

# STAR Credit Issued Report (Report #11) Instructions

November 1, 2020

## Overview

The *STAR Credit Issued Report* includes all STAR credit checks issued for the current year up to the time the report is generated. It indicates whether the check was for the Basic or Enhanced STAR credit; it does not include dollar amounts.

## What to do next

The report is for your information; you are not required to take action based on the report.
