New Filing Requirement for Construction Companies

Workers' compensation reform legislation enacted in 1998 (Chapter 135 of the Laws of 1998) imposes a new quarterly filing requirement on construction companies. The initial return under the program will be due February 29, 2000. Accordingly, companies need not begin collecting data until the calendar quarter beginning October 1, 1999.

The Department will be furnishing detailed information regarding the new filing requirement prior to October 1, 1999. **ifl** the meantime, please disregard Notice N-98-1 6 sent to you on December 28, 1998.
