Instructions

Important reminder to file a complete return: You must complete all required schedules and forms that make up your return, and include **all pages** of those forms and schedules when you file. Returns that are missing required pages or that have pages with missing entries are considered incomplete and cannot be processed, and may subject taxpayers to penalty and interest.

Up-to-date information affecting your tax return — Visit our Web site for tax law changes or forms corrections that occurred after the forms and instructions were printed (see *Need help?*).

Who must file Form CT-3-C — All corporate stockholders in domestic international sales corporations (DISCs) must file this consolidated return when the DISC is exempt from tax under Tax Law Article 9-A. The return must include information about the stockholder and tax-exempt DISCs in which the stockholders own stock.

Required forms — The tax-exempt DISC must complete and file Form CT-3-B, *Tax-Exempt Domestic International Sales Corporation (DISC) Information Return*. The stockholder of the DISC must complete and file Form CT-3, *General Business Corporation Franchise Tax Return*, and Form CT-3-C. Copies of the information return for tax-exempt DISCs, Form CT-3-B, must accompany Form CT-3-C.

General instructions — List names and employer identification numbers of the stockholder and DISCs in the spaces provided.

The information requested on this form may be found on Forms CT-3, CT-3-ATT, *Schedules B, C, and D* — *Attachment to Form CT-3*, and CT-38, *Minimum Tax Credit*, filed by the stockholder, and Form CT-3-B, filed by the tax-exempt DISC. When the tax period of the DISC differs from that of its stockholder, the period of the DISC that ends within the period of the stockholder is consolidated on Form CT-3-C.

Stockholder of tax-exempt DISC included as part of combined return — If the stockholder of a tax-exempt DISC files as a part of a combined group, it will no longer be required to file Form CT-3. The DISC information for Schedules B through E may be obtained from the DISC information report, Form CT-3-B. The stockholder should record its information on Schedules B through E as if it had filed Form CT-3 (instructions for specific lines may be obtained from the instructions for combined returns on Form CT-3-A-I). It will only be necessary to carry information to Schedule A for lines 1, 4, 8, 11, 14, 19, 21, 24, 27, 29, 32, and 42. Information from Schedule A of Form CT-3-C will be listed on Form CT-3-A for the subsidiary/stockholder.

Reporting period — Use this tax return for calendar year 2008 and fiscal years that begin in 2008 and end in 2009.

You can also use the 2008 return if:

- you have a tax year of less than 12 months that begins and ends in 2009, and
- the 2009 return is not yet available at the time you are required to file the return.

In this case you must show your 2009 tax year on the 2008 return and take into account any tax law changes that are effective for tax years beginning after December 31, 2008.

All filers must complete the beginning and ending tax year boxes in the upper right corner on page 1 of the form.

Entering dates — Unless you are specifically directed to use a different format, enter dates in the *mm-dd-yy* format (using dashes and not slashes).
