outside Canada, call (518) 485-6800) or write to: NYS Tax Department, Tax Compliance Division, W A Harriman Campus, Albany NY 12227.

For New York City tax liabilities only, call (212) 232-3550.

Lines 18b and 18c — The security officer training tax credit and the biofuel production credit are refundable. Any unused credit may be refunded or credited using lines 18b and 18c. No interest is payable on any refund or credit allowed.

Computation of gross income — receipts from the transportation, transmission, or distribution of gas and electric service

Gross income means receipts received as a result of any sale (conditional or otherwise) made or service rendered for ultimate consumption or use by the purchaser. This includes cash credits and property of any kind without any deductions for the cost of property sold, the cost of materials used, labor, services, or other costs, interest or discount paid, or any other expenses.

Line 20 — Allowable exclusions from receipts on line 19:

- Receipts from sales of transportation, transmission, or distribution of gas or electricity by means of conduits, mains, pipes, wires, lines, or similar means to any of the following:
 - A utility (excluding a public authority) supervised by New York State or another jurisdiction when an element of such supervision includes rate regulation; or
 - A municipality that owns and operates facilities that are used to generate or distribute electricity or distribute gas and that distributes and sells this electricity or gas solely at retail, solely within its jurisdiction; or
 - A public authority of New York State when that public authority is primarily engaged in the generation and transmission or distribution of electricity or gas and at least 95% of the assets are so devoted.
- Receipts from sales of transportation, transmission, or distribution of electricity to a municipality when the electricity being transported has been purchased by that municipality, and has been generated solely by and purchased solely from New York State or a public authority of New York State (for example, New York State Power Authority), and when the municipality sells solely at retail, solely within its jurisdiction, the electricity being transported, transmitted, or distributed.
- Receipts from sales of transportation, transmission, or distribution of gas or electricity to not-for-profit corporations and associations organized and operated exclusively for religious, charitable, or educational purposes, described in Tax Law section 1116(a)(4), when that organization resells the transportation, transmission, or distribution as part of a bundled gas or electric service as landlord to its tenants in buildings owned by that organization.

In addition, 100% of your receipts received from nonresidential customers representing the receipts from the transportation, transmission, or distribution of gas or electricity must be excluded from gross income.

The term *nonresidential customers* means those customers whose use of gas, electricity, or gas or electric service **does not** qualify for the reduced rate of sales and compensating use tax on residential gas, electricity, or gas or electric service, under Tax Law section 1105-A.

Computation of tax on gross income

Lines 21 and 22 — The tax rate on gross income for line 22 is 2% (.02). If the receipts on line 21 are less than \$500, you are exempt from the payment of tax under section 186-a. However, you are required to complete and file Form CT-186-P. Enter **0** on lines 1 and 22.

Composition of prepayments claimed on line 8

If you need more space, write **see attached** in this section and attach a separate sheet showing all relevant prepayment information. Transfer the total to line 30, *Total prepayments*.

Third-party designee

If you want to authorize another person (third-party designee) to discuss this tax return with the New York State Tax Department, mark an **X** in the *Yes* box in the *Third-party designee* area of your return. Also enter the designee's name, phone number, and any five-digit number the designee chooses as his or her personal

identification number (PIN). If you want to authorize the paid preparer who signed your return to discuss the return with the Tax Department, enter **Preparer** in the space for the designee's name. You do not have to provide the other information requested.

If you mark the **Yes** box, you are authorizing the Tax Department to discuss with the designee any questions that may arise during the processing of your return. You are also authorizing the designee to:

- give the Tax Department any information that is missing from your return;
- call the Tax Department for information about the processing of your return or the status of your refund or payment(s); and
- respond to certain Tax Department notices that you shared with the designee about math errors, offsets, and return preparation. The notices will not be sent to the designee.

You are not authorizing the designee to receive your refund check, bind you to anything (including any additional tax liability), or otherwise represent you before the Tax Department. If you want the designee to perform those services for you, you must file Form POA-1, *Power of Attorney*, making that designation with the Tax Department. Copies of statutory tax notices or documents (such as a *Notice of Deficiency*) will only be sent to your designee if you file Form POA-1.

You cannot revoke the third-party designee authorization or change the PIN. However, the authorization will automatically end on the due date (without regard to extensions) for filing your next year's tax return.
