General information

The amount of credit allowed for the current tax year is allocated by the New York State Governor’s Office for Motion Picture and Television Development. Attach a copy of your certificate from this office for the credit allowed. You are required to submit a separate Form CT-261 for each individual certificate issued to you by the Governor’s Office for Motion Picture and Television Development. For rules and regulations regarding the credit, contact the New York State Governor’s Office for Motion Picture and Television Development at nyfilm@esd.ny.gov or call (212) 803-2330.

The credit is allowed for qualified post-production costs paid or incurred in the production of a qualified film at a post-production facility in New York State. For tax years beginning on or after January 1, 2015, and before January 1, 2020, there is an additional credit available equal to 10% of the wages or salaries paid to qualified individuals for services performed by those individuals in the post-production work on a qualified film in certain counties. For more information, see TSB-M-13(6)C, Summary of Budget Bill: Corporation Tax Changes Enacted in 2013 - Effective for Tax Years 2013 and After. The credit is allowed for the tax year in which the production of the qualified film is completed.

If the amount of credit shown on your certificate of tax credit received from the New York State Governor’s Office for Motion Picture and Television Development is at least $1 million but less than $5 million, the credit must be claimed over a two-year period. If the amount of credit allocated is $5 million or more, the credit must be claimed over a three-year period.

The credit may not reduce the tax due below the fixed dollar minimum tax. Any amount not used in the current tax year may be refunded or credited as an overpayment to next year’s tax. The refund is limited to 50% of the excess credit in the current year; the balance may be carried forward to the following tax year and may be deducted from the tax in that year. All remaining excess after application in the succeeding year may also be refunded or credited as an overpayment to the succeeding tax year. No interest will be paid on the refund. Post-production costs used as the basis for allowance of this credit or used in the calculation of this credit must not be used to claim any other credit.

The credit is not allowed against the metropolitan transportation business tax (MTA surcharge) under Article 9-A.

Corporate partners

A corporate partner who has any post-production credits passed through to you from partnerships, enter in Part 3 each partnership’s name and employer identification number, and your pro rata share of the post-production credit each one passed to you. Enter the total of these credits on lines 18 and 2. Enter on line 1a only the amount of post-production credit allocated to your corporation by the New York State Governor’s Office for Motion Picture and Television Development.

New York S corporations

New York S corporations will calculate an amount of post-production credit. However, the S corporation may not use the post-production credit against its own tax liability; instead, the credit is passed through to the shareholders to use against their personal income tax liabilities on their New York State tax returns.

New York S corporations complete only lines 1a, 1b, 2, and 3 and, if applicable, Part 3, Part 4, and line A. Include the line 3 amount and, if applicable, amounts from lines 19 and 20 on Form CT-34-SH, New York S Corporation Shareholders’ Information Schedule. Attach a copy of Form CT-261 to your Form CT-3-S, New York S Corporation Franchise Tax Return. Provide each shareholder with the amount of their pro rata share of the post-production credit calculated for the current tax year and, if applicable, for the succeeding tax year(s) (from Form CT-34-SH, lines 51, 52, and 53). The shareholders will file their own Form IT-261 to claim the credit on their New York State personal income tax returns.

Combined filers

A taxpayer filing a combined return as a member of a combined group is allowed to claim the post-production credit. The post-production credit form must be completed for each individual member of the combined group claiming the credit. If a member of the combined group has been issued more than one certificate they must submit a separate Form CT-261 for each certificate they are issued. The credit totals will then be applied against the combined tax.
