General information

The tax under Article 33-A is imposed on any individual, partnership, corporation, limited liability company, society, association, joint-stock company, estate, receiver, trustee, assignee, referee, and any other person acting in a fiduciary capacity, who purchases or renews a taxable insurance contract from an insurer not authorized to transact business in New York State (NYS) under a certificate of authority from the Superintendent of Insurance. The tax rate is 3.6% of premiums paid or payable, minus returns thereon, on taxable insurance contracts when the risk is located or resident in New York State, and applies to all contracts purchased or renewed.

A taxable insurance contract includes contracts described in New York State Insurance Law section 1113(a), paragraphs (4) through (14), (16), (17), (19), (20), and (22). This includes the following types of insurance: fire, miscellaneous property, water damage, burglary and theft, glass, boiler and machinery, elevator, animal, collision, personal injury liability, property damage liability, fidelity and surety, motor vehicle and aircraft physical damage, marine and inland marine, credit, and residual value insurance.

Premiums subject to tax include both (1) 100% of premiums paid or payable to unauthorized insurers when the risk is located or resident **entirely within** New York State, **and** (2) an allocated portion of premiums, paid or payable to unauthorized insurers, when the risk is located or resident both **within and outside** New York State.

Exemptions — The tax imposed by Article 33-A does not apply to:

- Any taxable insurance contract procured through a New York licensed excess line broker. **Note:** The excess line tax and other stamping fees may be required. For more information, visit the Excess Line Association of New York Web site at www.elany.org.
- Premiums received as consideration for reinsurance contracts.
- The government of the United States or any instrumentality thereof.
- New York State and its political subdivisions.
- The United Nations and any other international organizations of which the United States is a member.
- Any foreign government.
- Any taxable insurance contract of the type described under the Insurance Law in section 2117(b), (c), and (d).
- Federal long-term care insurance described under United States Code Title 5, Chapter 90.

Claim for refund — File Form CT-8, *Claim for Credit or Refund of Corporation Tax Paid*, for a refund if the insurance contract is canceled prior to the expiration of the insurance period and tax has been paid on the premium.

When and where to file — File this form within 60 days of the end of the calendar quarter during which the taxable insurance contract took effect or was renewed.

Private delivery services — If you choose, you may use a private delivery service, instead of the U.S. Postal Service, to mail in your return and tax payment. However, if, at a later date, you need to establish the date you filed your return or paid your tax, you cannot use the date recorded by a private delivery service **unless** you used a delivery service that has been designated by the U.S. Secretary of the Treasury or the Commissioner of Taxation and Finance. (Currently designated delivery services are listed in Publication 55, *Designated Private Delivery Services*. See *Need help?* for information on obtaining forms and publications.) If you have used a designated private delivery service and need to establish the date you filed your return, contact that private delivery service for instructions on how to obtain written proof of the date your return was given to the delivery service for delivery. If you use **any** private delivery service, whether it is a designated service or not, send the forms covered by these instructions to: State Processing Center, 431C Broadway, Albany NY 12204-4836.

Whole dollar amounts — You may elect to show amounts in whole dollars rather than in dollars and cents. Round any amount from 50 cents through 99 cents to the next higher dollar. Round any amount less than 50 cents to the next lower dollar.

Negative amounts — Show any negative amounts with a minus (-) sign.

Entering dates — Unless you are specifically directed to use a different format, enter dates in the *mm-dd-yy* format (using dashes and not slashes).
