I. Proposal Security

Each bidder's proposal will be held in strict confidence by the Department staff and will not be disclosed except to the Office of the Attorney General and the Office of the State Comptroller as may be necessary to obtain the approvals of those agencies for the final contract.

Public inspection of the bids is regulated by the Freedom of Information Law (Article 6 of the New York State Public Officers Law). The bids are presumptively available for public inspection.

The Public Officers' Code of Ethics (Section 74 of the Public Officers Law) sets the standards that no officer or employee of a State Agency shall disclosure confidential information that he or she acquires during the course of his or her official duties. These standards control the confidentiality of a Bidder's proposal unless the Department grants a petition for records access in accordance with the Freedom of Information Law.

Bidders should be advised that the confidentiality of their proposal is founded upon statute, as described above. A non-disclosure agreement, whether prescribed by the Department or the Bidder, would not alter the rights and responsibility of either party under the Freedom of Information law. Bidders should not propose a non-disclosure agreement for Department employees, for that would be legally ineffective to alter any legal responsibility under the Freedom of Information Law or the code of ethics.

The provisions of the Freedom of Information law will also govern the confidentiality of any and all products or services supplied by the successful bidder.

J. Proposal Ownership

All proposals and accompanying documentation become the property of the State of New York and will not be returned.

K. Prime Bidder

If a Bidder's proposal includes another provider's service, the Bidder will be required to assume responsibility for those services as prime Bidder. The Department may consider only the prime Bidder in regard to contractual matters.

L. Subcontracting

The Contractor agrees not to enter into any subcontracts for the performance of contractual obligations without the Department's prior written approval. The Department shall have the right to approve each and every subcontract prior to giving written approval to the Contractor to enter into the subcontract. All agreements between the prime Contractor and subcontractor shall be by written contract. All such contracts shall contain provisions specifying that:

- The work performed by the subcontractor must be in accordance with the terms of the contract between the Department and the prime Contractor;
- Nothing contained in such agreement shall impair the rights of the Department;

- Nothing contained under the contract between the Department and the prime Contractor shall create any contractual relationship between any subcontractor and the Department; and
- The Department has final approval of subcontractor's staff.

All subcontracts must contain provisions similar to those in the contract between the Department and the prime Contractor so that the provisions of any subcontract entered into by the prime Contractor are similar to, and not inconsistent with, the contract awarded as a result of this IFB.

M. Proposal Effective Period

The Bidder's proposal must be in effect for at least 120 days, following the final submission date.

N. Bidding Practices

Each Bidder shall submit, as part of the proposal, a completed copy of the Non Collusive Bidding Certification (**Attachment II**). This will certify that, to the best of the bidder's knowledge and belief:

- The prices in the bid have been arrived at independently, without collusion, consultation, communication or agreement, for the purpose of restricting competition, as to any matter relating to such prices, with any other Bidder or with any competitor;
- Unless otherwise required by law, the prices which have been quoted in the bid have not been knowingly disclosed by the Bidder and will not knowingly be disclosed by the bidder, directly or indirectly, to any other Bidder or to any competitor prior to completion of the selection process; and
- No attempt has been made or will be made by the Bidder to induce any other person, partnership or corporation to submit or not to submit a bid for the purpose of restricting competition.

A bid shall not be considered for award nor shall any award be made where the above conditions have not been complied with; provided, however, that if in any case the Bidder cannot make the foregoing certification, the Bidder shall so state and shall furnish with the bid a signed statement which sets forth in detail the reasons therefore. Where the above conditions have not been complied with, the bid shall not be considered for award nor shall any award be made unless the head of the purchasing unit of the State, public department or agency to which the bid is made, or his designee, determine that such disclosure was not made for the purpose of restricting competition (Section 139-d of the State Finance Law).

