Instructions

General information

This schedule must be prepared to support the claim for simulcast credits during the period reported. The claim for each day's simulcast credit must include all off-track regions receiving simulcasts. No credit will be allowed on any date for which an incomplete listing of participating off-track regions is provided.

Line instructions

Date — Enter at the head of each column the date (month, day and year) for which simulcast credit is claimed.

On-track handle — Enter the on-track betting handle for each date indicated.

Off-track betting simulcast handle — Enter the off-track simulcast betting handle for all participating regions on the appropriate line.

Total off-track simulcast handle — Add the off-track simulcast handles entered for all participating regions for each date and enter the total on this line.

Lower of track/OTB simulcast handle — Enter the lower of the on-track or off-track simulcast handle.

Simulcast credit percentage — Enter the applicable credit rate for each date indicated.

Simulcast credit due — Multiply the entry on the *Lower of track or OTB simulcast handle* line by the simulcast credit percentage and enter the result on this line.

Total simulcast credits — Add all entries on the *Simulcast credit due* line to determine the total simulcast credits; enter here and on line 6 of Form AU-212, *Pari-Mutuel Betting Tax Return*.
