AMENDMENT TO RFP 08-13, FINANCIAL INSTITUTION DATA MATCH SERVICES

July 11, 2008

To All Potential Bidders:

The second paragraph of Section III. A Bidder Experience and Reference Requirements is Amended as follows:

The bidder must have prior experience and a proven track record of successfully providing one or more clients with large-scale data matching services as defined in the RFP Glossary within the past five years. This experience must include the design, development, implementation and operation of a system utilizing electronic file exchange technology.

The Department is particularly interested in and will evaluate the bidder's prior large-scale data matching experience with federal and/or state government entities for data matching with multiple financial institutions. The Department will also evaluate, but will give less weight to, **other** experience in **large scale** data matching ~~which is done for entities other than federal and state government entities.~~
