Did you know? You can pay your income tax return payment directly on our website from your bank account or by credit card through your individual Online Services account. Visit www.tax.ny.gov.

How to use this form

If you are paying New York State income tax by check or money order, you must include Form IT-201-V with your payment.

Check or money order

- Make your check or money order payable in U.S. funds to **New York State Income Tax**.
- Be sure to write the last four digits of your social security number (SSN), the tax year, and **Income Tax** on it.

Completing the voucher

Be sure to complete **all** information on the voucher.

- Enter the tax year from the income tax return you are filing and your **entire** SSN. Failure to do so may result in monies not being properly credited to your account.
- If filing a joint return, include information for both spouses.
- Foreign address – Enter the city, province, or state all in the **City** box, and the **full** country name in the **Country** box. Enter the postal code, if any, in the **ZIP code** box.
- Do not staple or clip your payment to Form IT-201-V. Instead, just put them loose in the envelope.

You **cannot** use this form to pay a bill or other notice from the Tax Department that indicates you owe tax; you must use the payment document included with that bill or notice.

You **cannot** use this form to request an installment payment agreement (IPA); see our website for information about requesting an IPA.

Fee for payments returned by banks – The law allows the Tax Department to charge a \$50 fee when a check, money order, or electronic payment is returned by a bank for nonpayment. However, if an electronic payment is returned as a result of an error by the bank or the department, the department won't charge the fee. If your payment is returned, we will send a separate bill for \$50 for each return or other tax document associated with the returned payment.