The fact that a Bidder has published price lists, rates, or tariffs covering items or services being procured, has informed prospective customers of proposed or pending publication of new or revised price lists for such items, or has sold the same items to other customers at the same prices being bid, does not constitute a disclosure within the meaning stated above.

O. Procurement Lobbying Act

Pursuant to State Finance Law §§139-j and 139-k, this solicitation includes and imposes certain restrictions on communications between DTF and an Offerer/bidder during the procurement process. An Offerer/bidder is restricted from making contacts from the earliest notice of intent to solicit offers/bids through final award and approval of the Procurement Contract by DTF and, if applicable, the Office of the State Comptroller (“restricted period”) to other than designated staff unless it is a contact that is included among certain statutory exceptions set forth in State Finance Law §139-j (3) (a). Designated staff, as of the date hereof, is identified on the first page of this solicitation. DTF employees are also required to obtain certain information when contacted during the restricted period and make a determination of the responsibility of the Offerer/bidder pursuant to these two statutes. Certain findings of non-responsibility can result in rejection for contract award and in the event of two findings within a four-year period, the Offerer/bidder is debarred from obtaining governmental Procurement Contracts. Information related to the Procurement Lobbying Law and DTF guidelines can be found on the Department’s Procurement website at: <http://www.nystax.gov/procurement>.

1. Affirmation and Understanding of and Compliance with Procurement Lobbying Guidelines

New York State Finance Law 139-j(6)(b) requires that the Department of Taxation and Finance seek written affirmation from all Offerers as to the Offerer’s understanding of and agreement to comply with the DTF procedures relating to permissible contacts during a Government Procurement. Information related to the Procurement Lobbying Law and DTF guidelines can be found on the Department’s Procurement website at: <http://www.nystax.gov/procurement>.

Offerers should sign and submit **Attachment VII no later than February 09, 2007**.

2. Offerer Disclosure of Prior Non-Responsibility Determinations

New York State Finance Law §139-k(2) obligates a Governmental Entity to obtain specific information regarding prior non-responsibility determinations with respect to State Finance Law §139-j. This information must be collected in addition to the information that is separately obtained pursuant to State Finance Law §163(9). In accordance with State Finance Law §139-k, an Offerer must be asked to disclose whether there has been a finding of non-responsibility made within the previous four (4) years by any Governmental Entity due to: (a) a violation of State Finance Law §139-j or (b) the intentional provision of false or incomplete information to a Governmental Entity. The terms “Offerer” and “Governmental Entity” are defined in State Finance Law § 139-k(1). State Finance Law §139-j sets forth detailed requirements about the restrictions on Contacts during the procurement process. A violation of State Finance Law §139-j includes, but is not limited to, an impermissible Contact during the restricted period (for example, contacting a person or entity other than the designated contact person, when such contact does not fall within one of the exemptions).

As part of its responsibility determination, State Finance Law §139-k(3) mandates consideration of whether an Offerer fails to timely disclose accurate or complete information regarding the above non-responsibility determination. In accordance with law, no Procurement Contract shall be awarded to any Offerer that fails to timely disclose accurate or complete information under this section, unless a finding is made that the award of the Procurement Contract to the Offerer is necessary to protect public property or public health safety, and that the Offerer is the only source capable of supplying the required Article of

Procurement within the necessary timeframe. See State Finance Law §§139-j (10)(b) and 139-k(3).

A Governmental Entity must include a disclosure request regarding prior non-responsibility determinations in accordance with State Finance Law §139-k in its solicitation of proposals or bid documents or specifications or contract documents, as applicable, for procurement contracts. The attached form is to be completed and submitted by the individual or entity seeking to enter into a Procurement Contract. It shall be submitted to the Governmental Entity conducting the Governmental Procurement.

The bidder is responsible for the completion and submission of **Attachment VIII**.

3. Offerer's Certification of Compliance with State Finance Law 139-k(5)

New York State Finance Law 139-k(5) requires that every Procurement Contract award subject to the provisions of State Finance Law 139-k or 139-j shall contain a certification by the Offerer that all information provided to the procuring Government Entity with respect to State Finance Law 139-k is complete, true and accurate.

