General information
You may claim as a credit against your franchise tax certain special additional mortgage recording tax you paid.

A tax credit is not allowed for the special additional mortgage recording tax paid on residential mortgages (defined below) if the real property is located in Erie County or any of the counties within the Metropolitan Commuter Transportation District (MCTD). The MCTD includes the counties of New York, Bronx, Queens, Kings, Richmond, Dutchess, Nassau, Orange, Putnam, Rockland, Suffolk, and Westchester.

A residential mortgage is defined as a mortgage of real property that has been or will be principally improved by one or more structures containing a total of not more than six residential dwelling units, each with its own separate cooking facilities.

Article 9-A taxpayers who, as mortgagors, paid the special additional mortgage recording tax on residential mortgages in any tax year beginning on or after January 1, 2015, may elect to treat the unused portion of special additional mortgage recording tax credit attributable to such mortgages as an overpayment of tax to be credited or refunded, instead of as a carryforward. Any carryforward of the credit from a prior period is not eligible to be refunded.

New York S corporations taxable under Article 9-A may apply this credit against the franchise tax, or carry it forward, or treat it as an overpayment of tax as discussed above. Credit earned by the S corporation does not flow through to the shareholders to be claimed against their personal income tax liability.

When claiming this credit, you must add back to your entire net income the amount of the special additional mortgage recording tax used as a deduction in the computation of federal taxable income. (See TSB-M-87(7)C, Special Additional Mortgage Recording Tax Credit Disallowed on Certain Real Property, and TSB-M-87(10)C, Special Additional Mortgage Recording Tax Credit Disallowed on Certain Real Property Located in Erie County, for more information.)

For corporations filing franchise tax return Form CT-3, CT-3-A, CT-3-S, CT-33, or CT-33-A, the gain or loss on the sale of real property on which the special additional mortgage recording tax credit was claimed must be increased, in the case of a gain, or decreased, in the case of a loss, when all or any portion of the credit was used in the basis for computing federal gains.
