

**PERFORMANCE BASED BUDGET
FISCAL YEAR TO DATE THROUGH DECEMBER 2007**

MANAGEMENT, ADMINISTRATION, AND COUNSEL

Performance Goal	Status
Achieve 100% participation in the Leadership Training Program. This program is designed for mid- and high-level departmental managers to enhance skills and plan for succession and knowledge transfer in the face of heavy attrition and rapid technological changes.	For the seventh month of the Leadership Academy year, which runs from June 1, 2007 through May 31, 2008, 53% of managers and leaders have participated in the Leadership Academy Program.
Respond to 95% of Disclosure and Government Exchange requests for information within targeted deadlines.	Requests for information were answered 98.6% of the time within targeted deadlines through December.
Process 99% of travel vouchers within two weeks of receipt.	Travel vouchers were processed within two weeks 100% of the time through December.
Process 98% of accounts payable invoices within 30 days of merchandise invoice receipt date.	Accounts payable invoices were processed within 30 days 98.9% of the time through December.
Identify method of procurement for 98% of requisitions within two weeks of Budget Unit approval.	A method of procurement was identified within two weeks of Budget Unit approval 96.9% of the time through December.
Submit 85% of responses for internal and external requests for legal advice and guidance to Deputy Commissioner and Counsel within 60 days.	Internal and external requests for legal advice were forwarded to the Deputy Commissioner and Counsel within 60 days 71.7% of the time through December.
Prepare tax-related budget bills and amendments accurately and on time.	Tax related budget bills and amendments were prepared accurately and timely 100% of the time through December.
Resolve 95% of legislatively referred constituent problems within 15 days.	Legislatively referred constituent problems were resolved within 15 days 93.6% of the time through December.

AUDIT, COLLECTION, AND ENFORCEMENT

Performance Goal	Status
Collect 100% of the Audit Plan collection target.	Audit collected 139% of the fiscal year-to-date Audit Plan collection target through December.
Complete 100% of planned desk audits.	Through December 2007, 76% of planned fiscal year-to-date desk audits were completed.
Complete 100% of planned corporation tax and income tax field audits.	Audit completed 107% of planned fiscal year-to-date corporation and income tax field audits through December.
Complete 100% of planned sales tax field audits.	Through December 2007, 85% of planned fiscal year-to-date sales tax field audits were completed.
Complete 100% of planned transaction and transfer tax field audits.	Audit completed 66% of planned fiscal year-to-date transaction and transfer tax field audits through December.
Open 100% of planned multi-tax audits.	Through December 2007, 124% of planned fiscal year-to-date multi-tax audits were opened.
Meet or exceed Collection Plan target in total cash collections.	The fiscal year-to-date target for total cash collections was exceeded by 4.4%.
Increase the collections recovery rate by 3% over a 5-year period from 2006-07 baseline levels. The recovery rate is the percentage of average inventory collected on an annual basis.	The 12 month rolling recovery rate for December collections was 27.21% compared to 25.61% baseline level for the same period last year.
Tax Collections Operations: <ul style="list-style-type: none"> • Complete 100% of case contacts as projected in the Tax Collections Plan (Call Center and district office incoming and outgoing telephone contacts and public counter). • File 100% of warrants as projected in the Tax Collections Plan. • Complete 100% of other enforcement actions (levies served, income executions, and business seizures) as projected in the Tax Collections Plan. 	<ul style="list-style-type: none"> • Through December, Collections and Civil Enforcement completed 94.83% of its fiscal year-to-date case contact target. • Tax Collections Operations filed 99.81% of the fiscal year-to-date warrant target. • For other enforcement activities, 135.36% of the fiscal year-to-date target was met.
Child Support Enforcement Operations: <ul style="list-style-type: none"> • File 100% of warrants as projected in the Child Support Operations Plan. • Complete 100% of other enforcement actions (levies served, income executions, and business seizures) as projected in the Child Support Operations Plan. 	<ul style="list-style-type: none"> • Child Support Enforcement Operations filed 100.32% of the fiscal year-to-date warrant target through December. • For other enforcement activities, 141.56% of the fiscal year-to-date target was met.
Achieve an average quality score of more than 90% in annual Call Center Quality Review, an annual customer service/quality review of recorded calls.	The 2007-2008 annual Call Center Quality Review has been completed by the Operation Analysis Record Management Bureau (OARM) and the results have been submitted to upper-management of the Collections and Civil Enforcement Division for their review.