The bidder is responsible for the completion and submission of **Attachment IX**.

P. Vendor Responsibility Questionnaire

Article XI §163(4) (d) of the State Finance Law states that "service contracts shall be awarded on the basis of best value to a responsive and responsible "Offerer." Upon identification as the successful bidder with the highest score, the Contractor will be responsible for completing the **Vendor Responsibility Questionnaire, Attachment X** which will be analyzed to ensure that the Contractor is responsible. In the event the contractor is found to be not responsible, the bidder may be disqualified.

Q. MacBride Fair Employment Principles

- e) The provisions of these equal employment clauses shall not be binding upon Contractors or subcontractors in the performance of work or the provision of services or another activity that are unrelated, separate or distinct from the State contract as expressed by its terms.
- f) The requirements of these equal employment clauses shall not apply to any employment outside this State or application for employment outside this State or solicitations or advertisements therefore, or any existing programs or affirmative action regarding employment outside this State and the effect of contract provisions required by clauses (a), (b) and (c) above shall be so limited.

4. Minority- and Women-Owned Business Enterprise Utilization Plan; Equal Employment Opportunity Program; Waivers

- a) If goals have been established by Tax and Finance for this agreement, no later than seven business days after receiving notice that the bidder has submitted the lowest responsible bid, the bidder shall submit to Tax and Finance a Minority- and Women-Owned Business Enterprise (M/WBE) utilization plan on forms to be provided by Tax and Finance. The M/WBE utilization plan shall list those M/WBEs, which will be used by the Contractor to meet the contract's M/WBE goals.
- b) Tax and Finance will review the M/WBE utilization plan and will issue to the Contractor a written notice of acceptance or deficiency within twenty calendar days of receipt. An M/WBE notice of deficiency shall include (i) the name of any M/WBE which is not acceptable for the purpose of complying with the goal requirements; (ii) elements of the contract scope of the work which Tax and Finance has determined can be reasonably structured by the Contractor to increase the likelihood of participation in the contract by M/WBEs; and (iii) other information which Tax and Finance determines to be relevant to the utilization plan.
- c) The Contractor shall respond to the notice of deficiency within seven business days of receipt by submitting to Tax and Finance a written statement, which remedies the deficiencies in the original plan. If the written remedy which the Contractor submits is not timely or is found by Tax and Finance to be inadequate, Tax and Finance shall so notify the Contractor within five business days and direct the Contractor to submit a request for a partial or total waiver of goal requirements on forms to be provided by Tax and Finance. The request for waiver must be submitted within five business days of receipt from Tax and Finance of a notice that the Contractor's statement of remedy was untimely or inadequate.
- d) A Contractor who has made good faith efforts to obtain commitments from M/WBE sub-contractors and suppliers prior to submitting its M/WBE utilization plan may submit a request for waiver at the same time it submits its utilization plan. If a request for waiver is submitted with the utilization plan, and is not accepted by Tax and Finance at that time, the provisions of clauses (b) and (c), regarding the notice of deficiency and written remedy, will apply. In this case, the Contractor may submit a second request for waiver as directed by Tax and Finance.
- e) If the Contractor does not submit a request for waiver, or if Tax and Finance determines that the good faith efforts of the Contractor have been inadequate to justify the granting of the request for waiver, Tax and Finance may make a determination that the Contractor's failure to remedy deficiencies is non-responsible and disqualify the bid or proposal. Notice of disqualification, along with a denial of a request for waiver, where applicable, shall be delivered to the Contractor no later than twenty calendar days after Tax and Finance receives the request for waiver.
- f) If Tax and Finance disqualifies the bidder as non-responsible for failure to remedy deficiencies in its M/WBE utilization plan and to document good faith efforts, Tax and Finance may award the contract to the next-lower responsible or otherwise acceptable bidder, whether or not the disqualified bidder pursues any remedies established pursuant to Article 15A of the Executive Law.
- g) The Contractor shall attempt to utilize, in good faith, any MBE or WBE identified within its M/WBE utilization plan, at least to the extent indicated in the plan.

