General information

The zone equivalent area (ZEA) and empire zone (EZ) wage tax credits have **both** expired. For tax years beginning after June 13, 2004, you may only claim a **ZEA** wage tax credit carryover from previous years. For tax years beginning on or after July 1, 2014, you may only claim an **EZ** wage tax credit carryover from previous years. Any business that was required to obtain an EZ retention certificate from Empire State Development, but was denied one, is not eligible to claim any carryover of the credit.

Former Article 32 taxpayers that have a carryover of the credit from the tax year immediately preceding the current tax year may include that carryover in the computation of credit used and carried forward.
