

Instructions for Form CT-33.1

Claim for CAPCO Credit

CT-33.1-I

General information

The certified capital company (CAPCO) credit is equal to 100% of a taxpayer's investment of certified capital in CAPCOs established under Tax Law, Article 1, section 11. You must claim the credit over 10 years, with 10% allowed each year. The total credit available in any particular tax year is the 10% allowed for that year plus any carryovers from prior years.

CAPCO program 5

Tax Law section 11 provides for CAPCO program 5. This program provides \$60 million of certified capital, which may be allocated and allowed as tax credits under Tax Law section 11 and Article 33 section 1511(k). Although investments in this program began in 2005, the credits were not allowed to be claimed until 2007. For more information, see TSB-M-05(3)C, *Summary of Corporation Tax Legislative Changes Enacted in 2005*.

Transferability of CAPCO tax credits

The Tax Law allows an insurance corporation that is a certified investor in a CAPCO to transfer or sell unused CAPCO tax credits, in whole or in part, to any affiliate within an affiliated group of taxpayers that is subject to tax under Article 33. The transfer or sale of the credit will not affect the time schedule for claiming the credit transferred or sold.

The insurance corporation making the transfer or sale must notify the Tax Department and the Department of Financial Services of the transfer or sale of the credit within 45 days of the date of the transfer. There is no specific form to notify the Tax Department and the Department of Financial Services. The insurance corporation that transfers or sells the credit must send a letter including the names of the corporations and their employer identification numbers, the date of transfer or sale, program number under which the credit was allocated, and the total amount of unused credit being transferred or sold, to the following addresses:

**NYS TAX DEPARTMENT
INCOME/FRANCHISE DESK AUDIT BUREAU
W A HARRIMAN CAMPUS
ALBANY NY 12227-5299**

If not using U.S. Mail, see Publication 55, *Designated Private Delivery Services*.

**NYS DEPARTMENT OF FINANCIAL SERVICES
OFFICE OF FINANCIAL MANAGEMENT
ONE COMMERCE PLAZA
ALBANY NY 12257**

Once the insurance corporation has properly notified the Tax Department and the Department of Financial Services of the transfer, the affiliate may claim a credit or refund of the CAPCO credit transferred. The transferee corporation claims the CAPCO credit by filing Form CT-33.1.
