Changes for 2009

Fee for payments returned by banks — A new law allows the Tax Department to charge a \$50 fee when a check, money order, or electronic payment is returned by a bank for nonpayment. However, if an electronic payment is returned as a result of an error by the bank or the department, the department won't charge the fee. If your payment is returned, we will send a separate bill for \$50 for each return or other tax document associated with the returned payment.

General information

A foreign corporation that is authorized to do business in New York must pay an annual maintenance fee. The following entities are exempt from this fee:

- banking corporations as defined in section 1452(a), paragraphs 1 through 8;
insurance corporations;
limited liability companies (LLCs);
limited liability partnerships (LLPs); and
publicly traded partnerships taxed as corporations under the Internal Revenue Code (IRC).

The maintenance fee is \$300. However if the foreign authorized corporation filed a short period return, the maintenance fee may be less than \$300. See Short periods – reduced maintenance fee.

Failure to pay the annual maintenance fee may result in the annulment of the corporation's authority to do business in New York State (Article 9, section 203-b).

If the foreign authorized corporation is disclaiming tax liability, it does not file a tax return under Article 9, 9-A, or 32. However, it must file and pay the \$300 maintenance fee on Form CT-245.

If the foreign authorized corporation files a tax return under Article 9, 9-A, or 32, the payment of corporation tax of at least \$300 on that tax return satisfies the maintenance fee requirement and Form CT-245 should not be filed.

Short periods — reduced maintenance fee

The Tax Law allows a reduction of the maintenance fee for periods of 9 months or less:

Table with 2 columns: Period and Maintenance Fee Due. Rows include 6 months or less (\$150), More than 6 months, but not more than 9 months (\$225), and More than 9 months (\$300).

Who must file Form CT-245

- Any business incorporated outside New York State that is authorized to do business in New York State and wishes to disclaim tax liability.

- A Qualified Subchapter S Subsidiary (QSSS) incorporated outside New York State and authorized to do business in New York State that is included in the parent corporation's return.
Any business incorporated outside New York State having an employee (including any officer) in this state and disclaiming tax liability.
Foreign banking corporations described in section 1452(a)(9) of Article 32 that are authorized to do business in New York State and wish to disclaim tax liability.

Foreign banking corporations described in Article 32 sections 1452(a)(2) through 1452(a)(8), insurance corporations, LLCs, LLPs, and publicly traded partnerships taxed as corporations under the IRC that are authorized to do business in New York State are not required to file Form CT-245.

Foreign corporations subject to tax under Article 9 or 9-A and not required to file Form CT-245

A business incorporated outside New York State is subject to franchise tax if it:

- does business in New York State;
employs capital in New York State;
owns or leases property in New York State; or
maintains an office in New York State.

The term doing business includes all activities that occupy the time or labor of people for profit. Regardless of the nature of its activities, a corporation organized for profit and carrying out any activities for that purpose is deemed to be doing business and subject to the tax. It is immaterial whether its activities result in a profit or loss.

The term employing capital includes any use of assets in maintaining or aiding the corporate enterprise or activity in New York State.

Foreign banking corporations subject to tax under Article 32 and not required to file Form CT-245 (except section 1452(a)(9) corporations)

A foreign banking corporation or association described in Article 32 sections 1452(a)(2)-(8) that is doing business in New York State in a corporate or organized capacity, and is organized under the laws of the United States or the laws of any other state or country, is subject to a franchise tax under Article 32, but not the maintenance fee under Article 9 section 181.

Activities deemed insufficient to subject a foreign corporation to tax under Article 9, 9-A, or 32

A foreign corporation is not considered to be doing business, employing capital, owning or leasing property, or maintaining an office in New York State because of one or more of the following activities:

- the maintenance of cash balances with banks or trust companies in New York State;
the ownership of shares of stock or securities kept in New York State in a rented safe deposit box, safe, or vault, or if pledged as collateral security, or deposited in safekeeping or custody accounts with banks, trust companies, or brokers who are members of a recognized security exchange;
any action by a bank, trust company, or broker that is incidental to the rendering of safekeeping or custodial service to the corporation;

- the maintenance of an office in this state by one or more officers or directors of the corporation who are not corporation employees; or
- the keeping of a corporation's books or records in New York State by someone other than an employee of the corporation.