5. Administrative Hearing on Disqualification

- a) If Tax and Finance disqualifies the bid on the grounds that the contractor has failed to remedy the deficiencies in its M/WBE utilization plan or to document good faith efforts to remedy such deficiencies and is, therefore, determined to

be non-responsible, the Contractor shall be entitled to an administrative hearing, on the record, before a hearing officer appointed by Tax and Finance, to review the determination of disqualification of the bid and determination of non-responsibility. The Contractor shall request such hearing in writing no less than seven business days of receipt of notice of disqualification. The determination of the hearing officer shall not interfere with Tax and Finance disposition of the contract. The hearing shall be conducted pursuant to Article 3 of the State Administrative Procedures Act, as it applies to these circumstances. The rules and regulations of Article 15-A override any inconsistencies with Article 3

- b) The hearing officer's determination shall be a final administrative determination of Tax and Finance and shall be reviewable by the proceeding brought pursuant to the Civil Practice Law and Rules, provided such proceeding is commenced within thirty days of notice given by Certified Mail, return receipt requested, rendering such final administrative determination in accordance with the provisions of Section 313 of the Executive Law.
- c) Such review shall be commenced in the Supreme Court, Appellate Division, Third Department, and shall be preferred over all other civil causes except election causes, and shall be heard and determined in preference to all other civil business pending therein, except election matters, irrespective of position on the calendar. Appeals taken to the Court of Appeals of the State of New York shall be subject to the same preference.

6. Good-Faith Efforts

In order to show that it has made good-faith efforts to comply with the goal requirements of this contract, if applicable, the Contractor shall submit such documentation as will enable Tax and Finance to make a determination in accordance with the following criteria:

- a) Was a completed, acceptable utilization plan submitted in accordance with applicable requirements to meet goals for participation of certified minority and women-owned business enterprises established in the State contract?
- b) Were advertisements placed in appropriate general circulation, trade and minority- and women-oriented publications in a timely fashion?
- c) Were written solicitations made in a timely fashion of certified minority- and women-owned business enterprises listed in the directory of certified businesses?
- d) Were timely responses to any such advertisements and solicitations provided by certified minority- and women-owned business enterprises?
- e) Did the Contractor attend pre-bid, pre-award, or other meetings, if any, scheduled by the state agency awarding the state contract, with certified minority- or women-owned business enterprises which the state agency determined were capable of performing the state contract scope of work, for purposes of complying with goal requirements?
- f) What efforts were undertaken by the Contractor to reasonably structure the contract scope of work for purposes of subcontracting with certified minority- and women-owned business enterprises?
- g) How many minority- and women-owned business enterprises in the directory of certified businesses could perform work required by the State contract scope of work in the region as defined in paragraphs (1) and (2) of subdivision (a) of Section 543.2 of this part?
- h) What actions were taken to contact and assess the financial ability of certified minority- and women-owned business enterprises to participate on the State contract, which enterprises are located outside of the region in which the State contract scope of work was or will be performed?
- i) Were relevant plans, specifications or terms and conditions of the state contract, necessary to prepare an informed response to a Contractor solicitation, provided in a timely fashion to certified minority- or women-owned business enterprises?
- j) What subcontract terms and conditions were offered to certified minority- and women-owned business enterprises, and how do those subcontract terms and conditions compare to those offered in the ordinary course of the Contractor's business and to other subcontractors of the Contractor?
- k) Has the Contractor made payments for work performed by certified minority- and women-owned business enterprises in a timely fashion so as to facilitate continued performance by certified minority- or women-owned business enterprises? and,
- l) Has the Contractor offered to make up any inability to comply with the minority- and women-owned business enterprise goals established in a State contract, in other State contracts being performed or to be awarded to the Contractor?

