a/ The category for clearing house banks was introduced to distinguish them from other commercial banks with the implementation of a new returns processing system late in fiscal year 2005-06. During that time and the following fiscal year, several payments were misclassified as received from clearing house banks. During fiscal year 2006-07, accounting adjustments corrected net revenue received by bank category in fiscal year 2005-06 and early fiscal year 2006-07 by moving payments from clearing house banks to other commercial banks. These adjustments resulted in negative net collections for clearing house banks for fiscal year 2006-07. Similar situations occurred in subsequent fiscal years.

b/ Amount for Savings Banks reflects a one-time adjustment for reclassifying a savings bank to a commercial bank.
