

Instructions for Form PT-100

Petroleum Business Tax Return

General information

Distributors of motor fuel, liquefied petroleum gas fuel permittees, distributors of diesel motor fuel, residual petroleum product businesses, and aviation fuel businesses must file Form PT-100, *Petroleum Business Tax Return*. Retailers of non-highway diesel motor fuel only and distributors of kero-jet fuel only that are registered as distributors of motor fuel or as residual petroleum product businesses must also file Form PT-100. Form PT-100 must be filed for each month.

If you do not receive the proper forms for a tax you owe, see *Need help?* for information on how to obtain forms.

Form PT-100 summarizes the amount of the various taxes computed on Forms PT-101 through PT-106 and is used to determine the total amount due, including any appropriate penalty and interest.

Changes in business information

Enter your legal name and complete mailing address if they are not preprinted on the form. If the printed information needs to be changed, make corrections on the form **and either** select the option to change your address on our website (see *Need help?*), or submit Form DTF-95, *Business Tax Account Update*. If only your address needs to be changed, you can submit Form DTF-96, *Report of Address Change for Business Tax Accounts*, instead of Form DTF-95. You can get these forms from our website or by phone; or call the Miscellaneous Tax Information Center for assistance (see *Need help?*).

Line instructions

Lines 1 through 6

Type of filer – Indicate the type(s) of petroleum product you are registered for by marking the appropriate box(es) in the left-hand column of lines 1 through 6, on the front of the return. Also, indicate whether you are an electric utility (electric utilities may file Form PT-105).

Enter any credit amounts in brackets. You must attach the appropriate Forms PT-101 through PT-106 for each box marked.

Line 8 – Enter the total credit from line 18 of your prior month's Form PT-100.

Line 10 – Enter the total requested refund/reimbursement for the month, if any, from Form PT-100-B, *Schedule of Weekly Refund/Reimbursement*. Attach Form PT-100-B to Form PT-100.

Line 11 – Add the amount on line 10 to the amount on line 9. If the result is an amount greater than zero, enter the balance due. If the result is zero or less than zero (negative amount), enter **0** and show the overpayment on line 17.

Line 12 – If you are a participant in the Articles 12-A and 13-A PromptTax Program, enter the amount you already paid by electronic funds transfer or certified check. Do not include any amount paid as interest or penalty.

Actual method – If your payment was based on actual tax due for the period (August 1 through August 22, 2017), mark an **X** in box A and enter on line 12 the amount of your actual tax due. Your PromptTax payment must have been equal to at least 90% of the actual tax liability for this period to avoid interest and penalty.

Estimated method – If your payment was based on last year's comparable period (August 2016), mark an **X** in box E and enter on line 12 the amount of last year's comparable period tax due. Your PromptTax payment must have been equal to at least 75% of the tax liability (prior to credits) for the comparable month of the preceding year to avoid interest and penalty.

Report your PromptTax payment for the sales and use tax quarterly on Schedule P (Form ST-810.6), with Form ST-810, *New York State and Local Quarterly Sales and Use Tax Return for Part-Quarterly Filers*. Report your PromptTax payment for the prepaid sales tax on motor fuel and diesel motor fuel monthly on Schedule FT (Form FT-945/1045-A), with Form FT-945/1045, *Sales Tax Prepayment on Motor Fuel/Diesel Motor Fuel Return*.

Line 14 – Penalties – A penalty is imposed at the rate of 10% of the tax due for the first month or part of a month, and 1% of the tax due for each subsequent month or part of a month in which the tax remains unpaid, up to a maximum penalty of 30%.

If a return is not filed within 60 days of the due date, the penalty will be determined as indicated above but will not be less than the lesser of \$100 or 100% of the tax due. In addition, failure to file returns and pay any tax due may result in criminal penalties under Tax Law Article 37.

Line 15 – Interest – Interest is computed at the rate set by the Commissioner of Taxation and Finance and is compounded daily. It is computed from the day the tax was due until the day the tax is paid. Interest is a charge for the use of state funds and may not be waived.

Note: You may compute your penalty and interest by accessing our website, or you may call and we will compute the penalty and interest for you (see *Need help?*).

Line 16 – Attach a check or money order payable in U.S. funds for the total amount due on line 16 payable to **Commissioner of Taxation and Finance**.

Fee for payments returned by banks – The law allows the Tax Department to charge a \$50 fee when a check, money order, or electronic payment is returned by a bank for nonpayment. However, if an electronic payment is returned as a result of an error by the bank or the department, the department won't charge the fee. If your payment is returned, we will send a separate bill for \$50 for each return or other tax document associated with the returned payment.

Lines 18 and 19 – If line 17 shows an overpayment, enter on line 18 the amount you want to take as a credit on line 8 of your next month's return. Enter on line 19 the amount that should be refunded to you.

Sales tax exempt organizations – If you are a sales tax exempt organization that has established its status as an exempt organization under Tax Law section 1116(a) and all motor fuel, diesel motor fuel, or residual petroleum product that you import into New York State or that you produce, refine, manufacture, or compound in New York State is consumed exclusively by you, then these gallons are not subject to the petroleum business tax. Mark an **X** in the appropriate box on the front page and do not include any petroleum business tax (Article 13-A) in the amounts on Forms PT-101 through PT-106.

Signature

The return must be signed and dated by the owner (if an individual), a partner (if a partnership), or by the president, treasurer, chief accounting officer, or any other person authorized to act on behalf of the corporation (if a corporation). The fact that an individual's name is signed on the certification will be prima facie evidence that the individual is authorized to sign and certify the report on behalf of the business.

Additionally, if anyone other than an employee, owner, partner, or officer of the business is paid to prepare the return, he or she is required to sign and date the return and provide his or her mailing address and e-mail address.

Paid preparer's responsibilities – Under the law, all paid preparers must sign and complete the paid preparer section of the form. Paid preparers may be subject to civil and/or criminal sanctions if they fail to complete this section in full.
