General information

Tax Law sections 24-a and 210-B.47 provide for a musical and theatrical production credit. The Empire State musical and theatrical production tax credit is available to taxpayers subject to tax under Article 22 or Article 9-A. Form CT-642 is for taxpayers subject to tax under Article 9-A (including New York S corporations). Those subject to tax under Article 22 should complete Form IT-642, *Empire State Musical and Theatrical Production Credit*.

The credit is 25% of the sum of qualified production expenditures and transportation expenditures.

The amount of credit allowed for the current tax year is allocated by Empire State Development (ESD). ESD will issue a certificate of tax credit showing the:

- certificate number,
- allocation year of the tax credit, and
- amount of tax credit allowed.

Attach a copy of your certificate from ESD. Complete a separate Form CT-642 for each individual certificate issued to you. You cannot claim the credit before the later of:

- the tax year the production of the qualified musical or theatrical production is complete, or
- the tax year immediately following the allocation year assigned on your certificate.

Qualified production expenditures and transportation expenditures used as the basis for the allowance of this credit or used in the calculation of this credit cannot be used to claim any other credits.

The credit may not reduce the tax liability below the fixed dollar minimum tax. Any unused amount of credit for the current tax year will be treated as a refund or overpayment of the tax to be credited to next year's tax. Interest will not be paid on the refund or overpayment.

The credit is not allowed against the metropolitan transportation business tax (MTA surcharge) under Article 9-A.

For rules and regulations regarding the credit, visit ESD's website at www.esd.ny.gov.

New York S corporations

New York S corporations will calculate a credit, however the S corporation may not use the credit against its own tax liability. Instead the credit is passed through to the shareholders to use against their personal income tax liabilities on their New York State tax returns. Complete only lines A, B, C, and Schedule A.

Combined filers

A taxpayer filing as a member of a combined group is allowed to claim the credit, which is computed on a separate basis, but is applied against the combined tax.
