**Telephone Number Error in Notice to Vendors Regarding
City of Fulton Local Sales Tax Rate Change**

The Tax Department recently mailed certain vendors a postcard (Form TP-847) to announce a change in the local tax for the city of Fulton, located in Oswego County. In that postcard, there was an error in the toll free telephone number given for our Sales Tax Information Center.

The correct telephone number is 1 800 698-2909.
