Instructions

General information

This schedule is used to calculate the simulcast credits due for the reporting period. The total simulcast credits claimed must be reported on Form AU-212, *Pari-Mutuel Betting Tax Return*. The claim for each day's simulcast credit must include all off-track regions receiving simulcasts. No credit will be allowed on any date for which an incomplete listing of participating off-track regions is provided.

Line instructions

Date – Enter at the top of each column the date (month, day and year) for which simulcast credit is claimed.

On-track handle – Enter the on-track betting handle for each date listed.

Off-track betting (OTB) simulcast handle – Enter the OTB simulcast handle for all participating regions on the appropriate line.

Total OTB simulcast handle – Add the OTB simulcast handles entered for all participating regions for each date and enter the total on this line.

Lower of on-track or OTB simulcast handle – Enter the lower of the on-track or OTB simulcast handle.

Simulcast credit percentage – Enter the applicable credit rate for each date indicated.

Simulcast credit due – Multiply the entry on the *Lower of on-track or OTB simulcast handle* line by the simulcast credit percentage and enter the result on this line.

Total simulcast credits – Add all entries on the *Simulcast credit due* line to determine the total simulcast credits; enter here and on line 6 of Form AU-212.
