Instructions

General information for executor

Use Form ET-14, *Estate Tax Power of Attorney*, when you want to give one or more individuals the authority to obligate, bind, or appear on your behalf before the New York State Department of Taxation and Finance (the department) with respect to estate tax matters. For all other tax matters related to the estate or decedent, use Form POA-1, *Power of Attorney*.

You may only appoint individuals (not a firm) to represent you.

Note: Authorizing someone to represent you by a power of attorney (POA) does **not** relieve you of your tax obligations.

Unless you limit the authority you grant (see section 4), your appointed representatives may perform any and all acts you can perform, including but not limited to: receiving confidential information concerning your taxes, agreeing to extend the time to assess tax, agreeing to a tax adjustment, and establishing an installment payment agreement for taxes owed.

You do **not** need Form ET-14 to authorize someone to appear with you, or to authorize someone to provide information, or prepare a report or return for you.

Only certain types of professionals may act on your behalf before the NYS Bureau of Conciliation and Mediation Services (BCMS). Visit the Tax Department's POA webpage (at www.tax.ny.gov/poa) for more information.

Note: Unless a change is being made, Form ET-14 should only be sent in once. You do not have to send in this form with every estate tax filing.

Revocation and withdrawal – New: This POA will **remain active** until you (the executor) revoke it or your representative withdraws from representing you. Representatives may not revoke a POA.

For information on ways to revoke a POA, or how a representative can withdraw, see the Tax Department's POA webpage (at www.tax.ny.gov/poa).

Specific instructions

Section 1 – Executor's and decedent's information

If no executor or personal representative is appointed, qualified, and acting within the United States, *executor* means any person in actual or constructive possession of any property of the decedent. It includes, among others, a surviving spouse or other relative, trustee, or custodian of the property. A person who is not formally appointed executor by a court may be required to furnish evidence at any time that substantiates his or her authority to sign the power of attorney (for example, death certificate, kinship affidavit, fiduciary relationship, copy of trust instrument, etc.).

Section 2 – Representative information

If you are appointing more than one representative, attach a sheet that provides all the information requested in section 2 and that is signed by the executor named in section 1.

Caution: This POA cannot be partially revoked or withdrawn. If you appoint more than one representative on this POA and later choose to revoke one representative or one representative withdraws, the revocation or withdrawal will apply to **all** representatives, and none will have ongoing authority to represent you. You **must** file a new POA to appoint the representatives that you want to continue representing you.

All representatives are deemed as authorized to **act separately** unless you explain that all representatives are required to **act jointly** on the line in section 4 that allows you to limit the authority granted by this POA.

For each appointed representative, enter the title or profession or, if your representative is not a professional, enter the representative's relationship to you. If the representative is not licensed in NYS, also include the state where licensed (for example, *Florida attorney*). Enter each representative's federal preparer tax identification number (PTIN), SSN, or EIN. If applicable, also enter each representative's New York tax preparer registration identification number (NYTPRIN).

Section 3 – Mailings

If you want copies of notices and other communications sent to someone **other than** the primary individual representative listed in section 2 of this POA, enter the name of that representative on the line provided. This

representative must be someone who is listed as a representative for the matters covered by this POA on this or another valid POA on file for estate tax matters.

If you do not want copies of notices and other communications sent to any representative, enter *None*.

Example: On 2/1/2016, you appoint Mr. Smith as your representative for all estate tax matters. Mr. Smith will receive copies of all mailings for these matters. On 8/15/2016, you appoint Ms. Jones as your representative for all estate tax matters. This is in addition to Mr. Smith, since you did not revoke his power of attorney. Ms. Jones will now receive copies of mailings for these matters, not Mr. Smith. However, if you want Mr. Smith to continue to receive the mailings and not Ms. Jones, you must list Mr. Smith's name in section 3 of the Form ET-14 appointing Ms. Jones. Ms. Jones will not receive mailings.

Section 4 – Authority granted

This power of attorney authorizes the representatives you appointed to act for you without any restrictions for the estate indicated. If you want to limit your representative's authority, explain the limitation. For example, you can limit your representative's authority to only receive confidential information, but make no binding decisions for you. If you need more space to explain the limitation, attach a sheet. The attached sheet must be signed and dated by the executor named in section 1.

Section 5 – Executor signature, and definition of executor

Form ET-14 must be signed and dated by the executor. The term *executor* includes executrix, administrator, administratrix, or personal representative of the decedent's estate. If no one is appointed, qualified and acting within the United States, executor means any person in actual or constructive possession of any property of the decedent (see section 1). The NYS Tax Department requires an executor who has been formally appointed by a court, or his or her representative, to submit a copy of the Letters Testamentary or the Letters of Administration as evidence of the executor's authority to execute this power of attorney. You must submit a copy of one of these letters (whichever applies) with this Form ET-14, unless it has already been submitted to the Tax Department.