In addition, a foreign corporation is not considered to be doing business, employing capital, owning or leasing property, or maintaining an office in New York State under Article 9-A because of one or more of the following activities:

- the use of a non-affiliated fulfillment service or the ownership of property stored on the premises of such fulfillment service (see TSB-M-98(7)C, 1998 Summary of Corporation Tax Legislative Changes); or
- the participation in trade shows in New York State for 14 days or less during its tax year for federal income tax purposes. This is regardless of whether the corporation has employees or other staff present at the trade shows, providing that:
 - the corporation's trade show activity is limited to displaying goods or promoting services;
 - no sales are made at the trade show; and
 - any orders received are sent outside New York State for acceptance or rejection and are filled from outside the state.

Voluntary Disclosure and Compliance Program

A Voluntary Disclosure and Compliance Program has been established. The program provides relief from certain penalties and criminal prosecution to eligible taxpayers who come forward and reveal previously undisclosed liabilities.

Tax shelter reporting requirements

There are reporting requirements and related administrative provisions concerning the disclosure of certain transactions and related information regarding tax shelters, including those related to New York reportable transactions.

Electronic filing and electronic payment mandate

Certain tax preparers using tax software to prepare tax documents, and certain taxpayers preparing their own tax documents using tax software, must, for the applicable calendar year and all succeeding calendar years, e-file all documents authorized by the Commissioner to be e-filed. Any tax liability or other amount due

required to be paid with a tax document that must be e-filed must also be e-paid.

Reporting period

Use this tax return for calendar year 2009 and fiscal years that begin in 2009 and end in 2010.

You can also use the 2009 return if:

- you have a tax year of less than 12 months that begins and ends in 2010, **and**
- the 2010 return is not yet available at the time you are required to file the return.

In this case you must show your 2010 tax year on the 2009 return and take into account any tax law changes that are effective for tax years beginning after December 31, 2009.

All filers must complete the beginning and ending tax year boxes in the upper right corner on page 1 of the form.

Line A — Make your check or money order payable in United States funds. We will accept a foreign check or foreign money order only if payable through a United States bank or if marked **Payable in U.S. funds**.

Interest

If you do not pay the maintenance fee on or before the due date of the return, you must pay interest on the amount of the underpayment from the due date to the date paid (see **Note**).

Late filing and late payment — additional charges

Corporations required to pay the maintenance fee will be subject to the penalties for late filing and late payment imposed under Article 27 section 1085.

Additional charges for late filing and late payment are computed on the amount of the maintenance fee less any payment made on or before the due date.

- A. If you do not file a return when due, add 5% (.05) per month to the maintenance fee, up to a maximum of 25% (.25) (section 1085(a)(1)(A)).
- B. If you do not file a return within 60 days of the due date, the addition to the maintenance fee in item A above cannot be less than the smaller of \$100 or 100% of the amount required to be shown as the maintenance fee (section 1085(a)(1)(B)).
- C. If you fail to pay the maintenance fee shown on the return, add ½% (.005) per month to the maintenance fee, up to a maximum of 25% (.25) (section 1085(a)(2)).
- D. The total of the additional charges in items A and C above may not exceed 5% (.05) in any one month, except as provided for in item B above (section 1085(a)).

If you think you are **not** liable for these additional charges, attach a statement to your return explaining the delay in filing, payment, or both (section 1085).

Note: You may compute your penalty and interest by accessing our Web site and clicking on *Online Tax Center*, or you may call and we will compute the interest and penalty for you (see *Need help?*).

Collection of debts from your refund or overpayment

We will keep all or part of your refund or overpayment if you owe a past-due, legally enforceable debt to a New York State agency, or if you owe a New York City tax warrant judgment debt. We may also keep all or part of your refund or overpayment if you owe a past-due legally enforceable debt to another state, provided that state has entered into a reciprocal agreement with New York State. If we keep your refund or overpayment, we will notify you.

A New York State agency includes any state department, board, bureau, division, commission, committee, public authority, public benefit corporation, council, office, or other entity performing a governmental or proprietary function for the state or a social

services district. We will refund or apply as an overpayment any amount over your debt.

The Tax Department is authorized to charge the taxpayer, as part of the taxpayer's tax debt, any cost or fee imposed or charged by the United States, or any state, for the payment or remittance of a taxpayer's overpayment to satisfy a New York State tax debt.

If you have any questions about whether you owe a past-due, legally enforceable debt to a state agency, or to another state, or whether you owe a New York City tax warrant judgment debt, contact the state agency, the other state, or the New York City Department of Finance.

