

## ASSESSMENT OF PUBLIC COMMENT

### DEPARTMENT OF TAXATION AND FINANCE

The Department received two written comments regarding the rule. Both comments identified a typographical error in Column 1 of the Method III Single Table for both Appendix 10 (New York State withholding tables and other methods) and Appendix 10-A (City of Yonkers withholding tables and other methods). The Department made the necessary technical correction to remedy the error and posted the revised text of the rule on its website.
