Instructions

Temporary deferral of certain tax credits

For tax years beginning on or after January 1, 2010, and before January 1, 2013, if the total amount of certain credits that you may use to reduce your tax or have refunded to you is greater than \$2 million, the excess over \$2 million must be deferred to, and used or refunded in, tax years beginning on or after January 1, 2013. For more information about the credit deferral, see Form CT-500, *Corporation Tax Credit Deferral*.

If you are subject to the credit deferral, you must complete all credit forms without regard to the deferral. However, the credit amount that is transferred to your tax return to be applied against your tax due or to be refunded to you may be reduced. Follow the instructions for Form CT-500 to determine the amounts to enter on your tax return.

Part 1 — Computation of Article 33 section 1511(c) retaliatory tax credit for insurance corporations organized or domiciled in New York State

Insurance corporations organized or domiciled in New York State should complete Part 1 to claim credit for 90% of retaliatory taxes paid to other states for the privilege of doing business in those states.

- You may claim credit only for retaliatory taxes paid on business after December 31, 1973.
- Credit may not exceed the tax payable under Article 33 (before adding the tax surcharge) for the tax year for which the retaliatory taxes were imposed or assessed.
- Claim credit on the return for the tax year during which the retaliatory taxes were paid.
- This form does not include the surcharge retaliatory tax credit allowed under Article 33 section 1505-a(d). The surcharge retaliatory tax credit will be computed on Form CT-33-M, *Insurance Corporation MTA Surcharge Return*, and allowed only against the surcharge computed under section 1505-a.

Any reduction in the amount of retaliatory taxes paid to another state on which a credit for such taxes was allowed by New York State must be reported to the Tax Department within 90 days of final determination.

Part 2 — Computation of section 1511(i) retaliatory tax credit for insurance corporations organized or domiciled in New York State (relating to assessments imposed under Public Health Law section 2807-t)

Insurance corporations organized or domiciled in New York State should complete Part 2 to claim a credit for up to 90% of the retaliatory taxes paid to other states because of the assessment imposed by section 2807-t of the Public Health Law. Claim credit on the return for the year during which the retaliatory taxes were paid. The amount of the credit claimed may not exceed the lesser of the amount of the assessment paid under section 2807-t, or the tax payable under Article 33 for the tax year for which the retaliatory taxes were imposed or assessed.
