

# Instructions for Form WCS-2-PRE Prepaid Wireless Communications Surcharge Return

## Highlights

### • Rate changes

Beginning September 1, 2020, the prepaid wireless communications surcharge rate in Madison County increased from \$0.30 to \$0.95. For more information, see WCS-20-1, *Madison County Increases Wireless Communications Surcharge Rates Effective September 1, 2020*.

### • Mandate to use Wireless Communications Surcharge Web File

As a prepaid wireless communications seller, you must Web File through your Business Online Services account if you are subject to the corporation tax e-file mandate or meet the following three conditions:

- prepare tax documents yourself, without the assistance of a tax professional;
- use a computer to prepare, document, or calculate the required filings; and
- have broadband Internet access.

Create an Online Services account by visiting our website (see *Need help?*).

## General information

Businesses that sell prepaid wireless communications services must collect a public safety communications surcharge on retail sales of prepaid wireless communications services that occur in New York State.

Prepaid wireless communications services include:

- mobile phones or mobile phone cards (including refill or recharge authorization codes) that are preloaded with a set dollar amount or number of minutes;
- reloads of mobile phones or mobile phone cards with additional minutes; and
- cards, PINs, or codes that give access to only texting services.

Any prepaid phone card that can be used on a mobile phone to make or receive calls is a prepaid wireless communications service. For example, long distance or international calling cards that can be used on both landlines and mobile phones are subject to the surcharge.

For more information, see TSB-M-17(2)WCS, *Wireless Communications Surcharge on Prepaid Wireless Communications Services* and TSB-M-18(1)WCS, *Clarification of the Definition of a Prepaid Wireless Communications Service*.

## Filing requirements

You must file Form WCS-2-PRE even if you have no sales to report. Your return is due the 20th day of the month following the close of the quarterly reporting period. If the due date falls on a Saturday, Sunday, or legal holiday, the return is due on the next business day.

## Surcharge refunded to customers

If your customer returned a prepaid wireless communications service and you issued a refund of the surcharge, report as follows:

**Surcharge refunded to a customer in the same filing period when the sale was made – Do not** include in column C as a sale subject to the surcharge.

**Surcharge refunded to a customer in a different filing period than when the sale was made –** File Form AU-100, *Application for Refund of Wireless Communications Surcharge*. **Do not** report any credit or negative entry on this return.

## Specific instructions

**Final return –** If this is the last return you intend to file because you have ceased all business activity required to be reported on Form WCS-2-PRE, mark an **X** in the box at the top of the return.

**Business information –** Enter your taxpayer identification number, legal name, doing business as (DBA) name, and complete address.

If you need to update your address or phone information, you can do so online by updating your *Sales tax* information through your Online Services account. Once your information is updated online, you do not need to indicate a change of address on forms submitted to the Tax Department for tax types you selected to be updated.

If you prefer to change this information in writing, use Form DTF-96, *Report of Address Change for Business Tax Accounts*. You must report other changes (such as business name or ID number) on Form DTF-95, *Business Tax Account Update*. On either form, you must select to update your **Sales and use** tax information.

Visit our website and look for the *Change my address* option, or contact us by phone (see *Need help?*).

## Part 1 – State prepaid wireless surcharge

**Line 1 – State surcharge collections –** Enter the number of sales subject to the surcharge for the filing period covered by this return, multiply by the rate in column D, and enter the total surcharge collected in column E.

**Line 2 – Administrative fee –** If you are filing your return on time and paying the total amount due, you are entitled to retain a state administrative fee. Multiply the amount on line 1, column E by 1.749% (.01749) and enter the result. Otherwise, enter **0** on line 2.

## Part 2 – Local prepaid wireless surcharge

**Local surcharge collections –** For each local jurisdiction, enter the number of sales in column C, multiply by the rate in column D, and enter the total surcharge collected in column E.

Report only the number of sales in column C if column E is shaded. See instructions for line 8 to report over-collected surcharge.

**Line 4 – Total number of sales –** Add the number of sales reported in Part 2, *Local prepaid wireless surcharge*, column C. The total amount of sales must equal the number of sales reported in Part 1, *State prepaid wireless surcharge*, column C.

**Line 6 – Administrative fee –** If you are filing your return on time and paying the total amount due, you are entitled to retain a local administrative fee. Multiply the amount on line 5 by 3% (.03) and enter the result. Otherwise, enter **0** on line 6.

### Part 3 – Calculate surcharge due

**Line 8 – Over-collected surcharge** – If you erroneously collected more surcharge from your customers than was required, and did not refund the additional amount to your customers, enter the amount on line 8. You must pay the additional surcharge collected with your return. You are not entitled to retain an administrative fee on the over-collected amount.

**Line 10 – Penalty and interest** – If you are filing your return late or not paying the full amount due, or both, you owe penalty and interest, and cannot retain an administrative fee. Penalty and interest are calculated using the amount on line 9, *Total state and local prepaid wireless surcharge due*. **The minimum penalty for late filing is \$50.** For penalty information, see *Penalty computation*. Interest is due on any late payment or underpayment and accrues from the due date of the return to the date the surcharge is paid. Interest rates are compounded daily and adjusted quarterly.

You can estimate your penalty and interest by using our online *Penalty and interest calculator*, or you may call the Wireless Surcharge Information Center to have a Tax Department representative estimate your penalty and interest for you (see *Need help?*). Enter this amount on line 10.

#### Penalty computation

- For failure to file a return on time with **no surcharge due**, the penalty is \$50.
- For failure to file a return on time **with surcharge due**, the penalty is:
  - For 1-60 days late**, 10% (.1) of the surcharge due for the first month plus 1% (.01) of the surcharge due for each month thereafter, but in no instance less than \$50.
  - For 61 or more days late**, the greater of:
    - 10% (.1) of the surcharge due for the first month plus 1% (.01) of the surcharge due for each month thereafter, not to exceed 30% (.3); or
    - the lesser of \$100 or 100% (1.0) of the surcharge due, but not less than \$50.
- For failure to pay surcharge, even though the return is filed on time, the penalty is 10% (.1) of the surcharge due for the first month, plus 1% (.01) of the surcharge due for each additional month, up to a maximum of 30% (.3).

#### Payment information

Enter your payment amount in **Box A**. This amount should match the amount due on line 11. Make your check or money order for the *Total amount due* payable in U.S. funds to **Commissioner of Taxation and Finance**.

On your check or money order, write your taxpayer identification number, **Form WCS-2-PRE**, and the date of the last day of the quarter for which you are filing.

**Fee for payments returned by banks** – If your payment is returned by a bank, the Tax Department is allowed by law to charge a \$50 fee for nonpayment. However, if the payment is returned as a result of an error by the bank or the department, the department will not charge the fee. If your payment is returned, we will send a separate bill for \$50 for each return or other tax document associated with the returned payment.

If the total amount due results in an overpayment, you may apply for a refund by filing Form AU-100, *Application for Refund of Wireless Communications Surcharge*.

**Do not attach the refund application (Form AU-100) to your return.** You **must** file the application **separately** and mail it to the address shown on that form.

The third-party designee authorization cannot be revoked. However, the authorization only includes the filing period covered on this return. You may designate the same representative, or another representative, on future returns.
