## Claim for Empire State Film Production Credit

Tax Law – Article 1, Section 24 and Article 9-A, Section 210-B.20

# CT-248-I

### General information

Tax Law sections 24 and 210-B.20 provide for tax credits for the film and television production industry. The Empire State film production credit (also referred to as the *film production credit*) is available to taxpayers subject to tax under Article 9-A or Article 22. This form is for taxpayers subject to tax under Article 9-A. Those subject to tax under Article 22, complete Form IT-248, *Claim for Empire State Film Production Credit*.

The amount of credit allowed for the current tax year is allocated by the New York State Governor's Office of Motion Picture & Television Development. Attach a copy of your certificate from this office for the credit allowed. You are required to submit a separate credit form for each individual certificate issued to you by the Governor's Office of Motion Picture & Television Development. However, if your credit is allocated from funds from additional pool 2, you cannot claim the film production credit before the later of:

- the tax year the production of the qualified film is complete, or
- the tax year immediately following the allocation year assigned on your certificate.

For more information, refer to TSB-M-10(7)C, *Summary of Budget Bill Corporation Tax Changes Enacted in 2010*, TSB-M-13(6)C, *Summary of Budget Bill Corporation Tax Changes Enacted in 2013 - Effective for Tax Years 2013 and After*, and TSB-M-15(1)C, *Summary of Budget Bill Corporation Tax Changes Enacted in 2014*, or contact the New York State Governor's Office of Motion Picture & Television Development.

The credit is based on the qualified production costs paid or incurred in the production of qualified films and television shows. For tax years beginning on or after January 1, 2015, and before January 1, 2023, there is an additional credit available equal to 10% of the wages or salaries paid to qualified individuals for services performed by those individuals in the production work on a qualified film in certain counties.

If the amount of film production credit shown on your certificate of tax credit received from the New York State Governor's Office of Motion Picture & Television Development is at least \$1 million but less than \$5 million, the credit must be claimed over a two-year period. If the amount of credit allocated is \$5 million or more, the credit must be claimed over a three-year period.

The credit may not reduce the tax due below the fixed dollar minimum tax. Any allowable credit amount not used in the current tax year may be refunded or credited as an overpayment to next year's tax. No interest will be paid on the refund. Production costs used as the basis for allowance of this credit or used in the calculation of this credit cannot be used to claim any other credit.

The credit is not allowed against the metropolitan transportation business tax (MTA surcharge) under Article 9-A.

For rules and regulations regarding the credit, contact the New York State Governor's Office of Motion Picture & Television Development at [filmcredits@esd.ny.gov](mailto:filmcredits@esd.ny.gov) or call 212-803-2328.

### Corporate partners

If you are a corporate partner who has any film production credits passed through to you from partnerships, enter in Part 3 each partnership's name and employer identification number, and your pro rata share of the film production credit

each one passed to you. Enter the total of these credits on lines 15 and 4. If your partnership allocated credit amounts to you for 2019 and 2020, include those amounts on lines 16 and 17 respectively. Enter on line 1 only the amount of film production credit allocated to your corporation by the New York State Governor's Office of Motion Picture & Television Development.

### New York S corporations

New York S corporations will calculate an amount of film production credit. However, the S corporation may not use the film production credit against its own tax liability; instead, the credit is passed through to the shareholders to use against their personal income tax liabilities on their New York State tax returns.

New York S corporations complete only lines 1, 2, 4, 5, 16, and 17. Include the line 5 amount and, if applicable, amounts from lines 16 and 17 on Form CT-34-SH, *New York S Corporation Shareholders' Information Schedule*, which is filed with your New York State corporation tax return. Attach a copy of Form CT-248 to your Form CT-3-S, *New York S Corporation Franchise Tax Return*. Provide all shareholders with the amount of their pro rata share of the film production credit calculated for the current tax year and, if applicable, for the next succeeding tax year(s) (from Form CT-34-SH, lines 46, 47, and 48). The shareholders will file their own Form IT-248 to claim the credit on their New York State personal income tax returns.

### Combined filers

A taxpayer filing a combined return as a member of a combined group is allowed to claim the film production credit. The film production credit form must be completed for each individual member of the combined group claiming the credit. If a member of the combined group has been issued more than one certificate they must submit a separate credit form for each certificate they are issued. The credit totals will then be applied against the combined tax.