CONCILIATION AND MEDIATION

Performance Goal	Status
Acknowledge 95% of: <ul style="list-style-type: none">• accepted cases within 14 days• rejected cases within 14 days• dismissed cases within 22 days	In the Bureau of Conciliation and Mediation Services (BCMS) through December: <ul style="list-style-type: none">• accepted cases were acknowledged within 14 days 99.7% of the time• rejected cases were acknowledged within 14 days 97.9% of the time• dismissed cases were acknowledged within 22 days 96.1% of the time
Schedule 90% of cases for conference within 180 days.	BCMS scheduled 98.7% of the cases for conference within 180 days through December.
Issue 85% of decisions within three months of conference date.	Decisions were issued within three months of the conference date 86.2% of the time through December.

TECHNOLOGY AND INFORMATION SERVICES

Performance Goal	Status
<p>Continue the development, construction, and implementation of the e-MPIRE integrated tax system, thereby allowing complete migration off the existing, antiquated UNISYS platform.</p>	<p>Release 3 The completely built and integration tested Release 3 returns processing system was finished on December 3, 2007.</p> <p>Release 3 of Taxpayer Information will be implemented as planned as part of the PIT annual cycle in January 2008. Release 3 mapping of electronically filed (i.e., ELF) returns and the re-designed transcripts will be implemented in early 2008.</p> <p>User Testing results continue to be as or better than expected. Defect rates are much lower in most areas, and as expected in the newly developed areas (e.g., returns processing logic).</p> <p>Critical issues continue to be monitored daily and reviewed with all project support teams (e.g., ITS, IBM). Product related issues have stabilized and are being addressed appropriately by IBM</p> <p>Environment stability continues to be uneven across environments and not yet at acceptable levels. Significant efforts from multiple teams continue to be required to assure that any necessary code migrations are successfully deployed and working consistently in the appropriate environments (i.e., Development and Development B, User Testing (UT), Mock and Training). This will be critical to support the running of files for performance and user testing and to enable timely execution and review of test conditions in the User Test environment. Both Performance and User Testing are expected to be completed by March 31, 2008.</p> <p>Websphere Business Integration (WBI) Monitor product testing is underway and no significant defects have been discovered to date.</p> <p>Performance Test results are not yet where they need to be. Although this testing slowed in December to facilitate support of the Contingency Plan and Integration Testing, this continues to be a high priority activity, which is scheduled to accelerate in January.</p> <p>Work continues in the training environment, which is scheduled to be available in mid January 2008. The revised plan for a January 2009 Release 3 implementation is due in mid January.</p> <p>Resources Turnover of contractor staff will be a critical issue over the last quarter of the fiscal year. Existing DTF and contractor staff is being shifted to the extent possible to address turnover of contractor resources.</p>

Ensure access to major online systems during 99% of normal work hours.	Through December, major online systems were available 99% of the time during normal work hours.
Ensure availability of network resources during 99% of normal work hours.	Through December, network resources were available 99% of the time during normal work hours.
Complete and/or advance the portfolio of discrete technology projects within 10% of its final schedule baseline and 10% of its final non-personal service budget.	Through December, thirteen projects were completed. Nine projects (69%) finished within 10% of the final schedule baseline. Nine projects did not have any non-personal service costs. Three out of the four projects (75%) with non-personal service costs finished within 10% of the final budgeted non-personal service cost.

TAX POLICY, REVENUE ACCOUNTING, AND TAXPAYER GUIDANCE

Performance Goal	Status
Issue all tax forms and instructions on time with 100% accuracy.	Through December, all tax forms and instructions were issued timely and accurately 100% of the time.
Issue taxpayer guidance on Tax Law and Department policy changes (publications, regulations, notices, TSB-Ms and NYT-Gs) at least 30 days prior to effective date, if applicable, or within six weeks of the Department becoming aware of need.	Publications issued for taxpayer guidance on Tax Law changes were issued timely 100% of the time through December.
Issue advisory opinions within 90 days of receiving a completed petition.	Advisory opinions were issued within 90 days of receiving a completed petition 8.6% of the time through December 2007.
