

Instructions for Form CT-636

Alcoholic Beverage Production Credit

General information

The New York State Tax Law provides a credit to taxpayers who meet the eligibility requirements.

Eligibility

To be eligible for this credit, you must meet **all** of the following requirements:

- you are subject to tax under Article 9-A or 22,
- you are registered as a distributor under Article 18 (Taxes on Alcoholic Beverages), and
- you produce 60 million gallons or less of beer or cider, 20 million gallons or less of wine, or 800,000 gallons or less of liquor in New York State during the tax year.

A registered distributor that produces more than one type of alcoholic beverage in New York State in the same tax year qualifies for the credit for each alcoholic beverage produced within the production limits stated above. If the production limitation is exceeded for an alcoholic beverage, no credit is allowed for that beverage.

Example: *A registered distributor that produced 50 million gallons of cider and 100 million gallons of beer in New York State in the same tax year qualifies to claim the credit for the cider production. The registered distributor would not qualify to claim a credit for the beer production since it produced greater than 60 million gallons of beer in New York State in the tax year.*

Credit information

The amount of credit per tax year for each gallon of beer, cider, wine, or liquor produced in New York State is:

- 14 cents (.14) per gallon for the first 500,000 gallons produced, plus
- 4.5 cents (.045) per gallon for each gallon produced in excess of 500,000 gallons (up to 15 million additional gallons for beer, cider, or wine and up to 300,000 additional gallons for liquor).

However, no credit is allowed for any beer, cider, or wine produced in excess of 15.5 million gallons, or liquor produced in excess of 800,000 gallons during the tax year.

The credit is **not** allowed against the metropolitan transportation business tax (MTA surcharge) under Article 9-A.

The credit may not reduce the tax due below the fixed dollar minimum tax. Any unused amount of credit for the current tax year will be treated as a refund or overpayment of tax to be credited to next year's tax. Interest will not be paid on the refund or overpayment.

Line instructions

Complete a separate Form CT-636 for each registered distributor.

Line A – Mark an **X** in the appropriate box to determine the parts of this form you need to complete. If you are claiming this credit **both** as a corporation that earned the credit **and** as a corporate partner receiving a share of the credit, mark an **X** in the Yes box and complete all appropriate schedules on one Form CT-636.

Schedules B through E – Computation of credit

Complete the applicable Schedules (B,C,D, and/or E) for the type of alcoholic beverage that was produced.

New York S corporations

Transfer the amounts from lines 8, 16, 24, 32 and 45 (Columns C through F) to the applicable lines on Form CT-34-SH, *New York*

S Corporation Shareholders' Information Schedule, and provide your shareholders with their pro rata share of credit. The shareholders will file their own Form IT-636 to claim the credit on their New York State personal income tax returns.

Schedule B – Credit for beer produced in New York State in this tax year

Parts 1 and 2

Column A – Enter the street number and name, and the city in New York State where the beer is produced. Do **not** enter a PO Box, or the mailing address of the company if it differs from the physical location where the beer is produced.

Column B

The total gallons to enter from Form MT-456, *Alcoholic Beverages Tax Return*, depends on whether you file the form on an annual (calendar-year) or monthly basis.

Annual filers: Enter the amount from Form MT-456, line 3, column D filed for the corporation's tax year.

If you file your corporation tax return on a fiscal-year basis, do **not** enter the amount from Form MT-456. Instead, compute your gallons produced in New York State during the tax year for which you file your corporation tax return, and enter the amount.

Monthly filers: Enter the sum of the amounts entered on line 3, column D of all Forms MT-456 filed for the corporation's tax year.

Line 3 – Claim the credit for any beer produced in New York State in excess of 500,000 gallons in Part 2. If there were no gallons produced in NYS in excess of 500,000, leave Part 2 blank and enter the amount from line 3 on line 8.

Line 6 – No credit is allowed for any beer produced in excess of 15,500,000 gallons (500,000 gallons in Part 1 plus 15,000,000 gallons in Part 2).

Schedule C – Credit for cider produced in New York State in this tax year

Parts 1 and 2

Column A – Enter the street number and name, and the city in New York State where the cider is produced. Do **not** enter a PO Box, or the mailing address of the company if it differs from the physical location where the cider is produced.

Column B – Enter the amount from Form MT-456, line 3, column E filed for the corporation's tax year.

Fiscal-year filers: Do **not** enter the amount from Form MT-456 if you file your corporation tax return on a fiscal-year basis. Instead, compute your gallons produced in New York State during the tax year for which you file your corporation tax return, and enter the amount.

Line 11 – Claim the credit for any cider produced in New York State in excess of 500,000 gallons in Part 2. If there were no gallons produced in New York State in excess of 500,000, leave Part 2 blank and enter the amount from line 11 on line 16.
