

Instructions for Form IT-248

Claim for Empire State Film Production Credit

IT-248-I

General information

Tax Law sections 24 and 606(gg) provide for tax credits for the film and television production industry. The Empire State film production credit (also referred to as the *film production credit*) is available to taxpayers subject to tax under Article 22 (personal income tax) or Article 9-A (general business corporations). Form IT-248 is for taxpayers subject to tax under Article 22. Those subject to tax under Article 9-A (including New York S corporations) should complete Form CT-248, *Claim for Empire State Film Production Credit*.

The amount of credit allowed is allocated by the New York State Governor's Office of Motion Picture & Television Development. **Submit a copy of your certificate** from this office for the credit allowed. **You are required to submit a separate Form IT-248 for each individual certificate** issued to you by the Governor's Office of Motion Picture & Television Development. **Failure to do so may delay the processing of your credit(s).**

The credit is based on the qualified production costs paid or incurred in the production of certain qualified films and television shows. For tax years beginning on or after January 1, 2015, and before January 1, 2035, there is an additional credit available on a qualified film in certain counties. If the amount of film production credit shown on your certificate of tax credit received from the New York State Governor's Office of Motion Picture & Television Development is at least \$1 million but less than \$5 million, the credit must be claimed over a two-year period. If the amount of the credit allocated is \$5 million or more, the credit must be claimed over a three-year period.

If the amount of the credit allowable for any tax year exceeds the tax for that year, the excess is treated as an overpayment to be credited or refunded. No interest will be paid on the refund.

If the film production credit is claimed for qualified production costs, no other income tax credit may be claimed for those costs.

For rules and regulations regarding the credit, contact the New York State Governor's Office of Motion Picture & Television Development at filmcredits@esd.ny.gov or call 212-803-2328.
