April 1, 1982

474.12 Eleventh series permits and stickers. (Tax Law § 509, subd. 8)

- (a) The tenth series permits and stickers and continued ninth series permits and stickers issued for use on all motor vehicles on and after January 1, 1979 will expire on December 31, 1981.
- (b) Pursuant to the authority contained in subdivision 8 of section 509 of the Tax Law, an eleventh series of permits and stickers will be issued to be used on all motor vehicles on and after January 1, 1982. The eleventh series permit forms will bear the expiration date "December 31, 1984." The eleventh series stickers will be approximately four and one-half inches wide and two and seven-eighths inches in height, and will be waterproof, pressure-sensitive with adhesive on the back. The stickers will be yellow with blue printing and will be numbered consecutively coinciding with the number of the highway use tax permit.
- (c) An eleventh series permit and sticker should be obtained by filing an application with the Permit Renewal Unit and upon the payment of the required fee. If the application for such a permit and sticker is received by the Permit Renewal Unit or is postmarked by the United States Postal Service on or before December 31, 1981 for a motor vehicle for which a valid permit and sticker is still in effect, the fee for the eleventh series permit and sticker will be two dollars. Any application for such a permit and sticker received by the Permit Renewal Unit and postmarked after December 31, 1981, or personally delivered after December 31, 1981, or for a motor vehicle for which no valid permit and sticker is in effect, will be considered a new application and must be accompanied by a fee of five dollars.
- (d) Preprinted renewal applications, in duplicate (Forms TMT-1.2) for eleventh series permits and stickers will be mailed to carriers registered with the State Tax Commission commencing October 1, 1981. Failure on the part of any carrier to receive the forms will not, however, excuse any delay in filing the renewal application. Carriers not supplied with the preprinted renewal applications must obtain them from the Permit Renewal Unit.
- (e) Renewal applications must be made on Form TMT-1.2. The renewal application should list each motor vehicle for which an eleventh series permit and sticker is requested. The required fee for each motor vehicle listed must accompany the renewal application. The fee should be paid by check or money order, payable to the State Tax Commission. All of the required information must be set forth in the renewal application.
- (f) The renewal application for the eleventh series permits and stickers and the fees should be mailed to the Department of Taxation and Finance, Processing Division, Permit Renewal Unit, State Campus, Albany, New York 12227.
- (g) Application for permits and stickers for all newly registered motor vehicles must be made on Form TMT-1. All motor vehicles newly registered on or after October 1, 1981 will be issued eleventh series permits and stickers.
