

# Instructions for Form WCS-2-PRE Prepaid Wireless Communications Surcharge Return

## General information

If your business sells prepaid wireless communications services, you **must**:

- file Form WCS-2-PRE quarterly with the Tax Department; and
- collect a public safety communications surcharge on retail sales of prepaid wireless communications services that occur in New York State.

A *prepaid wireless communications service* includes:

- mobile phones or mobile phone cards (including refill or recharge authorization codes) that are preloaded with a set dollar amount or number of minutes;
- reloads of mobile phones or mobile phone cards with additional minutes; and
- cards, PINs, or codes that give access to only texting services.

Any prepaid phone card that can be used on a mobile phone to make or receive calls is a prepaid wireless communications service. For example, long-distance or international-calling cards that can be used on both landlines and mobile phones are subject to the surcharge.

For more information, including definitions and exemptions, visit [www.tax.ny.gov](http://www.tax.ny.gov) (search: *prepaid*).

## Filing requirements

You must file Form WCS-2-PRE quarterly even if you have no surcharge to report.

Your return is due the 20th day of the month following the close of the quarterly reporting period. If the due date falls on a Saturday, Sunday, or legal holiday, the return is due on the next business day.

#### Has your address or business information changed?

If you need to update your address or phone information, log in to your Online Services account and update your **sales tax** information. Once updated online, you do **not** need to indicate a change of address on any forms you submit to the Tax Department for wireless communications surcharge or sales tax. If you prefer to change this information by mail, use Form DTF-96, *Report of Address Change for Business Tax Accounts*. You must report other changes (such as business name or ID number) on Form DTF-95, *Business Tax Account Update*. On either form, you must select to update your sales and use tax information. ## Part 1: State prepaid wireless surcharge

### Line 1: State surcharge collections

1. In column C, enter the number of sales subject to the surcharge for the filing period covered by this return.
2. Multiply column C by the surcharge rate in column D.
3. Enter the resulting surcharge due in column E.

If a customer returned a prepaid wireless communications service and you issued a refund of the surcharge:

- in the same filing period as when you made the sale, **do not** include the sale in column C; or
- in a different filing period than when you made the sale, **do not** report any credit or negative entry on this return and file Form AU-100, *Application for Refund of Wireless Communications Surcharge*.

### Line 2: State administrative fee

If you are filing your return on time and paying the total amount due, you can retain a percentage of the surcharge you collected as a state administrative fee. Multiply the amount on line 1 by 1.749% (0.01749), then enter the result on line 2.

Otherwise, enter **0** on line 2.

## Part 2: Local prepaid wireless surcharge

### Local surcharge collections

For each local jurisdiction:

1. In column C, enter the number of sales.
2. Multiply column C by the surcharge rate in column D.
3. If column E is shaded, see the instructions for line 8. Otherwise, enter the resulting surcharge in column E.

**Exceptions:** If a customer returned a prepaid wireless communications service and you issued a refund of the surcharge:

- in the same filing period as when you made the sale, **do not** include the sale in column C; or
- in a different filing period than when you made the sale, **do not** report any credit or negative entry on this return and file Form AU-100, *Application for Refund of Wireless Communications Surcharge*.

#### Line 4: Total number of sales

Add the number of sales reported in Part 2, column C, then enter the result on line 4. This number **must** equal the number of sales reported in Part 1, column C, line 1.

#### Line 6: Local administrative fee

If you are filing your return on time and paying the total amount due, you can retain a percentage of the surcharge you collected as a local administrative fee. Multiply the amount on line 5 by 3% (0.03) and enter the result on line 6.

Otherwise, enter **0** on line 6.

### Part 3: Calculate surcharge due

#### Line 8: Over-collected surcharge

If you collected more surcharge from your customers than you needed to and did **not** refund the additional amount, enter this over-collected amount on line 8. You **must** pay this over-collected amount with your return.

When calculating the administrative fee, do **not** include the over-collected amount.