For New York State tax liabilities only, call (518) 457-5434 (in-state callers without free long distance call 1 800 835-3554) or write to: NYS Tax Department, Collections and Civil Enforcement Division, W A Harriman Campus, Albany NY 12227.

Amended return

If you are filing an amended return, mark an **X** in the *Amended return* box.

When filing an amended return for a credit or refund, the amended return must be filed within three years of the date the original return was filed or within two years of the date the tax was paid, whichever is later. If you did not file an original return, you must make the request within two years of the date the tax was paid. For additional limitations on credits or refunds, see Tax Law section 1087.

Final return

Mark an **X** in the *Final return* box on page 1 of the return, under the form number, only if filing a final tax return for one of the following reasons:

- surrender of authority by a foreign corporation (New York Business Corporation Law section 1310);
- merger or consolidation (New York Business Corporation Law section 907); or
- termination of existence - foreign corporation (New York Business Corporation Law section 1311).

In the case of a merger or consolidation, the *Final return* check box would only be used by the nonsurviving foreign corporation.

The return will be treated as a final return if your business is terminated with the Department of State, and the return covers the tax period from the last return filed to the date of the termination.

Do not mark the box if you are only changing the type of return that you file (for example, CT-245 to CT-3, *General Business Corporation Franchise Tax Return*; CT-245 to CT-4, *General Business Corporation Franchise Tax Return Short Form*).

Surrender of authority and liability for taxes and fees

In order to surrender the authority of a foreign corporation that is authorized to do business in this state, the Tax Law requires the consent of the Commissioner of Taxation and Finance. This consent will be given only if the commissioner ascertains that all fees, franchise taxes, and other taxes (such as sales tax) imposed under the Tax Law that have accrued against the corporation have been paid.

Call the Dissolution Unit at (518) 485-2639 (in-state callers without free long distance call 1 800 327-9688) if you have questions concerning surrendering authority to do business in New York State.

Business information

Enter the corporation's business information at the top of the first page. Be sure to enter the corporation's mailing name if different from its legal name.

If you need to update your corporation tax address or phone information, you can do so online. Visit our Web site at www.nystax.gov and look for the change my address option. Otherwise, enter your new address and/or phone number in the appropriate area of your return and mark an **X** in the box under

the address. Do not mark an **X** in this box if your address and/or phone number is new since your last filing but was already updated online, or for any change of business information other than your address and/or phone number. Once your corporation tax information is updated online, you do not need to indicate a change of address on any corporation tax forms submitted to the Tax Department (or for any forms for tax types you select to be updated in addition to corporation tax).

If you prefer to change this information by form, use Form DTF-96, *Report of Address Change for Business Tax Accounts*. You must report other changes (such as business name or ID number) on Form DTF-95, *Business Tax Account Update*. You can get these forms from our Web site, by fax, or by phone (see *Need help?*).

Third-party designee

If you want to authorize another person (third-party designee) to discuss this tax return with the New York State Tax Department, mark an **X** in the *Yes* box in the *Third-party designee* area of your return. Also **print** the designee's name, phone number, and any five-digit number the designee chooses as his or her personal identification number (PIN). If you want to authorize the paid preparer who signed your return to discuss the return with the Tax Department, **print** the preparer's name in the space for the designee's name and enter the preparer's phone number in the space for the designee's phone number. You do not have to provide the other information requested. If you do not want to authorize another person, mark an **X** in the *No* box.

If you mark the *Yes* box, you are authorizing the Tax Department to discuss with the designee any questions that may arise during the processing of your return. You are also authorizing the designee to:

- give the Tax Department any information that is missing from your return;
- call the Tax Department for information about the processing of your return or the status of your refund or payment(s); and
- respond to certain Tax Department notices that you shared with the designee about math errors, offsets, and return preparation. The notices will not be sent to the designee.

You are not authorizing the designee to receive your refund check, bind you to anything (including any additional tax liability), or otherwise represent you before the Tax Department. If you want the designee to perform those services for you, you must file Form POA-1, *Power of Attorney*, making that designation with the Tax Department. Copies of statutory tax notices or documents (such as a *Notice of Deficiency*) will only be sent to your designee if you file Form POA-1.

You cannot change the PIN. The authorization will automatically end on the due date (without regard to extensions) for filing your next year's tax return.
