FINAL NOTICE

Your property's STAR exemption will be suspended unless you pay your New York State tax debts by May 31, 2013.

We previously wrote to you about suspension of your STAR (School Tax Relief) Program exemption because of your New York State tax debts.

- The STAR exemption reduces your school tax bill.
- If the exemption is suspended, you could lose hundreds (and in some cases, thousands) of dollars in STAR savings.

Unless you make arrangements to pay what you owe on or before **May 31, 2013**, we will instruct the assessor to remove your STAR exemption.

How to pay

- Online** Visit www.tax.ny.gov
- Phone** Call (518) 453-8124 to learn more about setting up a payment plan
- Mail** Send your payment with a copy of this notice to:
- NYS TAX DEPARTMENT
 LIABILITY OFFSET UNIT/STAR OFFSETS
 W A HARRIMAN CAMPUS
 ALBANY NY 12227-0001

If paying by mail, check or money order must be payable to **Commissioner of Taxation and Finance**.

If you don't pay by May 31, 2013:

- Your STAR exemption will be suspended unless you pay the balance due or set up a payment plan on or before **May 31, 2013**.
- The amount of your STAR savings will be applied against your tax debts.
- If you don't pay in full (or set up a payment plan) until **after** May 31, 2013:
 - You will not receive a STAR exemption for this year.
 - You can, however, reapply for the STAR exemption for next year.
