# Highway Use Tax Renewal — 19th Series and International Fuel Tax Agreement (IFTA) Renewal — 2006

To: Law enforcement agencies  
District attorneys  
Executive officials of municipalities  
Judges, magistrates, town justices, and village justices

### Highway use tax renewal — 19th series permits and stickers

All 18th series highway use tax (HUT) and automotive fuel carrier (AFC) permits and stickers will expire on December 31, 2005. A 19th series of permits and stickers will be issued beginning in October 2005. The new HUT stickers will be yellow with black lettering, and the new AFC stickers will be red with black lettering. Motor carriers may use 19th series permits and stickers beginning October 1, 2005.

In order to give carriers ample opportunity for compliance, the 18th series permits and stickers continue to be valid and may be displayed during January, February, and March 2006. Therefore, during the period October 1, 2005, through March 31, 2006, either the 18th or the 19th series permits and stickers are valid and either may be displayed.

Beginning April 1, 2006, however, only the 19th series permits and stickers will be valid and must be displayed. All 18th series stickers must be removed from the motor vehicles, and the permits and stickers must be destroyed. On or after April 1, 2006, a carrier operating a motor vehicle without a valid 19th series permit and sticker may be issued a citation under section 1815(a)(1)(A)(i) of the Tax Law.

The issuance of 19th series permits and stickers does not affect temporary permits, trip-lease permits, or trip permits. These permits are valid for the period shown on the permit. No HUT or AFC sticker is required when these permits are used. The temporary permits are valid for a 30-day period; the trip-lease permits are valid for a 20-day period; and the trip permits are valid for a 72-hour period.

### IFTA renewal — 2006 licenses and decals

All 2005 IFTA licenses and decals will expire on December 31, 2005. New IFTA licenses and decals for 2006 will be issued by the various IFTA member jurisdictions for use beginning December 1, 2005. The 2006 IFTA decals will be gold with white lettering.

In order to give carriers ample opportunity for compliance, the 2005 IFTA licenses and decals continue to be valid and may be displayed during January and February 2006. Therefore, during the period December 1, 2005, through February 28, 2006, either the 2005 or the 2006 IFTA license and decals are valid and may be displayed.

Beginning March 1, 2006, however, only the 2006 IFTA licenses and decals will be valid and must be displayed. All 2005 decals must be removed from the qualified motor vehicles, and the licenses and decals must be destroyed. On or after March 1, 2006, a carrier operating a qualified motor vehicle without a valid 2006 IFTA license and decals may be issued a citation under section 1815(a)(1)(A)(ii) of the Tax Law.

The issuance of 2006 IFTA licenses and decals does not affect New York fuel use tax trip permits. These permits are valid for the 72-hour period shown on the permit.

**Note:** Generally, vehicles subject to the highway use tax and IFTA must have both a HUT/AFC permit and sticker and an IFTA license and decals to operate in New York State. However, for information concerning exemptions from the highway use tax or from the fuel use tax, see Publication 529, *Guide for Law Enforcement Officials*. To get a copy of Publication 529, see *Need help?* below.