7. Compliance Reports

The Contractor shall submit, and shall require sub-contractors to submit, compliance reports on forms and at intervals to be established by Tax and Finance. Reports not submitted at such times as shall be required by Tax and Finance may be cause for Tax and Finance to delay implementing scheduled payments to the Contractor.

8. Contractor's Failure or Inability to Meet Goal Requirements

- a) If the Contractor, after making good-faith efforts, is unable to comply with a contract's M/WBE goal requirements, where applicable, the Contractor may submit a request for a partial or total waiver on forms to be provided by Tax and Finance. If the documentation required with the request for waiver is complete, Tax and Finance shall evaluate the request and issue a written notice of acceptance or denial within twenty calendar days of receipt.
- b) If Tax and Finance, upon review of the Contractor's M/WBE utilization plan and the Contractor's compliance reports, determines that the Contractor is failing or refusing to comply with the contract's M/WBE requirements, and no waiver has been issued in regards to such non-compliance, Tax and Finance may issue a notice of deficiency to the Contractor. The Contractor must respond to the notice of deficiency within seven business days of receipt. Such response may include a request for partial or total waiver of M/WBE goal requirements.

9. Contractor and Agency Complaints; Arbitration

- a) If the Contractor submits a request for waiver of M/WBE goal requirements and Tax and Finance denies the request or fails to respond in any way within twenty days of receiving it, the Contractor may file a complaint with the Director according to the provisions of Section 316 of Article 15-A of the Executive Law. The complaint must be filed within twenty calendar days of Tax and Finance receipt of the request for waiver, if Tax and Finance has not responded in that time, or with twenty calendar days of a notification that the request has been denied by Tax and Finance.
- b) If the Contractor fails to respond to a notice of deficiency, or if Tax and Finance denies a request for waiver of M/WBE goal requirements, Tax and Finance shall file a complaint with the Director pursuant to Section 316 of Article 15-A of the Executive Law.
- c) A complaint should set forth the facts and circumstances giving rise to the complaint together with a demand for relief.
- d) The party filing a complaint, whether the Contractor or Tax and Finance, shall deliver a copy to the other party. Both the complaint and the copy shall be delivered by either personal service or by Certified Mail, return receipt requested.
- e) Upon receipt of a complaint, the Director shall provide the party against whom the complaint has been filed with an opportunity to respond to the complaint. If within thirty days of receipt of the complaint, the Director is unable to resolve the complaint to the satisfaction of Tax and Finance and the Contractor, the complaint shall be referred to the American Arbitration Association for resolution pursuant to Section 316 of Article 15-a of the Executive Law.
- f) Upon conclusion of the arbitration proceedings, the arbitrator will submit to the Director his/her award regarding the alleged violation of the contract or the refusal of Tax and Finance to grant a waiver request by the Contractor. The award of the arbitrator with respect to an alleged violation of the contract or the refusal of the State agency to a waiver shall be final and may be vacated or modified only as provided by Article 75 of the Civil Practice Law and Rules.
- g) Upon conclusion of the arbitration proceedings and the rendition of an award, the arbitrator will also recommend to the Director a remedy, including, if appropriate, the imposition of the sanctions, fines or penalties, provided however, that no fines or penalties shall be recommended with respect to the refusal of Tax and Finance to grant a waiver requested by a Contractor. The Director will either (i) adopt the recommendation of the arbitrator; (ii) determine that no sanctions, fines or penalties should be imposed; or (iii) modify the recommendation of the arbitrator, provided that such modification shall not expand upon any sanction recommended or imposed; or (iv) modify the recommendation of the arbitrator, provided that such modification shall not expand upon any sanction recommended or imposed any new sanction, or increase the amount of any recommended fine or penalty
