New York Youth Works Tax Credit
Tax Law – Article 9-A, Section 210.44

Temporary deferral of certain tax credits

For tax years beginning on or after January 1, 2010, and before January 1, 2013, if the total amount of certain credits that you may use to reduce your tax or have refunded to you is greater than \$2 million, the excess over \$2 million must be deferred to, and used or refunded in, tax years beginning on or after January 1, 2013. For more information about the credit deferral, see Form CT-500, *Corporation Tax Credit Deferral*.

If you are subject to the credit deferral, you must complete all credit forms without regard to the deferral. However, the credit amount that is transferred to your tax return to be applied against your tax due or to be refunded to you may be reduced. Follow the instructions for Form CT-500 to determine the amounts to enter on your tax return.

General information

The Tax Law provides a credit to taxpayers who are participants in the New York Youth Works Tax Credit Program. The New York youth works tax credit is available to taxpayers subject to tax under Articles 9-A and 22.

Eligibility

To be eligible for this credit, all of the following requirements must be met:

- The taxpayer is a participant in the New York Youth Works Tax Credit Program.
- The business has received a *Certificate of Tax Credit* from the New York State Department of Labor. Attach a copy of the certificate of tax credit to Form CT-635.
- The business employs one or more certified youths. The certified youths must start their employment on or after January 1, 2012, but no later than December 31, 2012.

To participate in the New York Youth Works Tax Credit Program, an employee must submit an application to the Department of Labor after January 1, 2012, but no later than November 2012.

For more information on becoming a participant in the program, see the Department of Labor's Web site (at www.labor.ny.gov).

Credit information

The credit is equal to \$500 per month for up to six months for each certified youth employed in a full-time job, and \$250 per month for up to six months for each certified youth employed in a part-time job of at least 20 hours per week. This portion of the credit is allowed for the tax year in which the wages are paid to the certified youth.

An additional credit of \$1,000 is available for each certified youth employed for at least an additional six months in a full-time job, or \$500 for each certified youth employed for at least an additional six months in a part-time job of at least 20 hours per week. The additional credit is allowed for the tax year in which the additional six-month period ends.

The NYS Department of Labor will provide you with a certificate of tax credit that will show the maximum amount of tax credit you are eligible for and a list of the youths who are eligible. Use the information provided by them to complete this credit claim form.

Any unused amount of credit for the current tax year will be treated as a refund or overpayment of tax to be credited to next year's tax. Interest will not be paid on the refund or overpayment.