#### Line 10: Penalty and interest

If you are filing your return late, not paying the full amount due, or both, you owe penalty and interest and **cannot** retain an administrative fee. Penalty and interest are calculated on the amount due on line 9, *Total state and local prepaid wireless surcharge due*. **The minimum penalty for late filing is \$50.** For penalty information, see *Penalty calculation*. Interest is due on any late payment or underpayment and accrues from the due date of the return to the date the surcharge is paid. Interest rates are compounded daily and adjusted quarterly.

You can estimate your penalty and interest by using the *Penalty and Interest Calculator* (visit [www.tax.ny.gov](http://www.tax.ny.gov) and search: *penalty*), or you may call the Wireless Surcharge Information Center to have a Tax Department representative estimate your penalty and interest for you (see *Need help?*). Enter this amount on line 10.

#### Penalty calculation

For failure to file a return on time with **no surcharge due**, the penalty is \$50.

For failure to file a return on time **with surcharge due**, the penalty is:

- **for 1 through 60 days late**, 10% (0.1) of the surcharge due for the first month plus 1% (0.01) of the surcharge due for each month thereafter, but in no instance less than \$50.
- **for 61 or more days late**, the greater of:
  - 10% (0.1) of the surcharge due for the first month plus 1% (0.01) of the surcharge due for each month thereafter, not to exceed 30% (0.3); or
  - the lesser of \$100 or 100% (1.0) of the surcharge due, but not less than \$50.

For failure to pay surcharge, even when the return is filed on time, the penalty is 10% (0.1) of the surcharge due for the first month, plus 1% (0.01) of the surcharge due for each additional month, up to 30% (0.3).

### Payment information

Make your check or money order for the *Total amount due* payable in U.S. funds to **Commissioner of Taxation and Finance**.

On your check or money order, write:

- your taxpayer identification number,
- **Form WCS-2-PRE**, and
- the last day of the filing period covered by this return.

### Fee for payments returned by banks

If your payment is returned by a bank, the Tax Department is allowed by law to charge a \$50 fee for nonpayment. However, if the electronic payment is returned as a result of an error by the bank or the department, the department will not charge the fee. If your payment is returned, we will send a separate bill for \$50 for each return or other tax document associated with the returned payment.

### If the total amount due is an overpayment

If the total amount due results in an overpayment, you may file Form AU-100, *Application for Refund of Wireless Communications Surcharge*, to apply for a refund.

Do **not** attach the refund application (Form AU-100) to your return. You **must** file the application **separately** and mail it to the address shown on that form.

### Sign and mail this return

#### Third-party designee

If you want to authorize a friend, family member, or any other person (third-party designee) you choose to discuss this return with the New York State Tax Department, mark an **X** in the Yes box in the *Third-party designee* area of your return. Also enter the designee's name, phone number, email address, and any five-digit number the designee chooses as their personal identification number (PIN). If you want to authorize the paid preparer who signed your return to discuss the return with the Tax Department, enter **Preparer** in the space for the designee's name. You do not have to provide the other information requested. If you mark the Yes box, you are authorizing the Tax Department to discuss with the designee any questions that may arise during the processing of your return. You are also authorizing the designee to:

- give the Tax Department any information that is missing from your return;
- call the Tax Department for information about the processing of your return or the status of your payment(s); and
- respond to certain Tax Department notices that you shared with the designee about math errors and return preparation. The notices will not be sent to the designee.

You are not authorizing the designee to bind you to anything (including any additional liability), or otherwise represent you before the Tax Department.

If you want the designee to perform those services for you, you must file Form POA-1, *Power of Attorney*, making that designation with the Tax Department. Copies of statutory tax notices or documents (such as a *Notice of Deficiency*) will only be sent to your designee if you file Form POA-1.

The third-party designee authorization cannot be revoked. However, the authorization only includes the filing period covered on this return. You may designate the same representative, or another representative, on future returns.
