Authorization for exemption

Real Property Tax Law, § 466-n authorizes the governing body of a county, city, town, village, school district, or fire district, to partially exempt up to 10% of the assessed value of the primary residence of an enrolled member of an ocean rescue squad, who resides in the Town of East Hampton. The exemption does not apply to special assessments.

An eligible city, village, town, school district, fire district, or county may enact, after a public hearing, a local law, or a resolution in the case of a school district, to adopt the ocean rescue squad exemption. Consult the Town of East Hampton Assessor to determine if the exemption is available locally.

Eligibility

The exemption is available only to members of an ocean rescue squad that has been deemed an emergency rescue squad or first aid squad by the municipality, and who have been certified as being enrolled members for a minimum of two to five years, depending on the policy. The municipality determines the procedure for certification.

At local option of the city, town, village, school district, fire district, or county, an enrolled member who has accrued more than 20 years of active service may be granted the exemption for the remainder of their life, as long as the member's primary residence is located within such municipality.

At local option, the exemption may be continued or reinstated for the unmarried spouse of an enrolled member killed in the line of duty who had been a member of the ocean rescue squad for at least five years and was receiving the exemption prior to their death.

At local option, the exemption may be continued or reinstated for the unmarried spouse of an enrolled member who accrued at least 20 years of active service and was receiving the exemption prior to their death.

The exemption is only available for the applicant's primary residence and only to property (or the portion thereof) exclusively used for residential purposes.

Deadline

If one or more of your localities have opted to offer this exemption, you must file the application with the Town of East Hampton Assessor's office on or before the appropriate taxable status date, which is generally March 1. Consult with your assessor to confirm the deadline for your municipality.

Once the exemption is granted, the exemption may continue for the authorized period provided that the eligibility requirements continue to be satisfied. It is not necessary to reapply after the initial year for the exemption for it to continue.
